

## **PCA Public Listening Session: General Updates and Details on Gradual EVV Implementation**

As was mentioned during prior stakeholder meetings, MassHealth will be hosting bi-monthly Public Listening Sessions to provide updates on Electronic Visit Verification (EVV) implementation for the PCA Program. In addition to providing updates, these sessions will be used to gather critical stakeholder feedback regarding EVV and will be held at least every other month until EVV implementation begins in calendar year 2022. All sessions will be held virtually using videoconference. We are asking for your assistance in sharing this information as broadly as possible.

Please note that the next session is taking place as follows:

<b>Session Date/Time</b>	<b>WebEx Link and Call In Information</b>
Tuesday, September 28, 2021  10:00 am – 12:00 pm EST	<a href="https://statema.webex.com/statema/j.php?MTID=maf3bb73d134a52b71e327eef170c7bca">https://statema.webex.com/statema/j.php?MTID=maf3bb73d134a52b71e327eef170c7bca</a>  <b>Join by phone</b> +1-203-607-0564 US Toll +1-866-692-3580 US Toll Free  Meeting number (access code): 1610 10 6223  Meeting password: uUPhgtpW448

Public Listening Sessions are open to all stakeholders. If you cannot attend a Public Listening Session, written responses will be accepted at any time at [PCAfeedback@massmail.state.ma.us](mailto:PCAfeedback@massmail.state.ma.us). Public listening sessions are completely voluntary, and while MassHealth encourages all interested stakeholders to participate, Personal Care Attendants are not required to attend.
