Such consent shall be given only after a public hearing upon a written application therefore on forms prescribed by the Cable Division and/or the FCC. Subject to applicable law, the Licensee shall submit to the Issuing Authority an original and one (1) copy of the application on FCC Form 394 requesting such transfer request. The Issuing Authority shall have one hundred twenty (120) days, or such other time frame that may be established by applicable law, from the filing of the completed Form 394 to take final action on it. If the Issuing Authority has not taken final action within such 120 day period, then the application shall be deemed approved, unless said 120 day period is extended by mutual consent of the parties.

- 2.9.3 Pursuant to 207 CMR 4.04, as may be amended, and applicable federal law, in considering a request to transfer control of this Renewal License, the Issuing Authority may consider only the transferee's management experience, technical expertise, financial capability and legal ability to operate the Cable System under this Renewal License, and any other criteria allowable under applicable law and/or regulation.
- 2.9.4 The consent or approval of the Issuing Authority to a transfer of this Renewal License shall not constitute a waiver or release of the rights of the Town under this Renewal License.

routing option is provided, and the Subscriber does not enter an option, the menu will default to the first tier menu of English options. After the first tier menu (not including a foreign language rollout) has run through three times, if customers do not select any option, the ARU or VRU will forward the call to a queue for a live representative. The Licensee may reasonably substitute this requirement with another method of handling calls from customers who do not have touch-tone telephones.

9.2.4 Under Normal Operating Conditions, calls received by the Licensee shall be answered within thirty (30) seconds. The Licensee shall meet this standard for ninety percent (90%) of the calls it receives at all call centers receiving calls from Subscribers, as measured on a cumulative quarterly calendar basis. At the Licensee's discretion, the Licensee may offer Subscribers appointment arrival times other than these four (4) hour time blocks, if agreeable to the Subscriber. These hour restrictions do not apply to weekends.

9.4 *Service Interruptions and Outages:*

- 9.4.1 The Licensee shall promptly notify the Issuing Authority in writing of any Significant Outage of the Cable Service.
- 9.4.2 The Licensee shall exercise commercially reasonable efforts to limit any Significant Outage for the purpose of maintaining, repairing, or constructing the Cable System. Except in an emergency or other situation necessitating a more expedited or alternative notification procedure, the Licensee may schedule a Significant Outage for a period of more than four (4) hours during any twenty-four (24) hour period only after the Town and each affected Subscriber in the Service Area have been given fifteen (15) days prior notice of the proposed Significant Outage.
- 9.4.3 Under Normal Operating Conditions, the Licensee shall Respond to a call from a Subscriber regarding a Service Interruption or other service problems within the following time frames:

9.4.5 The Licensee shall meet the standard in Section 7.4.4 for ninety percent (90%) of the Service Calls it completes, as measured on a quarterly basis.

9.4.6 The Licensee shall provide the Issuing Authority with a report in writing, upon request from the Issuing Authority, but in no event more than once a quarter within thirty (30) days following the end of each calendar quarter, noting the percentage of Service Calls completed within the seventy-two (72) hour period not including Service Calls where the Subscriber was reasonably unavailable for a Service Call within the seventy-two (72) hour period as set forth in this Section 7.4. Subject to applicable consumer privacy requirements, underlying information used to generate said reports shall be made available to the Issuing Authority for review upon reasonable request. At the Licensee's option, the above measurements and reporting may be changed from calendar quarters to billing or accounting quarters. The Licensee shall notify the Issuing Authority in writing of such a change at least thirty (30) days in advance.

9.4.7 Under Normal Operating Conditions, if a Significant Outage affects all Video Programming Cable Services for more than twenty-four (24) consecutive hours, the Licensee shall issue an automatic credit to the affected Subscribers in the amount equal to their monthly recurring charges for the proportionate time the Cable Service was out. The Issuing Authority may require reasonable documentation to be provided by the Licensee to substantiate the request for additional time to resolve the problem. For purposes of this Section 7.5, "resolve" means that the Licensee shall perform those actions, which, in the normal course of business, are reasonable to investigate and effect a reasonable and timely solution to the Subscriber's Complaint and to advise the Subscriber of said solution.

- 10.2.4 Records of installation/reconnection and requests for service extension for a period of three (3) years after the request was fulfilled by the Licensee, indicating the date of request, date of acknowledgment, and the date and time service was extended; and
- 10.2.5 A map showing the area of coverage for the provisioning of Cable Services and estimated timetable to commence providing Cable Service.
- 10.3 **Dual Filings:** Upon written request of the Issuing Authority, the Licensee shall provide a copy of any documents or forms filed by the Licensee with the FCC and/or the DTE that materially pertain to the Licensee's Cable System in the Town.
- 10.4 **Proof of Performance Tests:** Upon written request of the Issuing Authority, the Licensee shall provide a copy of proof of performance tests required by applicable law.
- 10.5 **Annual Performance Review:** The Issuing Authority or its designee may, at its discretion but not more than once per twelve-month period, hold a performance evaluation session. The purpose of such evaluation session shall be to review the Licensee's compliance with the terms and conditions of this Renewal License. The Issuing Authority shall provide the Licensee with thirty (30) days advance written notice of such evaluation session. The Issuing Authority shall provide the Licensee with a written report with respect to the Licensee's compliance within sixty (60) days after the conclusion of such evaluation session.
- 10.6 **Quality of Service:** If there exists credible evidence which, in the reasonable judgment of the Issuing Authority, casts doubt upon the reliability or technical quality of the Licensee's Cable Services in the Town, then, after notice to the Licensee and an opportunity to cure, the Issuing Authority shall have the right to require the Licensee to test, analyze and report in writing on the performance of the Cable System.

11. INSURANCE AND INDEMNIFICATION

11.1 Insurance:

11.1.1 The Licensee shall maintain in full force and effect, at its own cost and expense, during the term of this Renewal License, the following insurance coverage:

11.1.1.1 Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for property damage and bodily injury. Such insurance shall cover the construction, operation and maintenance of the Cable System, and the conduct of the Licensee's Cable Service business in the Town.

- 11.1.2 The Town shall be designated as additional insured under each of the insurance policies required in this Article 11.
- 11.1.3 The Licensee shall not cancel any required insurance policy without submitting documentation to the Issuing Authority verifying that the Licensee has obtained alternative insurance in conformance with this Renewal License.
- 11.1.4 Each of the required insurance policies shall be with sureties qualified to do business in the State of Massachusetts, with an A- or better rating for financial condition and financial performance by Best's Key Rating Guide, Property/Casualty Edition.
- 11.1.5 Upon written request, the Licensee shall deliver to the Issuing Authority Certificates of Insurance showing evidence of the required coverage.

11.2 Indemnification:

- 11.2.1 The Licensee shall, at its sole cost and expense, indemnify and hold harmless the Issuing Authority, the Town, its officials, boards, commissions, committees, agents and/or employees against all claims for damage, including without limitation damage to Persons or property, real and personal, due to the actions of the Licensee, its employees, officers or agents arising out of the installation, maintenance and/or operation of the Cable System under this Renewal License. Indemnified expenses shall include all reasonable attorneys' fees and costs incurred by the Town up to such time that the Licensee assumes defense of any action hereunder. The Issuing Authority shall give the Licensee written notice of its obligation to indemnify and defend the Issuing Authority within ten (10) business days of receipt of a claim or action pursuant to this section.
- 11.2.2 With respect to the Licensee's indemnification obligations set forth in Section 11.2.1, the Licensee shall, at its own expense, provide the defense of any claims brought against the Town by selecting counsel of the Licensee's choice to defend the claim, subject to the consent of the Issuing Authority, which shall not unreasonably be withheld. Nothing herein shall be deemed to prevent the Issuing Authority from cooperating with the Licensee and participating in the defense of any litigation by its own counsel at its own cost and expense, provided however, that after consultation with the Issuing Authority, the Licensee shall have the right to defend, settle or compromise any claim or action arising hereunder, and the Licensee shall have the authority to decide the appropriateness and the amount of any such settlement. In the event that the terms of any such settlement includes the release of the Town and the Issuing Authority does not consent to the terms of any such settlement or compromise, the Licensee shall not settle the claim or action but its obligation to indemnify the Town shall in no event exceed the amount of such settlement.

11.3 Performance Bond. The Licensee shall maintain, without charge to the Town, throughout the term of the Renewal License a faithful performance bond running to the Town, with good and sufficient surety licensed to do business in the State in the sum of twenty thousand dollars (\$20,000). Said bond shall be conditioned upon the faithful performance and discharge of all of the obligations imposed by this Renewal License. The performance bond shall be effective throughout the term of this Renewal License and shall be conditioned that in the event that the Licensee shall fail to comply with any one or more provisions of this Renewal License, or to comply with any order, permit or direction of any department, agency, commission, board, division or office of the Town having jurisdiction over its acts, or to pay any claims, liens or taxes due the Town which arise by reason of the construction, upgrade, maintenance and/or operation of the Cable System, the Town shall recover from the surety of such bond all damages suffered by the Town as a result thereof, pursuant to Article 13 below. Said bond shall be a continuing obligation of this Renewal License, and thereafter until the Licensee has satisfied all of its obligations to the Town that may have arisen from the grant of the Renewal License or from the exercise of any privilege herein granted. In the event that a performance bond provided pursuant to this Renewal License is not renewed or cancelled, the Licensee shall provide a new performance bond pursuant to this Section 11.3 within thirty (30) days of such failure to renew or cancellation. Neither cancellation, nor termination nor refusal by the surety to extend the bond, nor the inability of the Licensee to file a replacement bond or replacement security for its obligations under this Renewal License, shall constitute a loss to the Town recoverable under the bond. Neither this section, any bond accepted pursuant thereto, or any damages recovered thereunder shall limit the liability of the Licensee under the Renewal License. Recourse by the Town of remedies available under this Section 11.3 shall not be exclusive of other lawful remedies available to the Town at law and equity. Said bond shall be substantially in the form of **Exhibit C** attached hereto.

12. RENEWAL OF LICENSE

The Issuing Authority and the Licensee agree that any proceedings undertaken by the Town that relate to the renewal of this Renewal License shall be governed by and comply with the provisions of Section 626 of the Communications Act, 47 U.S.C. § 546, and M.G.L. Chapter 166A. The Town shall notify the Licensee of any ascertainment proceedings conducted pursuant to Section 626 of the Communications Act, and shall provide the Licensee with a copy of the record of such proceeding.

13. ENFORCEMENT AND TERMINATION OF LICENSE

13.1 Notice of Violation: If at any time the Issuing Authority believes that the Licensee has not complied with the terms of this Renewal License, the Issuing Authority shall informally discuss the matter with the Licensee, however the Issuing Authority

reserves the right to inform the Licensee of such non-compliance in writing prior to informal discussions. If such informal discussions do not lead to resolution of the problem in a reasonable time, the Issuing Authority shall then notify Licensee in writing of the exact nature of the alleged noncompliance (for purposes of this Article, the "Noncompliance Notice").

13.2 The Licensee's Right to Cure or Respond: The Licensee shall have thirty (30) days from receipt of the Noncompliance Notice to: (i) respond in writing to the Issuing Authority, if the Licensee contests (in whole or in part) the assertion of noncompliance; (ii) cure such noncompliance; or (iii) in the event that, by its nature, such noncompliance cannot be cured within such thirty (30) day period, initiate reasonable steps to remedy such noncompliance, continue such efforts until said noncompliance is cured, and notify the Issuing Authority at no more than twenty-one (21) day intervals as to the Licensee's efforts and progress to remedy such noncompliance. Upon a jointly agreed upon cure of any noncompliance by the Issuing Authority and the Licensee, the Issuing Authority shall provide the Licensee with written confirmation that such cure has been effected.

13.3 Public Hearing: In the event that the Licensee fails to respond to the Noncompliance Notice pursuant to the procedures set forth in Section 13.2 above, and if the Issuing Authority seeks to continue its investigation into the alleged noncompliance, then the Issuing Authority shall schedule a public hearing. The Issuing Authority shall provide the Licensee at least thirty (30) days prior written notice of such public hearing, which will specify the time, place and purpose of such public hearing and whether revocation of this Renewal License is a possible consequence. At any designated public hearing where revocation of this Renewal License is not a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence. At any designated public hearing where revocation of this Renewal License is a possible consequence, the Licensee shall be provided a fair opportunity for full participation, including the right to be represented by legal counsel and to introduce relevant evidence, and shall also have the right to require the production of evidence, to compel the relevant testimony of the officials, agents, employees or consultants of the Issuing Authority, to compel the testimony of other persons as permitted by law, and to question and/or cross examine witnesses. A complete record shall be made of such hearing. Within thirty (30) days of the close of the hearing, the Issuing Authority shall issue a written determination of its findings.

13.4 Enforcement: In the event the Issuing Authority, after the public hearing set forth in Section 13.3 above, determines that the Licensee is in default of any provision of this Renewal License, the Issuing Authority may:

13.4.1 Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages;

- 13.4.2 Commence an action at law for monetary damages or seek other equitable relief;
 - 13.4.3 Submit a claim against an appropriate part of the performance bond pursuant to Section 11.3 above;
 - 13.4.4 In the case of a substantial noncompliance of a material provision of this Renewal License, seek to revoke this Renewal License in accordance with Section 13.5; or
 - 13.4.5 Invoke any other lawful remedy available to the Town.
- 13.5 *Revocation:*** In the event that the Issuing Authority determines that it will revoke this Renewal License pursuant to Section 13.4 above, the Licensee may appeal such written determination of the Issuing Authority to an appropriate court or to the Cable Division, which shall have the power to review the decision of the Issuing Authority consistent with applicable law and regulation. The Licensee shall be entitled to such relief as the court finds appropriate. Such appeal must be taken within sixty (60) days of the Licensee's receipt of the written determination of the Issuing Authority. The Issuing Authority may, at its sole discretion, take any lawful action that it deems appropriate to enforce the Issuing Authority's rights under this Renewal License in lieu of revocation of this Renewal License.

14. MISCELLANEOUS PROVISIONS

- 14.1 *Actions of Parties:*** In any action by the Town or the Licensee that is taken pursuant to the terms of this Renewal License, such party shall act in a reasonable, expeditious, and timely manner. Furthermore, in any instance where approval or consent is required by either party under the terms hereof, such approval or consent shall not be unreasonably withheld, delayed or conditioned.

In the event such federal or State law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision hereof that had been preempted is no longer preempted, such

provision shall thereupon return to full force and effect, and shall thereafter be binding on the parties hereto, without the requirement of further action on the part of the Issuing Authority.
