

Supplier Diversity Office (SDO) Webcasts

Click on the links below to learn more about SDO programs and tools:

[SDO Overview](#) - This video highlights the SDO, its programs, and resources available to diverse and small businesses.

[SDP Overview](#) - The Supplier Diversity Program (SDP) applies to large Executive Branch Goods and Services procurements expected to result in spending of more than \$250,000 per year. This webcast introduces the SDP, what it is, and how it works.

[SDP Plan Form](#) - This webcast provides an overview of the SDP Plan Form which must be submitted with any large procurement expected to result in spending of more than \$250,000 per year.

[Finding SDP Partners](#) - SDP partnerships are required for all executive agency goods and service procurements expected to result in spending of more than \$250,000 per year. This webcast focuses on how to find SDP partners and partnership options, and sources for finding partners.

[SBPP for Buyers](#) - The Small Business Purchasing Program (SBPP) applies to small Executive Branch Goods and Services procurements estimated to cost \$250,000 or less per year. This webcast provides an overview for executive agencies of SBPP purchasing and procurement policies, a demonstration of how to identify SBPP vendors in COMMBUYS, and a review of the SBPP program eligibility requirements.

[SBPP for Businesses](#) - Although the SBPP does not guarantee contract awards, Executive agencies must give special consideration to SBPP participants when buying goods and services estimated to cost \$250,000 or less per year. This webinar provides an overview of SBPP and its benefits, eligibility criteria and application process, and how to search for SBPP designated bids in COMMBUYS.

[Resetting a Supplier Diversity Hub Password](#) - This is a step-by-step instructional video which guides Hub users through the process of resetting their password and regaining access to their account.
