

# UPDATE ON HONEY BEE HEALTH IN THE COMMONWEALTH

**WEDNESDAYS  
7:00 PM TO  
9:00 PM**

## MDAR Virtual Beekeeping Winter Webinar Series January–March 2026

Sessions on: January 7th & 14th • February 4th & 11th • March 4th & 11th

Join the Department of Agricultural Resources' outreach and education teams virtually via Zoom for a seasonal update on honey bee health, regulations, and the support services available to beekeepers across the Commonwealth.

### This year's series includes:

2025 MDAR Apiary Program Year-End Review

Program updates from Pesticide Enforcement, - Animal Health, and Support Services (Marketing, Grants, APR, Environmental Justice)

Guest speakers from USDA ELAP and Northeast SARE

Updates on emerging pests and invasive species, including Yellow-Legged Hornet, Tropilaelaps mite, Spotted Lanternfly, and Northern Giant Hornet

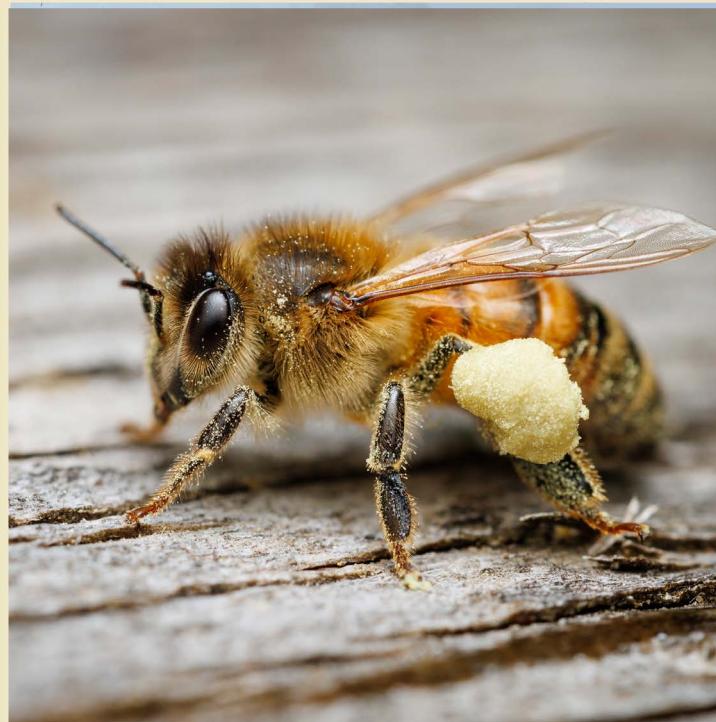

Survey findings from the MDAR Honey Bee Health Survey and USDA APHIS Honey Bee Survey

Special presentation: MDAR Apiary Program — A Decade in Review (2015–2025)

Live Q&A each session

These webinars are free and open to the public, but pre-registration is required.

Events will not be recorded, so BEE THERE or BEE

**Registration Required: ZOOM Webinar**
