

Grow and Thrive!

Wellness & Skills-Building Groups

Join our therapeutic programs to enhance communication, physical development, and teamwork skills. Led by experienced therapists, each session offers a supportive environment for growth and learning. Open to all in the designated age groups, these programs can complement other Therapy services.

Tiny Voices, Big Words: Preschool Communication Boost Ages 3-5

Fall Session 2: **November 4 - December 16, 2024**

• Mondays 1:00-2:00 p.m.

Boost your preschooler's communication skills in a fun and interactive way at our Speech and Language Pathologist-led session designed to enhance your child's ability to express themselves, understand others, and build strong social connections.

Each class is crafted to make learning enjoyable and effective, focusing on essential skills like:

- **Vocabulary Building**
- **Following Directions**
- **Social Skills**
- **Expressing Needs**
- **Listening Skills**
