

STANDARD CONTRACTOR EVALUATION FORM

This is the Standard Contractor Evaluation form for both PRIVATE and PUBLIC projects.

Private Project: Private projects include **vertical building work** performed for private parties, federal agencies and all out of state work.

Who completes and signs this form for a Private project?

Evaluations for private projects can be prepared and signed by the project owner or by an individual responsible for the oversight of the project (e.g. general Contractor, architect, owner's project manager).

Public Project: Public projects **only** include **vertical building work** performed for state agencies, state commissions or authorities, state schools, state hospitals and municipalities in the state of Massachusetts.

Who completes and signs this form for a Public project?

All public evaluations **must** be signed by an official from the public awarding authority.

For public projects **under \$1,500,000.00**, the public awarding authority **may** have a representative or any other party responsible for the oversight of the project (e.g. general Contractor, architect, owner's project manager, architect/designer) complete and sign the evaluation.

For public projects **\$1,500,000.00 and above**, the Owner's Project Manager (OPM) responsible for oversight of the project **must** complete and sign the evaluation.

Massachusetts state law **requires** Public Evaluation Forms be completed by the Awarding Authority and submitted to DCAMM upon completion of the project. Per state law a copy of the evaluation **must** be sent to the Contractor.

Public Awarding Authorities are required to complete an evaluation form at the 50% mark of a project and submit it to the Contractor as a preliminary evaluation of its performance. These **"Preliminary Evaluations"** are intended for informational purposes only and **should not** be submitted to DCAMM.

EVALUATION QUESTIONS

Please rate this Contractor's performance for each of the following Categories. Written comments are extremely helpful, **and if you rate the performance below "Average" in any category, a detailed written explanation with specifics must be provided.** Failure to provide written comments for below Average performance may result in the evaluation being deemed unreliable.

If a question is not applicable to the contractor being evaluated, assign the maximum value for that question.

If additional pages are necessary for any written comments, please feel free to attach additional sheets. Be sure to clearly indicate the question number for each attached response.
