Re: Surrender of Pharmacist Registration - Complaint Docket No. PHA-2009-0120

Dear Mr. Meyers:

The Board of Registration in Pharmacy (Board) is in receipt of your Massachusetts Pharmacist Registration No. 14094 (exp. 12/31/2010) which you surrendered to the Board, effective on mailing date August 22, 2009, in response to above-referenced pending Complaint Docket No. PHA-2009-0120 (the Complaint).

Please be advised that the Board has accepted the surrender of your pharmacist registration on the terms and condition that you understand and agree your surrender is voluntarily tendered; that registration surrender is considered to be a disciplinary action depriving you of all privileges of registration; that the surrender is not subject to reconsideration or judicial review; that you are not currently licensed in any other jurisdiction as a pharmacist or pharmacy technician; and that the Board will not review any application for licensure or registration as a pharmacist or pharmacy technician in the future.

If you do not agree to the above described terms and conditions by which the Board has accepted the surrender of your pharmacist registration in resolution of the Complaint, **you must notify the Board in writing at the address above within 30 days of the date of this letter.** If the Complaint is not resolved by agreement with the Board, the Board will refer the matter to the Office of Public Protection for the initiation of formal adjudicatory proceedings seeking discipline of your pharmacist license.

Please be advised if the Board will close the Complaint as a "voluntarily surrender" on October 19, 2009 if you have not otherwise notified the Board by that date.

Very truly yours,

James T. DeVita
