THE OFFICE OF APPEALS AND DISPUTE RESOLUTION

June 9, 2021

**In the Matter of
Triumvirate Environmental, Inc.**

Docket No. 2020-031
Transmittal Number:
Application for BWP HW 14
License Renewal for Transporter of
Hazardous Waste- Approval with
Conditions
Somerville, MA

FINAL DECISION

Martin Suuberg, the Commissioner of the Massachusetts Department of Environmental Protection (“MassDEP” or “the Department”), has designated me as the Final Decision Maker in this appeal.

Triumvirate Environmental, Inc. (“the Petitioner”) filed this appeal challenging the August 10, 2020 decision of the Boston Office of the Massachusetts Department of Environmental Protection (“MassDEP” or “the Department”) to renew the Petitioner’s hazardous waste transporter license for three years with conditions (“the License Renewal Decision”) pursuant to the Massachusetts Hazardous Waste Management Act, G.L. c. 21C (“MHWMA”), and the Massachusetts Hazardous Waste Regulations (“MHW Regulations”) at 310 CMR 30.000. The Department renewed the Petitioner’s hazardous waste transporter license for three

years instead of the regulatory maximum of five years and imposed conditions on the renewal mandating the Petitioner's compliance with specific MHW Regulations governing the handling, storage, and/or transporting of hazardous wastes due to the Petitioner's purported repeated failure to comply with those regulatory provisions. The Petitioner claimed in its appeal that the Department erred in taking this action and requested that its hazardous waste transporter license be renewed for a full five-year term without conditions.

Recently, on June 7, 2021, the Petitioner filed a Notice of Dismissal dated June 1, 2021 "dismiss[ing] [its] . . . appeal" in this matter. The Petitioner's Notice of Dismissal constitutes a withdrawal of its appeal in this matter and a waiver by the Petitioner to any further administrative review before the Department as well as appeal to court of the Department's License Renewal Decision that was at issue in this appeal. Accordingly, the Department issues this Final Decision dismissing the Petitioner's appeal of the Department's License Renewal Decision.

Date: June 9, 2021
