Cost-Analysis Comment (BWFH)

Dear Ms. Szent-Gyorgyi:

On behalf of a Ten Taxpayer Group, I write to comment on the Determination of Need Application filed by Mass General Brigham Incorporated ("MGB") for renovations to Brigham and Women's Faulkner Hospital ("BWFH"). We are pleased the Independent Cost Analysis ("ICA") concluded the project would be consistent with the health care cost containment goals of Massachusetts. In addition, the ICA reaffirmed the patient care demands being placed on the BWFH and the overall need for the project.

In conclusion, we reiterate our continued support for the project and urge the Department of Public Health to approve this critically needed project.

Sincerely,

Paula Santosuosso
