For: TIME WARNER CABLE
Petitioner

On November 29, 2006, Time Warner Cable filed with the Cable Television Division (“Cable Division”) of the Department of Telecommunications and Energy proposed rate changes on Federal Communications Commission (“FCC”) Form 1205, Determining Regulated Equipment and Installation Costs, for the communities of Adams, Athol, Cheshire, Clarksburg, Dalton, Great Barrington, Lee, Lenox, North Adams, Orange, Pittsfield, Richmond, Sheffield, and Stockbridge. The Cable Division docketed this matter as CTV 06-4.

On December 26, 2006, Time Warner Cable filed with the Cable Division proposed rate changes on FCC Forms 1240, Updating Maximum Permitted Rates for Regulated Cable Services, for the communities of Adams, Athol, Cheshire, Clarksburg, Dalton, Great Barrington, Lee, Lenox, North Adams, Orange, Pittsfield, Richmond, Sheffield, and Stockbridge. The Cable Division docketed this matter as CTV 06-7.

Upon initial review of these matters, the Cable Division determines that there are issues common to both dockets such that separate proceedings would be inefficient. Therefore, in the interest of administrative efficiency, the Cable Division, on its own motion, hereby consolidates these dockets. The consolidated docket will be referred to as CTV 06-4/06-7.

Pursuant to the foregoing, it is hereby

ORDERED, that effective January 5, 2007, the Cable Division consolidates Docket CTV 06-4 and Docket CTV 06-7.
