Re: Surrender of Pharmacy Technician Registration - Complaint No. PHA-2009-0122

Dear Ms. Spring:

The Board of Registration in Pharmacy (Board) is in receipt of your Massachusetts Pharmacy Technician Registration No. 132 (exp. 08/23/10) which you surrendered to the Board by letter dated August 28, 2009 in resolution of above-referenced Complaint No. PHA-2009-0122.

Please be advised that the Board has accepted the surrender of your pharmacy technician registration on the terms and condition that you understand and agree your surrender is voluntarily tendered; that registration surrender is considered to be a disciplinary action depriving you of all privileges of registration; that registration surrender is not subject to reconsideration or judicial review; and that the Board will not review any application for licensure as a pharmacy technician in the future.

If you do not agree to the above described terms and conditions listed by which the Board has accepted the surrender of your pharmacist technician registration in resolution of the Complaint, **you must notify the Board in writing at the address above within 30 days of the date of this letter. Please be advised if the Board will close the Complaint as a "voluntarily surrender" on October 9, 2009 if you have not otherwise notified the Board by that date.**

Very truly yours,

Joanne M. Trifone
