

Introducing The Restaurant Meals Program

When everyone has the nutrition they need, we all win.

**You may be eligible for RMP if
you are a SNAP recipient and are:**

- **An older adult (60+), or**
- **A person with a disability, or**
- **An individual or family experiencing homelessness.**

With RMP, you can choose from a wide range of menus with reduced-price meal options at participating restaurants and food trucks across Massachusetts.

Enjoy a healthy, delicious meal in person or as takeout, while supporting the

local economy. And pay using your SNAP EBT card. When you use RMP,

all transactions are secure and private, and are not subject

to meals tax.
