

PLC Institute 4 Team Planning - February, 2014

Team: _____

Use these prompts to inform your goals and next steps for your PLC work through spring 2014 short term, and potentially through 2014-2015 longer term. Take advantage of some of the assessments (Futures Protocol, Team Culture etc.) that you worked with in earlier Institutes. Add in any prompts that seem relevant for your work. Create a final work plan that you can all see putting in place, including coaching support.

What successes have we had in PLCs since December?	1. 2. 3.
What challenges have we had in PLCs since December?	1. 2. 3.
What do we want to have accomplished through our PLC work through June, 2014? What will success look like?	1. 2. 3.
What do we need to do in order to accomplish our goals? How will we do that?	1. 2. 3.
What kinds of structures, resources (human, time, materials) need to be in place to have our team poised to continue PLC work in September 2014?	1. 2. 3.
