

# Massachusetts Technical Standards Review Group (MTSRG)

Chair: Babak Enayati, National Grid  
Vice-Chair: Michael Conway, Borrego Solar Systems  
MTSRG Regular Meeting  
Date: March 17, 2016  
Time: 9AM-3PM  
Location: Eversource's Southborough Office  
Address: 157 Cordaville Road,  
Southborough, MA  
Room: Conference Room A

---

## Agenda

- 1) **The meeting kick off by Babak and introduction** **9AM-9:10AM**  
.....
- 2) **3V0 research** **9:10AM-9:40AM**  
.....
- 3) **Discussion on the utility filings in response to D.P.U. 11-75-F** **9:40AM to 10:10AM**  
**Distributed Generation Interconnection: Report on Research**  
**Regarding Higher Penetration Level for Distributed**  
**Generation Technology that Generates Electricity Coincident with**  
**Feeder or System Peak Demand**  
.....
- 4) **Break** **10:10AM – 10:25 AM**  
.....
- 5) **IEEE 1547 updates** **10:25AM-11:30AM**  
  
(voltage regulation and power quality 10:25AM-11AM, ride through 11AM – 11:25AM)  
.....
- 6) **Status update on National Grid's Solar Phase II program** **11:30AM-12PM**  
.....
- 7) **Lunch** **12PM-1PM**  
.....
- 8) **Energy Storage** **1PM-2PM**  
  
Each utility will be asked to talk about their concerns and approach towards deploying energy storage. We will discuss the technical challenges/benefits.  
CA utility experience on deploying energy storage. Speaker TBD  
.....
- 9) **Review and approval of the Common Guideline** **2PM-3PM**  
**and plan for the next TSRG meeting**
