Section 3. The Loan or Bond Purchase Obligation. (a) On the terms and conditions provided herein, in the Financing Agreement, and in the Project Regulatory Agreement, the Trust hereby agrees (i) to make and disburse the Loan to the Borrower and the Borrower agrees to accept the Loan or (ii) to purchase the Local Governmental Obligations from the Borrower and the Borrower agrees to issue and sell the Local Governmental Obligations to the Trust, in each case in an aggregate amount equal to the Initial Obligation Amount; provided, however, that if the Project Regulatory Agreement is revoked or otherwise terminated by the Department for any reason prior to the disbursement of proceeds of the Loan to the Borrower or the purchase of the Local Governmental Obligations from the Borrower, then the obligation of the Trust to make and disburse the Loan to the Borrower, including without limitation the obligation of the Trust to make and disburse any Interim Loan or to purchase the Local Governmental Obligations from the Borrower, shall be null and void and the Financing Agreement shall terminate. For purposes of compliance with provisions of the applicable Federal Act restricting the use of moneys within the Water Pollution Abatement Revolving Fund and the Drinking Water Revolving Fund, any Local Governmental Obligations purchased pursuant to a Bond Purchase Obligation shall be deemed to be held for the credit of the Water Pollution Abatement Revolving Fund.

(b) In addition to the conditions provided in Section 6 hereof, the Borrower acknowledges that the obligation of the Trust to make the Loan or to purchase the Local Governmental Obligations and to disburse the proceeds thereof to the Borrower in whole or in part as provided in Section 7 hereof is conditional upon the receipt by the Trust on or before such date of moneys available to the Trust for such purpose in amounts sufficient to fund the amount

of the Loan to be disbursed on such date. Subject to compliance with the applicable Federal Act, the Enabling Act and the Master Trust Agreement, the Trust shall draw upon and apply such lawfully available funds as promptly as practicable and as lawfully permitted and shall deposit or cause the Master Trustee to deposit the amounts so received or so much thereof as the Trust shall direct in the Project Accounts at the times and in the amounts directed by the Trust until the aggregate amount so deposited equals the Initial Obligation Amount (or such lesser amount). Amounts deposited in the Project Accounts shall be applied as provided herein and in the Master Trust Agreement.

(c) The Borrower agrees to issue and deliver the Local Governmental Obligations, or other evidence of indebtedness, to the Trust on the Closing Date in aggregate principal amount equal to the Initial Obligation Amount. Subject to Section 11 hereof, the Local Governmental Obligations, or other evidence of indebtedness, shall be issued in such form as shall be approved by the Trust and shall be payable on the Payment Dates and in the aggregate amounts as to principal and interest corresponding to the Payments required under the Financing Agreement. Except as otherwise provided in Section 4 hereof, the Principal Obligation, and the corresponding principal amount of the Local Governmental Obligations, or other evidence of indebtedness, shall mature and bear interest in the amounts for each Payment specified in Schedule C of the Financing Agreement.

(d) Each Payment made by or for the account of the Borrower under the Financing Agreement shall satisfy the corresponding obligation of the Borrower to pay the principal and interest, if any, then due on the Local Governmental Obligations, or other evidence of indebtedness, as the same becomes due on the applicable payment dates therefor, and each payment of principal and interest made by the Borrower on the Local Governmental Obligations, or other evidence of indebtedness, shall satisfy the obligation of the Borrower to pay the corresponding Payment then due under the Financing Agreement.

(e) Unless otherwise provided in the Local Governmental Obligations, or other evidence of indebtedness, the obligation of the Borrower to pay on each Payment Date the Payments then due in accordance with the Financing Agreement and the principal and interest, if any, then due on the Local Governmental Obligations, or other evidence of indebtedness, is (i) a general obligation of a Local Governmental Unit Borrower payable, as to principal, premium, if any, and interest (to the extent not paid from other sources) from (1) taxes which may be levied upon all taxable property within the territorial boundaries of the Borrower, subject only to the limit imposed by Chapter 59, Section 21C of the General Laws of the Commonwealth to the extent applicable to the Local Governmental Obligations, provided that taxes levied on certain taxable property located within a development district, if any, established by the Borrower pursuant to Chapter 40Q of the General Laws may be restricted and unavailable to pay debt service on the Local Governmental Obligations or (2) sums which may be annually apportioned and assessed by the Borrower on its Participating Members pursuant to the Applicable Authority, or (ii) a general or special obligation of an Eligible Borrower payable from any Additional Security as set forth therein or in the Financing Agreement and secured by a valid pledge of and lien on and perfected security interest in any Additional Security, all as provided in Schedule B to the Financing Agreement.

Section 4. Payments. (a) Except as otherwise provided in this Section 4, the Principal Obligation shall be repaid by the Borrower, and Payments on account of such Principal Obligation and interest thereon, if any, shall be payable by the Borrower, on the Payment Dates and in the amounts set forth in Schedule C of the Financing Agreement. In addition to such Payments payable under the Financing Agreement, the Borrower shall pay to the Trust the Administrative Fee and the Origination Fee on the Payment Dates and in the amounts set forth in Schedule C of the Financing Agreement, which fees shall be subject to annual appropriation by the Borrower. The Trust and the Borrower acknowledge and agree that the schedule of Payments set forth in Schedule C of the Financing Agreement results in the Loan being the financial equivalent of a loan to the Borrower at the Interest Rate.

(b) The Trust shall provide the Borrower with written notice of each Payment, Administrative Fee and the Origination Fee due under the Financing Agreement not less than ten (10) Business Days in advance of the applicable Payment Date (provided failure by the Trust to provide such notice or any defect therein shall not diminish the obligation of the Borrower to pay such Payment, Administrative Fee and the Origination Fee in the amounts and at the time provided herein). On or prior to each Payment Date, the Borrower shall pay to, the Master Trustee for the account of the Trust, by wire transfer to such account or otherwise in such manner as the Trust may from time to time designate to the Borrower, (i) the Payment then due as set forth in Schedule C of the Financing Agreement, as such schedule may be amended from time to time as provided in this Section 4, and (ii) the Administrative Fee due on such Payment Date set forth in said Schedule C, and (iii) on the first Payment Date, the Origination Fee then due on the Loan or Local Governmental Obligations set forth in said Schedule C. Except as otherwise provided in Section 9(e) hereof, all such payments made by the Borrower under the Financing Agreement shall be applied, first, to the interest, if any, on the Loan or Local Governmental Obligations then due and payable, second, to the principal amount of the Loan then due and payable, third, to the Administrative Fee then due and payable and, fourth, to the Origination Fee then due and payable. Any portion of a Payment or Administrative Fee or Origination Fee not paid in full when due shall bear interest under the Financing Agreement until paid at twelve percent (12%) per annum.

(c) The Borrower acknowledges that the Department, in the exercise of its audit procedures under each Project Regulatory Agreement, may reclassify certain Project Costs paid from amounts deposited in a Project Account as ineligible for financial assistance under Section 6 of the Enabling Act. In such event, unless the Borrower shall elect to repay such amount to the Project Account as hereinafter provided, on and after the date of such determination by the Department, a portion of the Principal Obligation (determined on a Pro-Rata Basis as hereinafter defined), equal to the amount of such ineligible Project Costs, shall bear interest at the Discount Rate at the time of such determination. As used in this Paragraph (c), the term "Pro-Rata Basis" means the portion of each Payment allocable to the principal amount of the Loan payable under the Financing Agreement subsequent to the date of a determination by the Department as described in this Paragraph (c) as is equal, as nearly as practicable, to the ratio by which the amount of ineligible Project Costs paid from the applicable Project Account bears to the total Principal Obligation then outstanding. Upon any such occurrence the Trust shall recalculate the Payments thereafter payable with respect to the Loan, shall certify such amounts to the Borrower and shall amend Schedule C of the Financing Agreement to reflect the increased Payments thereafter payable under the Financing Agreement, and shall surrender the Local Governmental

Obligations, or other evidence of indebtedness, to the Borrower in exchange for an amended or substitute Local Governmental Obligations, or other evidence of indebtedness, reflecting such change in Payments. Notwithstanding the foregoing, within thirty (30) Business Days of receipt by the Borrower from the Department or the Trust of written notice that an amount of Project Costs paid from a Project Account has been determined by the Department pursuant to the applicable Project Regulatory Agreement to be ineligible for financial assistance under Section 6 of the Enabling Act, the Borrower may (and shall upon demand of the Department with respect to any such amount determined by the Department to be ineligible for funding under the applicable Federal Act) repay such amount to the Trust for redeposit in the Project Account and the amount so repaid shall be deemed to not have been disbursed from the Project Account for ineligible Project Costs for purposes of this Paragraph (c).

(d) The Borrower further acknowledges that the Department, in the exercise of its rights under the Project Regulatory Agreement, may terminate the Project Regulatory Agreement after disbursement to the Borrower of some or all of the amounts deposited in a Project Account. In such event, the obligation of the Trust to disburse amounts on deposit in a Project Account to the Borrower shall terminate and the Borrower shall repay to the Trust the amount theretofore disbursed from the Project Account within thirty (30) days of receipt by the Borrower from the Trust of written notice that the Project Regulatory Agreement has been terminated by the Department and, until so repaid, such amount shall bear interest at the Interest Rate.

(e) Notwithstanding any provision of the Financing Agreement to the contrary, the Borrower and the Trust acknowledge and agree that Schedule C of the Financing Agreement incorporates a schedule of Payments calculated based on the assumption that the Closing Date will be the date indicated in Schedule A of the Financing Agreement. If the Closing Date is different from the date indicated in said Schedule A, the Trust will amend Schedule C to the Financing Agreement (and deliver to the Borrower a copy thereof together with the notice of change in the Closing Date the Trust is required to provide to the Borrower pursuant to Section 6(a) hereof) to adjust the Payments to take into account the actual Closing Date and the accrual of interest on the Loan or Local Governmental Obligations from such date.

(f) Notwithstanding anything in the Financing Agreement or in the Project Regulatory Agreement to the contrary, all amounts received by the Borrower on or after the Closing Date in payment or prepayment of the obligations of homeowners under the underlying betterment agreements made in connection with a Title 5 Project shall be applied by the Borrower either (i) to assist eligible homeowners to upgrade failing septic systems and otherwise to comply with Title 5 through additional betterment agreements with homeowners, or (ii) to pay or provide for all or a portion of the Payments due on the Loan under the Financing Agreement.

Section 5. Prepayments. (a) The Principal Obligation shall not be subject to prepayment at the option of the Borrower prior to maturity without the prior written consent of the Trust.

(b) The Principal Obligation, and the corresponding principal amount of the Loan or the Local Governmental Obligations, shall be subject to prepayment in part to the extent of any balance remaining in a Project Account upon the receipt by the Trust of the applicable Project Completion Certificate as provided in Section 7(d) hereof at a prepayment price equal to (i) the Principal Obligation so prepaid plus interest, if any, accrued thereon to the prepayment date, plus

(ii) an amount equal to all costs of the Trust incurred in connection with such prepayment (including without limitation trustee's fees and expenses, reasonable attorney's fees, and costs, if any, of any corresponding redemption of Bonds, if applicable).

(c) The Principal Obligation, and the corresponding principal amount of the Loan or the Local Governmental Obligations, shall be subject to prepayment at the request of the Trust in whole or in part upon not less than thirty (30) days' notice to the Borrower to the extent of any balance remaining in a Project Account upon a date designated by the Trust, which date shall be not earlier than twenty (20) months or later than twenty-four (24) months following the Closing Date, at a prepayment price equal to the Principal Obligation so prepaid plus interest, if any, accrued thereon to the prepayment date. In the event that the Loan or Local Governmental Obligation is prepaid pursuant to this Section 5(c) and the Project has not been completed, the Trust shall, upon the request of the Borrower and approval of the Department, execute and deliver to the Borrower an additional Financing Agreement providing for a replacement loan, or the purchase by the Trust of a replacement Local Governmental Obligation from the Borrower, in a principal amount not greater than the Principal Obligation of the Loan or Local Governmental Obligation so prepaid and with a schedule of Payments thereon which will result in such replacement loan, in the case of a replacement loan, being the financial equivalent of a loan to the Borrower at the Interest Rate.

(d) Unless the Trust shall otherwise agree, any balance in a Project Account, and any Prepayment under the Financing Agreement of less than all of the Principal Obligation, shall be applied to the prepayment of the portion of each Payment that is allocable to the principal of the Loan or Local Governmental Obligations in accordance with the ratio that the amount of such Payment that is allocable to principal bears to the aggregate amount of all Payments that are allocable to principal. Upon any prepayment of the Loan or Local Governmental Obligations in part, the Trust shall amend the schedule of Payments set forth in Schedule C to the Financing Agreement to reflect such prepayment.

Section 6. Closing. (a) In addition to the conditions provided in Section 3 of these Terms and Conditions, the obligation of the Trust to make and fund the Loan is expressly conditional upon the receipt by the Trust on or before the Closing Date (which date shall be the date set forth in Schedule A of the Financing Agreement or such earlier or later date as may be designated by the Trust by written notice delivered to the Borrower not less than twenty (20) days prior to such earlier date or, if the Closing Date is to be a later date, not less than twenty (20) days prior to the date set forth in Schedule A of the Financing Agreement) of the following, each in form and substance satisfactory to the Trust:

iii) An opinion or opinions of counsel to the Trust (who may also be counsel to the Borrower) to the effect that the Trust is duly created and validly existing under the Enabling Act and has the right and power thereunder to execute the Financing Agreement and, if applicable, to make the Loan; the Financing Agreement and the execution and delivery thereof by the Trust have been duly and lawfully authorized by the Trust; and that the Financing Agreement has been duly and lawfully executed and delivered by the Trust, is in full force and effect and is valid and binding on the Trust and enforceable in accordance with its terms (subject to bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights generally and to the exercise of judicial discretion in accordance with general equitable principles).

Section 7. Disbursement of Proceeds. (a) On the Closing Date the Trust shall credit to the payment of the principal of the Interim Loan, if any, such portion of the proceeds of the Loan or Local Governmental Obligations as shall be necessary to pay such principal in full after credit for any proceeds of the Interim Loan remaining on deposit on such date in any Interim Loan Project Account. Any proceeds of the Loan or Local Governmental Obligations remaining after payment of the principal of the Interim Loan, if any, shall be deposited in the Project Account

and applied by the Trust to finance or refinance Costs of the Project as provided herein, in the related Project Regulatory Agreement and in the Master Trust Agreement. Only amounts on deposit in the Project Account representing moneys of the Trust deposited therein as provided in the Financing Agreement and the Master Trust Agreement shall be available to pay Costs of the Project. Amounts in the Project Account shall be invested by the Trust, and all earnings on investment or deposit of amounts in the Project Account shall be applied by the Trust as provided in the Master Trust Agreement. The Borrower shall have no interest in such earnings.

(b) So long as no Event of Default shall have happened and be continuing hereunder or under the Financing Agreement, but subject to Section 3(b) and Section 10 of these Terms and Conditions, within a reasonable period of time from receipt by the Trust of one or more requisitions in form satisfactory to the Trust signed by an Authorized Officer of the Borrower and approved by the Department as provided in the applicable Project Regulatory Agreement, the Trust shall disburse or direct the Master Trustee to disburse to or for the account of the Borrower as directed in such requisitions the amount or amounts set forth therein and approved by the Department solely to finance or, to the extent provided in the applicable Project Regulatory Agreement, refinance Costs of the applicable Project.

(c) Notwithstanding anything herein or in any Project Regulatory Agreement to the contrary, if all or any portion of the Project Costs financed under the Financing Agreement shall have been paid by the Borrower from the proceeds of outstanding notes or other temporary indebtedness issued or incurred in anticipation of the Loan or Local Governmental Obligations, any amount paid to the Borrower pursuant to this Section 7 in reimbursement for such Costs shall be held and applied by the Borrower (unless otherwise approved by the Trust) solely to pay or provide for the principal of such notes or other indebtedness when due in accordance with the Enabling Act and the Applicable Authority. The Borrower acknowledges that the Trust shall have no responsibility for the holding, investment or application of any amounts paid to or for the account of the Borrower for such purpose. Notwithstanding anything herein to the contrary if on the Closing Date any Interim Loan shall be outstanding and unpaid under Section 10 of the Financing Agreement, the Trust shall apply to the payment of the principal of the Interim Loan such portion of the proceeds of the Loan or Local Governmental Obligations as shall be necessary to pay such principal in full after credit for any proceeds of the Interim Loan remaining on deposit on such date in any Interim Loan Project Account allocable to the Borrower pursuant to Section 10.

(d) Upon receipt by the Trust of the Project Completion Certificate for a Project described in the related Project Regulatory Agreement, any balance remaining on deposit in the applicable Project Account not then payable to or for the account of the Borrower in accordance with the Project Completion Certificate shall be applied at the direction of the Borrower with the prior approval of the Trust to (i) additional Costs of the applicable Project upon amendment of the definition thereof approved by the Department or (ii) the prepayment of the Principal Obligation as provided in Section 5(b) hereof.

(e) Notwithstanding anything herein or in any Project Regulatory Agreement to the contrary, the Trust shall not be required to deposit in each Project Account established in accordance with the Financing Agreement an amount in the aggregate in excess of the eligible Costs of the applicable Project to be financed or refinanced by the Loan or the Local

Governmental Obligations as set forth in the applicable Project Approval Certificate and the related Project Regulatory Agreement. In addition, the Trust shall not be required to make any deposits to a Project Account or to direct the Master Trustee to disburse therefrom any amount to or for the account of the Borrower while an Event of Default shall have occurred and be continuing hereunder or under the Financing Agreement or, if directed by the Department, while a Default (as defined in the related Project Regulatory Agreement) shall have occurred and be continuing under the related Project Regulatory Agreement. If an Event of Default shall have occurred and be continuing hereunder or under the Financing Agreement, the Trust may apply amounts on deposit in any Project Account to remedy such default as provided in Section 9(b) hereof and the amount available under the Financing Agreement for Project Costs will be correspondingly reduced.

Section 8. Particular Covenants of the Borrower. The Borrower covenants and agrees as follows:

(a) The Borrower is duly authorized under the Enabling Act, the Applicable Authority and all other applicable law to authorize the execution and delivery of the Financing Agreement, each Project Regulatory Agreement, any Additional Security, and the Local Governmental Obligations, or other evidence of indebtedness, to accept the Loan, to undertake each Project and to perform and consummate all transactions contemplated by the foregoing. For so long as the Loan or the Local Governmental Obligations shall be outstanding, the Borrower shall comply with the provisions hereof and each Project Regulatory Agreement and any Additional Security and all provisions of law applicable to the Loan, each Project, any Additional Security, and the Local Governmental Obligations, or other evidence of indebtedness, including without limitation the Enabling Act, the Applicable Authority, the applicable Federal Act and the DEP Regulations, and shall take all actions necessary to fulfill its obligations under the Financing Agreement and under any of the foregoing.

(b) At the date hereof and at the Closing Date, no mortgage, pledge, lien, security interest or other encumbrance exists or will exist in or upon, or is or will be otherwise outstanding with respect to (1) any Project or the System, if any, or any part thereof or (2) all or any part of, as applicable, the betterments, rates, charges or other revenues derived by the Borrower from its ownership and operation thereof or (3) any Additional Security. For so long as the Loan or the Local Governmental Obligations shall be outstanding, without the prior written consent of the Trust, the Borrower shall not mortgage, pledge, grant any lien on or security interest in or otherwise encumber or permit the encumbrance of, any Project or the System, if any, or, as applicable, the betterments, rates, charges or other revenues derived by the Borrower from its ownership and operation thereof or any part thereof or any Additional Security unless simultaneously therewith the Borrower shall grant to the Trust to further secure its obligations under the Financing Agreement and the Local Governmental Obligations, or other evidence of indebtedness, a mortgage, pledge, lien on or security interest in such property superior to such new encumbrance.

(c) The Borrower shall apply the proceeds of the Loan or the Local Governmental Obligations solely to the payment or reimbursement of Project Costs, or to the refinancing of the same as provided in each Project Regulatory Agreement, or as otherwise provided herein and in each Project Regulatory Agreement.

(d) The Borrower acknowledges that by accepting the Loan or selling the Local Governmental Obligations it may be a sub-recipient of federal financial assistance under the federal Single Audit Act of 1984, as amended by the Single Audit Act Amendments of 1996 (the "SAA"). The Borrower further acknowledges that a Project financed or refinanced under the Financing Agreement may be designated by the Trust as a project to which the SAA shall apply. In such event, the Borrower shall conduct a single audit of its use of federal financial assistance for the Project in accordance with the reporting requirements of Office of Management and Budget Circular A-133. Whether or not a Project is so designated, for so long as the Loan or the Local Governmental Obligations shall be outstanding the Borrower shall maintain all records and accounts pertaining to the Loan or the Local Governmental Obligations, each Project and the System, if any, for such period and as otherwise required by the applicable Federal Act, the DEP Regulations and each Project Regulatory Agreement and shall furnish to the Trust and the Department all reports thereon at the times and in the form required by the applicable Federal Act, the DEP Regulations and each Project Regulatory Agreement or as otherwise reasonably requested by the Trust or the Department. The Borrower shall permit the Trust or any party designated by it upon reasonable prior notice to the Borrower to examine, visit and inspect each Project and the System, if any, and to inspect and make copies of any accounts, books and records of the Borrower pertaining to the Project, the System, if any, the Loan or the Local Governmental Obligations.

(e) If any Event of Default described in clause (i) of Paragraph (a) of Section 9 hereof shall occur and be continuing, the Borrower shall promptly upon request of the Trust provide such information to the Trust as shall be necessary for the Trust to exercise the rights provided in Section 11 of the Enabling Act with respect to the Local Aid Distributions of the Borrower and, as applicable, any Participating Member thereof and any parent governmental unit of the Borrower and any such Participating Member. In addition, the Borrower shall provide written notice to the Trust if at any time while the Loan is outstanding any Participating Member of the Borrower shall fail to pay to the Borrower all or any part of any assessment levied by the Borrower on account of any Payment and such failure shall not be cured within ten (10) Business Days of the due date of such assessment, such notice to be provided to the Trust no later than the close of business on the Business Day next preceding the expiration of such grace period.

(f) The Trust shall provide written notice to the Borrower if at any time the Borrower shall constitute an obligated person with respect to the Bonds within the meaning of Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. Thereafter, for so long as the Borrower shall constitute an obligated person, the Borrower will comply with and carry out all of the provisions of the Continuing Disclosure Agreement applicable to it and the Local Governmental Obligations. The Trust shall have no liability to the owners of the Bonds or any other person with respect to such disclosure matters. Notwithstanding any other provision of the Financing Agreement, failure of the Borrower to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default under the Financing Agreement; provided, however, that the Trust may (and at the request of the owners of at least 25% in aggregate principal amount of the Bonds outstanding shall), or any owner (including a beneficial owner) of the Bonds may, take such actions as may be necessary or appropriate, including seeking mandate or specific performance by court order, to cause the Borrower to comply with its obligations under this clause (f).

(g) (i) With respect to a Project for construction that is not a Title 5 Project, the Borrower agrees to comply with the prevailing wage rate requirements of the so-called “Davis-Bacon Act” made applicable by Section 513 of the Clean Water Act (33 U.S.C. 1372) or Section 1450(e) of the Drinking Water Act (42 U.S.C. 300j-9(e)), as applicable. The Borrower shall be responsible for monitoring compliance of contractors and subcontractors concerning federal wage rates under the Davis-Bacon Act requirements. In this regard, the Borrower shall review certified payrolls, conduct employee interviews and complete any other actions required to determine such compliance, using forms approved by the Department;

(ii) With respect to a Clean Water Project for a treatment works (other than a Title 5 Project) or a Drinking Water Project for public water systems, the Borrower agrees to comply with the requirements of Section 436 of Public Law 113-76 (the “American Iron and Steel Requirement”), except as described below. The Borrower acknowledges and agrees that the American Iron and Steel Requirement includes, among others, the requirement that all of the iron and steel products used in the Project are to be produced in the United States unless (i) the Borrower has requested and obtained a waiver from the United States Environmental Protection Agency with respect to the Project or (ii) the Department has advised the Borrower in writing that the American Iron and Steel Requirement is not applicable to the Project; and

(iii) With respect to a Clean Water Project for repair, replacement or expansion of a treatment works, the Borrower agrees (1) to develop and implement a fiscal sustainability plan applicable to the Project that includes: an inventory of critical assets that are a part of the treatment works; an evaluation of the condition and performance of inventoried assets or asset groupings; a certification that the Borrower has evaluated and will be implementing water and energy conservation efforts as part of the plan; and a plan for maintaining, repairing and, as necessary, replacing the treatment works and a plan for funding such activities; and (2) to certify, as a condition of the final disbursement of the proceeds of the Loan, that the Borrower has developed and implemented a plan that meets the requirements under clause (1).

(h) The Borrower will maintain accounts with respect to the Project according to generally accepted accounting principles as issued by the Governmental Accounting Standards Board (GASB), including the standards relating to the reporting of infrastructure assets pursuant to GASB Statement No. 34, or any successor thereto.

(i) For so long as the Loan or Local Governmental Obligations shall be outstanding, the Borrower shall duly observe and comply with each of the additional covenants and conditions set forth in Schedule B of the Financing Agreement.

Section 9. Defaults and Remedies.

(a) The occurrence of any of the following events shall constitute, and is herein defined to be, an Event of Default under the Financing Agreement and the Local Governmental Obligations, or other evidence of indebtedness:

(i) if the Borrower shall fail to pay when due all or any part of any Payment payable under the Financing Agreement or applicable Local Governmental Obligations, or other evidence of indebtedness;

(ii) if the Borrower shall fail to pay when due any installment of the Administrative Fee payable under the Financing Agreement or the Origination Fee or any portion thereof and such failure shall continue for a period of thirty (30) days after written notice thereof shall be given to the Borrower by the Trust;

Obligations and indebtedness described in Chapter 40D of the General Laws of the Commonwealth; and

(vii) if a Default shall occur under a Project Regulatory Agreement (as defined therein) and the Department shall request that the Trust declare an Event of Default under the Financing Agreement.

(b) In addition to its other remedies provided herein, if an Event of Default specified in clause (i) or clause (v) of Paragraph (a) of this Section 9 shall occur and be continuing, the Trust may proceed to enforce its rights under the Financing Agreement and under the Local Governmental Obligations, or other evidence of indebtedness, by exercise of the following remedies in such order of priority as the Trust shall determine in its discretion:

(i) if any Payments shall be due and unpaid under the Financing Agreement, the Trust may exercise the rights provided in Section 11 of the Enabling Act with respect to the Local Aid Distributions of the Borrower and, as applicable, any Participating Member thereof and any parent governmental unit of the Borrower and any such Participating Member;

(d) Notwithstanding anything herein to the contrary, if any Event of Default under the Financing Agreement or in any Additional Security shall occur and be continuing, the Trust may proceed to protect its rights under the Financing Agreement, and may seek to compel compliance by the Borrower with the terms and provisions hereof and of the Local Governmental Obligations, or other evidence of indebtedness, by suit or suits in equity or at law, for the specific performance of any covenant, term or condition hereof or of the Local Governmental Obligations, or other evidence of indebtedness, or in aid of the execution of any power herein granted, and, except as herein limited, may exercise any other right or remedy upon such default as may be granted to the Trust under the Enabling Act, the Applicable Authority or under any other applicable provision of law.

Section 10. Interim Financing.

(a) Subject to the availability to the Trust of moneys for such purpose and the provisions of Section 3(a) hereto, if the date of the Closing set forth in Schedule A of the Financing Agreement is more than forty five (45) days subsequent to the date of execution and delivery of the Financing Agreement by the Trust, the Trust (upon not less than ten (10) Business Days prior notice from the Borrower) agrees to provide interim financing (an "Interim Loan") to the

Borrower to pay or provide for all or any part of the eligible Costs of any Project (i) incurred by the Borrower on and after the date of execution and delivery by the Borrower of the Financing Agreement or (ii) incurred by the Borrower prior to the date of its execution and delivery of the Financing Agreement and either (x) paid by the Borrower from the proceeds of notes or other obligations issued by the Borrower in anticipation of the Loan or of the issuance and sale of the Local Governmental Obligations to the Trust, or (y) paid by the Borrower from other moneys available to the Borrower under a valid declaration of official intent to reimburse such payment from the proceeds of the Loan or the Local Governmental Obligations. The Interim Loan shall be evidenced by a note (the "Interim Loan Note") issued by the Borrower to the Trust pursuant to the Applicable Authority in form and substance satisfactory to the Trust and otherwise as hereinafter provided. The Interim Loan and the Interim Loan Note, when executed and delivered, shall be (1) a valid and binding general obligation of the Borrower enforceable in accordance with its terms and payable as to principal, premium, if any, and interest (to the extent not paid from other sources) from (a) taxes which may be levied upon all taxable property within the territorial boundaries of the Borrower, subject only to the limit imposed by Chapter 59, Section 21C of the General Laws of the Commonwealth to the extent applicable to the Interim Loan Note, provided that taxes levied on certain taxable property located within a development district, if any, established by the Borrower pursuant to Chapter 40Q of the General Laws may be restricted and unavailable to pay debt service on the Interim Loan Note or (b) sums which may be annually apportioned and assessed by the Borrower on its Participating Members pursuant to the Applicable Authority, or (2) a general or special obligation of the Borrower (as provided in any Additional Security) payable from any Additional Security, if any, and any other moneys, funds, and accounts provided in the Financing Agreement and secured by a valid pledge of and lien on and perfected security interest in any such Additional Security, all as provided therein and in Schedule B to the Financing Agreement.

(b) The Interim Loan Note shall be dated the date of its execution and delivery by the Borrower, shall mature and be payable on the Closing Date for the Loan or Local Governmental Obligations (subject to renewal at the option of the Trust to one or more dates not later than three (3) years subsequent to such date of execution and delivery or, if later, the expected completion date of the applicable Projects as determined by the Department), shall be in principal amount equal to the aggregate amount of proceeds thereof from time to time disbursed to or for the account of the Borrower and shall be in such maximum aggregate principal amount as shall be requested by the Borrower not exceeding the lesser of (i) the aggregate eligible Costs of each Project which have been or are expected to be expended at or prior to the maturity date of the Interim Loan Note (as set forth in the applicable Project Regulatory Agreement) and (ii) the Initial Obligation Amount set forth in Schedule C of the Financing Agreement (or such lesser amount as shall equal the total eligible Costs of the Projects approved by the Department at the date of the Interim Loan Note). The principal amount of the Interim Loan Note from time to time outstanding shall bear interest from the date or dates of disbursement thereof to or for the account of the Borrower until repaid at the Interim Loan Interest Rate set forth in Schedule A of the Financing Agreement, calculated on the basis of actual days and a 365/366 day year, payable at maturity.

(c) Upon execution and delivery by the Borrower of the Interim Loan Note, the Trust shall, subject to the availability to the Trust of moneys for such purpose, deposit from time to time in the Interim Loan Project Account amounts (representing proceeds of the Interim Loan)

sufficient in amount and time of deposit to satisfy each requisition for payment or reimbursement of Costs of the applicable Project submitted to the Trust by the Borrower. For purposes of this Section 10, all provisions of Section 7(a) and (c) hereof applicable to the Project Account and the requisition and disbursement therefrom of proceeds of the Loan or the Local Governmental Obligations, shall be equally applicable (to the extent not inconsistent herewith) to the Interim Loan Project Account and the requisition and disbursement therefrom of proceeds of the Interim Loan. Notwithstanding the foregoing, the Borrower acknowledges that the Department, in the exercise of its rights under the Project Regulatory Agreement, may terminate the Project Regulatory Agreement after disbursement to the Borrower of some or all of the amounts deposited in the Interim Loan Project Account. In such event, the obligation of the Trust to disburse additional proceeds of the Interim Loan to the Borrower shall terminate and the Borrower shall repay to the Trust the amount theretofore disbursed from the applicable Interim Loan Project Account, together with interest thereon at the Interim Loan Interest Rate, within thirty (30) days of receipt by the Borrower from the Trust of written notice that the Project Regulatory Agreement has been terminated by the Department.

(d) Notwithstanding anything herein to the contrary, the obligation of the Trust to make and fund the Interim Loan is expressly conditional upon the receipt by the Trust of the following, each in form and substance satisfactory to the Trust:

(i) A certificate or certificates of Authorized Officers of the Borrower as to the due authorization, execution and delivery of the Financing Agreement, any Additional Security, the Project Regulatory Agreement and the Interim Loan Note, and confirming as of the date of execution and delivery of the Interim Loan Note the representations and warranties of the Borrower in Section 2 hereof applicable to the Interim Loan, and to the further effect that (x) none of the foregoing instruments have been amended or supplemented since their date (except such amendments or supplements which have been approved by the Trust or the Department, as applicable, or which under the terms of the applicable instrument may be executed and delivered or adopted by the Borrower without the consent of the Trust or the Department) or repealed and that each such instrument remains in full force and effect as of such date, and (y) as of such date, no Event of Default or Default, as applicable, and no event which with the passage of time or the giving of notice may become or may be declared to be an Event of Default or a Default, shall have happened and shall be continuing under the Financing Agreement or any Project Regulatory Agreement;

(ii) The Interim Loan Note duly executed by Authorized Officers of the Borrower;

(iii) An opinion of Local Bond Counsel to the effect that the Financing Agreement, each Project Regulatory Agreement, any Additional Security, and the Interim Loan Note have been duly authorized, executed and delivered by the Borrower in accordance with the Applicable Authority and each constitutes a valid and binding obligation of the Borrower enforceable in accordance with its terms and the terms of the Enabling Act and the Applicable Authority; the Interim Loan Note has been duly and validly executed by or on behalf of the Borrower and delivered to or upon the order of the Trust in accordance with the Financing Agreement and the Applicable Authority; and

the Interim Loan Note constitutes (1) a valid and binding general obligation of the Borrower enforceable in accordance with its terms and payable as to principal, premium, if any, and interest (to the extent not paid from other sources) from (a) taxes which may be levied upon all taxable property within the territorial boundaries of the Borrower, subject only to the limit imposed by Chapter 59, Section 21C of the General Laws of the Commonwealth to the extent applicable to the Interim Loan Note, provided that taxes levied on certain taxable property located within a development district, if any, established by the Borrower pursuant to Chapter 40Q of the General Laws may be restricted and unavailable to pay debt service on the Interim Loan Note or (b) sums which may be annually apportioned and assessed by the Borrower on its Participating Members pursuant to the Applicable Authority, or (2) a general or special obligation of the Borrower (as provided in any Additional Security) payable from any Additional Security and any other moneys, funds and accounts provided in the Financing Agreement and secured by a valid pledge of and lien on and perfected security interest in any such Additional Security (in rendering the foregoing opinion, such counsel may take an exception on account of bankruptcy, insolvency and other laws affecting creditors' rights generally and to the exercise of judicial discretion in accordance with general equitable principles); and

(iv) An Interim Loan Origination Fee in an amount equal to one-tenth of one percent (.1%) of the maximum aggregate principal amount of the Interim Loan Note, but not less than \$500 or more than \$1,000.

Section 11. Assignment, Transfer and Exchange. (a) The Borrower acknowledges that the Trust may pledge and assign the Financing Agreement or all or part of its rights under the Financing Agreement, and the right, title and interest of the Trust in and to all or part of the Loan, the Local Governmental Obligations and Payments thereunder and under the Financing Agreement or any Additional Security to the Master Trustee in accordance with the Master Trust Agreement and in connection with any such assignment may transfer to the Master Trustee the Loan, the Local Governmental Obligations and any or all Payments and the Local Governmental Obligations attributable thereto, and the Borrower by its execution and delivery of the Financing Agreement expressly consents to any such assignment and transfer.

(b) In connection with any assignment by the Trust provided herein, the Borrower further agrees to deliver the Local Governmental Obligations, or other evidence of indebtedness, to the Trust on the Closing Date, or on any date thereafter when the Local Governmental Obligations, or other evidence of indebtedness, may be assigned, exchanged or transferred in accordance with its terms and the terms of the Financing Agreement, in such denominations, registered to such owners, in one or more series, and otherwise in such form and tenor as the Trust may request to evidence the Loan, if any, made, and the Payments payable, under the Financing Agreement, separately or as a whole, or in part one or in part the other, or in any combination thereof, provided that the aggregate principal amount payable on the Local Governmental Obligations, or other evidence of indebtedness, shall not exceed the Principal Obligation payable under the Financing Agreement on the Loan plus interest, if any, accrued and to accrue thereon as provided therein and herein.

(c) Except as hereinabove provided, so long as any Event of Default shall not have occurred under the Financing Agreement and be continuing, the Trust shall not assign the Financing Agreement or the Loan, if any, made hereby, or transfer or sell the Local Governmental Obligations, without the prior written approval of the Borrower.

(d) The Borrower may not assign the Financing Agreement or the Loan, if any, or the Local Governmental Obligations, or any of its rights or obligations under the Financing Agreement or hereunder, without the express prior written consent of the Trust.

Section 12. Action by Parties. Where the Financing Agreement shall provide for any direction, consent, approval or other action to be taken or made by the Borrower, the Trust or the Department hereunder or under the Financing Agreement, such direction, consent, approval or other action shall be sufficiently taken or made for all purposes of the Financing Agreement if taken or made by Authorized Officers of the Borrower, the Trust or the Department, as the case may be.

Section 13. Notices. All notices, consents, certificates and other communications under the Financing Agreement shall be sufficiently given when delivered by hand or courier or sent by signed electronic mail or registered or certified mail, postage prepaid, addressed to the Addresses for Notice set forth in Schedule A of the Financing Agreement or to such further or different address as any of the parties to the Financing Agreement or the Department may designate in writing to the other notice parties indicated in said Schedule A.

Section 14. Severability. In the event any provision of the Financing Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 15. No Right of Set-Off. By their execution and delivery of the Financing Agreement, the Trust and the Borrower agree that, except as otherwise provided in the Financing Agreement, neither the Trust nor the Borrower shall have any right to set-off and apply any amount at any time held, and other indebtedness at any time owing, by the Trust to or for the account of the Borrower, or by the Borrower to or for the account of the Trust, as applicable, against any and all of the obligations of the Borrower or the Trust, as applicable, now or hereinafter existing on the Local Governmental Obligations, or other evidence of indebtedness, or otherwise under the Financing Agreement.

Section 16. Amendment of Financing Agreement and Other Instruments. Except as expressly provided herein or in the Financing Agreement with respect to the amendment of Schedule A, Schedule B and Schedule C of the Financing Agreement, the Financing Agreement and the Local Governmental Obligations, or other evidence of indebtedness, may not be amended, modified or changed in any respect except in writing signed by the parties to the Financing Agreement. No such amendment, modification or change of the Financing Agreement which, in the reasonable opinion of the Department (expressed in a certificate of an Authorized Officer of the Department delivered to the Trust prior to the execution and delivery of such amendment, modification and change by the Trust), materially and adversely affects the rights and obligations of the Department under any Project Regulatory Agreement, shall be effective until the Department shall have consented in writing thereto. The Trust shall deliver a copy of

any such proposed amendment, modification or change of the Financing Agreement to the Department at least ten (10) days prior to the execution and delivery thereof by the Trust.

Section 17. Term. (a) The term of the Financing Agreement shall be from the date of execution and delivery thereof by the parties to the Financing Agreement until all Payments, all Administrative Fees and the Origination Fee payable under the Financing Agreement shall have been paid in full or provision for the payment thereof shall have been duly provided for in accordance with this Section 17.
