

Mass. Department of Energy Resources'
2018 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Acton	\$249,984	Central	to fund energy conservation measures, LED lighting retrofits and insulation jackets, in municipal facilities including DPW Building, Town Hall, Fire Stations 1, 2, and 3, Acton-Boxborough Regional High School, Parker Damon Building, and Administration Building
Acushnet	\$132,287	Southeast	to fund energy conservation measures, insulation measures, lighting fixture modification, and LED streetlight conversion, in municipal facilities including Parting Ways Building, Police Station, Council on Aging, and streetlights
Amesbury	\$250,000	Northeast	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights
Andover	\$142,625	Northeast	to fund energy conservation measures, LED lighting retrofit and Building Operator Certification training, in municipal facilities including High School-Collins Center, Doherty Middle School, and West Fire Station
Arlington	\$210,290	Northeast	to fund energy conservation measures, floating head control, door weatherization, LED lighting, and electric vehicle acquisition, in municipal facilities including Ed Burns Arena, Ottoson, Bishop, Hardy and High Schools, and town vehicle fleet
Athol	\$116,762	Western	to fund energy conservation measures, LED lighting upgrades and heating efficiency improvements, in municipal facilities including DPW Compound, Police Station, and Town Hall
Auburn	\$229,599	Central	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights
Barre	\$39,096	Central	to fund energy conservation measures, LED lighting upgrades, in municipal facilities including Fire Station 1 and Town Hall
Bedford	\$250,000	Northeast	to fund energy conservation measures, LED lighting upgrades, in municipal facilities including Town Center and Davis Elementary School
Belchertown	\$46,897	Western	to fund energy conservation measures, HVAC heat pump system and LED lighting, in municipal facilities including Family Center
Bridgewater	\$44,000	Southeast	to fund energy conservation measures, electric vehicle acquisition, electric vehicle charging stations, and administrative costs, in municipal facilities including town vehicle fleet
Buckland	\$27,707	Western	to fund energy conservation measures, window inserts and administrative costs, in municipal facilities including Police Station and Town Hall
Cambridge	\$218,950	Northeast	to fund energy conservation measures, vehicle hybrid retrofits and idle reduction technologies, in municipal facilities including city vehicle fleet
Carlisle	\$171,968	Northeast	to fund energy conservation measures, HVAC improvements, sensors and controls, LED lighting with controls, de-stratification fans, control valves and electronically commutated motor, anti-idle technology, and electric vehicle charging station, in municipal facilities including Spalding and Carlisle Schools, Town Hall, DPW, Gleason Library, and town vehicle fleet
Chelmsford	\$189,809	Northeast	to fund energy conservation measures, chiller replacement, LED lighting, and HVAC upgrades, in municipal facilities including Police Station, Senior Center, and CPS Administration
Concord	\$116,557	Northeast	to fund energy conservation measures, LED lighting, electric vehicle acquisition, hybrid vehicle conversion, and building management system, in municipal facilities including town vehicle fleet, 55 Church St Building, Public Works, HWCC, Water & Sewer Building, Town House, and Hunt Recreation Center
Dalton	\$238,726	Western	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights

Mass. Department of Energy Resources'
2018 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Dartmouth	\$232,504	Southeast	to fund energy conservation measures, pipe insulation, steam trap insulation, LED lighting, weatherization, and boiler replacement, in municipal facilities including Town Hall, Maintenance Garage, Potter, DeMello, Middle, Cushman, and Quinn Schools, Southworth Library, DCTY Headquarters, and Administration Building
Deerfield	\$166,082	Western	to fund energy conservation measures, LED lighting, condensing boilers, fresh air system improvements, faucet aerators, refrigerator repair, and administrative costs, in municipal facilities including Elementary School
Egremont	\$7,635	Western	to fund energy conservation measures, refrigerator replacement and hot water heater replacement, in municipal facilities including Town Hall and Free Library
Essex	\$155,039	Northeast	to fund energy conservation measures, BAS expansion and LED lighting, in municipal facilities including Elementary School
Framingham	\$100,000	Northeast	to fund energy conservation measures, boiler replacement and HVAC improvements, in municipal facilities including Fire Headquarters
Gardner	\$95,257	Central	to fund energy conservation measures, pump rebuild and VFDs, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including Water Treatment Facility and city vehicle fleet
Gill	\$68,465	Western	to fund energy conservation measures, insulation, lighting, air source heat pump, window inserts, and administrative costs, in municipal facilities including Slate Memorial Library, Town Hall, and Riverside Municipal Building
Granby	\$248,702	Western	to fund energy conservation measures, plug load controls, retrocommissioning, weatherization, LED lighting, air source heat pump, electronically commutated pumps, pipe insulation, demand control ventilation, wireless thermostats, and administrative costs, in municipal facilities including Highway, Old Library, Safety Complex, Senior Center, and Junior-High School
Hanover	\$249,694	Southeast	to fund energy conservation measures, a steam system upgrade, LED lighting retrofit, LED streetlights, primary hot water piping loop, boiler controls, and administrative costs, in municipal facilities including Salmond School, Middle School, Cedar School, Facilities Building Garage, and streetlights
Hardwick	\$249,556	Western	to fund energy conservation measures, boiler replacement, pump upgrade, baseline BAS, and administrative costs, in municipal facilities including Hardwick Elementary School
Lancaster	\$235,644	Central	to fund energy conservation measures, LED lighting, weatherization, and electric vehicle acquisition, in municipal facilities including Fire Station, Police Station, DPW, Thayer Memorial Library, and town vehicle fleet
Lenox	\$248,794	Western	to fund energy conservation measures, LED lighting, LED streetlight conversion, and refrigerator enhancements, in municipal facilities including Town Hall, DPW Complex, Morris Elementary and Memorial Middle High Schools, and streetlights
Leominster	\$250,000	Central	to fund energy conservation measures, boiler replacement, in municipal facilities including City Hall
Lexington	\$196,455	Northeast	to fund energy conservation measures, LED lighting , in municipal facilities including Clarke, Bowman, Bridge, and High Schools and Cary Library
Littleton	\$250,000	Central	to fund energy conservation measures, VFDs, exterior and interior lighting, and administrative costs, in municipal facilities including High, Shaker Lane, and Middle Schools

Mass. Department of Energy Resources'
2018 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Lowell	\$250,000	Northeast	to fund energy conservation measures, LED lighting and wireless thermostats, in municipal facilities including Morey Elementary, Reilly Elementary, Stoklosa Middle, Butler Middle, and Sullivan Middle Schools
Lunenburg	\$198,867	Central	to fund energy conservation measures, weatherization, LED lighting, plug load controls, condensing boilers, pipe insulation, electronically commutated motors, HVAC retrocommissioning, and administrative costs, in municipal facilities including Turkey Hill Elementary School, Town Hall, Ritter Memorial Administration Building, and Public Safety Building
Marshfield	\$250,000	Southeast	to fund energy conservation measures, LED lighting, mechanical insulation, electric vehicle acquisition, electric vehicle charging station, and administrative costs, in municipal facilities including Furnace Brook and Martinson Schools, Central Fire Dept., and town vehicle fleet
Mashpee	\$210,102	Southeast	to fund energy conservation measures, HVAC improvements, gas furnace upgrades, LED lighting, variable frequency drives, and administrative costs, in municipal facilities including High and Coombs Schools, and Fire Station
Maynard	\$242,936	Central	to fund energy conservation measures, demand control ventilation, retrocommissioning, LED lighting, and boiler replacement, in municipal facilities including Fowler and High Schools, Library, and Town Hall
Medway	\$95,257	Central	to fund energy conservation measures, weatherization, air sealing, insulation, electric vehicle acquisition, electric vehicle charging station, and building operator certification training, in municipal facilities including Fire Station 1, Senior Center, Town Hall, and town vehicle fleet
Middlefield	\$20,295	Western	to fund energy conservation measures, LED lighting, insulation, thermostats, and administrative costs, in municipal facilities including Town Hall, Senior Center, Highway Garage, and Fire Station
Millbury	\$241,480	Central	to fund energy conservation measures, LED streetlight conversion, thermostats, HVAC system controls, insulation, storm windows, and building operator certification training, in municipal facilities including streetlights, Fire Stations, Public Library, and ASA Waters Mansion
Millis	\$219,160	Central	to fund energy conservation measures, thermostats, VFDs on hot water pumps, LED lighting, de-stratification fans, and energy management system, in municipal facilities including DPW/Highway, Middle/High School, and Town Hall
Milton	\$246,145	Northeast	to fund energy conservation measures, boiler controls, LED lighting, and energy management system, in municipal facilities including Cunningham-Collicott Elementary, High, Tucker Elementary, and Glover Elementary Schools, Council on Aging, and Town Hall
Natick	\$245,142	Northeast	to fund energy conservation measures, LED lighting, VFDs for rooftop units, and ductless mini-split replacement, in municipal facilities including Eliot School, DPW EM Garage, DPW Administration, Police and Fire Stations, and Morse Institute Library
Newburyport	\$195,579	Northeast	to fund energy conservation measures, boiler replacement, weatherization, lighting, and administrative costs, in municipal facilities including Police Headquarters, City Hall, and Library
Newton	\$248,734	Northeast	to fund energy conservation measures, interior and exterior lighting and controls, window weatherization, plug-in hybrid vehicle acquisition, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including North High and Bowen Elementary Schools, War Memorial Auditorium, and town vehicle fleet
North Andover	\$173,783	Northeast	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights

Mass. Department of Energy Resources'
2018 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Northbridge	\$240,220	Central	to fund energy conservation measures, boiler upgrade, steam traps, lighting upgrades, domestic hot water tank, and administrative costs, in municipal facilities including Town Hall, Fire Dept., High and Middle Schools, and Town Hall
Northfield	\$244,929	Western	to fund energy conservation measures, insulation, doors and windows, de-stratification fans, weatherization, and administrative costs, in municipal facilities including Northfield Elementary School and Pioneer Valley Regional School
Norwell	\$250,000	Southeast	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Middle, Vinal, Cole, and High Schools
Palmer	\$139,420	Western	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights
Pelham	\$31,059	Western	to fund energy conservation measures, lighting, in municipal facilities including Rhodes Building, Highway, and Community Center
Pembroke	\$228,690	Southeast	to fund energy conservation measures, LED lighting and boiler controls, in municipal facilities including Police, Town Hall, Library, and Hobomock, Bryantville, Middle, and North Schools
Pepperell	\$222,005	Central	to fund energy conservation measures, interior and exterior lighting and weatherization, in municipal facilities including Town Hall, Senior Center, Water Dept., Waste Water Dept. and Lab, Highway, Cemetery Building, and Varnum Brook Elementary School
Plympton	\$243,090	Southeast	to fund energy conservation measures, LED lighting, demand control ventilation, plug load controls, hot water pump motors and VFDs, energy management system, wireless thermostats, infrared heaters, exhaust fan control, weatherization, and administrative costs/technical assistance, in municipal facilities including Library, Town Hall/Police, Fire Station, and Dennett Elementary School
Provincetown	\$34,779	Southeast	to fund energy conservation measures, boiler conversion (oil to dual fuel), pump and VFD replacement, thermostats, vending misers, low flow showerheads, faucet aerators, and administrative costs, in municipal facilities including Fire Department
Revere	\$10,000	Northeast	to fund energy conservation measure, electric vehicle charging stations, in municipal facilities including city vehicle fleet
Rockland	\$210,531	Southeast	to fund energy conservation measures, LED lighting, EMS controls, EMS upgrade, and administrative costs/technical assistance, in municipal facilities including Middle/High and Esten Schools, Police, and Town Hall
Salem	\$249,932	Northeast	to fund energy conservation measures, lighting, lighting controls, heating upgrades, electric vehicle charging stations, and administrative costs, in municipal facilities including Bates Elementary and Carlton Innovation Schools, Salerno Automotive Tech Center and town vehicle fleet
Saugus	\$250,000	Northeast	to fund energy conservation measures, interior and exterior lighting, rooftop unit replacement, pumps/motors/drives, hot water boiler, and administrative costs, in municipal facilities including Public Safety Building, Town Hall, and Senior Center
Scituate	\$242,720	Southeast	to fund energy conservation measures, lighting, domestic hot water heater, motors and VFDs, transformers, and de-stratification fans, in municipal facilities including Cushing Elementary, Wampatuck Elementary, Wampatuck Elementary, and High Schools, Wastewater Dept., and Musquashicut Pond Pump Station

Mass. Department of Energy Resources'
2018 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Somerville	\$187,801	Northeast	to fund energy conservation measures, lighting, lighting controls, and electric vehicle charging station, in municipal facilities including Fire Engine 1, 6, and 7, JF Kennedy School, Library, Council on Aging, and town vehicle fleet
Southborough	\$250,000	Central	to fund energy conservation measures, weatherization, HVAC motors and VFDs, and administrative costs, in municipal facilities including Trottier Middle, Neary Elementary, and Finn Elementary Schools, and Library
Springfield	\$150,000	Western	to fund energy conservation measures, boiler and EMS replacement, in municipal facilities including Talmadge Elementary School
Stockbridge	\$54,829	Western	to fund energy conservation measures, door replacements, HVAC improvements, and lighting, in municipal facilities including Central Fire Station
Sutton	\$243,482	Central	to fund energy conservation measures, boiler replacement and LED lighting, in municipal facilities including Sutton Elementary and Middle/High Schools
Swampscott	\$249,779	Northeast	to fund energy conservation measures, economizer and DCV on rooftop units, optimized scheduling and air handling improvements, EMS system and controls on boiler system, DDC controls on unit ventilators, and interior lighting, in municipal facilities including Swampscott Middle and High Schools, and Town Hall
Tewksbury	\$132,772	Northeast	to fund energy conservation measures, boiler and pump replacement and interior lighting , in municipal facilities including Police Station and DPW
Truro	\$26,314	Southeast	to fund energy conservation measures, hot water pump VFD, conversion to single zone VAV on air handling unit, and administrative costs, in municipal facilities including Central Scholl
Ware	\$198,595	Western	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights
Warwick	\$225,807	Western	to fund energy conservation measures, transformer replacement, motors and drive upgrades, de-stratification fans, weatherization, HVAC upgrades, and administrative costs, in municipal facilities including Pioneer Valley Regional School and Warwick Community School
Watertown	\$247,545	Northeast	to fund energy conservation measures, interior and exterior LED lighting, plug-in hybrid vehicle acquisitions, and electric vehicle charging stations, in municipal facilities including DPW, Watertown High and Middle Schools, Library, John A. Ryan Arena, Saltonstall Park, and town vehicle fleet
Westford	\$250,000	Northeast	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights
Westwood	\$250,000	Northeast	to fund energy conservation measures, LED lighting, thermal pool cover and reel, unit ventilator motors, and BMS controls, in municipal facilities including Westwood High, Thurston Middle, and Martha Jones Schools, and Recreation Pool
Weymouth	\$250,000	Southeast	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Hamilton Primary, Pingree Primary, Seach Primary, Talbot Primary, and Wessagusset Elementary Schools, and Fire Station 2
Whitman	\$250,000	Southeast	to fund energy conservation measures, LED streetlight conversion, interior lighting, and kitchen ovens, in municipal facilities including streetlights and Conley Elementary and Middle Schools
Williamsburg	\$28,149	Western	to fund energy conservation measures, LED streetlight conversion and interior LED lighting, in municipal facilities including Town Offices and streetlights
Winchendon	\$250,000	Central	to fund energy conservation measures, interior and exterior LED lighting, weatherization, and BAS expansion, in municipal facilities including Murdock, Memorial, and Toy Town Schools, and Beal's Memorial Library

Mass. Department of Energy Resources'
2018 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Winchester	\$210,700	Northeast	to fund energy conservation measures, steam heating system zone creation, LED lighting, and recommissioning, in municipal facilities including Muraco Elementary, Ambrose Elementary, and Mystic Schools
Winthrop	\$247,554	Northeast	to fund energy conservation measures, LED lighting, solar domestic hot water system, HVAC controls, and administrative costs, in municipal facilities including Police Station, Public Library, Central Fire Station, Larsen Rink, Senior Center, and Fort Banks Elementary School
Woburn	\$231,330	Northeast	to fund energy conservation measures, LED lighting, EMS controls for heating and ventilation, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including Police Dept., City Hall, Joyce Middle and Hurld-Wyman Elementary Schools, Senior Center, and town vehicle fleet
