Citizenship Affirmation	I am a U.S. Citizen
Residency Affirmation	I am a resident of the Commonwealth of Massachusetts
Statement of Intent	I intend to comply with and advance the policy established by this Act.
Statement of Interest	I have observed the power of individual voters eroding since the Inception of Citizens United. I do not believe the original framers ever intended that the power of the voting public to be superseded by the power of money. Outlawing Citizens United would greatly limit the leverage of large dollar donors and dark money helping to return the control of congress to voters.

Steve Miller Abbreviated Biography

After retiring in 2014 I volunteered at the Donovan school in Randolph and mentored inmates at the Norfolk County Correctional Center. Starting in approximately 2016 I did volunteer support for several progressive candidates and in 2018 became an active member of “We the People” as well as chair of the Canton Democratic Town Committee. In my prior life my work as a scientist resulted in over 60 US Patents, more than 30 technical papers and two book chapters demonstrating my ability to provide solutions to complex challenges. About a billion years ago I received my PhD in Mechanical Engineering from Northeastern University
