SAFETY FIRST

- Always obtain a park map before you hit the trail. Know where you are at all times.
- Tell a responsible person where you are going and when you will be back.
- Wear comfortable, supportive shoes, and dress in layers.
- Bring water, a snack, first aid kit, map, and compass.
- If you are unsure of which trail to take, turn around and backtrack rather than risk losing your way.
- Poison ivy is common throughout our state. Learn to identify and avoid poison ivy.
- Carry out what you carry in.
- Don't feed wildlife.
- Avoid sunburn.
- Conduct a tick check.

Take A Hike!

Explore the State Forests and Parks of **SOUTHEAST** Massachusetts

SELF-GUIDED FAMILY HIKES

Get Outdoors! Disconnect with Cyberspace. Reconnect with Open Space.

The self-guided hikes listed in this brochure are part of the *No Child Left Inside* initiative. The mission of this initiative is to reconnect families and children with the great outdoors. Please visit www.greatparkpursuit.org for more information.

What is this brochure all about?

This ‘Take a Hike!’ Guide is intended for individuals, groups and families who are interested in exploring the State Parks and Forests of Southeast Massachusetts. The Massachusetts Department of Conservation and Recreation also encourages you to check a list of guided hikes offered throughout the state. This list is available at <http://www.mass.gov/dcr/events.htm>.

How do I get started?

You will need this ‘Take a Hike!’ Guide. This Guide describes ten hikes located throughout State Forests & Parks in Southeastern Massachusetts. Each hike includes a description and mileage of the hike. You may be able to pick up a trail map at the Forest or Park Headquarters, on-line at www.mass.gov/dcr, or by sending a SASE to the Park directly. You will also find directions to these parks at the above website. You will need a good pair of sneakers or boots and a bottle of water!
