 Service to Qualified Households )

D.T.C. Case No. 11-8

**D.T.C. 1-38 TAG Mobile states that it “employs both Verizon and Sprint carrier networks to ensure ubiquitous coverage.” Petition at 14. Regarding Exhibit A (“Map and Wire Centers”) to the Petition:**

- a. **Clarify the meaning of “Network 1” and “Network 2” on the coverage map provided. Clarify whether TAG Mobile is seeking to provide Lifeline and Link-Up service throughout the areas covered by Networks 1 and 2 in the map provided.**

Response: With respect to the coverage map provided, Network 1 indicates Sprint’s coverage area, and Network 2 indicates Verizon Wireless’ coverage areas. TAG Mobile confirms that it seeks to provide Lifeline and Link-Up service throughout the service areas of both Sprint and Verizon Wireless, as indicated in the map provided.

Second Supplemental Response: TAG Mobile has taken another look at the Exhibit A Map and Wire Centers and noted that the Wire Center list included certain rural non-Verizon territories (Richmond and Granby). TAG Mobile does not seek to provide services in these rural territories.

- b. **Indicate whether the Sprint Nextel network and/or Verizon Wireless network provides coverage across all of the towns listed in Exhibit A. Clarify whether TAG Mobile considers all of the towns listed in Exhibit A to be non-rural areas and explain why.**

Response: TAG Mobile is presently researching the response to this information request and will provide a supplemental response when the information becomes available.

Supplemental Response: TAG Mobile is still awaiting information from its providers, but expects to respond not later than Wednesday, October 31, 2012.

Second Supplemental Response: See Second Supplemental Response to Request 1-38a above and 1-38c below.

- c. **Provide the corresponding wire center information for the CLLI codes listed in Exhibit A.**

Response: TAG Mobile is presently researching the response to this information request and will provide a supplemental response when the information becomes available.

Supplemental Response: TAG Mobile is still awaiting information from its providers, but expects to respond not later than Wednesday, October 31, 2012.

D.T.C. Case No. 11-8

Second Supplemental Response: Please see Exh. 1-38c-Second Supp, which provides wire center information for the CLLI codes listed in Exhibit A, except that TAG Mobile has removed certain rural territories as discussed in the Second Supplemental Response to 1-38a above.

- d. Identify the date the coverage map was generated. Provide the most recent coverage area map available for each network that TAG Mobile will use to provide service in Massachusetts.**

Response: The map provided with TAG Mobile's Petition for ETC designation in Massachusetts was created July 1, 2011 and is the most recent coverage map available for TAG Mobile's underlying carriers, Sprint and Verizon Wireless.
