

Massachusetts Department of
Conservation and Recreation
Areas of Critical Environmental
Concern (ACEC) Program

This map is intended to be used with the written boundary description contained in the ACEC designation document. The mapped boundary is not to be used by itself for definitive ACEC boundary delineation or regulatory interpretation. For review of site-specific projects within the ACEC boundary, determinations may need to be made in the field or in consultation with ACEC Program Staff.

For more information:
www.mass.gov/dcr/stewardship/acec

- ACEC Boundaries by Type**
- Road/Rail based
 - River based
 - Wetland based
