

Mass. Department of Energy Resources'
2021 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Abington	\$200,000	South	to fund energy conservation measures, weatherization, LED lighting, air source heat pump, destratification fans, and administrative assistance, in municipal facilities including Frolio, Beaver Brook, and Woodsdale Schools, other town schools, and Senior Center
Acton	\$93,921	Central	to fund energy conservation measures, hybrid vehicle purchase, electric vehicle lease, weatherization, and LED lighting, in municipal facilities including town vehicle fleet, Memorial Library, 468 Main St., Acton-Boxborough Regional High School, and Parker Damon Building
Arlington	\$99,632	North	to fund energy conservation measures, LED lighting and attic insulation, in municipal facilities including Peirce and Brackett Elementary Schools and Community Safety Building
Ayer	\$92,037	Central	to fund energy conservation measures, hybrid police cruiser, LED lighting, weatherization, and administrative assistance, in municipal facilities including town vehicle fleet, Police Station, Fire Station, and Library
Bolton	\$127,573	Central	to fund energy conservation measures, weatherization, unit heaters, demand control ventilation, and LED lighting, in municipal facilities including DPW Town Barn, Fire and Safety Building, Town Hall and Emerson School
Brockton	\$196,881	South	to fund energy conservation measures, lighting, mechanical insulation, and administrative assistance, in municipal facilities including Hancock and Downey Elementary Schools, West Middle School, and East, South, North, and West Junior High Schools
Burlington	\$164,711	North	to fund energy conservation measures, weatherization, in municipal facilities including Fox Hill, Francis Wyman, Pine Glen, and Memorial Elementary Schools, and Marshall Simonds Middle School
Carver	\$160,526	South	to fund energy conservation measures, LED lighting with controls and administrative assistance, in municipal facilities including Town Hall and Middle-High School
Charlton	\$199,006	Central	to fund energy conservation measures, hybrid cruiser purchase, LED lighting, air source heat pumps, hot water circulation, condenser water pump, and chilled water pump VFDs, weatherization, and administrative assistance, in municipal facilities including town vehicle fleet, Police Station, Sewer Dept., Library, Heritage Elementary and Charlton Middle Schools
Chelsea	\$200,000	North	to fund energy conservation measures, battery storage & solar PV, in municipal facilities including Police
Clarksburg	\$192,910	West	to fund energy conservation measures, air source heat pump, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall and Elementary School
Dartmouth	\$172,720	South	to fund energy conservation measures, energy management system (EMS) upgrades, exterior LED lighting, variable frequency drives (return and supply), building operator certification training, and EV charging stations (2), in municipal facilities including town EV infrastructure, Southworth Library, Apponagansett Park, and High School
Dedham	\$31,279	North	to fund energy conservation measures, LED lighting, building operator certification training, and administrative assistance, in municipal facilities including Dept. of Public Works, and Main Library
Easton	\$91,741	South	to fund energy conservation measures, LED lighting, in municipal facilities including Police/Fire #1 and Fire #3
Essex	\$140,400	North	to fund energy conservation measures, building automation system, final phase, in municipal facilities including Elementary School
Fairhaven	\$184,956	South	to fund energy conservation measures, transformers, building controls and VFDs, LED lighting, and administrative assistance, in municipal facilities including High School
Fitchburg	\$151,283	Central	to fund energy conservation measures, electronically commutated (EC) motor, walk-in refrigerator controls, and steam trap survey & repairs, in municipal facilities including Fire Headquarters, Goodrich K Center, Longsio Middle, Memorial Intermediate, Reingold Elementary, South St. Elementary East & West, and High Schools
Framingham	\$90,318	North	to fund energy conservation measures, steam pipe insulation, controls optimization, and variable frequency drives, in municipal facilities including Memorial Hall, Police Headquarters, and Cameron Middle School
Grafton	\$200,000	Central	to fund energy conservation measures, weatherization, energy management system and controls, hybrid cruiser purchase, and idle-reduction retrofits, in municipal facilities including Middle School and town vehicle fleet
Halifax	\$200,000	South	to fund energy conservation measures, LED lighting, weatherization, domestic hot water upgrade, destratification fans, and administrative assistance, in municipal facilities including Town Hall, Elementary School, Recycling Center, Library, DPW Garage, and Water Dept.
Hamilton	\$157,382	North	to fund energy conservation measures, weatherization, baseline EMS and VFDs, LED lighting, and administrative assistance, in municipal facilities including Elementary School and Hamilton Wenham Regional High School
Hanson	\$143,336	South	to fund energy conservation measures, weatherization, LED lighting, boiler controls, and administrative assistance, in municipal facilities including Highway, Camp Kiwanee, Library, Middle School, and Water Dept.

Mass. Department of Energy Resources'
2021 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Harvard	\$195,647	Central	to fund energy conservation measures, weatherization, transformers, and exterior lighting, in municipal facilities including Library and Bromfield School
Holyoke	\$195,603	West	to fund energy conservation measures, LED lighting, in municipal facilities including Sullivan School
Lancaster	\$35,300	Central	to fund energy conservation measures, energy management system and hybrid vehicle purchase, in municipal facilities including Prescott Building and town vehicle fleet
Malden	\$122,249	North	to fund energy conservation measures, weatherization, air source heat pump, weatherization, unit heater, and electric vehicle, in municipal facilities including MacDonald Stadium, Fire 3, and city vehicle fleet
Manchester-by-the-Sea	\$36,493	North	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Library and Fire
Marshfield	\$140,589	South	to fund energy conservation measures, LED lighting, boiler replacement, and administrative assistance, in municipal facilities including Furnace Brook Middle School and Central Fire Station
Melrose	\$104,663	North	to fund energy conservation measures, domestic hot water replacement and LED lighting, in municipal facilities including Lincoln Elementary and High Schools
Merrimac	\$50,178	North	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall and Library
Methuen	\$172,849	North	to fund energy conservation measures, LED lighting, kitchen hood controls, electric and hybrid vehicle purchases, EV charging stations, and administrative assistance, in municipal facilities including Nevins Memorial Library, Central School Administration Building, Comprehensive Grammar K-8 School, and town vehicle fleet
Millis	\$62,510	Central	to fund energy conservation measures, mechanical insulation, air source heat pump, weatherization, decorative LED streetlights, and Building Operator Certification training, in municipal facilities including Town Hall, Animal Control, Well #3 Pump Station, Norfolk Rd DWTP, Sewer Pump Station, and town streetlights
Milton	\$100,000	North	to fund energy conservation measures, LED lighting and building automation system controls and drivers, in municipal facilities including Tucker Elementary School and Public Library
Montague	\$64,728	West	to fund energy conservation measures, LED interior and exterior lighting and air source heat pumps, in municipal facilities including Water Pollution Control Facility, town traffic lights, and Library
Nahant	\$195,457	North	to fund energy conservation measures, LED lighting, kitchen appliances, weatherization, and administrative assistance, in municipal facilities including Johnson Elementary School, Police, Fire, DPW, Town Hall, and Council on Aging
Natick	\$25,000	North	to fund energy conservation measures, reversible chiller design bid package, in municipal facilities including Morse Institute Library
Newton	\$100,000	North	to fund energy conservation measures, LED lighting with controls and weatherization, in municipal facilities including Horace Mann and South High Schools and Nonantum Library
Northampton	\$100,000	West	to fund energy conservation measures, weatherization and energy recovery ventilator and air source heat pump design, in municipal facilities including Leeds Elementary School
North Andover	\$192,589	North	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including DPW and Middle and High Schools
Northborough	\$161,930	Central	to fund energy conservation measures, LED lighting, weatherization, primary pumps, hybrid cruiser purchase, and administrative assistance, in municipal facilities including Police, DPW, Lincoln Street Elementary, Proctor Elementary, Zeh Elementary, Melican Middle, Peaslee Middle Schools, and town vehicle fleet
Northbridge	\$190,178	Central	to fund energy conservation measures, LED lighting, hybrid heat pump DHW heater, HVAC univent demand control, and administrative assistance, in municipal facilities including Town Hall and Middle and High Schools
Orange	\$33,149	West	to fund energy conservation measures, weatherization, LED lighting, and hybrid cruiser purchase, in municipal facilities including Highway, Library, and town vehicle fleet
Oxford	\$200,000	Central	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Clara Barton Elementary and Chaffee Elementary Schools
Quincy	\$200,000	North	to fund energy conservation measures, LED lighting, expansion of building management system exhaust fan control, and hybrid cruiser purchases, in municipal facilities including city vehicle fleet and North Quincy High, Parker Elementary, Atlantic Middle, and Beechwood Knoll Elementary Schools

Mass. Department of Energy Resources'
2021 Competitive Grant Awards

Municipality	Grant Award	Region	Description of Projects Funded
Rochester	\$172,115	South	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall and Memorial School
Rutland	\$173,270	Central	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Library, DPW, Public Safety Building, and Community Center
Sherborn	\$71,952	North	to fund energy conservation measures, LED streetlights and weatherization, in municipal facilities including town streetlights, Town Hall, and DPW Garage
Southborough	\$200,000	Central	to fund energy conservation measures, LED lighting, transformers, hybrid cruiser purchase, and administrative assistance, in municipal facilities including town vehicle fleet and Mary E. Finn, P. Brent Trottier, Margaret A. Neary Schools
Stoneham	\$200,000	North	to fund energy conservation measures, auditorium air handler re-build, interior and exterior LED lighting, and demand control ventilation, in municipal facilities including Town Hall, Fire, Police, and South Elementary School
Sturbridge	\$122,531	Central	to fund energy conservation measures, LED lighting, variable frequency drive and programmable logic controller, and weatherization, in municipal facilities including Burgess Elementary School, Well #3 & #4, Water Dept., Pump Stations and Water Tank
Sutton	\$124,807	Central	to fund energy conservation measures, LED lighting, in municipal facilities including Simonian Center, Middle and Elementary Schools
Swampscott	\$100,000	North	to fund energy conservation measures, unit ventilator controls and steam trap repair, in municipal facilities including Middle and Clarke Schools
Topsfield	\$61,186	North	to fund energy conservation measures, LED lighting, weatherization, mechanical insulation, and administrative assistance, in municipal facilities including Fire, Cemetery, and DPW
Townsend	\$163,576	Central	to fund energy conservation measures, LED lighting with controls, weatherization, automatic energy controls, water heater, condensing unit, variable frequency drives, EC motors, kitchen hood and walk-in refrigerator controls, and administrative assistance, in municipal facilities including Highway Garage, Harbor Fire, Town Hall, Library, Senior Center, Communication Station, Recreation Center, Hawthorne Brook Middle and Spaulding Memorial Schools, and Reading Room
Truro	\$11,691	South	to fund energy conservation measures, air source heat pump and administrative assistance, in municipal facilities including Beach Office
Webster	\$168,444	Central	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Middle School, Fire Headquarters, Fire #2, and Sewage Treatment Plant
Winchendon	\$196,510	Central	to fund energy conservation measures, LED lighting, building controls update, infrared heaters, building operator certification training, and hybrid cruiser purchases (2), in municipal facilities including DPW, town vehicle fleet, and Memorial and Murdock High Schools
Winchester	\$78,591	North	to fund energy conservation measures, LED lighting and door weatherization, in municipal facilities including Police, DPW, Ambrose Elementary School, Town Hall, and Lynch
Windsor	\$45,595	West	to fund energy conservation measures, air source heat pump, weatherization, and thermal shades, in municipal facilities including Town Hall
