Notice to Commercial Sea Urchin Dredge Fishermen

The Marine Fisheries Advisory Commission (MFAC) approved a control date on February 3, 1994 for the sea urchin dredge fishery. This control date may be used in the future to limit entry into the urchin dredge fishery. Any fisherman who did not hold a regulated sea urchin permit endorsed for dredging by February 3, 1994 may be ineligible to participate in this fishery in the future. Notice will be sent if DMF and the MFAC feel a limited entry system for this fishery is warranted.

Please complete, sign, and return this form in the enclosed envelope along with:

- Your completed and signed commercial permit application endorsed for sea urchin
- A copy of a valid driver's license or voter registration card
- Your fee (In addition to commercial permit fee, endorsement fee is \$30.00 for Massachusetts residents and \$60.00 for Non-residents), made payable to the Commonwealth of Massachusetts

I hereby certify that I have read and understand the above information on the control date for the sea urchin dredge fishery. I further certify that I harvest sea urchins by dredge.

Signed this _____ day of _____, 20____ by _____

Printed Name: _____ Permit ID #: _____

Address: _____

Important: Please be sure to complete all the requested information on this form so that we may properly issue your sea urchin endorsement. If any of the requested information is not received, we will be unable to process your application.
