**Disclaimer: Research based on information available at the time of publishing and is subject to change.*

SCAM ALERT:

MOITI has become aware of a scam perpetrated by groups calling themselves Expo Guide, FairGuide.com, and Construct Data Verlag that is actively targeting trade show exhibitors. The groups are claiming to offer online listing services, but lock customers into three-year contracts and charge thousands of dollars for services that are offered for free by most trade shows. Please see http://www.ufi.org/Public/Default.aspx?CLEF_SITESMAPS=161 for more information.
