OPEN MEETING LAW COMPLAINT FORM

Instructions for completing the Open Meeting Law Complaint Form

The Attorney General's Division of Open Government interprets and enforces the Open Meeting Law, Chapter 30A of the Massachusetts General Laws, Sections 18-25. Below is the procedure for filing and responding to an Open Meeting Law complaint.

Instructions for filing a complaint:

- o Fill out the attached two-page form completely and sign it. File the complaint with the public body within 30 days of the alleged violation. If the violation was not reasonably discoverable at the time it occurred, you must file the complaint within 30 days of the date the violation was reasonably discoverable. A violation that occurs during an open session of a meeting is reasonably discoverable on the date of the meeting.
- o To file the complaint:
 - o For a local or municipal public body, you must submit a copy of the complaint to the chair of the public body **AND** to the municipal clerk.
 - o For all other public bodies, you must submit a copy of the complaint to the chair of the public body.
 - o Complaints may be filed by mail, email, or by hand. Please retain a copy for your records.
- o If the public body does not respond within 14 business days and does not request an extension to respond, contact the Division for further assistance.

Instructions for a public body that receives a complaint:

- o The chair must disseminate the complaint to the members of the public body.
- o The public body must meet to review the complaint within 14 business days (usually 20-22 calendar days).
- o After review, but within 14 business days, the public body must respond to the complaint in writing and must send the complainant a response and a description of any action the public body has taken to address it. At the same time, the body must send the Attorney General a copy of the response. The public body may delegate this responsibility to its counsel or a staff member, but only after it has met to review the complaint.
- o If a public body requires more time to review the complaint and respond, it may request an extension of time for good cause by contacting the Division of Open Government.

Once the public body has responded to the complaint:

- o If you are not satisfied with that the public body's response to your complaint, you may file a copy of the complaint with the Division by mail, e-mail, or by hand, but only once you have waited for 30 days after filing the complaint with the public body.
- o When you file your complaint with the Division, please include the complaint form and all documentation relevant to the alleged violation. You may wish to attach a cover letter explaining why the public body's response does not adequately address your complaint.
- o The Division will not review complaints filed with us more than 90 days after the violation, unless we granted an extension to the public body or you can demonstrate good cause for the delay.

If you have questions concerning the Open Meeting Law complaint process, we encourage you to contact the Division of Open Government by phone at (617) 963-2540 or by e-mail at openmeeting@state.ma.us.

This complaint is concerning G.L. c. 30A, § 22(g)(2) specifically release of executive session minutes from a public body
On Saturday May 7th i sent an email to Chair Inez Canada requesting executive session minutes from multiple sessions with diversity, equity, and inclusion consultants
The 10th business day following this request was on May 20th 2022
The next public body meeting following the request was on June 2nd 2022
As of today June 10th, 32 calendar days have passed since the request
In reviewing prior minutes, the reason to enter executive sessions is unclear and roll call votes to enter executive sessions were not included. Chair Canada responded to me in an email on May 9th 2022 and did not release executive session minutes. Chair Canada wrote that she "does not have the authority to alter the process for requesting Public Records" and provided a link to contact the public records access officer.
I believe the minutes should be released by the public body

What action do you want the public body to take in response to your complaint?
