

The “X” Springfield

Fall, 2025

Project Construction Update

Underground Utility Work

What is Happening?

- The contractor is scheduled to continue water pipe replacement work as part of the Springfield ‘X’ Intersection Reconstruction project.
- Activities will include asphalt removal, excavation, trenching, water line installation, material deliveries, exporting material, staging of construction equipment, and asphalt restoration.

What to Expect?

- **Temporary water service interruptions for individual properties are expected on Sumner Avenue and local streets between Ventura Street and Daytona Street.** Notifications for specific properties, dates, and times, will be provided, in coordination with the Springfield Water and Sewer Commission. For specific questions regarding water service contact the Commission at 413-310-3501 or email cfs@waterandsewer.org.
- There will be intermittent lane closures on Sumner Avenue and local streets between Dickinson Street and Daytona Street.
- Police details and appropriate signage will be deployed to assist traffic flow around the work zones.
- On-street parking restrictions are anticipated due to site safety and staging of equipment.

Where is this Work Happening?

This work is anticipated to take place on:

- Sumner Avenue and local streets between Dickinson Street and Daytona Street.

When is this Work Happening?

- Work is anticipated to start Monday, September 22 and continue through fall 2025.
- Work is scheduled on weekdays, **Monday - Friday, from 7:00 a.m. - 3:30 p.m., and on weeknights, from 7:00 p.m. to 5:00 a.m. as needed.**
- Water line work in other areas of the project limits will be scheduled at later dates.
