

Draft SRC State Plan meeting via Zoom notes for August 11, 2021 at 11am

Attendees: Joe B., Naomi G., Sarah W., Bill N. and Kevin G.

Meeting notes from April 8, 2021 were approved.

Committee members reviewed the SRC FY22 Recommendations with MRC responses.

The committee discussed each response and either answered MRC response or the committee recommended that the committee responsible for the SRC Recommendation have a chance to do their own review and comment.

The committee reviewed MRC Responses:

Recommendation FY22-1; Responsible SRC Committee: Executive

Accepted most of the MRC suggestions and make some comments

Recommendation FY22-2 (formerly FY21-1); Responsible SRC Committee:
Business & Employment

No changes

Recommendation FY22-3 (formerly FY21-2); Responsible SRC Committee:
Business & Employment

Made some comments and referred this to the BEO Committee.

Recommendation FY22-4 (formerly FY21-3); Responsible SRC Committee: Policy

Made some comments

Recommendation FY22-5 (formerly FY21-5), Responsible SRC Committee:
Business & Employment

The committee did not address. The committee felt that the BEO Committee would have a lengthy discussion on MRC's response.

Work Plan:

Bill N. said that the committees could send him their items for a work plan outline if they wanted.

Annual Report:

Joe discussed the Annual Report needs. The chairs should review last year's annual report and have a draft ready for this year's report by October 7th, 2021.

The issue of what was the fiscal year was brought up. We have been using the State Fiscal year for the last reports.

Action item: Joe will reach out to all the committee chairs and request that they submit a draft annual report by Oct. 7th.

SOP for getting SRC Recommendations:

The committee had a brief discussion on ways of getting recommendations. Joe gave a brief history on how this was done in the past: hearings, consumer conferences, online and via committees' input and outreach for recommendations.

The issue of MRC wanting less recommendations was discussed. The committee will seek to find out if MRC is still looking for the SRC to have limited recommendations.

The committee members did not have anything to add to the current DEI activities.

Next meeting will be on October 13, 2021 at 11am via Zoom.

The meeting was adjourned at 12:33pm
