EVENTS HELD DURING REGULAR BUSINESS HOURS
(Form B)

Dear Applicant:

Thank you for your recent communication to the Bureau of the State House requesting the use of the State House during business hours (10 a.m. to 3 p.m., Monday-Friday) for an event. The application form and associated floor plan must be completed and returned to the Bureau of the State House for your request to be considered. **This form must be signed by the contact person as well as the elected official sponsoring the event. A floor plan is required for all events except for public hearings in Gardner Auditorium.** Any individuals requesting use of the loading dock must be listed on the event application, otherwise access will be denied.

This form is enclosed along with the Terms, Conditions and Policies for events. Completed applications and floor plans for all events/exhibits held during regular business hours must be submitted at least two weeks prior to the date requested for the event. You may call in advance (no more than 6 months prior to an event) to check the availability of space and reserve a date.

Please keep in mind that the State House is first a seat of government and second a historic structure. Therefore, its use for social events can only be considered when its governmental and historical functions are well served. There is a possibility that your event will be considerably altered or relocated with little notice.

If you have any questions regarding these policies and procedures, please contact Ayanna Clark, State House Events Coordinator at (617) 727-1100 x35532.

Sincerely,

Tammy E. Kraus
