

Volunteer to do good in your community.

We're seeking our first class of Massachusetts Safe Routes to Schools Ambassadors.

Our school has partnered with the Massachusetts Department of Transportation (MassDOT) and its Safe Routes to School (SRTS) Program to give students a chance to have real impact in our community. With your pledge to become a SRTS Ambassador, you will help younger students and their families access safe, healthy, and equitable transportation options. Doing your part is worthwhile:

Get Expert Safe Travel Training

With help from SRTS experts, student ambassadors will complete training modules and educational activities to learn the ins and outs of walking, biking, and rolling safety.

Add Real-World Field Experience to Your Resume

In addition to training, you'll get hands-on experience applying transportation planning and safety principles. It's a head start on practical, real-world experience that can be added to your resume.

Earn Community Service Hours

This program is an opportunity to do good. Participating students can earn hours certified by MassDOT's SRTS program to meet graduation and college requirements.

Pledge to become part of our first class of SRTS Ambassadors.

1. Scan the QR code to learn about the program.

2. See our school's SRTS Liaison to sign up:
