State House Note Modernization

August 18, 2021

State House Notes Modernization

The documents sent to Bureau of Accounts and the review process will remain exactly the same.

Main changes:

- No mailing of any documents.
- Notes submitted in Gateway by city, town, district and county treasurers.
- The Public Finance (PF) Section will receive a scanned copy of the note via upload to Gateway.
- No signature on the actual note; Director's Approval Letter will take the place of the director's signature
 - will automatically be sent out with a scanned copy of the note in an email to the treasurer, accountant, financial advisor and bond counsel, if used, upon approval of the note.
- Treasurer responsible for sending the actual executed note to the winning bank.

Benefits:

- Upload to Gateway is more secure and faster than US mail or mail delivery service.
- Provides a safeguard against missing a note in the case of an absence.
- Any additional information can be added or changes made more quickly.
- Upload to Gateway is a process treasurers are familiar with.
