For budget-conscious school systems, the State Surplus Property Office (SSPO) may be of great assistance! After 30 days, any surplus property not transferred to Executive Departments is offered to municipalities, including schools, which may acquire the item for a small administrative fee.

Peruse the SSPO [website](#).

## Special Education Pricing

OSD sets the tuition prices for M.G.L. approved private special education programs for purchase by cities and towns and Commonwealth departments. Find more information on the [Special Education Pricing webpage](#).
