Re: Response to DPH's October 26, 2016 Request for Information from GTI-Massachusetts NP Corporation (Application 2 of 2)

To Whom It May Concern:

On behalf of GTI-Massachusetts NP Corporation ("GTI"), we are writing in response to the Department of Public Health's ("DPH") October 26, 2016 Request for Information. The DPH requested the following information:

1. **DPH Request:** *Please clarify whether GTI-Massachusetts will be occupying the entire building at its site in West Springfield or if other tenants will share the building. Please also submit the "attached plan" identified on Page 1 of the Binding Letter of Intent/Option to Lease for the West Springfield property.*

GTI's Response: GTI will not be occupying the entire building at its site in West Springfield. Please find attached a copy of the proposed Egress Plan for 203 Circuit Avenue with the portion that GTI intends to occupy highlighted. GTI's proposed occupancy of 203 Circuit Avenue complies with all requirements of West Springfield's Zoning Bylaws, including Section 8.823 related to the location of a RMD in West Springfield. Furthermore, GTI will comply with all security provisions as set forth by 105 CMR 725.110.

In addition to the Egress Plan, please find attached a floorplan sketch that was identified as the "attached plan" in the Binding Letter of Intent/Option to Lease for the 203 Circuit Avenue property.

Thank you for your attention to this matter.

Very Truly Yours,

Brandon R. Kurtzman, Esq.
