Re: Request for Information

Dear Mr. Thut,

This letter is to inform you that the Department of Public Health ("Department") has reviewed the additional or revised information submitted for Mission Massachusetts, Inc.'s *Siting Profile* (Application 2 of 3). The *Siting Profile* requires the following information before the Department may complete its evaluation:

1. There appears to be a discrepancy in the figures for the Base Rent Per year and the Rent Per Month between the amount charged in the lease and the amount charged in the sublease for the Worcester property, although the rent per square foot appears to be the same. Please explain the discrepancy between the figures.
2. As the address of the proposed site in Burlington underlying the December 6, 2016 letter of support from the Board of Selectmen has changed, the applicant must submit to the Department a new letter of support or non-opposition from the Town of Burlington

Please remember to type all responses in the information or materials resubmitted to the Department, other than any required signatures, as well as include the name of the Applicant Non-Profit Corporation *and* the number of the application (e.g., Application 1 of 1) at the top of each page of the resubmitted information or materials.

Please resubmit the additional or revised information as outlined above, via U.S. mail or hand-delivery, to:

Department of Public Health
Medical Use of Marijuana Program

99 Chauncy Street, 11th Floor
Boston, MA 02111

Upon receipt, the Department will review the information and will notify the applicant if it will proceed or if further information is required.

If you have questions or need assistance, you may contact the Department at 617-660-5370 or RMDapplication@state.ma.us.
