Subject: TAA FY 16 Case Management Funds Local Allocations – Second Allocation

Purpose: To notify Local Workforce Boards, One-Stop Career Center Operators and other local workforce investment partners of the 2nd allocation of Trade Programs “Employment and Case Management Funds” provided for local use under the Trade Adjustment Assistance Act. These allocations supplement allocations for WIOA and Wagner-Peyser employment Service (ES) activities and account for TAA participant activities for workers covered under the Trade Adjustment Assistance (TAA) Programs.

The total cumulative allocation is \$943,914. Local funding allocations are found in the **Local Area TAA Case Management Allocations Chart** (Attachment A).

Background: The Trade Programs “Employment and Case Management” funds have been designated by the Commonwealth for utilization through September 30, 2017 for those individuals being served under the TGAAA of 2009, TAAEA of 2011 and TAAEA of 2015.

The allocation methodology continues to be comprised of the following three components:

A. Petitions Filed and/or Certified

- weighted 15%
- The number of Trade Adjustment Assistance Petitions certified with USDOL, by area as a percent of share against all MA petitions filed
- Time period: 01/01/2016 to 07/31/2016
- Data Source: MOSES

B. New Trade Act Participants

- weighted 35%
- The number of customers approved for TAA benefits per area
- Time period: 07/01/15 to 06/30/2016
- Source: MOSES

C. Active Participants

- weighted 50%
- Customers served during the last 90 days
- Time Period: 07/01/15 to 06/30/2016
- Source: MOSES

Future increases in allocation will be reviewed and considered based on State funding received.

Policy:

In addition to covering staffing costs for career counselors, the “employment and case management services” funding may also be used for: assessment tests; skills transferability analysis; peer counselors; development and provision of labor market information; maintenance and enhancement of electronic case management systems to allow for improved case management services; information on available training, including provider performance and cost information; and, any other staff costs related to career services. This list is not intended to be all inclusive.

Local areas are expected to expend these funds quickly and effectively and they are to be used in addition, and not as an offset to any funds the local workforce system receives under WIA, WIOA, or any other program.

The funds have been made available through a modification of each area’s annual contract with the Executive Office of Labor and Workforce Development (EOLWD). Required expenditure reporting will consist of a **quarterly** Fiscal Status Report (FSR) (Attachment B) to be submitted to Gogo Joe Nwabinwe, at Gogo.Joe.Nwabinwe@MassMail.State.MA.US by the 15th of the month following the end of the quarter. **Please submit an FSR even if your expenditures are \$0.**
