

SRC State Plan meeting notes for June 11, 2020 at 11am

Attendees: Joe B., Charlene C., Dawn C., Olympia S., Inez C., Barbara, Naomi G. and Bill N.

Meeting notes from 4-9-20 were approved.

WIAO plan update: MRC is in the final stage of review. Working with MCB. Federal person in the process is Zera (sp?). So far the feedback has been that MRC's proposal is one of the better ones. RSA management must now approve by the process by July 1, 2020. We are on track for this. Has not heard of waivers for RSA.

We will add review the WIOA work plan to our committee's agenda for each meeting. We are expecting a quarterly or semi-annual update.

Review of the FY20 Recommendation Work Plan:

There were no additions to the work plan comments as presented.

The Schedule for the State Plan and Annual Reports was reviewed.

The committee made some minor changes to the FY21 recommendations. These recommendations were forwarded on 6-11-20 to Kate for disbursement to the council members.
