Nothing in this License shall be construed to prohibit Licensee from offering any service over its Cable System that is not prohibited by federal or state law.

(b) This Renewal License is granted under and in compliance with the Cable Act and M.G.L.c. 166A, and in compliance with all rules and regulations of the FCC and the Cable Division in force and effect during the period for which this Renewal License is granted.

(c) Subject to the terms and conditions herein, the Issuing Authority hereby grants to Licensee the right to construct, upgrade, install, operate and maintain a Cable System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY [SEE M.G.L.c. 166A §3(d) and 13]

(g) In the event that Licensee demonstrates that an existing or future Cable Service provider or wireline based video service provider in the Town has been provided relief by the Issuing Authority from any obligation of its license, then Licensee shall be awarded an equivalent amount of relief from the material obligations herein. Such relief shall be in writing and in the form of an amendment to this License. The Issuing Authority shall convene a public hearing on the issue within sixty (60) days of Licensee's notification to the Issuing Authority requiring such relief, unless otherwise mutually agreed to. License shall provide reasons for its belief in the notification. At the public hearing, the Issuing Authority shall afford Licensee an opportunity to demonstrate that any existing or future service providers in the Town have been provided relief by the Issuing Authority from any obligation of its cable television license or other similar lawful authorization. Licensee shall provide the Issuing Authority with such financial or other relevant information as is reasonably requested to justify its belief; provided, however, that the parties' counsel mutually and reasonably deem said information is non-proprietary.
