Exemplary Programs by Region

Awarded to schools that set a great example by crafting a new or existing Safe Routes to School Program through innovation, creativity, and engagement.

Community Collaboration

Awarded to an Alliance Partner organization that strongly demonstrated the importance of collaborating among schools and community stakeholders, and furthered the mission of Safe Routes to School.

Nikki Tishler Memorial Award

Awarded to an individual who served as a true champion of Safe Routes to School over the past school year, making the extra effort to ensure a successful program in his or her community.

In 2018, the Safe Routes to School Superhero Award was retired in Nikki's honor and presented to her family to celebrate her life and work with MassDOT. Nikki was the Coordinator of MassDOT's Safe Routes to School Program and a liaison to three of the Commonwealth's Metropolitan Planning Organizations.

Throughout her life, Nikki brought the same passion to her endeavors outside of the office as she did to her responsibilities at MassDOT. She was a fierce advocate for social justice; a volunteer for a suicide prevention hotline; a warm, thoughtful, and caring person; and a wonderful friend and colleague. In the words of one coworker, "Nikki had the innate ability to promote social wellness, which she was a living example of. Her closest colleagues benefited both professionally and personally from her contagious positivity."
