# IMMIGRATION SCAMS

## PROTECT YOURSELF FROM FRAUD:

**NEVER** pay to get immigration forms; they are free to download online!

**NEVER** leave without receipts for all payments.

**NEVER** sign blank forms.

**KEEP** all your original documents.

**GET** copies of everything.

If you or someone you know is trying to sort out immigration issues, use caution and go straight to an immigration lawyer.

Using the wrong person could hurt your chance of having an application approved.
