Subject: Trade Adjustment Assistance Mileage Reimbursement Rate Change

Purpose: To notify Local Workforce Investment Boards, One-Stop Career Center Operators and other workforce investment partners of a change in the mileage reimbursement rate for Trade Program customers.

Background: Pursuant to 5 U.S.C. 5707(b) the General Services Administration sets the Federal travel reimbursement rates. The Trade Adjustment Assistance program regulation at 617.28(b) requires Trade eligible customers who are participating in approved training programs outside their normal commuting area to be reimbursed for travel costs at an amount not to exceed the lesser of the actual cost of transportation by the least expensive means that is reasonably available or the cost per mile at the prevailing mileage rate authorized under the Federal Travel regulations. The Federal rate increased from 50 cents per mile to 51 cents per mile effective January 1, 2011.

The Massachusetts Trade Adjustment Assistance program will reimburse Trade customers eligible for travel cost reimbursement at this new rate of 51 cents per mile for use of a privately owned vehicle. The announced change is effective as of January 1, 2011.
