consequence of the facts described in Paragraph 2 or as reciprocal discipline in response to the disciplinary proceedings referenced in Paragraph 1.

6. Petitions for reinstatement which satisfy the requirements of Paragraph 5 will be referred by staff to the Board for consideration. The Board reserves the right to exercise full discretion in determining whether reinstatement of the Registrant's right to practice as a pharmacist is in the best interest of the public health, safety and welfare. The Board's review will include, but not be limited to, consideration of the Registrant's demonstrated good moral character, integrity, and knowledge of the practice of pharmacy. The Registrant will receive written notice of the Board's decision with respect to the petition for termination of the suspension. If the petition for termination of the suspension is granted the notice of termination of suspension may include conditions including, but not limited to, a requirement of a probationary period the term and requirements of which will be determined at the time the suspension is terminated. L. c. 30A, and the Standard Adjudicatory Rules of Practice and Procedure, 801 CMR 1.01 *et seq.* The Registrant further understands that by executing this Agreement he is knowingly and voluntarily waiving his right to a formal adjudication of the Complaints.
10. The Registrant acknowledges that he has been represented by legal counsel in connection with the Complaints and this Agreement.

³ The Registrant understands that practice as a registered pharmacist includes, but is not limited to, seeking and/or accepting a paid or voluntary position as a registered pharmacist, or a paid or voluntary position requiring that the applicant hold a current pharmacist registration. The Registrant further understands that if he accepts a voluntary or paid position as a registered pharmacist, or engages in any practice of pharmacy after the Effective Date and before the Board formally reinstates his registration, evidence of such practice shall be grounds for the Board's referral of any such unlicensed practice to the appropriate law enforcement authorities for prosecution.

11. The Registrant acknowledges that after the Effective Date, the Agreement constitutes a public record of disciplinary action by the Board. The Board may forward a copy of this Agreement to other licensing boards, law enforcement entities, and other individuals or entities as required or permitted by law.
