A FEW THINGS TO KNOW ABOUT JURY DUTY...

QUALIFICATIONS

To be a juror, you must be a U.S. citizen, 18 years of age or older, and speak and understand English.

You must live in the county in which you have been called to serve, and you cannot have served in the last 3 years.

Please review the
Reasons For Disqualification
on the back for more information.

CALL BEFORE REPORTING FOR SERVICE

Your Reminder Notice will instruct you to **call the Juror Line at your court on the day before your service**, to learn if you must report. Unless the Juror Line states that your group is cancelled, you must appear as scheduled, reschedule online, or call the Office of Jury Commissioner at 1-800-THE-JURY (843-5879). If you appear without calling, and your service was cancelled, you will not get credit for serving.

POSTPONEMENT

You may postpone your date of service to any available day up to a year from your original date. **You can select your own date online and be confirmed immediately.** You can also request a date at #4 on the Juror Confirmation Form: if the date you select is unavailable, you will be scheduled for the next available court date. You should choose a date no more than 11 months from your original date, in case you must postpone again.

HARDSHIP TRANSFER

If necessary, you can request a hardship transfer to another court within your county. You must have a serious hardship that prevents you from appearing at your original court. Inconvenience and distance are not eligible hardships. Briefly explain your hardship online, or at #3 on the Juror Confirmation Form.

MAP & DIRECTIONS

You will receive a map and directions to the courthouse about ten days before you are to serve. Maps, directions, and other information about your courthouse are also available online.

COMPENSATION

By law, your Massachusetts employer must pay you for work hours you miss during the first three days of jury service. This applies to all employees: full-time, part-time, temporary and casual. Failure to compensate employees is a crime. From the fourth day on, the Commonwealth pays all jurors \$50 per day. Some employers will continue to pay wages to seated jurors even after the third day: check with your employer.

NIGHT SHIFT WORKERS

Night shift workers cannot be required to work past midnight of the night before their first day of jury service. You also cannot be required to work if you are impeached on a trial. You cannot be required to work on your last day of service if you are released by the court after 4 pm.

RESIDENTS / INHABITANTS / STUDENTS

Regardless of whether you are a registered voter, you are qualified to serve if you are a resident of a county OR an inhabitant of a county for more than 50% of the time. Examples: (1) Students who study in Massachusetts (inhabitants) must serve, even if they are residents of another state; (2) Students who live in one Massachusetts county (residents) but study in another (inhabitants) can be summoned to serve in either county; (3) Massachusetts residents who study out of state must serve in their home county when they return to Massachusetts.

STUDENTS / PARENTS / CHILDCARE

There are no exemptions from jury service. Everyone is eligible, including students and parents of young children. Only a judge can excuse you from service for hardship. If you are seeking to be excused for hardship, you must report to the courthouse on your scheduled date of service and speak with a judge. Remember: you can postpone your service to minimize conflicts with your academic schedule, childcare responsibilities, or other personal issues.

HEALTH

If you are ill or disabled, you may postpone your service, transfer to an accessible location, or request a disqualification by providing a doctor's certification. See REASONS FOR DISQUALIFICATION, REASON 9 on the other side of this brochure.

AGE

If you are 70 or older, you may choose to serve or not. If you choose not to serve, please complete the Juror Confirmation Form online, or by mail as follows: #2A: fill in Circle 2. #2B: provide your date of birth. #7: sign your name, and mail. If you are under 18, follow the same procedure but fill in Circle 3.

SELF-EMPLOYED

There are no occupational exemptions from jury service. Everyone is eligible, including the self-employed. Only a judge can excuse you from service for hardship. If you are seeking to be excused for hardship, you must report to the courthouse on your scheduled date of service and speak with a judge. You can postpone, but self-employment does not qualify you for a hardship transfer.

FELONY CONVICTION

If you have been convicted of a felony within the last 7 years, or are currently charged with a felony, or are presently in the custody of a correctional institution, please see REASONS FOR DISQUALIFICATION, REASON 7 on the other side of this brochure. If you were convicted more than 7 years ago, you are eligible to serve.
