REAL ID

What Is REAL ID?

- A new type of credential that the RMV will begin to issue on March 26, 2018.
- REAL ID comes from the REAL ID Act of 2005, which sets security standards for state-issued driver's licenses and ID cards.

Why do I need REAL ID?

- By October of 2020, you will need it to:
 - board a plane in the US, or
 - enter a federal building
- If you have a valid passport, you could use that and never need a REAL ID.

Should I get a REAL ID right now?

- You don't need a REAL ID until October of 2020 so just wait and apply for it when your license/ID is due for renewal.

Do I need it?

Click [here](#) to find out! It's so easy and takes less than a minute.

We will not collect any information.

You do not need a REAL ID until October 2020 but you may apply for one after March 26, 2018.
