In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually authenticated and delivered by the Authenticating Agent therefor, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any Bond may be signed and sealed on behalf of the Trust by such persons as at the actual time of execution of such Bond shall be duly authorized or hold the proper office in the Trust, although at the date of the Bonds such persons may not have been so authorized or have held such office.

Bonds, upon surrender thereof at the Principal Office of the Bond Trustee, Authenticating Agent or Paying Agent, with a written instrument of transfer satisfactory to the Bond Trustee or such Authenticating Agent or Paying Agent, duly executed by the Owner or his duly authorized attorney, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of such Bonds of the same maturity, interest rate, if any, and tenor of any other authorized denomination.

Section 207. Negotiability, Transfer and Registry. (A) The Bonds shall be negotiable, subject to the provisions for registration and transfer contained in this Bond Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Trust shall maintain and keep, at the Principal Office of the Bond Trustee, who is hereby appointed registrar for the Bonds, books for the registration and transfer of Bonds; and upon presentation thereof for such purpose at said office, the Trust shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as it or the Bond Trustee may prescribe, any Bond entitled to registration or transfer.

(B) Each Bond shall be transferable only upon the books of the Trust in the manner provided in the form of such Bonds. As to any Bond, the person in whose name the same shall be registered upon the books of the Trust may be deemed and regarded as the absolute owner thereof, whether such Bond shall be overdue or not, for all purposes; and payment of, or on account of, the Principal Amount or Redemption Price of, and interest on, such Bond, shall be made only to, or upon the order of, such registered owner. The Trust, the Program Trustee and each Fiduciary may treat the registered owner of any Bond as the absolute owner of such Bond whether such Bond shall be overdue or not, for the purpose of receiving payment of the Principal Amount or Redemption Price of and interest on, such Bond, and for all other purposes whatsoever hereunder and under the Program Resolution, and neither the Trust, the Program Trustee nor any Fiduciary

shall be affected by any notice to the contrary. The Trust agrees to indemnify and save the Program Trustee and each Fiduciary harmless from and against any and all loss, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

(C) All Bonds surrendered in any exchange or transfer of Bonds shall forthwith be canceled by the Authenticating Agent. For every such exchange or transfer of Bonds, whether temporary or definitive, the Trust, the Bond Trustee or the Authenticating Agent may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer and may additionally charge the Owner requesting such exchange or transfer such fee, if any, as may be specified in the applicable Supplemental Bond Resolution. The Trust shall not be obligated to make any exchange or transfer of Bonds between the record date for the payment of interest on such Bonds and the next succeeding Interest Payment Date therefor or, in the case of any proposed redemption of Bonds, during the ten days next preceding the date of the mailing of notice of such redemption, and shall not be obligated to make any exchange or transfer of Bonds called for redemption except as provided in Section 304.

Section 208. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Trust shall execute, and the Authenticating Agent shall authenticate and deliver, a new Bond of like maturity, tenor and Principal Amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond (upon surrender and cancellation of such mutilated Bond) or in lieu of and substitution for the Bond destroyed, stolen or lost (upon filing with the Authenticating Agent evidence satisfactory to the Trust and the Authenticating Agent that such Bond has been destroyed, stolen or lost and proof of ownership thereof) and upon furnishing the Trust, the Bond Trustee and the Authenticating Agent with indemnity satisfactory to them and complying with such other reasonable regulations as the Trust, the Bond Trustee or the Authenticating Agent may prescribe and paying such expenses as the Trust, the Bond Trustee and the Authenticating Agent may incur including the expenses, if any, of printing and delivering such new Bond. All Bonds so surrendered to the Authenticating Agent shall be canceled by it. The Authenticating Agent shall advise the Bond Trustee and the Paying Agents of the issuance of substitute Bonds.

Section 209. Preparation of Definitive Bonds; Interim Receipts and Temporary Bonds. Until definitive Bonds are prepared, the Trust may execute and, upon the request of the Trust, the Authenticating Agent shall authenticate and deliver, in lieu of definitive Bonds, one or more interim receipts, or one or more temporary Bonds, substantially of the tenor of such definitive Bonds and with such omissions, insertions and variations as may be appropriate for temporary Bonds. The Trust at its own expense shall prepare and execute and, upon the surrender at the Principal Office of the Authenticating Agent of such interim receipts or temporary Bonds for exchange and cancellation, the Authenticating Agent shall authenticate and, without charge to the Owner thereof, deliver in exchange therefor, definitive Bonds of the same aggregate Principal Amount, maturity and tenor as the interim receipts or temporary Bonds surrendered. Until so exchanged, the interim receipts and temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds authenticated and issued pursuant to this Bond Resolution. All interim receipts and all temporary Bonds surrendered in exchange for a definitive Bond or Bond shall be forthwith canceled by the Authenticating Agent.

Section 210. Cancellation of Bonds. All Bonds redeemed or paid by the Trust or any Fiduciary, or received by any Fiduciary on any transfer or exchange of Bonds, shall be canceled by it and delivered to the Bond Trustee. Except as otherwise provided herein, all Bonds purchased by any Fiduciary shall be canceled by it and delivered to the Bond Trustee. No such Bonds shall be deemed Outstanding under this Bond Resolution and no Bonds shall be issued in lieu thereof.

Section 211. Book Entry System. Notwithstanding the foregoing provisions of Article II hereof to the contrary:

(A) The Bonds shall be initially issued in the form of a single separate fully registered bond for each maturity of the Bonds with a different interest rate in the amount of such maturity. Upon initial issuance, the ownership of the Bonds shall be registered in the registry books of the Trust kept by the Bond Trustee in the name of Cede & Co., as nominee of the Bond Depository. With respect to Bonds registered in the registry books kept by the Bond Trustee in the name of Cede & Co., as nominee of the Bond Depository, the Trust and the Bond Trustee shall have no responsibility or obligation to any Participant or to any Beneficial Owner of the Bonds. Without limiting the immediately preceding sentence, the Trust and the Bond Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Bond Depository, Cede & Co. or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than the Bond Depository, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Participant, any Beneficial Owner or any other person, other than the Bond Depository, of any amount with respect to the Principal Amount or Redemption Price of, or interest on, the Bonds. The Bond Trustee shall pay the Principal Amount or Redemption Price of, and interest on, the Bonds only to or upon the order of the Bond Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Trust's obligations with respect to the Principal Amount or Redemption Price of, and interest on, the Bonds to the extent of the sum or sums so paid. No person other than the Bond Depository shall receive an authenticated Bond evidencing the obligation of the Trust to make payments of Principal Amount or Redemption Price of, and interest pursuant to this Bond Resolution. Upon delivery by the Bond Depository to the Bond Trustee of written notice to the effect that the Bond Depository has determined to substitute a new nominee in place of Cede & Co., the words "Cede & Co." in this Bond Resolution shall refer to such new nominee of the Bond Depository.

(B) Upon receipt by the Trust and the Bond Trustee of written notice from the Bond Depository to the effect that the Bond Depository is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Bond Depository hereunder can be found which is able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the registry books of the Trust kept by the Bond Trustee in the name of Cede & Co., as nominee of the Bond Depository, but may be registered in whatever name or names the Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Bond Resolution.

(C) In the event the Trust determines that Beneficial Owners should be able to obtain Bond certificates, the Trust shall notify the Bond Depository and the Bond Trustee of the

availability of Bond certificates. In such event, the Bond Trustee shall issue, transfer and exchange Bond certificates as requested by the Bond Depository (or, pursuant to Section 211(B) hereof, any other Bondholder) in appropriate amounts, and, whenever the Bond Depository requests the Trust and the Bond Trustee to do so, the Bond Trustee and the Trust will cooperate with the Bond Depository in taking appropriate action after reasonable notice (i) to transfer the Bonds to any Participant having Bonds credited to its Bond Depository account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

(D) Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Bond Depository, all payments with respect to the Principal Amount or Redemption Price of, and interest on, such Bond and all notices with respect to such Bond shall be made and given, respectively, to or on the order of the Bond Depository as provided in the Representation Letter.

Section 212. Sale of Bonds. (A) The distribution by the Underwriters of the final Official Statement (in printed and electronic form) is hereby authorized, with such changes, omissions, insertions and revisions as the Executive Director shall deem advisable, and the Executive Director is authorized to sign and deliver such final Official Statement to the Underwriters and the successful bidder.

(B) The Bonds shall be delivered upon compliance with the provisions of Section 205 of the Program Resolution, at the time and place provided by the Purchase Contract with respect to the Bonds.

### ARTICLE III REDEMPTION OF BONDS

Section 301. Optional Redemption. The Bonds maturing on or prior to August 1, 2026 are not subject to redemption prior to maturity. The Bonds maturing after August 1, 2026 are subject to redemption prior to maturity on and after August 1, 2024 in whole or in part at any time, by lot, at a Redemption Price equal to the Principal Amount of such Bonds or portion thereof redeemed, plus accrued interest to the redemption date.

Section 302. [Reserved]

Section 303. Selection of Bonds to be Redeemed. If less than all of the Bonds of a similar maturity and tenor are redeemed, and so long as the book-entry only system remains in effect for such Bonds, the Bonds of such maturity and tenor to be redeemed shall be selected by lot by the Bond Depository in such manner as the Bond Depository may determine. If the book-entry only system no longer remains in effect for the Bonds, subject to Section 408 hereof, in the event of redemption of less than all the Bonds of like maturity and tenor, the Bond Trustee shall select by lot, using such method of selection as it shall deem proper in its discretion, from all Bonds of such maturity and tenor Outstanding, the Bonds or portions thereof to be redeemed.

Section 304. Notice of Redemption. (A) When the Bond Trustee shall receive notice from the Trust of its election to redeem Bonds pursuant to Section 301, and when redemption of such Bonds is required by this Bond Resolution, the Bond Trustee shall give notice, in the name of the Trust, of the redemption of such Bonds, which notice shall specify the “CUSIP” number of each Bond or portion thereof to be redeemed, the date and interest rate of such Bond or portion to be redeemed and the name and telephone number of a representative of the Bond Trustee from whom information regarding such redemption can be obtained. Such notice shall be mailed not more than 60 days and not less than 30 days prior to the redemption date to the registered owners of all Bonds or portions thereof to be redeemed. Notwithstanding anything herein to the contrary, notice of redemption of any Bonds or portions thereof given to the registered owner of \$1,000,000 or more Principal Amount of Bonds Outstanding shall, upon the prior written request of such registered owner to the Bond Trustee, be mailed by certified mail, return receipt requested. Failure to mail any redemption notice as herein provided with respect to a Bond or any defect therein shall not affect the redemption of any other Bonds for which the required notice of redemption shall have been given. Not less than two Business Days prior to the giving of any notice of redemption of Bonds to the registered owners thereof, the Trust shall also give notice of such redemption to the MSRB (provided failure to give such notice or any defect therein shall not affect the redemption of such Bonds on the redemption date therefor). If any Bonds called for redemption as provided herein are not presented for payment within 60 days of the redemption date, the Bond Trustee shall mail an additional notice of the redemption of such Bonds to the registered owners thereof, provided that failure to mail such notice or any defect therein shall not affect the redemption of such Bonds on the redemption date therefor.

(B) If, at the time of mailing of the notice of redemption of the Bonds pursuant to Section 301, there shall not have been deposited with the Bond Trustee moneys sufficient to redeem all the Bonds called for redemption, such notice may state that it is conditional, *i.e.*, subject to the deposit of the redemption moneys with the Bond Trustee not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

Section 305. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 304, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price plus interest accrued and unpaid to the redemption date. If there shall be called for redemption less than all of a Bond, the Trust shall execute and the Authenticating Agent shall authenticate and deliver, upon the surrender of such Bond, without charge to the Owner thereof, for the unredeemed balance of the Principal Amount of the Bond so surrendered, Bonds of like maturity, interest rate and tenor in any authorized denomination. If, on the redemption date, amounts for the redemption of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the portion of the Principal Amount applicable to interest on the Bonds or portions thereof so called for redemption shall cease to accrue and become payable. If said amounts shall not be available on the redemption date, interest on such Bonds or the portion of the Principal Amount

thereof applicable to interest shall continue to accrue until paid at the same rate or yield, as applicable, and in the same manner as it would have borne had they not been called for redemption.

(I) Notwithstanding anything in this Bond Resolution to the contrary, the Trust shall not be required to comply with any provision with respect to the Bonds contained in this Section 411 in the event the Trust receives an opinion of Bond Counsel that compliance with such provision is no longer required to satisfy the requirements of the Code such that interest on the Bonds shall be and remain excludable from gross income for federal income tax purposes or that compliance with some other provision in lieu of a provision specified in this Section is required to or will satisfy the requirements of the Code, in which case compliance with such other provisions specified in such opinion shall constitute compliance with the provisions specified in this Section. The Trust shall adopt a Supplemental Resolution reflecting the deletion or substitution of any such provision in this Section in accordance with Section 601 hereof.

Notwithstanding any provision of this Bond Resolution to the contrary, no moneys on deposit in the 2014 Debt Service Reserve Fund shall be invested in any Investment Obligation the purchase of which would (at the time of such purchase) adversely affect the ratings then assigned by any Rating Agency to any Bonds Outstanding. If the Trust shall fail to provide the Bond Trustee with directions of an Authorized Officer for the investment of any moneys held in any Fund or Account hereunder, the Bond Trustee shall invest such moneys in Investment Obligations described in Clause (10) or Clause (11) of the definition thereof in Section 102(B) hereof (and shall be fully protected in making such investment) maturing or redeemable at the option of the owner thereof on or before the next succeeding Interest Payment Date for the Bonds. In

making investments hereunder, the Bond Trustee shall be protected in relying on the directions of an Authorized Officer as to the nature, maturity, rate and amount of such investments.

(B) Unless otherwise provided herein or in the Equity Allocation Certificate with respect to any particular Fund or Account, Net Earnings derived from the investment or deposit of moneys in any Fund or Account shall be credited to the Revenue Fund.

(F) Subject to the provisions of the Clean Water Act or the Drinking Water Act, as applicable, and the applicable Financing Agreement, and the prior pledge to the related Owners of the related Unrefunded Prior Bonds, Prior Senior Lien Bonds Outstanding and Prior Refunding Bonds, as applicable, the Trust may sell, assign, transfer, or otherwise dispose of any Prior Loan, any Prior Local Governmental Obligation, or any participation or other interest therein which is not in default or delinquent in the payment of Prior Borrower Payments thereon, or transfer any such Prior Loan or Prior Local Governmental Obligation to itself free and clear of the pledge of this Bond Resolution, in either case at such price as the Trust shall determine, provided that not less than 10 Business Days prior to any such disposition or transfer the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such disposition or transfer

(H) The Trust may consent or agree to or permit amendment or modification of the Commonwealth Assistance Contract or any Investment Obligation which the Trust determines to be in the best interests of the Trust and the Bondholders; provided that no such amendment or modification shall be effective until the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such amendment or modification anticipated Revenues available to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due will not be less than the amount of Revenues anticipated to be available for such purpose if the Commonwealth Assistance Contract or such Investment Obligation is not so amended or modified.

Local Governmental Obligation is not so substituted and the loans or local governmental obligations to be substituted comply with the terms hereof, including without limitation this Section 505.

(J) Subject to the provisions of the Clean Water Act or the Drinking Water Act, as applicable, and the applicable Financing Agreement, and the prior pledge to the related Owners of the related Unrefunded Prior Bonds, Prior Senior Lien Bonds and the Prior Refunding Bonds, as applicable, the Trust may release from the pledge of this Bond Resolution any Prior Loan, any Prior Local Governmental Obligation, or any participation or other interest therein, or transfer any such Prior Loan or Prior Local Governmental Obligation to itself free and clear of the pledge of this Bond Resolution, provided that prior to such release or transfer the Trust files with the Bond Trustee a certificate of an Authorized Officer showing that following such release or transfer anticipated Revenues and Prior Bond Revenues, as applicable, available to pay in the current and each subsequent Fiscal Year will not be less than the Aggregate Debt Service on the Bonds payable by the Trust in the current and each subsequent Fiscal Year.

Section 506. Tax Covenants. (A) The Trust shall not use or permit the use of any proceeds of Bonds or any other funds of the Trust, directly or indirectly, to acquire any securities or obligations, and shall not use or permit the use of any amounts received by the Trust or the Fiduciaries with respect to the Revenues, Prior Bond Revenues, Prior Loans or Prior Local Governmental Obligations in any manner, and shall not otherwise take or permit to be taken any other action or actions, which would cause any Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or, to the extent applicable, which would cause any Bond to violate any of the restrictions contained in Section 141 through Section 150 the Code.

(B) The Trust shall take all lawful action necessary to ensure that interest on the Bonds will remain excludable from gross income for federal income tax purposes and shall not use or permit the use of any proceeds of Bonds or any other funds of the Trust, directly or indirectly, in any manner, and shall not take or permit to be taken any other action or actions, which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes.

(C) The covenants and agreements contained in this Section 506 shall survive the payment of a Bond or the making of provision for the payment thereof as provided in Section 1001 hereof. Notwithstanding anything in this Bond Resolution to the contrary, the covenants and agreements contained in this Section 506 shall not apply to any Bond bearing at the time of original issuance under this Bond Resolution such terms and provisions, or the proceeds of which are applied in such a manner, as shall cause the interest payable on such Bond to be includable in gross income for federal income tax purposes if the opinion of Bond Counsel delivered to the Bond Trustee and the Authenticating Agent upon original issuance of such Bond states, in effect, that under then existing laws the interest payable on such Bond is includable. Notwithstanding the foregoing, unless a different meaning clearly appears from the context, any reference herein to the exclusion of interest on any Bonds from gross income for federal income tax purposes shall not include reference to inclusion of interest on any Bond in any computation of the alternative minimum tax imposed on individuals or corporations by the Code.

Section 507. Additional Tax Covenants. In addition to the requirements of Section 506 hereof, so long as any Bonds shall be Outstanding and unpaid (unless the Trust shall file an opinion of Bond Counsel with the Bond Trustee to the effect that compliance with all or part of the provisions of this Section 507 is not required to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds) the Trust covenants that:

(a) At no time shall the amount, if any, of proceeds from the sale of the Bonds on deposit in the 2014 Debt Service Reserve Fund, Pool Program Reserve Fund, the Federal Program Subaccount within the Clean Water Deficiency Account in the Deficiency Fund and the Drinking Water Deficiency Account in the Deficiency Fund exceed an amount equal to 10% of the proceeds of the Bonds;

(b) Not less than 95% of those Costs of Issuance funded from proceeds of the Bonds constituting legal and underwriting costs associated with the issuance of the Bonds (as determined under the Code) shall be paid not later than the 180th day after the date of authentication and delivery of the Bonds; and

(c) The Trust shall not make any arrangement, formal or informal, pursuant to which any Borrower or any other person (including any related person as defined in Section 144(a)(3) of the Code) to whom the Trust may make a Loan or from whom the Trust may purchase Local Governmental Obligations under the Program, shall purchase Bonds in an amount related to the amount of such Loan or Local Governmental Obligations.

Section 508. Accounts and Reports. (A) The Trust shall keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Program and all Funds and Accounts established by or pursuant to this Bond Resolution, which shall at all reasonable times be subject to the inspection of the Bond Trustee, any Borrower and the Owners of not less than 5% in aggregate Principal Amount of Bonds then Outstanding or their representatives duly authorized in writing.

(B) The Trust shall annually, within 120 days after the close of each Fiscal Year, file with the Bond Trustee, and otherwise as provided by law, annual audited financial statements of the Trust prepared in accordance with generally acceptable accounting principles containing the report thereon of an independent public accountant or firm of accountants acceptable to the Bond Trustee (the "Annual Audit"). A copy of each Annual Audit shall also be filed by the Trust with the MSRB.

Section 509. Further Assurance. At any and all times the Trust shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver all such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for better assuring, conveying, granting, assigning or confirming all and singular the rights, Revenues, Prior Bond Revenues, Prior Loans, Prior Local Governmental Obligations and other moneys, securities and property hereby pledged or assigned, or intended so to be, or which the Trust may hereafter become bound to pledge or assign.

Section 510. Certificates of Instruction. (a) From and after the date hereof, the Trust shall deposit all Prior Bond Revenues relating the Series 4 Bonds in the Revenue Fund held under the Series 2004 Refunding Bond Resolution. The Trust shall deliver a certificate of instructions directing the Prior Bond Trustee for the Series 4 Bonds to transfer all Prior Loans and Prior Local Governmental Obligations held under the Series 4 Resolution to the Prior Bond Trustee for the Series 2004 Refunding Bonds to be held under the Series 2004 Refunding Bond Resolution.

(b) On or prior to each interest payment date for the Series 2004 Refunding Bonds, the Trust shall deliver a certificate of instructions to the Bond Trustee directing the Prior Bond Trustee for the Series 2004 Refunding Bonds to transfer all Prior Bond Revenues after application of such amounts to the payment of Principal Installments and interest due and unpaid or to become due on such date on the Outstanding 2004 Refunding Bonds, and satisfaction of all other applicable requirements of the 2004 Refunding Bond Resolution, first to the Prior Bond Trustee for the Series 16 and 2012 Bonds, to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Outstanding Series 16 and 2012 Bonds, and satisfaction of all other applicable requirements of the Series 16 and 2012 Bond Resolution, and then to the Bond Trustee to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Bonds Outstanding, all as set forth in Section 406(B)(1) hereof and for the satisfaction of all other applicable requirements of Section 406(B) hereof; provided however, the Trust shall further instruct the Prior Bond Trustee for the Series 2004 Refunding Bonds to transfer any Prior Bond Revenues relating to the MWRA 2002A Bonds to the Prior Trustee for the Series 2006 Refunding Bonds for application pursuant to the Series 12 and 2006 Bond Resolution in lieu of transferring such amounts to the Bond Trustee hereunder.

(c) On or prior to each interest payment date for the Series 9 Bonds, the Trust shall deliver a certificate of instructions to the Prior Bond Trustee for the Series 9 Bonds directing such Prior Bond Trustee to transfer any balance remaining on such interest payment date in the revenue fund established under the Series 9 Bond Resolution, after application of amounts held therein to the payment of debt service on the Outstanding Series 9 Bonds, and satisfaction of all other applicable requirements of such Series 9 Bond Resolution as of such date, including but not limited to any required deposit to a Prior Subsidy Fund in accordance with the Prior Bond Resolution, to the extent required, together with other available funds, first to the Prior Bond Trustee under the Series 12 and 2006 Bond Resolution to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Outstanding Series 12 Bonds and Series 2006 Refunding Bonds, and for the payment of all Series 2006 Scheduled Hedge Payments payable by the Trust that are due and unpaid or to become due on such date, and satisfaction of all other applicable requirements of the Series 12 and 2006 Bond Resolution, and then to the Bond Trustee to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Bonds Outstanding, all as set forth in Section 406(B)(1) hereof and for the satisfaction of all other applicable requirements of Section 406(B) hereof.

(d) From and after the date on which there are no Series 10 Bonds Outstanding under the Series 10 Bond Resolution, the Trust shall deposit all Prior Bond Revenues relating the Series 10 Bonds in the Revenue Fund held under the Series 12 and 2006 Bond Resolution. The Trust

shall deliver a certificate of instructions directing the Prior Bond Trustee for the Series 10 Bonds to transfer all Prior Loans and Prior Local Governmental Obligations held under the Series 10 Resolution to the Prior Bond Trustee for the Series 12 and 2006 Bonds to be held under the Series 12 and 2006 Bond Resolution. For so long as Series 10 Bonds remain Outstanding under the Series 10 Bond Resolution, the Trust shall deliver a certificate of instructions to the Prior Bond Trustee for the Series 10 Bonds directing such Prior Bond Trustee to transfer any balance remaining on such interest payment date in the revenue fund established under the Series 10 Bond Resolution, after application of amounts held therein to the payment of debt service on the Outstanding Series 10 Bonds, and satisfaction of all other applicable requirements of such Series 10 Bond Resolution as of such date, to the extent required, together with other available funds, to the Prior Bond Trustee under the Series 12 and 2006 Bond Resolution for further application as set forth in this paragraph (d).

(e) On or prior to each interest payment date for the Series 12 Bonds, the Trust shall deliver a certificate of instructions to the Prior Bond Trustee for the Series 12 Bonds directing such Prior Bond Trustee to transfer any balance remaining on such interest payment date in the revenue fund established under the Series 12 and 2006 Bond Resolution, after application of amounts held therein to the payment of debt service on the Outstanding Series 12 and 2006 Bonds, and satisfaction of all other applicable requirements of such Series 12 and 2006 Bond Resolution as of such date, to the extent required, together with other available funds, first to the Prior Bond Trustee under the Series 2009 Bond Resolution to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Outstanding Series 2009 Refunding Bonds, and satisfaction of all other applicable requirements of the Series 2009 Bond Resolution, and then second to the Bond Trustee to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Bonds Outstanding, all as set forth in Section 406(B)(1) hereof and for the satisfaction of all other applicable requirements of Section 406(B) hereof.

(f) From and after the date on which there are no Series 13 Bonds Outstanding under the Series 13 Bond Resolution, the Trust shall deposit all Prior Bond Revenues relating the Series 13 Bonds in the Revenue Fund held under this Bond Resolution. The Trust shall deliver a certificate of instructions directing the Prior Bond Trustee for the Series 13 Bonds to transfer all Prior Loans and Prior Local Governmental Obligations held under the Series 13 Resolution to the Bond Trustee to be held under this Bond Resolution.

(g) With respect to the Series 14 Bonds, on or prior to each interest payment date for such Prior Bonds, the Trust shall deliver a certificate of instructions to the applicable Prior Bond Trustee directing such Prior Bond Trustee to transfer any balance remaining on such interest payment date in the revenue fund established under the applicable Prior Bond Resolution, after application of amounts held therein to the payment of debt service on the applicable Outstanding Unrefunded Prior Bonds, and satisfaction of all other applicable requirements of such Prior Bond Resolution as of such date, including but not limited to any required deposit to a Prior Subsidy Fund in accordance with the Prior Bond Resolution, to the extent required, together with other available funds, to the Bond Trustee to the extent required, together with other available funds, for the payment of Principal Installments and interest due and unpaid or to become due on such date on the Bonds Outstanding, all as set forth in Section 406(B)(1) hereof and for the satisfaction of all other applicable requirements of Section 406(B) hereof.

- (5) To specify, determine or authorize any and all matters and things relative to the Bonds or the proceeds thereof which are not contrary to or inconsistent with this Bond Resolution as theretofore in effect.

Section 602. Supplemental Bond Resolutions Effective Upon Consent of Bond Trustee. For any one or more of the following purposes and at any time or from time to time, a resolution of the Trust amending or supplementing this Bond Resolution may be adopted, which resolution upon the (a) filing with the Bond Trustee of a copy thereof certified by an Authorized Officer of the Trust, accompanied by an Opinion of Counsel as provided in Section 605 hereof, and (b) filing with the Bond Trustee and the Trust of an instrument in writing made by the Bond Trustee consenting to the amendment or supplement effected by such resolution, shall be fully effective in accordance with its terms:

- (1) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Bond Resolution;
- (2) To insert any provisions, not contrary to or inconsistent with this Bond Resolution as theretofore in effect, clarifying matters or questions arising under this Bond Resolution;

(3) To insert or amend any provision in this Bond Resolution required to comply with the Clean Water Act or the Drinking Water Act, as applicable or necessary to maintain the exclusion from federal income taxes of interest on any Bonds Outstanding to which such exclusion applies and which will not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency (as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee (upon which the Bond Trustee may conclusively rely), accompanied by letters from each Rating Agency (or other evidence satisfactory to the Bond Trustee) confirming that the adoption of such Supplemental Bond Resolution will not adversely affect the ratings then assigned by such Rating Agency to any Bonds Outstanding); and

(4) To insert, repeal or amend any provision in this Bond Resolution, provided such insertion, deletion or amendment is permitted by the Clean Water Act or the Drinking Water Act, as applicable and the Act and will not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency (as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee (upon which the Bond Trustee may conclusively rely), accompanied by letters from each Rating Agency (or other evidence satisfactory to the Bond Trustee) confirming that the adoption of such Supplemental Bond Resolution will not adversely affect the ratings then assigned by such Rating Agency to any Bonds Outstanding).

Section 603. Supplemental Bond Resolutions Effective With Consent of Bondowners.

(A) At any time or from time to time, a resolution of the Trust amending or supplementing this Bond Resolution may be adopted modifying any of the provisions of this Bond Resolution or releasing the Trust from any of the obligations, covenants, agreements, limitations, conditions or restrictions therein contained, but no such resolution shall be effective until after the filing with the Bond Trustee of a copy thereof certified by an Authorized Officer of the Trust, accompanied by an Opinion of Counsel as provided in Section 605 hereof, and unless (1) no Bonds delivered by the Trust prior to the adoption of such resolution remain Outstanding at the time it becomes effective, or (2) such resolution is consented to by or on behalf of Bondowners in accordance with and subject to the provisions of Article VII.

(B) The provisions of Paragraph (A) of this Section shall not be applicable to resolutions of the Trust adopted and becoming effective in accordance with the provisions of Section 601 or Section 602.

Section 604. Restriction on Amendments. This Bond Resolution shall not be modified or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article and Article VII. The provisions of Paragraph (A) of Section 603 are in all respects subject and subordinate to the provisions, restrictions, exceptions and limitations set forth in Article VII.

Section 605. Adoption and Filing of Supplemental Bond Resolutions. Any resolution of the Trust referred to and permitted or authorized by Sections 601 or 602 may be adopted by the Trust without the vote or consent of any of the Bondowners, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. Every such

resolution so becoming effective shall thereupon form a part of this Bond Resolution. The copy of every such resolution when filed with the Bond Trustee shall be accompanied by an Opinion of Counsel to the effect that such resolution has been duly and lawfully adopted by the Trust in accordance with the provisions of this Bond Resolution, is authorized or permitted by the provisions of this Bond Resolution and, when effective, will be valid and binding upon the Trust and enforceable in accordance with its terms. A copy of any such Supplemental Bond Resolution (and Opinion of Counsel) shall also be delivered by the Trust to each Rating Agency then maintaining a rating on any Bonds Outstanding at the time it is filed with the Bond Trustee.

Section 606. Authorization to Bond Trustee. The Bond Trustee is hereby authorized to accept the delivery of a certified copy of any resolution of the Trust referred to and permitted or authorized by Sections 601, 602 or 603 and to consent to such resolution and to make all further agreements and stipulations which may be therein contained, and the Bond Trustee, in taking such action, shall be fully protected in relying on an Opinion of Counsel that such resolution is authorized or permitted by the provisions of this Bond Resolution.

## ARTICLE VII AMENDMENTS

Section 701. Mailing of Notices. Except as otherwise provided in any Supplemental Bond Resolution theretofore in full force and effect, any provision in this Article relative to the mailing of a notice or other paper to Bondowners shall be fully complied with if it is mailed, postage prepaid, only (1) to each registered owner of any Bonds then Outstanding at his last address, if any, appearing upon the registry books and (2) to the Bond Trustee.

Section 702. Powers of Amendment. Any modification or amendment of this Bond Resolution and the rights and obligations of the Trust and of the Owners of the Bonds thereunder, may be made by a Supplemental Bond Resolution with the written consent, given as hereinafter provided in Section 703, of the Owners of at least 60% in aggregate Principal Amount of the Bonds Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified maturity and interest rate remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section; and provided, further, that no such modification or amendment shall permit a change in the terms of redemption or maturity of any Outstanding Bonds or of any installment of interest thereon or a reduction in the Principal Amount or the Redemption Price thereof or the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Bond Trustee of such Owner's written assent thereto.

Section 703. Consent of Bondowners. The Trust may at any time adopt and file in accordance with the provisions of Section 603 a resolution of the Trust making a modification or amendment permitted by the provisions of Section 702, to take effect when and as provided in this Section. A copy of such resolution (or brief summary thereof or reference thereto in form approved

by the Bond Trustee), together with a request to Bondowners for their consent thereto in form satisfactory to the Bond Trustee, shall be mailed by the Trust to Bondowners (but failure to mail such copy and request shall not affect the validity of such resolution when consented to as in this Section provided). Such resolution shall not be effective unless and until, and shall only take effect in accordance with its terms when, (1) there shall have been filed with the Bond Trustee (a) the written consents of Owners of the percentage of Outstanding Bonds specified in Section 702, and (b) an Opinion of Counsel to the effect required by Section 605 and (2) a notice shall have been mailed as hereinafter in this Section provided. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Owner thereof has notice thereof) but, notwithstanding the provisions of Section 1101, such consent may be revoked in writing by the Owner of such Bonds giving such consent or a subsequent Owner thereof by filing such revocation with the Bond Trustee prior to but not later than the time the written statement of the Bond Trustee hereinafter in this Section provided for is filed with the Trust. The fact that a consent has not been revoked may likewise be proved by a certificate of the Bond Trustee filed with the Bond Trustee to the effect that no revocation thereof is on file with the Bond Trustee. When the Owners of the required percentage of Bonds shall have filed their consents to such resolution, the Bond Trustee shall make and file with the Trust a written statement that the Owners of such required percentage of Bonds have filed and given such consents. Such written statement shall be conclusive that such consents have been so filed and have been given. Not more than 90 days after the Owners of the required percentage of Bonds shall have filed their consents to the resolution and the written statement of the Bond Trustee hereinabove provided for is filed with the Trust, notice, stating in substance that such resolution (which may be referred to as a resolution adopted by the Trust on a stated date a copy of which is on file with the Bond Trustee) has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section, shall be given to Bondowners by the Trust by mailing such notice to Bondowners. The Trust shall file with the Bond Trustee proof of the mailing of such notice. A record, consisting of the papers required or permitted by this Section to be filed with the Bond Trustee, shall be proof of the matters therein stated. Such resolution making such modification or amendment shall be deemed conclusively binding upon the Trust, the Fiduciaries and the Owners of all Bonds upon the mailing of such last-mentioned notice.

Section 704. Modifications by Unanimous Consent. Notwithstanding anything contained in Article VI or in the foregoing provisions of this Article VII, the terms and provisions of this Bond Resolution and the rights and obligations of the Trust and the Owners of the Bonds may be modified or amended in any respect upon the adoption by the Trust and filing in accordance with the provisions of Article VI of a resolution of the Trust making such modification or amendment and the consent to such resolution of the Owners of all of the Bonds then Outstanding, such consent to be given as provided in Section 703 except that no notice to Bondowners shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Bond Trustee of its written assent thereto in addition to the said consent of Bondowners.

Section 705. Exclusion of Bonds. Bonds owned or held by or for the account of the Trust shall be excluded and shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article VII. At the time of any

consent or other action under this Article VII, the Trust shall furnish the Bond Trustee a certificate of an Authorized Officer, upon which the Bond Trustee may rely, describing all Bonds so to be excluded.

Section 706. Notation on Bonds. Bonds delivered after the effective date of any action taken as in Article VI or this Article VII provided may, and if the Bond Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Trust and the Bond Trustee as to such action and in that case, upon demand of the Owner of any Bond Outstanding and presentation of such Bond at the Principal Office of the Bond Trustee, suitable notation shall be made on such Bond by the Bond Trustee as to any such action. If the Trust or the Bond Trustee shall so determine, new Bonds so modified as in the opinion of the Bond Trustee and the Trust to conform to such action shall be prepared, authenticated and delivered and, upon demand of the Owner of any Bond then Outstanding, shall be exchanged, without cost to such Bondowner, for Bonds of the maturity, tenor and interest rate then Outstanding, in the manner provided in Section 206 hereof.

Section 707. Amendments to Financing Agreements, Prior Loans and Prior Local Governmental Obligations. (A) Without notice to or the consent of any of the Bondowners, the Trust may, with prior written notice to the Bond Trustee, execute and deliver one or more amendments to or supplements to the Financing Agreements pertaining to any of the Prior Loans or Prior Local Governmental Obligations for any of the following purposes:

(1) To cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provisions in such Financing Agreement, Prior Loan or Prior Local Governmental Obligation;

(2) To insert any provisions therein, not contrary to or inconsistent with the instrument as theretofore in effect, clarifying matters or questions arising under the instrument or to effect any amendment thereof permitted by the terms of such instrument as theretofore in effect; and

(3) To insert, repeal or amend any provision in such instruments, provided such insertion, deletion or amendment is permitted by the Clean Water Act or the Drinking Water Act, as applicable, (to the extent applicable to such amendment) and the Act and will not adversely affect the ratings then assigned to any Bonds Outstanding by any Rating Agency, as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee (upon which the Bond Trustee may conclusively rely), accompanied by letters from each Rating Agency (or other evidence satisfactory to the Bond Trustee) confirming that the execution and delivery of such amendment or supplement will not adversely affect the ratings then assigned by such Rating Agency to any Bonds Outstanding.

(B) Without limiting the generality of the foregoing provisions of this Section 707, subsequent to the issuance of the Bonds the Trust, with prior written notice to the Bond Trustee, may amend or otherwise modify the schedule of Prior Borrower Payments, Prior Contract Assistance Payments and Prior Equity Earnings allocable to any Prior Loans and any Prior Local

Governmental Obligations funded by the Trust from the proceeds of the Prior Bonds to reflect the final allocation of debt service savings resulting from the issuance of the Bonds and the refunding of the Refunded Prior Bonds, provided that (i) such Prior Borrower Payments, Prior Contract Assistance Payments and Prior Equity Earnings, as so modified, shall be at least sufficient in aggregate amount and in time of receipt, together with all other amounts expected to be available therefor under the Prior Bond Resolutions, the Prior Senior Lien Bond Resolution, Prior Refunding Bond Resolutions and hereunder, including amounts held in any Prior Subsidy Funds and investment earnings on the Prior Subsidy Funds, to pay in the current and each subsequent Fiscal Year Aggregate Debt Service when due on the Unrefunded Prior Bonds, Prior Senior Lien Bonds, Prior Refunding Bonds and Outstanding Bonds; (ii) such amendment or other modification will not adversely affect the ratings then assigned to any Prior Bonds, Refunding Bonds or the Bonds by any Rating Agency; and (iii) such amendment or other modification will not adversely affect the exclusion of interest on any Prior Bonds or the Bonds from gross income for federal income tax purposes, all as evidenced by a certificate of an Authorized Officer of the Trust to such effect delivered to the Bond Trustee and upon which the Bond Trustee may conclusively rely.

(C) Except as provided in paragraphs (A) and (B) of this Section 707, the Trust shall not execute and deliver any amendment to or supplement of a Financing Agreement pertaining to any Prior Loan or Prior Local Governmental Obligation unless such amendment or supplement shall have been consented to by or on behalf of the Bondholders to the same extent and in the same manner as if such amendment or supplement were a Supplemental Bond Resolution to which the provisions of Section 603 hereof apply.

## ARTICLE VIII DEFAULTS AND REMEDIES

Section 801. Events of Default. Each of the following shall constitute an “Event of Default” under this Bond Resolution:

- (1) Default in the payment of the Principal Amount or Redemption Price of any Bond when due, whether at maturity or by call for redemption;
- (2) Default in the payment of any installment of interest on any Bond when due;
- (3) Default by the Trust in the performance or observance of any other of the covenants, agreements or conditions on its part provided in this Bond Resolution or in the Bonds and such default shall continue for a period of 30 days after written notice thereof shall be given to the Trust by the Bond Trustee or to the Trust and the Bond Trustee by the Owners of not less than 25% in aggregate Principal Amount of the Bonds Outstanding; provided that if such default cannot be remedied within such 30-day period, it shall not constitute an Event of Default hereunder if corrective action is instituted by or on behalf of the Trust within such period and diligently pursued until the default is remedied;

(4) If an order, judgment or decree is entered by a court of competent jurisdiction (a) appointing a receiver, trustee, or liquidator for the Trust or the whole or any substantial part of its assets, (b) granting relief in involuntary proceedings with respect to the Trust under the Federal bankruptcy act, or (c) assuming custody or control of the Trust or of the whole or any substantial part of its assets under the provisions of any law for the relief of debtors, and the order, judgment or decree is not set aside or stayed within 60 days from the date of entry of the order, judgment or decree; or

(5) If the Trust (a) admits in writing its inability to pay its debts or the interest thereon generally as they become due, (b) commences voluntary proceedings in bankruptcy or seeking a composition of indebtedness, (c) makes an assignment for the benefit of its creditors, (d) consents to the appointment of a receiver of the whole or any substantial part of its assets, or (e) consents to the assumption by any court of competent jurisdiction under any law for the relief of debtors of custody or control of the Trust or of the whole or any substantial part of its assets.

Section 802. Remedies. (A) Upon the happening and continuance of any Event of Default, then, and in each such case, the Bond Trustee may proceed, and upon the written request of the Owners of not less than 25% in aggregate Principal Amount of the Outstanding Bonds shall proceed, in its own name, to protect and enforce its rights and the rights of the Bondowners by such of the following remedies, as the Bond Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights, subject, with respect to the Prior Loans, the Prior Local Governmental Obligations and the Prior Bond Revenues to the prior pledge thereof to the Owners of the Unrefunded Prior Bonds Outstanding, Prior Senior Lien Bonds and the Prior Refunding Bonds Outstanding, as applicable:

(1) By suit, action or proceeding, to enforce all rights of the Bondowners, including the right to require the Trust to carry out the covenants and agreements as to the Revenues, Prior Bond Revenues, Prior Loans, Prior Local Governmental Obligations, and to require the Trust to carry out any other covenant or agreement with Bondowners and to perform its duties under the Act;

(2) By bringing suit upon the Bonds;

(4) By action or suit, to enjoin any acts or things which may be unlawful or in violation of this Bond Resolution or of the rights of the Owners of the Bonds;

(5) By exercising any and all rights of the Trust with respect to the Revenues, Prior Bond Revenues, Prior Loans and Prior Local Governmental Obligations; and

(6) For Events of Default other than as described in Clause (3) of Section 801 hereof, by declaring the Principal Amount of all the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration

the same shall become and be immediately due and payable, anything in this Bond Resolution or in any of the Bonds contained to the contrary notwithstanding; provided that the Principal Amount of the Bonds shall not be declared due and payable as aforesaid unless, subject to the prior pledge to the Owners of the related Unrefunded Prior Bonds Outstanding, Prior Senior Lien Bonds and Prior Refunding Bonds Outstanding, simultaneously with such declaration the unpaid principal amount of all Prior Loans and Prior Local Governmental Obligations outstanding, and the interest thereon, is similarly declared due and payable and the interest thereon, is similarly declared due and payable, and provided further that the right to make such declaration as aforesaid is subject to the condition that if, at any time after such declaration as aforesaid, all outstanding Events of Default (other than the payment of Principal Amount and interest due and payable solely by reason of such declaration) shall have been cured or provision deemed by the Bond Trustee to be adequate shall be made therefor, then and in every such case, unless a final judgment has been obtained for any Principal Amount or interest coming due and payable solely by reason of such declaration, the Owners of not less than 25% in aggregate Principal Amount of the Bonds Outstanding, by written notice to the Trust and to the Bond Trustee, may annul such declaration, or, if the Bond Trustee shall have acted without a direction from Bondowners and if there shall not have been theretofore delivered to the Bond Trustee written direction to the contrary by the Owners of not less than 25% in aggregate Principal Amount of the Bonds then Outstanding, then any such declaration shall be deemed to be annulled.

(B) Upon the occurrence of an Event of Default, other than an Event of Default described in Clause (3) of Section 801, the Trust, at the request of the Bond Trustee or the Owners of not less than 25% in aggregate Principal Amount of the Outstanding Bonds, subject to the prior pledge to the Owners of the related Unrefunded Prior Bonds Outstanding, Prior Senior Lien Bonds and the Prior Refunding Bonds, as applicable, shall assign, endorse and convey to the Bond Trustee any and all interests and rights held by the Trust in the Prior Loans and Prior Local Governmental Obligations pledged hereunder and shall take any other steps requested by the Bond Trustee or Bondowners to further effectuate the rights of the Bond Trustee under this Bond Resolution to such Prior Loans and Prior Local Governmental Obligations.

Section 803. Application of Revenues, and Other Moneys After Default. (A) The Trust covenants that if an Event of Default shall occur and shall not have been remedied, other than an Event of Default described in Clause (3) of Section 801, the Trust, upon demand of the Bond Trustee, shall pay over or cause to be paid over, subject to the prior pledge to the Owners of the related Unrefunded Prior Bonds Outstanding, Prior Senior Lien Bonds and Prior Refunding Bonds Outstanding, as applicable, with respect to the Prior Loans and Prior Local Governmental Obligations, to the Bond Trustee upon receipt thereof all Revenues, Prior Bond Revenues and other moneys pledged hereunder. Unless otherwise directed by a court, all such Revenues, Prior Bond Revenues and other moneys, and any other moneys received or collected by the Bond Trustee acting pursuant to the Act or this Article VIII, shall, except as provided below, be held, transferred and applied as provided in Article IV.

(B) In the event that, upon the happening and continuance of an Event of Default, other than an Event of Default described in Clause (3) of Section 801, the funds held by the Fiduciaries

shall be insufficient for the payment of interest and Principal Installments then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Fiduciaries acting pursuant to the Act and this Article VIII, after making provision for the payment of any expenses necessary in the opinion of the Bond Trustee to protect the interests of the Owners of the Bonds, and for the payment of the charges and expenses and liabilities incurred and advances made by the Fiduciaries in the performance of their duties under this Bond Resolution, shall be applied as follows:

(1) Unless the Principal Amount of all the Bonds shall have become or have been declared due and payable,

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installments, to the persons entitled, without any discrimination or preference; and

Second: To the payment to the persons entitled thereto of all unpaid Principal Installments of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all Principal Installments due on any date, then to the payment thereof ratably, according to the amounts of Principal Installments due on such date, to the persons entitled thereto, without any discrimination or preference.

(2) If the Principal Amount of all of the Bonds shall have become or have been declared due and payable, to the payment of the Principal Amount and interest then due and unpaid upon the Bonds without preference or priority of Principal Amount over interest or of interest over Principal Amount or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for Principal Amount and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds.

(C) Whenever moneys are to be applied by the Bond Trustee pursuant to the provisions of this Section, such moneys shall be applied by the Bond Trustee at such times, and from time to time, as the Bond Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional money becoming available for such application in the future; the deposit of such moneys with the Paying Agents, or otherwise setting aside such moneys in trust for the proper purpose, shall constitute proper application by the Bond Trustee; and the Bond Trustee shall incur no liability whatsoever to the Trust, to any Bondowner or to any other person for any delay in applying any such moneys, so long as the Bond Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of this Bond Resolution as may be applicable at the time of application by the Bond Trustee. Whenever the Bond Trustee shall exercise such discretion in applying such moneys, it shall fix the date (which shall be an Interest Payment Date

unless the Bond Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest on the Principal Amount to be paid on such date shall cease to accrue. The Bond Trustee shall give such notice as it may deem appropriate for the fixing of any such date.

(D) If and whenever all overdue installments of interest on all Bonds together with the reasonable and proper charges and expenses of the Fiduciaries, and all other sums payable by the Trust under this Bond Resolution, including the Principal Amount and Redemption Price of and accrued unpaid interest on all Bonds which shall then be payable by declaration or otherwise, shall either be paid by or for the account of the Trust, or provision satisfactory to the Bond Trustee shall be made for such payment, and all Events of Default under this Bond Resolution shall have been cured, the Bond Trustee shall reassign and endorse the Prior Loans and Prior the Local Governmental Obligations to the Trust, and thereupon the Trust and the Bond Trustee shall be restored, respectively, to their former positions and rights under this Bond Resolution and all Revenues, Prior Bond Revenues, and other moneys shall thereafter be applied as provided in Article IV. No such reassignment to the Trust by the Bond Trustee or resumption of the application of Revenues, Prior Bond Revenues as provided in Article IV shall extend to or affect any subsequent default under this Bond Resolution or impair any right consequent thereon.

Section 804. Limitation on Powers of Bond Trustee. Nothing contained in this Bond Resolution shall be deemed to give power to the Bond Trustee either as such or as attorney-in-fact of the Bondowners to vote the claims of the Bondowners in any bankruptcy proceeding or to accept or consent to any plan of reorganization, readjustment, arrangement or composition or other like plan, or by other action of any character to waive or change any right of any Bondowner or to give consent on behalf of any Bondowner to any modification or amendment of this Bond Resolution requiring such consent or to any resolution requiring such consent pursuant to the provisions of Article VI or Article VII.

Section 805. Enabling Action by Bond Trustee. (A) All rights of action under this Bond Resolution or upon any of the Bonds, enforceable by the Bond Trustee, may be enforced by the Bond Trustee without the possession of any of the Bonds, or the production thereof on the trial or other proceedings relative thereto, and any such suit, action or proceeding instituted by the Bond Trustee may be brought in its name for the ratable benefit of the Owners of said Bonds, subject to the provisions of this Bond Resolution.

(B) In the enforcement of any rights under this Bond Resolution, the Bond Trustee shall be entitled to sue for, enforce payment of and to receive any and all amounts then or during any default becoming, and at any time remaining, due for Principal Amount, interest or otherwise under any of the provisions of the Act or this Bond Resolution or of the Bonds and unpaid, with interest on overdue payments, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Bond Trustee or of the Bondowners, and to recover and enforce any judgment or decree against the Trust for any portion of such amounts remaining unpaid, with interest, costs and expenses as aforesaid, and to collect in any manner provided by law, the moneys adjudged or decreed to be payable.

Section 806. Accounting and Examination of Records after Default. The Trust covenants with the Bond Trustee that, if an Event of Default shall have happened and shall not have been remedied, (1) the books of record and account of the Trust and all records relating to the Program shall at all times be subject to the inspection and use of the Bond Trustee and of its agents and attorneys, and (2) the Trust, whenever the Bond Trustee shall demand, will account, as if it were the trustee of an express trust, for all Revenues, Prior Bond Revenues, Prior Loans, Prior Local Governmental Obligations and other property pledged or held under this Bond Resolution for such period as shall be stated in such demand.

Section 807. Restriction on Bondowner's Action. No Owner of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any provision of this Bond Resolution or for the execution of any trust hereunder or for any other remedy hereunder, unless (1) (a) such Owner previously shall have given to the Trust and the Bond Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, (b) after the occurrence of such Event of Default, written request shall have been made of the Bond Trustee to institute such suit, action or proceeding by the Owners of not less than 25% in aggregate Principal Amount of the Bonds then Outstanding and there shall have been offered to the Bond Trustee security and indemnity satisfactory to it against the costs and liabilities to be incurred therein or thereby, and (c) the Bond Trustee shall have refused or neglected to comply with such request within a reasonable time, and (d) such suit, action or proceeding is brought for the ratable benefit of all Owners of all Bonds subject to the provisions of this Bond Resolution.

Section 808. Remedies Not Exclusive. No remedy by the terms of this Bond Resolution conferred upon or reserved to the Bond Trustee (or to Bondowners) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or by statute, except as provided in Section 804 and Section 807.

Section 809. Control of Proceedings. The Owners of a majority in aggregate Principal Amount of the Bonds then Outstanding shall have the right, subject to the provisions of Section 807, by an instrument in writing executed and delivered to the Bond Trustee, to direct the time, method and place of conducting any proceeding for any remedy available to the Bond Trustee, or exercising any trust or power conferred upon the Bond Trustee; provided, however, that the Bond Trustee shall have the right to decline to follow any such direction if the Bond Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Bond Trustee in good faith shall determine that the action or proceeding so directed would involve the Bond Trustee in personal liability or be unjustly prejudicial to Bondowners not parties to such direction.

Section 810. Effect of Waiver and Other Circumstances. No delay or omission of the Bond Trustee or of any Owner of Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein, and every right, power and remedy given by this Bond Resolution to them or any of them may be exercised from time to time and as often as may be deemed expedient by the Bond Trustee or, in an appropriate case, by the Bondowners. In case the Bond

Trustee shall have proceeded to enforce any right under this Bond Resolution, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Bond Trustee, then and in every such case the Trust and the Bond Trustee will be restored to their former positions and rights hereunder as if no such proceedings had been taken.

Section 811. Right to Enforce Payment of Bonds Unimpaired. Nothing contained in this Article shall effect or impair the right of any Bondowner to enforce the payment of the Principal Amount of and interest on such Bond, or the obligation of the Trust to pay the Principal Amount of and interest on each Bond to the Owner thereof, at the time and place expressed in said Bond.

## ARTICLE IX THE FIDUCIARIES

Section 901. Bond Trustee. U.S. Bank National Association is hereby appointed as Bond Trustee hereunder, and the property, rights, powers and duties of the Bond Trustee under this Bond Resolution are hereby vested in said Bond Trustee in trust for the Bondowners.

Section 902. Paying Agents. The Bond Trustee shall act as a Paying Agent for the Bonds. The Trust may at any time or from time to time by Supplemental Bond Resolution appoint one or more other Paying Agents for the Bonds. Each Paying Agent shall be a bank, trust company or national banking association, having trust powers and having a capital and surplus aggregating at least \$25,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution. Each Paying Agent (other than the Bond Trustee) shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Trust a written acceptance thereof.

Section 903. Responsibilities of Fiduciaries. The recitals of fact contained herein and in the Bonds shall be taken as the statements of the Trust and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Bond Resolution or of any Bonds issued thereunder or in respect of the security afforded by this Bond Resolution, and no Fiduciary shall incur any responsibility in respect thereof. No Fiduciary shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of the proceeds thereof except the Bond Trustee to the extent such proceeds are paid to the Bond Trustee in its capacity as Bond Trustee, or the application of any moneys paid to the Trust or others in accordance with this Bond Resolution. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any action or suit in respect of this Bond Resolution or Bonds, or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or default. The Authenticating Agent shall, however, be responsible for its representation contained in its certificate of authentication on the Bonds to the extent provided in Article 8, Section 208, as amended, of the Massachusetts Uniform

Commercial Code. The Bond Trustee prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform only such duties as are specifically set forth in this Bond Resolution. In case an Event of Default has occurred (which has not been cured) the Bond Trustee shall exercise such of the rights and powers vested in it by this Bond Resolution, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provisions of this Bond Resolution relating to action taken or to be taken by the Bond Trustee or the evidence upon which the Bond Trustee may rely shall be subject to the provisions of this Section 903.

Section 904. Funds Held in Trust. All moneys held by any Fiduciary, as such, at any time pursuant to the terms of this Bond Resolution shall be and hereby are assigned, transferred and set over unto such Fiduciary in trust for the purposes and under the terms and conditions of this Bond Resolution.

Section 905. Evidence On Which Fiduciaries May Act. Each Fiduciary shall be protected in acting and relying without inquiry upon any notice, resolution, direction, request, consent, order, certificate, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties as contemplated by this Bond Resolution. Each Fiduciary may consult with counsel, who may or may not be counsel to the Trust, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever any Fiduciary shall deem it necessary or desirable that a fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer stating the same, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Bond Resolution upon the faith thereof, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable. Except as otherwise expressly provided herein, any request, direction, order, notice or other instruction required or permitted to be furnished pursuant to any provision hereof by or on behalf of the Trust to any Fiduciary shall be sufficiently executed if executed by an Authorized Officer.

Section 906. Compensation and Expenses; Indemnity. Unless otherwise provided by contract with the Fiduciary, the Trust shall pay to each Fiduciary from time to time reasonable compensation for all services rendered by the Fiduciary hereunder, and also reimbursement for all of its reasonable expenses, charges, legal fees and other disbursements and those to its attorneys, agents and employees, incurred in and about the performance of its powers and duties hereunder. The Trust shall indemnify and save each Fiduciary harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder which are not due to its negligence or default.

Section 907. Certain Permitted Acts. Any Fiduciary may become the owner of or may deal in Bonds as fully and with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to

protect the rights of Bondowners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Bond Resolution, whether or not any such committee shall represent the Owners of a majority in aggregate Principal Amount of the Bonds Outstanding.

Section 908. Resignation. The Bond Trustee, or any successor thereof, may at any time resign and be discharged of its duties and obligations created by this Bond Resolution by giving not less than 60 days' written notice to the Trust and mailing notice thereof, specifying the date when such resignation shall take effect, to the Owners of all Bonds Outstanding within 20 days after the giving of such written notice. Such resignation shall only take effect upon the day specified in such notice provided a successor has been appointed as provided herein by the Trust or Bondowners, unless previously a successor shall have been appointed, in which event such resignation shall take effect immediately on the appointment of such successor. A Paying Agent (other than the Bond Trustee) may at any time resign and be discharged of its duties and obligations created by this Bond Resolution according to the terms of the Paying Agent's agreement with the Trust and otherwise by giving 30 days' written notice to the Trust.

Section 909. Removal. The Bond Trustee, or any successor thereof, may be removed at any time by the Owners of a majority in aggregate Principal Amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Bondowners or by their attorneys duly authorized in writing and delivered to the Trust. The Trust may remove the Bond Trustee at any time, except during the existence of an Event of Default, upon filing with the Bond Trustee a copy of the resolution of the Trust, certified by an Authorized Officer, providing for the removal of such Bond Trustee. Copies of each such instrument shall be delivered by the Trust to the Bond Trustee and any successors thereof. A Paying Agent (other than the Bond Trustee) may be removed at any time by the Trust, upon filing with the Bond Trustee and with such Paying Agent a copy of the resolution of the Trust, certified by an Authorized Officer, providing for the removal of such Paying Agent.

Section 910. Appointment of Successor Fiduciary. In case at any time a Fiduciary, or any successor thereof, shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of such Fiduciary or of its property shall be appointed, or if any public officer shall take charge or control of such Fiduciary or of its property or affairs, a successor may be appointed (1) in the case of the Bond Trustee, by the Owners of a majority in aggregate Principal Amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Trust, by an instrument or concurrent instruments in writing signed by such Bondowners or their attorneys duly authorized in writing and delivered to such successor Bond Trustee, notification thereof being given to the Trust and the predecessor Bond Trustee and any other Fiduciaries, and (2) in the case of a Paying Agent, by the Trust, notification thereof being given to the predecessor Paying Agent and any other Fiduciaries. Pending appointment of a successor Bond Trustee by Bondowners, the Trust shall forthwith appoint a Bond Trustee to fill such vacancy until a successor Bond Trustee shall be appointed by Bondowners as herein authorized. The Trust shall mail notice of any such appointment to the Owners of all Bonds Outstanding within twenty (20) days after such appointment. Any successor Bond Trustee appointed by the Trust shall, immediately and without further act, be superseded by a Bond Trustee appointed by Bondowners. If in a proper case no

appointment of a successor Bond Trustee shall be made pursuant to the foregoing provisions of this Section within 45 days after the Bond Trustee shall have given to the Trust written notice as provided in Section 908 or after the occurrence of any other event requiring or authorizing such appointment, the Bond Trustee or any other Fiduciary or any Bondowner may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint such successor Bond Trustee. Any successor Bond Trustee appointed under the provisions of this Section shall be a trust company or a bank having the powers of a trust company authorized to do business in the Commonwealth, and having a capital and surplus aggregating at least \$50,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

Section 911. Transfer of Rights and Property to Successor Fiduciary. Any successor Fiduciary appointed hereunder shall execute, acknowledge and deliver to its predecessor Fiduciary, and also to the Trust, an instrument accepting such appointment, and thereupon such successor Fiduciary, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Fiduciary, with like effect as if originally named herein or pursuant hereto as such Fiduciary, but the Fiduciary ceasing to act shall nevertheless, on the written request of the Trust or of the successor Fiduciary, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Fiduciary all the right, title and interest of the predecessor Fiduciary in and to any property held by it under this Bond Resolution, and shall pay over, assign and deliver to the successor Fiduciary any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Trust be required by such successor Fiduciary for more fully and certainly vesting in and confirming to such successor Fiduciary any such moneys, estates, properties, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Trust.

Section 912. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which such Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company or national banking association which is qualified to be a successor to such Fiduciary under Section 902 or 910, as applicable, and shall be authorized by law to perform all the duties imposed upon it by this Bond Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

## ARTICLE X DEFEASANCE

Section 1001. Defeasance. (A) If the Trust shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of the Bonds then Outstanding, the Principal Amount and interest and Redemption Price, if any, to become due thereon, at the times and in the manner stipulated therein and in this Bond Resolution, and the Trust shall pay or provide for the payment of all fees and expenses of the Fiduciaries, then the pledge of any Revenues, Prior Bond Revenues, Prior Loans, Prior Local Governmental Obligations, or other property pledged by this Bond Resolution and, except as otherwise expressly provided herein, all other rights granted by this Bond Resolution shall be discharged and satisfied. In such event, the Bond Trustee shall, upon request of the Trust, execute and deliver to the Trust all such instruments as may be desirable to evidence such release and discharge and the Fiduciaries shall pay over or deliver to the Trust all moneys or securities held by them pursuant to this Bond Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

(B) Bonds or portions thereof or interest installments for the payment or redemption of which moneys shall be held by the Fiduciaries (through deposit by the Trust of funds for such payment or redemption or otherwise), whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning and with the effect expressed in paragraph (A) of this Section 1001. All Outstanding Bonds or any portion of the Bonds shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in paragraph (A) of this Section 1001 if (1) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Trust shall have given to the Bond Trustee, in form satisfactory to it, irrevocable instructions to give notice of redemption of such Bonds as provided in Article III, (2) there shall have been deposited with the Bond Trustee either moneys in an amount which shall be sufficient, or Investment Obligations as defined in clauses (1), (2) or (3) of the definition of Investment Obligations hereunder and not subject to redemption at the option of the issuer thereof prior to the due date thereof, or as to which irrevocable notice has been given by the obligor to call such Investment Obligations on a date specified in such notice, the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Bond Trustee at the time of deposit of such Investment Obligations, shall be sufficient, to pay when due the Principal Amount or Redemption Price, as applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (3) in the event said Bonds are not by their terms subject to redemption within the next succeeding 60 days, the Trust shall have given the Bond Trustee in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the owners of such Bonds that the deposit required by clause (2) above has been made with the Bond Trustee and that said Bonds are deemed to have been paid in accordance with paragraph (A) of this Section 1001 and stating the maturity or redemption date upon which moneys are to be available for the payment of the Principal Amount or Redemption Price, as applicable, on said Bonds. Neither Investment Obligations nor moneys deposited with the Bond Trustee pursuant to this Section nor principal or interest payments on any such Investment Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal Amount, or Redemption Price, as applicable, and interest on said Bonds; provided that any cash received from the principal or interest payments on such Investment Obligations deposited with the

Bond Trustee, if not then needed for such purpose, may, to the extent practicable, be reinvested in Investment Obligations as defined in clauses (1), (2) or (3) of the definition of Investment Obligations hereunder maturing at times and in principal amounts sufficient to pay when due the Principal Amount or Redemption Price, as applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be. After the making of the payments for which such Investment Obligations or moneys were held, any surplus shall be paid over to the Trust as received by the Bond Trustee, free and clear of any trust, lien or pledge.

(C) Anything in this Bond Resolution to the contrary notwithstanding, any moneys held by a Fiduciary in trust for the payment and discharge of any Bonds which remain unclaimed for six years after the date when such Bonds have become due and payable, either at their stated maturity dates, by acceleration not annulled or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for six years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, subject to applicable unclaimed property law, at the written request of the Trust, be repaid by the Fiduciary to the Trust, as its absolute property and free from the trust created by this Bond Resolution, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondowners shall look only to the Trust for the payment of such Bonds; provided, however, that before being required to make any such payment to the Trust the Fiduciary shall, at the expense of the Trust, cause to be mailed to the Owners of all Bonds Outstanding a notice that said moneys remain unclaimed and that, after a date named in such notice, which date shall not be less than 30 days after the date of mailing of such notice, the balance of such moneys then unclaimed will be returned to the Trust.

## ARTICLE XI MISCELLANEOUS

Section 1101. Evidence of Signatures of Bondowners and Ownership of Bonds. (A) Any request, consent or other instrument which this Bond Resolution may require or permit to be signed and executed by the Bondowners may be in one or more instruments of similar tenor, and shall be signed or executed by such Bondowners in person, or by their attorneys appointed in writing.

Section 1103. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest, Principal Amount or Redemption Price due on any date with respect to particular Bonds shall, pending such payment, be set aside and held in trust by it for the Owners of the Bonds entitled thereto, and for the purposes of this Bond Resolution such interest, Principal Amount or Redemption Price, after the due date thereof, shall no longer be considered to be unpaid.

Section 1104. Actions By Trust or Borrowers. Whenever any provision of this Bond Resolution requires or permits any action to be taken by the Trust or a Borrower, such action shall be deemed sufficiently taken for all purposes of this Bond Resolution if taken by an Authorized Officer of the Trust or such Borrower, as the case may be.

Section 1105. Parties Interested Herein. Nothing in this Bond Resolution expressed or implied is intended or shall be construed to confer upon, or to give to, any person, other than the Trust, the Fiduciaries and the Owners of the Bonds, any right, remedy or claim under or by reason of this Bond Resolution or any covenant, stipulation, obligation, agreement or condition therein. All the covenants, stipulations, obligations, promises and agreements in this Bond Resolution contained by and on behalf of the Trust shall be for the sole and exclusive benefit of the Trust, the Fiduciaries and the Owners of the Bonds.

Section 1106. Partial Invalidity. If any provision of this Bond Resolution or any Supplemental Bond Resolution is held invalid in any circumstance, such invalidity shall not affect any other provisions or circumstances.
