Our bill/customer bill starts from when the mover gets to the warehouse and to when we get back. For example if the movers have a 7:30 start at the warehouse and he get to the customer house at 8 am they will charge the customer for the 30 minute travel time and if they end at 4pm at the customer house and get back to our warehouse at 4;30 pm them the customer will have to charge for the 30 minute travel time. We also charge for fuel which is .50 cent per mile which average usually between \$35- 75. We also have a material fee depending on what we use for the move(tape , shrink wrap, mattress bag, bins, , boxes)
