March 29, 2021

Dr. Monica Bharel Commissioner
Massachusetts Department of Public Health
250 Washington Street
Boston, MA 02108

Dear Commissioner Bharel,

I am writing to inform you of a Ten Taxpayer group that has come together concerned about the MGB Project Number MGB 20121716-HE, proposing a 5 story addition to the Brigham and Women's Faulkner Hospital in Jamaica Plain neighborhood of Boston, containing 78 M/S beds and an 8 bed observation unit at a cost of \$150,098,582.

The concern is for the propulsion of skyrocketing costs of healthcare in Boston and Massachusetts MassHealth rates that would preclude members on MassHealth from having access to MGH and crowding out other funding in the state budget of public goods, like housing, education, transportation, infrastructure, etc.

I assure you that 10 Massachusetts taxpayers have signed on to this letter by sending emails confirming their concern.

Sincerely,

Elmer R. Freeman
Founder of Ten Taxpayers Alliance
