(b) Any redemption of the Bonds shall be subject to the provisions of Article IV of the Master Trust Agreement unless otherwise provided herein.

Section 2.4. Book Entry Only. Notwithstanding the foregoing provisions of Article II hereof to the contrary:

(a) The Bonds shall be initially issued in the form of a single separate fully registered bond for each maturity of Series 26A Bonds, Series 26B Bonds and Series 2025 Bonds in the amount of such series or subseries and maturity. Upon initial issuance, the ownership of the Bonds shall be registered in the registry books of the Trust kept by the Master Trustee in the name of Cede & Co., as nominee of the Bond Depository. With respect to the Bonds registered in the registry books kept by the Master Trustee in the name of Cede & Co., as nominee of the Bond Depository, the Trust and the Master Trustee shall have no responsibility or obligation to any Participant or to any Beneficial Owner of the Bonds. Without limiting the immediately preceding sentence, the Trust and the Master Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Bond Depository, Cede & Co. or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner or any other person, other than the Bond Depository, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Participant, any Beneficial Owner or any other person, other than the Bond Depository, of any amount with respect to the principal amount or Redemption Price of, or interest on, the Bonds. The Master Trustee shall pay the principal amount or Redemption Price of, and interest on, the Bonds only to or upon the order of the Bond Depository, and all such payments shall be valid and effective to fully satisfy and discharge the Trust's obligations with respect to the principal amount or Redemption Price of, and interest on, the Bonds to the extent of the sum or sums so paid. No person other than the Bond Depository shall receive an authenticated Bond evidencing the obligation of the Trust to make payments of principal or Redemption Price of, and interest pursuant to the Trust Agreement. Upon delivery by the Bond Depository to the Master Trustee of written notice to the effect that the Bond Depository has determined to substitute a new nominee in place of Cede & Co., the words "Cede & Co." in the Trust Agreement shall refer to such new nominee of the Bond Depository.

(b) Upon receipt by the Trust and the Master Trustee of written notice from the Bond Depository to the effect that the Bond Depository is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Bond Depository hereunder can be found which is able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the registry books of the Trust kept by the Master Trustee in the name of Cede & Co., as nominee of the Bond Depository, but may be registered in whatever name or names the Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of the Master Trust Agreement.

(c) In the event the Trust determines that Beneficial Owners should be able to obtain Bond certificates, the Trust shall notify the Bond Depository and the Master Trustee of the availability of Bond certificates. In such event, the Master Trustee shall authenticate, transfer and exchange Bond certificates as requested by the Bond Depository (or, pursuant to this Section 2.4, any other Bondholder) in appropriate amounts, and, whenever the Bond Depository requests the Trust and the Master Trustee to do so, the Master Trustee and the Trust will cooperate with the Bond Depository in taking appropriate action after reasonable notice (i) to transfer the Bonds to any Participant having

(d) Notwithstanding any other provision of the Master Trust Agreement to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of the Bond Depository, all payments with respect to the principal or Redemption Price of, and interest on, such Bond and all notices with respect to such Bond shall be made and given, respectively, to or on the order of the Bond Depository as provided in the Representation Letter.

The registered owner of this bond shall have no right to enforce the provisions of the Trust Agreement or to institute action to enforce the pledge or covenants made therein or to take any action with respect to an event of default under the Trust Agreement or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Trust Agreement.

The Series 26 Bonds are issuable in the form of registered bonds without coupons in the denomination of \$5,000 or any multiple thereof. This bond is transferable, as provided in the Trust Agreement, only upon the books of the Trust at the corporate trust office of the Master Trustee, by the Registered Owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Master Trustee duly executed by the Registered Owner or his duly authorized attorney, and thereupon the Trust shall issue in the name of the transferee a new registered bond or bonds of the same aggregate Principal Amount and maturity and interest rate as the surrendered bond, as provided in the Trust Agreement, and upon the payment of the charges therein prescribed.

The Series 26 Bonds maturing on or prior to February 1, 2035 will not be redeemable prior to maturity. The Series 26 Bonds maturing on or after February 1, 2036 shall be subject to redemption prior to maturity at the option of the Trust, on or after February 1, 2035, in whole or in part at any time, by lot, at a Redemption Price equal to the principal amount of each Series 26 Bond or portion thereof to be redeemed, plus accrued interest to the redemption date.

If less than all the Series 26 Bonds of like subseries and maturity are to be redeemed, the particular Series 26 Bonds to be redeemed shall be selected by lot within such subseries and maturity in such manner as the Master Trustee in its discretion shall deem appropriate and fair, provided that so long as CEDE & CO., as nominee of DTC, is the Registered Owner of the Series 26 Bonds, the particular Series 26 Bonds within a subseries and maturity to be redeemed shall be selected by DTC in such manner as DTC may determine.

Except as otherwise provided in the Trust Agreement, notice of redemption of the Series 26 Bonds will be given by mailing a copy of such notice not more than sixty (60) days and not less than thirty (30) days prior to the redemption date to the registered owners of all Series 26 Bonds or portions thereof to be redeemed, provided that failure to mail such notice to the registered owner of any Series 26 Bond or any defect in such notice shall not affect the redemption of any other Series 26 Bond for which the required notice has been given. If notice of redemption shall have been given as aforesaid, and if on the redemption date moneys for the redemption of all Series 26 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment, then from and after the redemption date interest on such Series 26 Bonds or portions thereof shall cease to accrue and become payable, provided that such funds on deposit with the Master Trustee are sufficient for the redemption of such Series 26 Bonds in accordance with the Trust Agreement. If such moneys are not available on the redemption date, the Series 26 Bonds or portions thereof will

continue to bear interest until paid at the same rate they would have borne had they not been called for redemption. In the case of an optional redemption of any Series 26 Bonds, such notice may provide that the redemption of such Series 26 Bonds is subject to the satisfaction of certain conditions and if such conditions are not satisfied on the redemption date, the Series 26 Bonds shall not be subject to redemption on the redemption date. If less than all of a Series 26 Bond of like subseries and maturity shall be redeemed, upon the surrender of such Series 26 Bond the Trust shall issue, without cost to the registered owner thereof, for the unredeemed balance of such Series 26 Bond, registered Series 26 Bonds of like subseries and maturity in any authorized denomination.

No recourse shall be had for the payment of the principal or redemption price of or the interest on this Series 26 Bond or for any claim based thereon or on the Trust Agreement against any trustee or officer of the Trust or any person executing this bond.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the Commonwealth or the Trust Agreement to exist, to have happened or to have been performed precedent to or in the issuance of this bond, exist, have happened and have been performed and that the issue of this bond, together with all other indebtedness of the Trust, is within every debt and other limit prescribed by law.

This bond shall not be entitled to any security, right or benefit under the Trust Agreement or be valid or obligatory for any purpose, unless the certificate of authentication hereon has been duly executed by the Master Trustee.

IN WITNESS WHEREOF, the Massachusetts Clean Water Trust has caused this bond to be executed in its name by the manual or facsimile signature of an authorized officer of the Trust, and its corporate seal (or a facsimile thereof) to be affixed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or facsimile signature of an authorized officer of the Trust, and it has caused this bond to be dated the Issue Date.

The Series 2025 Bonds maturing on or prior to February 1, 2035 will not be redeemable prior to maturity. The Series 2025 Bonds maturing on or after February 1, 2036 shall be subject to redemption prior to maturity at the option of the Trust, on or after February 1, 2035, in whole or in part at any time, by lot, at a Redemption Price equal to the principal amount of each Series 2025 Bond or portion thereof to be redeemed, plus accrued interest to the redemption date.

If less than all the Series 2025 Bonds of like subseries and maturity are to be redeemed, the particular Series 2025 Bonds to be redeemed shall be selected by lot within such subseries and maturity in such manner as the Master Trustee in its discretion shall deem appropriate and fair, provided that so long as CEDE & CO., as nominee of DTC, is the Registered Owner of the Series 2025 Bonds, the particular Series 2025 Bonds within a subseries and maturity to be redeemed shall be selected by DTC in such manner as DTC may determine.

Except as otherwise provided in the Trust Agreement, notice of redemption of the Series 2025 Bonds will be given by mailing a copy of such notice not more than sixty (60) days and not less than thirty (30) days prior to the redemption date to the registered owners of all Series 2025 Bonds or portions thereof to be redeemed, provided that failure to mail such notice to the registered owner of any Series 2025 Bond or any defect in such notice shall not affect the redemption of any other Series 2025 Bond for which the required notice has been given. If notice of redemption shall have been given as aforesaid, and if on the redemption date moneys for the redemption of all Series 2025 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment, then from and after the redemption date interest on such Series 2025 Bonds or portions thereof shall cease to accrue and become payable, provided that such funds on deposit with the Master Trustee are sufficient for the redemption of such Series 2025 Bonds in accordance with the Trust Agreement. If such moneys are not available on the redemption date, the Series 2025 Bonds or portions thereof will continue to bear interest until paid at the same rate they would have borne had they not been called for redemption. In the case of an optional redemption of any Series 2025 Bonds, such notice may provide that the redemption of such Series 2025 Bonds is subject to the satisfaction of certain conditions and if such conditions are not satisfied on the redemption

date, the Series 2025 Bonds shall not be subject to redemption on the redemption date. If less than all of a Series 2025 Bond of like subseries and maturity shall be redeemed, upon the surrender of such Series 2025 Bond the Trust shall issue, without cost to the registered owner thereof, for the unredeemed balance of such Series 2025 Bond, registered Series 2025 Bonds of like subseries and maturity in any authorized denomination.

No recourse shall be had for the payment of the principal or redemption price of or the interest on this Series 2025 Bond or for any claim based thereon or on the Trust Agreement against any trustee or officer of the Trust or any person executing this bond.

It is hereby certified and recited that all conditions, acts and things required by the Constitution or statutes of the Commonwealth or the Trust Agreement to exist, to have happened or to have been performed precedent to or in the issuance of this bond, exist, have happened and have been performed and that the issue of this bond, together with all other indebtedness of the Trust, is within every debt and other limit prescribed by law.
