

Get Your Striped Bass Conservation Plate!

Visit: www.mass.gov/info-details/massachusetts-striped-bass-conservation-license-plate

How do I order a plate?

Visit your local Registry of Motor Vehicles (RMV) or follow the QR code above for step-by-step instructions to apply for a plate online.

How much does a plate cost?

A normal passenger plate costs \$60 every two years. A specialty Striped Bass Conservation plate costs \$100 every two years. This means you'll be contributing \$40 to the cause every two years.

Where does my money go?

The Mass Environmental Trust and the Massachusetts Division of Marine Fisheries developed the Striped Bass Conservation plate to support programs to research, protect, and preserve striped bass populations, ensuring that future generations of anglers have the opportunity to experience the unmatched thrill of fishing for this iconic species.
