

MUNICIPALITY	GRANT AWARD	REGION	DESCRIPTION OF PROJECTS FUNDED
Acton	\$139,461	Central	to fund energy conservation measures, LED lighting and controls, in municipal facilities including Public Safety and Recreation (50 Audubon) Buildings, and Acton-Boxborough Regional High School
Acushnet	\$171,494	South	to fund energy conservation measures, LED lighting and controls, in municipal facilities including Elementary School and Ford Middle School
Adams	\$15,000	West	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall
Agawam	\$201,133	West	to fund energy conservation measures, air handling unit filters and controls, DDC controls, lighting, and refrigeration upgrades, in municipal facilities including Granger Elementary School, Library, and DPW
Arlington	\$98,052	North	to fund energy conservation measures, LED lighting, interior and exterior, in municipal facilities including Ottoson Middle School, Jefferson Cutter House, and Bishop Elementary School
Ashburnham	\$20,054	Central	to fund energy conservation measures, heat pump water heating system and EV charging station, in municipal facilities including Public safety Building and vehicle fleet infrastructure
Ashby	\$165,036	Central	to fund energy conservation measures, insulation, LED lighting, storm windows, refrigeration upgrades, and administrative costs, in municipal facilities including Highway Building #1, Library, Elementary School
Ashfield	\$34,866	West	to fund energy conservation measures, EMS repair/upgrade, weatherization, vehicle purchase, certification training, and administrative costs, in municipal facilities including Town Garage, Library, Police Dept.
Ayer	\$174,576	Central	to fund energy conservation measures, energy management system, boiler, LED lighting, variable frequency drive and certification training, in municipal facilities including Library, Police Station, Town Hall, and Wastewater Treatment Plant
Barre	\$96,976	Central	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall, Woods Memorial Library, and Senior Center
Bedford	\$182,330	North	to fund energy conservation measures, lighting, in municipal facilities including Lane Elementary, John Glenn Middle, and Bedford High Schools
Belchertown	\$79,460	West	to fund energy conservation measures, boiler replacement, in municipal facilities including High School
Berlin	\$69,635	Central	to fund energy conservation measures, LED lighting and certification training, in municipal facilities including Memorial School
Bolton	\$221,403	Central	to fund energy conservation measures, building automation system upgrade, LED lighting, and weatherization, in municipal facilities including Florence Sawyer Elementary School and Public Safety
Bridgewater	\$200,000	South	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights
Brockton	\$240,000	South	to fund energy conservation measures, LED lighting, certification training, and administrative and technical support, in municipal facilities including Davis Elementary School, Brockton High School, Raymond Elementary School, and School Administration Building

Brookline	\$240,966	North	to fund energy conservation measures, LED lighting, in municipal facilities including Public Safety Building, Public Health Center, Main Library, New Lincoln School, and Soule Recreation Center
Buckland	\$41,973	West	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including municipally owned streetlights
Canton	\$206,681	South	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Central Fire Station, Fire Station 2, Hanson Elementary School, Dean Luce Elementary School
Charlton	\$211,235	Central	to fund energy conservation measures, lighting, variable frequency drives, motors, blowers and administrative and technical support, in municipal facilities including Library, Town Hall, and Wastewater Treatment Plant
Chelmsford	\$90,497	North	to fund energy conservation measures, building automation system expansion and weatherization, in municipal facilities including Police Station and North Town Hall
Cohasset	\$193,122	South	to fund energy conservation measures, boiler, heaters, LED lighting, air sealing and administrative costs, in municipal facilities including Middle/High School, Water Treatment Plant, Wastewater Treatment Plant, and Fire & Police Station
Concord	\$150,880	North	to fund energy conservation measures in municipal facilities, XL hybrid upfit, electric vehicle charging stations, boiler upgrade and energy management system modifications, pool cover, LED lighting, and LED streetlight conversion, including vehicle fleet and infrastructure, Beede Swim and Fitness Center, Fire and Police Headquarters, and town-owned streetlights
Douglas	\$220,989	Central	to fund energy conservation measures, HVAC improvements and air source heat pump, weatherization, LED lighting, and administrative support, in municipal facilities including Police Station, Municipal Center and Primary School
Dover	\$109,142	North	to fund energy conservation measures, weatherization, HVAC upgrades, and LED streetlight conversion, in municipal facilities including Protective Services, Town Hall, Library, and municipally-owned streetlights
Duxbury	\$250,000	South	to fund energy conservation measures, transformers and variable frequency drives and motors, in municipal facilities including Alden Elementary/ Performance Arts Center, Chandler Elementary, Old Town Hall (Annex), Evergreen Chemical Treatment Plant, Waste Water Treatment Plant, Damon Pump Station, Free Library, Percy Walker Pool, Steele Athletic Building
Easthampton	\$68,700	West	to fund energy conservation measures, EV charging station, HVAC improvements and furnace replacement, in municipal facilities including Wastewater Treatment Facility, Lovefield Street Pump Station, and city vehicle fleet infrastructure
Easton	\$218,474	South	to fund energy conservation measures, variable refrigerant flow system, weatherization, and lighting, in municipal facilities Frothingham Hall
Essex	\$28,929	North	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including municipally owned streetlights
Fitchburg	\$248,564	Central	to fund energy conservation measures, lighting, in municipal facilities including Fitchburg High School

Framingham	\$222,018	North	to fund energy conservation measures, HVAC system improvements, energy management systems, LED lighting, mechanical insulation, and variable frequency drive, in municipal facilities including Fire Station 1, Fire Station 7, Cushing Maintenance Facility, Parks & Recreation multiple facilities, Cushing Academy & Cushing Middle Facility, Stapleton Elementary, Juniper Hill Elementary, and Walsh Middle Schools
Gloucester	\$112,852	North	to fund energy conservation measures, lighting and energy management system improvements, in municipal facility Gloucester High School
Grafton	\$165,923	Central	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including municipally owned streetlights
Greenfield	\$125,593	West	to fund energy conservation measures, replace rooftop units, in municipal facilities including Police Dept.
Halifax	\$153,367	South	to fund energy conservation measures, LED lighting, weatherization, appliances, and administrative and technical support, in municipal facilities including Highway/DPW Garage, Police Dept., Water Dept., Public Library, Fire Dept., Town Hall, and Council on Aging
Hamilton	\$23,156	North	to fund energy conservation measures, LED lighting, in municipal facilities including Hamilton Wenham Recreation Center, Hamilton Public Safety Building, Hamilton Water Treatment Plant
Hardwick	\$158,713	West	to fund energy conservation measures, boiler and fuel conversion, lighting, and administrative support, in municipal facilities including Elementary School and Ford Middle School
Harvard	\$151,009	Central	to fund energy conservation measures, lighting, certification training, and administrative support, in municipal facilities including Bromfield High School and Library
Holliston	\$216,245	Central	to fund energy conservation measures, kitchen hood controls, exterior lighting, weatherization, interior lighting, and lighting controls, in municipal facilities including Middle School, High School, Elementary School, Town Hall, and Community Center
Kingston	\$158,546	South	to fund energy conservation measures, LED lighting and controls, weatherization, mechanical insulation, and administrative and technical support, in municipal facilities including Town House, Reed Recreation Center, and Fire Dept. Pembroke St.
Lakeville	\$223,390	South	to fund energy conservation measures, variable frequency drives, weatherization, lighting, and administrative costs, in municipal facilities including Apponequet High School
Lexington	\$135,564	North	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Harrington Elementary, Bowman Elementary, Bridge Elementary, and Fiske Elementary Schools
Littleton	\$238,269	Central	to fund energy conservation measures, demand control ventilation, RTU controllers, lighting, weatherization, capacitors, and administrative costs, in municipal facilities including Littleton High School, Middle School, Russell St School, Shaker Lane School
Lowell	\$246,523	North	to fund energy conservation measures, LED lighting and retrocommissioning, in municipal facilities including Morey Elementary School, Reilly Elementary School, and Stoklosa Middle School
Malden	\$250,000	North	to fund energy conservation measures, boiler replacements, in municipal facilities including Early Learning Center, Ferryway School, and Linden Elementary School

Marshfield	\$246,661	South	to fund energy conservation measures, LED lighting, steam trap survey/repair, mechanical insulation, and administrative and technical support, in municipal facilities including Daniel Webster Elementary School, Furnace Brooke Middle School, Town Hall, Martinson Elementary School, and Eames Way Elementary School
Maynard	\$104,536	Central	to fund energy conservation measures, LED lighting, in municipal facilities including Fowler School and Green Meadow School
Medford	\$148,849	North	to fund energy conservation measures, lighting, boiler plant upgrade, and administrative support, in municipal facilities including Medford High School, McGlynn Middle/Elementary Schools, and Public Safety
Medway	\$216,550	Central	to fund energy conservation measures, RTU replacement, air handling units / condensers, boiler, and electric vehicle purchase, in municipal facilities including Public Library, Police Station, and town vehicle fleet
Melrose	\$219,028	North	to fund energy conservation measures, boiler upgrade, weatherization, variable frequency drives, RTU replacement, and lighting, in municipal facilities including City Hall, and Beebe Elementary, Ripley Elementary, Veterans Memorial Middle, and Roosevelt Elementary Schools
Middleborough	\$247,440	South	to fund energy conservation measures, attic insulation, lighting, building commissioning, and administrative support, in municipal facilities including Town Hall, Public Library, John T. Nichols Jr. Middle School, and Memorial Early Learning Center
Millis	\$219,461	Central	to fund energy conservation measures, LED lighting, faucets, weatherization, and energy management system, in municipal facilities including DPW/Highway Garage, Middle-High School, and Town Hall
Milton	\$104,661	North	to fund energy conservation measures, lighting, in municipal facilities including Cunningham-Collicott and Tucker Elementary Schools
Monson	\$232,416	West	to fund energy conservation measures, boiler replacements, lighting, and EV charging station, in municipal facilities including Monson High School, Granite Valley Middle School, and town vehicle infrastructure
Montague	\$52,536	West	to fund energy conservation measures, lighting with controls and vending miser controls, in municipal facilities including Police Station, Parks & Rec Office, and Sheffield Administration Building
Natick	\$150,622	North	to fund energy conservation measures, unit ventilator recommissioning and LED lighting, in municipal facilities including Johnson Elementary, Community Senior Center, and Fire Horizon
New Bedford	\$250,000	South	to fund energy conservation measures, lighting, in municipal facilities including Wastewater Treatment Plant multiple buildings, Quittacas Water Treatment Plant, Elizabeth Carter Brooks Elementary School, Elwyn G Campbell Elementary School, and Carlos Pacheco Elementary School
Newton	\$111,217	North	to fund energy conservation measures, LED lighting, in municipal facilities including South High School
North Andover	\$116,254	North	to fund energy conservation measures, LED lighting, in municipal facilities including Middle School and Water Treatment Plant
Northampton	\$250,000	West	to fund energy conservation measures, LED lighting, in municipal facilities including High School, Police Headquarters, Fire Headquarters, Florence Fire Substation, DPW Campus, Water Treatment Plant, and Wastewater treatment Plant/Flood Control Campus
Northbridge	\$208,949	Central	to fund energy conservation measures, lighting, energy management systems upgrades, and administrative support, in municipal facilities including High School, Middle School, and Police Station

Norwell	\$99,984	South	to fund energy conservation measures, lighting and weatherization, in municipal facilities including High and Middle Schools
Pelham	\$170,000	West	to fund energy conservation measures, variable refrigerant flow heat pump with fuel conversion , in municipal facility Community Center
Pembroke	\$180,587	South	to fund energy conservation measures, infrared heating, boiler replacement, and LED lighting, in municipal facilities including Highway Barn, Bryantville School, and Hobomock School
Plainville	\$250,000	South	to fund energy conservation measures, boiler, weatherization, LED lighting and variable refrigerant flow system, in municipal facilities including Wood School and Jackson School
Plympton	\$239,202	South	to fund energy conservation measures, transformers, weatherization, boilers, mechanical insulation, LED lighting, thermostats, appliances, and administrative and technical support, in municipal facilities including Dennett Elementary School, Highway Dept., and Historical Society
Rockport	\$193,739	North	to fund energy conservation measures, building automation system upgrade, RTU upgrade, lighting, PID control, variable frequency drive, and administrative support, in municipal facilities including High/Middle School, Town Hall Annex, Town Hall, Police Station, Water Treatment Plant, and Wastewater Treatment Plant
Saugus	\$135,565	North	to fund energy conservation measures, lighting, RTU replacement, and administrative and technical support, in municipal facilities including DPW, Town Hall Annex, and Public Safety
Somerville	\$191,075	North	to fund energy conservation measures, lighting, lighting controls, boiler damper, boiler duct work, thermostats, fan motor, and mechanical insulation, in municipal facilities including JFK Elementary and Brown Schools, Edgerly Education Center, Central Library, and Senior Center
Southborough	\$250,000	Central	to fund energy conservation measures, weatherization, lighting, and administrative support, in municipal facilities including P. Brent Trottier School, Albert S. Woodward School, Margaret A. Neary School, and Finn Elementary School
Stoneham	\$250,000	North	to fund energy conservation measures, LED streetlight conversion and LED lighting, in municipal facilities including streetlights, Council on Aging, Library, Robinhood Elementary and South Elementary Schools
Stoughton	\$249,722	South	to fund energy conservation measures, LED lighting, boiler replacement, and administrative support, in municipal facilities including Clapp Building, Fire Station 2, Fire Station 1, Police Station, Dawe Elementary School, and Gibbons Elementary School
Stow	\$173,452	Central	to fund energy conservation measures, variable refrigerant flow system, HVAC energy recovery unit, and electric monitoring, in municipal facilities including Town Building and Randall Library
Sunderland	\$152,770	West	to fund energy conservation measures, LED lighting, attic insulation, variable frequency drives and control valves, window inserts, and steam control valves, in municipal facilities including Elementary School, Public Library, Public Safety Complex, and Town Office Building
Sutton	\$42,875	Central	to fund energy conservation measures, hot water heater, in municipal facilities including School Complex
Swampscott	\$145,406	North	to fund energy conservation measures, air handling unit controls, variable frequency drives, and certification training, in municipal facilities including Middle School, High School, and Dept of Facilities Management

Tewksbury	\$151,036	North	to fund energy conservation measures, lighting and DHW boiler, in municipal facilities including Police Dept. and Dewing Elementary School
Tyngsborough	\$113,101	North	to fund energy conservation measures, LED lighting and duct heater upgrade, in municipal facilities including High School and Town Hall
Upton	\$3,459	Central	to fund energy conservation measures, purchase of hybrid vehicle, in municipal facilities including town vehicle fleet
Waltham	\$250,000	North	to fund energy conservation measures, energy management system commissioning, LED lighting, streetlight conversion and administrative support, in municipal facilities including MacArthur Elementary School, Plympton Elementary School, Library, and streetlights
Warren	\$144,530	Central	to fund energy conservation measures, lighting, weatherization, and administrative support, in municipal facilities including Municipal Office, DPW, Police Dept., Senior Center, and Wastewater Treatment Plant
Webster	\$207,772	Central	to fund energy conservation measures, boiler replacements, lighting, and administrative support, in municipal facilities including Bartlett High School, Police Station, and Town Hall
Wenham	\$127,086	North	to fund energy conservation measures, LED lighting and certification training, in municipal facilities including Hamilton Wenham Public Library, Fire Station, Police Station, Town Hall, and Highway Dept.
Westfield	\$202,525	West	to fund energy conservation measures, lighting, in municipal facilities including South Middle School, DPW Garage, and Airport
Westwood	\$183,783	North	to fund energy conservation measures, LED lighting, unit ventilators, and pool water heater boiler, in municipal facilities including Thurston Middle School and Recreation Pool
Weymouth	\$225,373	South	to fund energy conservation measures, lighting, and weatherization, in municipal facilities including Adams Middle School, McCulloch Building, High School, and Town Hall
Whitman	\$148,078	South	to fund energy conservation measures, air handler / condensing /DX units, interior storm windows, dishwasher, convection oven, and LED lighting, in municipal facilities including DPW, Library, and Duvall Elementary School
Winchendon	\$189,673	Central	to fund energy conservation measures, building automation system expansion; radiant heat, lighting, and boiler replacement, in municipal facilities including Murdock School, Memorial School, DPW Garage, Senior Center, and Police Station
Windsor	\$62,800	West	to fund energy conservation measures, heating replacement, weatherization, door replacement, and thermal curtains, in municipal facilities including Town Office
Woburn	\$139,684	North	to fund energy conservation measures, air source heat pump and lighting, in municipal facilities including Senior Center and Joyce Middle School
Worcester	\$225,225	Central	to fund energy conservation measures, lighting, destratification fans, transformers, certification training, and administrative support, in municipal facilities including Senior Center, Chandler Magnet Elementary, Burncoat Middle, Technical High, and Forest Grove Middle Schools
