Dear Massachusetts Pesticide License Holder:

Please be notified that you are being audited regarding your continuing education contact hours. Our records indicate that you are due to be recertified in the category code(s) specified below in the three-year recertification cycle ending 7/1/2019. Massachusetts pesticide regulations require that you obtain the specified number of contact hours (Continuing Education Credits) within a three year period. In this this three-year training cycle, training certificates must be obtained between July 1, 2016 and June 30, 2019 to fulfill this requirement.

License Type	Category and Code	Credits Required
Private Certification	Cranberries (30)	12

**Directions:** Please sign this audit letter and make copies of all documents for your records. Return the signed audit letter with original certificates, applicable to the above listed License Type(s) and Category Code(s) by September 1, 2019 to the address provided below:

Department of Agricultural Resources
