Board of Registration in Pharmacy
Docket No. PHA-2019-0054

Dear Mr. Murray:

The Child Support Enforcement Division of the Massachusetts Department of Revenue (DOR) by a letter of May 8, 2019 directed the Massachusetts Board of Registration in Pharmacy (Board) to suspend your license to practice as a Pharmacy Technician pursuant to M.G.L. c. 119A, s. 16 (a), as you have failed to make consistent and timely payments toward your court-ordered child support obligation and currently owe past-due child support. A copy of the DOR letter notifying the Board to suspend your license and citing statutory authority for its action is enclosed.

The Board, as required by law, **hereby notifies you that your right to renew your license to practice as a Pharmacy Technician in Massachusetts will be suspended effective five (5) days from the date of this letter.** Further, you are hereby required to return any license issued to you by the Board, whether current or expired, to the Board's office at 239 Causeway Street, Boston, MA 02114, by hand or by certified mail, within five (5) days of the date of this letter.

The suspension of your license requires that you cease all practice as a **Pharmacy Technician** in Massachusetts. If you practice in violation of this license suspension, such practice shall be reported to the Office of the Attorney General and you may face criminal charges for unlicensed practice.

NOTICE TO SUSPEND LICENSE OR CERTIFICATE

License Type: Professional
RE: Sean Murray - Lic #2363

Dear Director:

The Child Support Enforcement Division of the Department of Revenue (DOR) has determined that the individual identified above owes past-due child support that is subject to a child support lien, pursuant to G.L. c. 119A, § 6. You are hereby notified to suspend the license or certificate issued by your agency to the individual identified above, pursuant to G.L. c. 119A, § 16.

DOR afforded the individual an opportunity to satisfy the past-due child support or request an administrative hearing. The opportunity for a hearing provided by DOR is the exclusive administrative remedy for contesting the determination of a child support delinquency and for contesting suspension or revocation of the license or certificate. G.L. c. 119A, § 16(b). This notice is based on the final determination of child support delinquency by DOR and is not subject to review by the licensing authority.

The individual may seek judicial review in the court where the child support order was issued, or which has jurisdiction to register the order, by filing a complaint against DOR within 45 days of the date of the notice from your agency that the license or certificate has been suspended.

If, within six months, the individual fails to pay the child support debt in full or make consistent child support payments, DOR will send you written notice to revoke the license or certificate.
