Introduction

Welcome to Navigator by Tufts Health Plan™ (“Navigator”). We are pleased you have chosen this Point of Service (POS) Health Plan. We look forward to working with you to help you meet your health care needs. This Member Handbook describes the Navigator Health Care Plan. Please note that italicized words in this document have special meanings. These meanings are given in Part 8 – Terms and Definitions (see Page 92).

Navigator is a self-funded Plan, which means that the Group Insurance Commission (the “GIC” or “Commission”) is responsible for the cost of the Covered Services you receive. The GIC has contracted with Tufts Health Plan to offer you access to a network of health care professionals known as Tufts Health Plan (“Tufts HP”) Providers. Tufts Health Plan also performs certain services, such as claims processing, but it does not insure Plan benefits or determine your eligibility for benefits under the Navigator Plan.

This Member Handbook will help you find answers to your questions about your benefits. Navigator Members have benefits for Covered Services according to the terms of this Member Handbook.

Tufts HP administers your medical and behavioral health/substance use disorder benefits.

Medical and Behavioral Health Plan - Tufts Health Plan administers Navigator, which provides the medical and behavioral health/substance use disorder benefits described in this Member Handbook. Details on your coverage and costs for medical services are described in Part 1 – Benefit Overview (see Page 14) and Part 2 – Plan and Benefit Information (see Page 30).

Navigator Members are encouraged to receive medical and behavioral health/substance use disorder services from the Tufts Health Plan network of health care Providers. Using these Tufts HP Providers will minimize your Out-of-Pocket expenses for Covered Services. To find out which Providers are in the network, you can:

- Visit the online Provider Directory at http://www.tuftshealthplan.com/gic
- Call the Member Services Department at 800-870-9488

Note: Italicized words are defined in Part 8.
Introduction, Medical and Behavioral Health Plan, continued

This is a POS Plan. You must select a Primary Care Provider (PCP) under this Plan. Each time you need to receive health care services, you may choose to obtain your health care either:

- From or authorized by your Tufts HP Primary Care Provider (PCP). This is called the Authorized Level of Benefits; or
- From any health care Provider without your PCP’s authorization. This is called the Unauthorized Level of Benefits.

Your choice will determine the level of benefits you receive for Covered Services.

For Outpatient medical care, Covered Services from or authorized by your Tufts HP PCP are covered at the Authorized Level of Benefits. Your PCP will authorize you to receive care from other Tufts HP Providers unless the care you need is not available within Tufts HP’s network of Tufts HP Providers. In that case, your PCP (after obtaining approval from an Authorized Reviewer) will refer you to a Provider not affiliated with Tufts HP.

At the Authorized Level of Benefits, your Office Visit Copayment will vary depending on the type of physician who provides your care. Under this Plan, the Provider groups to which PCPs, specialists, and Hospitals belong are placed into one of three Tiers based on participation in the GIC’s Centered Care Program, the Providers’ practice and referral patterns, and efficiency of performance. Providers’ Tiers are based on their group’s tiering; Providers are not individually tiered. The lowest Cost-Sharing is applied to Providers that have the most efficient performance.

- Providers that participate in the Centered Care Program and are the most efficient are placed in Tier 1.
- Providers that participate in the Centered Care Program and are less efficient are placed in Tier 2.
- Providers that do not participate in the Centered Care Program are placed in Tier 3. However, Hospitals that do not participate in the Centered Care Program, but to whom Centered Care Providers refer, are placed in the Tier of the Provider who made the referral.

The following Copayments apply to the following Providers:

- **Primary Care Provider (PCP)**
  - PCPs may include general practitioners, family practitioners, internal medicine specialists, pediatric Primary Care Providers, physician assistants, nurse practitioners, Primary Care physicians who are also specialists, and obstetrician/gynecologists. PCPs in Massachusetts are tiered based upon their participation in the Centered Care Program and their Provider group’s efficiency.
  - **Copayment Tier 1 PCP (Lowest Cost-Share):** Participates in Centered Care Program and provides the most efficient care -- $10 Copayment
  - **Copayment Tier 2 PCP (Mid-level Cost-Share):** Participates in Centered Care Program and provides less efficient care-- $20 Copayment
  - **Copayment Tier 3 PCP (Highest Cost-Share):** Does not participate in the Centered Care Program -- $40 Copayment

- **All PCPs outside of Massachusetts** -- $20 Copayment

- **Massachusetts Specialists**
  - **Copayment Tier 1 Specialist (Lowest Cost-Share):** Participates in the Centered Care Program and provides the most efficient care -- $30 Copayment
  - **Copayment Tier 2 Specialist (Mid-level Cost-Share):** Participates in the Centered Care Program and provides less efficient care -- $60 Copayment
  - **Copayment Tier 3 Specialist (Highest Cost-Share):** Does not participate in the Centered Care Program -- $75 Copayment

- **All specialists outside of Massachusetts** -- $60 Copayment
Introduction, Medical and Behavioral Health Plan, continued

- Limited Service Medical Clinic or Free-standing Urgent Care Center that participates in Tufts Health Plan -- $20 Copayment

Note: Copayments for Urgent Care Services at all other locations vary depending on the type of Provider (PCP vs. Specialist) you see, the location (for example, Provider’s office or Emergency room) where you receive services, and which additional diagnostic Outpatient services, if any, are provided during the visit. Diagnostic Outpatient services provided in conjunction with an Urgent Care visit (for example, laboratory tests, Durable Medical Equipment, etc.) may be subject to separate Member Cost Sharing Amounts specified in the “Benefit Overview.” For more information, please call Member Services.

For a list of Tufts HP Providers (including Tiers, if applicable), please refer to the online Provider Directory at http://www.tuftshealthplan.com/gic.

At the Authorized Level of Benefits, Inpatient Hospital stays at Tufts HP Hospitals are grouped into Inpatient Hospital Copayment Levels based on their participation in the Centered Care program and their efficiency of performance see Part 9 – Navigator Plan Inpatient Hospital Copayment Levels (see Pages 102-107), for more information about the standards used for grouping the Hospitals. All Hospital admissions are subject to the Inpatient Care Copayment Limit.

- Tier 1 (Lowest Cost-Share): Participates in the Centered Care program and provides the most efficient care -- $275 Inpatient Copayment

- Tier 2 (Mid-level Cost-Share): Participates in the Centered Care program and provides less efficient care -- $500 Inpatient Copayment

- Tier 3 (Highest Cost-Share): Does not participate in the Centered Care program -- $1500 Inpatient Copayment

Note: Hospitals that do not participate in the Centered Care Program, but that Centered Care Providers refer to, are tiered at the same level as the Provider who made the referral.

Please see Part 1 – Benefit Overview (see Page 14) and Part 2 – Plan and Benefit Information (see Pages 30-34) for further details on your coverage and costs for medical services under this Plan. Covered Services that are not provided or authorized by your Tufts HP PCP are covered at the Unauthorized Level of Benefits (see Page 33).

Behavioral Health Services (see Pages 52-80 in Part 5 – Covered Services) – You and your covered family Members are automatically eligible for a full range of confidential mental health and substance use disorder services through Tufts Health Plan.

Tufts Health Plan can help you access a conveniently located Tufts HP Provider for mental health or substance use disorder services, or in an Emergency. In the event that you require Inpatient behavioral health or Inpatient substance use disorder services, you may go to any Tufts HP Hospital and receive coverage at the Authorized Level of Benefits, as described above.
Introduction, Medical and Behavioral Health Plan, continued

**Prescription Drug Benefits** are administered by Express Scripts. Coverage for prescription drugs and the requirements that each Member must follow in order to obtain these benefits is described on Pages 108-120. Please see the Prescription Drug Benefit or call Express Scripts at 855-283-7679 for information about your prescription drug coverage.

**Employee Assistance Program (EAP)** benefits are provided through Optum. You may call Optum at 844-263-1982 or visit their website at [www.liveandworkwell.com](http://www.liveandworkwell.com) (Website Access Code: Mass4You) to find information about your EAP benefits and to check on the status or ask a question about an EAP claim.

**Covered Services outside of the 50 United States** - Emergency care services provided to you outside of the 50 United States qualify as Covered Services. In addition, Urgent Care services provided to you while traveling outside of the 50 United States also qualify as Covered Services. However, any other service, supply or medication provided outside of the 50 United States is excluded under this Plan.

**Note:** Services received in the U.S. territories are considered to be outside of the United States.

The Member Services Department is committed to excellent service. Your satisfaction with Navigator is important to us. If at any time you have questions, please call the Member Services Department which will be happy to help you. Calls to the Member Services Department may be monitored by supervisors to assure quality service.

---

### Member Identification Card

Members must present their Member Identification Card (Member ID Card) to Providers when they receive Covered Services in order for benefits to be administered properly. Each Member ID Card contains the following information:

- The amounts you must pay for certain Covered Services (for example, your Copayments for Emergency room visits or for office visits with your Tufts HP PCP)
- The toll-free Tufts Health Plan telephone number to call if you have questions about your medical and behavioral health/substance use disorder services coverage under the Navigator Plan
- The toll-free Express Scripts telephone number to call if you have questions related to your prescription drug coverage under this Plan
Tufts Health Plan Address and Telephone Directory

TUFTS HEALTH PLAN
705 Mount Auburn Street
Watertown, Massachusetts 02472-1508

Member Services Hours: Monday – Thursday 8:00 a.m. to 7:00 p.m. EST
Friday 8:00 a.m. to 6:00 p.m. EST

IMPORTANT PHONE NUMBERS:

Emergency Care
If you are experiencing an Emergency, you should seek care at the nearest Emergency facility. If needed, call 911 for Emergency medical assistance. If 911 services are not available in your area, call the local number for Emergency medical services.

If you have an urgent medical need and cannot reach your physician, you should seek care at the nearest Emergency room or Urgent Care facility.

Member Services Department and Tufts HP Website
For more information about Tufts Health Plan and the self-service options available to you, please visit http://www.tuftshealthplan.com/gic. For general questions, benefit questions, and information about eligibility for enrollment and billing, call the Member Services Department at 800-870-9488 or visit the Tufts HP website. For help finding a Provider in our network, call Member Services and follow the appropriate prompts. Our Member Services team can help you find a Provider who is appropriate for your age, condition, and type of treatment.

Behavioral Health/Substance Use Disorder Services
If you need assistance locating a Provider or in finding information about your behavioral health/substance use disorder benefits, please contact the Tufts Health Plan Behavioral Health Department at 1-800-870-9488.

Services for Hearing Impaired Members
If you are hearing impaired, Tufts HP provides the following services:

- Massachusetts Relay (MassRelay): 711
- Telecommunications Device for the Deaf (TDD): 711

Coordination of Benefits (COB) and Workers’ Compensation
For questions about coordination of benefits (how Tufts HP coordinates its coverage with other health care coverage you may have) and Workers’ Compensation, call the Liability and Recovery Department at 888-880-8699, ext. 21098. The Liability and Recovery Department is available from 8:00 a.m. – 5:00 p.m. Monday through Friday.

Subrogation
Subrogation may occur if your illness or injury (such as injuries from an auto accident) was caused by someone else who would be financially responsible. For questions about subrogation, call the Member Services Department at 800-870-9488.

Fraud, Waste and Abuse
You may have concerns about being billed for services you never received, or that your insurance information has been stolen or used by someone else. To report potential health care fraud or abuse, or if you have questions, please call us at 800-870-9488 or email fraudandabuse@tufts-health.com. You can also call our confidential hotline any time at 877-824-7123 or send an anonymous letter to us at:

Tufts Health Plan
Attn: Fraud and Abuse
705 Mount Auburn Street
Watertown, MA 02472
Appeals and Grievances Department
If you need to call Tufts HP about a concern or appeal, contact the Member Services Department at 800-870-9488. To submit your appeal or grievance in writing, send your letter to the address below. Or you may fax it to us at 617-972-9509. You may also submit your appeal or grievance in person at this address:

Tufts Health Plan
Attn: Appeals and Grievances Department
705 Mount Auburn Street
P.O. Box 9193
Watertown, MA 02472-9193

Treatment Cost Estimator
In compliance with Massachusetts law, Tufts Health Plan offers a cost transparency estimator tool to help Members estimate the cost of Covered Services. In order to access this tool, you must register at [https://tuftshealthplan.com/login](https://tuftshealthplan.com/login). Once you have registered, enter the Member portal to access the tool. Examples of information you can find by using the treatment cost estimator include:

- the estimated or maximum Allowed Cost for a proposed admission, procedure or services; and
- the estimated amount you will be responsible for paying for admissions, procedures, or services that are Covered Services (including Facility Fees and Cost-Sharing Amounts), based on information available to Tufts Health Plan at the time the request is made.

The actual amount you may be responsible for paying may vary due to unforeseen services that arise out of the proposed admission, procedure or service.

**Note:** Italicized words are defined in Part 8.
Translating Services

Translating services for over 200 languages
Interpreter and translator services related to administrative procedures are available to assist Members upon request. For no cost translation in English, call the number on your ID Card.

For no cost translation in English, call the number on your ID card.

Medical and Behavioral Health/Substance Use Disorder Benefits
Part 1 – Benefit Overview

Do not rely on this chart alone. It merely summarizes certain important benefits available to Navigator Members. Be sure to read the benefit explanations in Part 5 – Covered Services on Pages 52 to 80. They describe Covered Services in more detail and contain some important restrictions. Remember, in order to receive Covered Services at the Authorized Level of Benefits, you must receive care from or authorized by your Tufts HP PCP.

### Covered Services

<table>
<thead>
<tr>
<th>Emergency Care</th>
<th>Authorized Level of Benefits</th>
<th>Unauthorized Level of Benefits*</th>
</tr>
</thead>
<tbody>
<tr>
<td>Treatment in an Emergency room</td>
<td>Member’s Cost $100 Copayment (waived if admitted as an Inpatient), then Authorized Deductible</td>
<td>Member’s Cost $100 Copayment (waived if admitted as an Inpatient), then Authorized Deductible (plus any balance*)</td>
</tr>
</tbody>
</table>

Emergency care is covered up to the Reasonable Charge regardless of whether care is provided by a Tufts HP Provider.

Observation services received in an Emergency Room will be subject to the Emergency Room Copayment, then the Authorized Deductible.

**Notes:**
- If you are admitted as an Inpatient after Emergency care, you must call Tufts Health Plan at 800-970-9488 within 48 hours to be covered.
- If you are admitted as an Inpatient after receiving Emergency care, please call Tufts Health Plan in order to have your Emergency room Copayment waived (whether you are admitted to the same or a different Hospital from which you received Emergency care).

Care provided by a specialist will be covered at the Authorized Level of Benefits only if the Member’s Tufts HP PCP authorizes that care.

*Non-Tufts HP Providers of Medical Services in Massachusetts are prohibited by statute from balance billing GIC Members.*

---

**Important Note about your coverage under the Affordable Care Act ("ACA"):** Under the ACA, preventive care services -- including women’s preventive health services, preventive care visits, certain prescription medications, and certain over-the-counter medications when prescribed by a licensed Provider and dispensed at a pharmacy pursuant to a prescription -- received at the Authorized Level of Benefits are covered in full. These services are listed in the following “Benefit Overview”. For more information on what services are now covered in full, please visit [https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services](https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services). You can find information about women’s preventive health services at [https://www.hrsa.gov/womensguidelines2016/index.html](https://www.hrsa.gov/womensguidelines2016/index.html).
### Outpatient Care – Office Visit Copayments

If you receive *Outpatient* care at an office visit, your *Office Visit Copayment* will vary depending on the type of *Tufts HP Provider* you see. Massachusetts *Tufts HP PCPs* and Specialists have been rated based on their participation in the Centered Care Program and their Provider group’s efficiency of performance, and then placed into three *Tiers*.

- **Massachusetts Primary Care Providers (PCPs)** -
  - PCPs may include general practitioners, family practitioners, internal medicine specialists, pediatric Primary Care Providers, physician assistants, nurse practitioners, Primary Care physicians who are also specialists, and obstetrician/gynecologists.
  - **Tier 1 (Lowest Cost-Share)**: Participates in the Centered Care Program and provides the most efficient care -- $10 *Copayment*
  - **Tier 2 (Mid-level Cost-Share)**: Participates in the Centered Care Program and provides less efficient care -- $20 *Copayment*
  - **Tier 3 (Highest Cost-Share)**: Does not participate in the Centered Care Program -- $40 *Copayment*
  - **All PCPs outside of Massachusetts** -- $20 *Copayment*

- **Massachusetts Specialists**
  - **Tier 1 (Lowest Cost-Share)**: Participates in the Centered Care Program and provides the most efficient care -- $30 *Copayment*
  - **Tier 2 (Mid-level Cost-Share)**: Participates in the Centered Care Program and provides less efficient care -- $60 *Copayment*
  - **Tier 3 (Highest Cost-Share)**: Does not participate in the Centered Care Program -- $75 *Copayment*

- **All Specialists outside of Massachusetts** -- $60 *Copayment*

- **Limited Service Medical Clinic or Free-standing Urgent Care Center** that participates in *Tufts Health Plan* -- $20 *Copayment*

**Note:** *Copayments for Urgent Care Services* at all other locations vary depending on the type of Provider (PCP vs. Specialist) you see, the location (for example, Provider’s office or Emergency room) where you receive services, and which additional diagnostic *Outpatient* services, if any, are provided during the visit. Diagnostic *Outpatient* services provided in conjunction with an *Urgent Care* visit (for example, laboratory tests, Durable Medical Equipment, etc.) may be subject to separate *Member Cost Sharing Amounts* specified in the “Benefit Overview.” For more information, please call Member Services.

For a list of *Tufts HP Providers* (including their *Tiers*, if applicable), please visit the online *Provider Directory* at [http://www.tuftshealthplan.com/gic](http://www.tuftshealthplan.com/gic).

Members are required to notify Tufts Health Plan of any admissions to Non-Tufts HP Hospitals, or that are not authorized by their Tufts HP PCP. Failure to do so may result in a $500 Notification Penalty.

(AR) – These services may require approval by an Authorized Reviewer prior to treatment for coverage at both the Authorized and Unauthorized Levels of Benefits. When you receive care from a Non-Tufts HP Provider, you are responsible for obtaining this prior approval from an Authorized Reviewer. If prior approval is not received, the Navigator Plan will not cover those services and supplies. For more information, call Member Services.

*Non-Tufts HP Providers of Medical Services in Massachusetts are prohibited by statute from balance billing GIC Members.

### Prescription Drug Plan (see Pages 108-120)

Benefits administered by Express Scripts. For information, see the “Prescription Drug Benefit” section of this Handbook, visit [http://www.express-scripts.com](http://www.express-scripts.com), or call 855-283-7679.

### Employee Assistance Program (EAP) Benefits

Employee Assistance Program (EAP) benefits are provided through Optum. You may call Optum at 844-263-1982 or visit their website at [www.liveandworkwell.com](http://www.liveandworkwell.com) (Website Access Code: Mass4You) to find information about your EAP benefits and to check on the status or ask a question about an EAP claim.
Part 2 – Plan and Benefit Information

Your Cost for Medical Services

You are responsible for paying the costs described below for Covered Services you receive at the Authorized and Unauthorized Levels of Benefits. For more information about the Covered Services subject to these costs, please see Part 5.

Authorized Level of Benefits

Covered Services are covered at the Authorized Level of Benefits only when the Covered Services are provided or authorized by your Tufts HP PCP.

If Tufts HP determines that a Covered Service is not available from a Tufts HP Provider, you may receive Covered Services at the Authorized Level of Benefits from a Non-Tufts HP Provider (with the approval of an Authorized Reviewer), up to the Reasonable Charge. You will be responsible for any charges in excess of the Reasonable Charge, except when the Covered Service is obtained from a Non-Tufts HP Provider of medical services in Massachusetts. Massachusetts law prohibits these Non-Tufts HP Providers in Massachusetts from balance billing GIC Members.

Copayments

- Emergency Care: Emergency room (waived if admitted) ................................................. $100 per visit

  Notes:
  - If you register in an Emergency room, but leave without receiving care, an Emergency room Copayment (and then the Authorized Deductible) may apply.
  - A Day Surgery Copayment may apply if Day Surgery services are received.
  - If you are admitted to an Inpatient mental health facility after being seen at the Emergency Room, please call the Tufts Health Plan Member Services Department to request that your Emergency Room Copayment be waived, or to request an adjustment of the claim.
  - If you are admitted as an Inpatient after receiving Emergency care, please call Tufts Health Plan in order to have your Emergency room Copayment waived (whether you are admitted to the same or a different Hospital from which you received Emergency care).

Authorized Level of Benefits:

- Office Visit........ $10/$20/$40 PCP Copayment, $30/$60/$75 Specialist Copayment; see Part 1
  Note: For certain diagnostic Outpatient services provided in conjunction with a preventive care visit, you may be charged an office visit Cost Sharing Amount.

- Limited Service Medical Clinic or Free-standing Urgent Care Center
  that participates in Tufts Health Plan.......................................................... $20 Copayment
  Note: Copayments for Urgent Care Services at all other locations vary depending on the type of Provider (PCP vs. Specialist) you see, the location (for example, Provider's office or Emergency room) where you receive services, and which additional diagnostic Outpatient services, if any, are provided during the visit. Diagnostic Outpatient services provided in conjunction with an Urgent Care visit (for example, laboratory tests, Durable Medical Equipment, etc.) may be subject to separate Member Cost Sharing Amounts specified in the “Benefit Overview.”

- Behavioral health/substance use disorder office visits.............. $10 Copayment; see Part 2
  Note: For behavioral health and substance use disorder telemedicine office visits with Tufts HP Providers, you have up to 3 per Contract Year that will not be subject to a Copayment. For more information on the Copayments that apply to telemedicine office visits with Tufts HP Providers, please see the “Telemedicine services” benefit in the Part 1 – Benefit Overview section.

- Inpatient Services................................................................. varies by Hospital Tier; see Part 9

- Day Surgery: $150 per admission for eye and gastrointestinal Day Surgeries at Free-standing surgical Centers; all other Day Surgeries are subject to a $250 Copayment per admission regardless of site of service

Note: Italicized words are defined in Part 8.
Your Cost for Medical Services, continued

**Authorized Level of Benefits, continued**

**Day Surgery Copayment Limit**  
*(Authorized Level of Benefits only)*  
Each individual Member is responsible for paying a limit of four Day Surgery Copayments per Contract Year. (The Contract Year runs from July 1 to the following June 30.) When you have paid four Day Surgery Copayments, no more Day Surgery Copayments will be charged in that Contract Year.

The Day Surgery Copayment Limit consists of Authorized Day Surgery Copayments only. It does not include Deductibles, Coinsurance, other Copayments, or payments you make for non-Covered Services or care received at the Unauthorized Level of Benefits.

**Inpatient Care Copayment Limit**  
*(Authorized Level of Benefits only)*  
Each individual Member is responsible for paying a limit of one Inpatient Copayment per Contract Year quarter.  
(The Contract Year quarters are: July/August/September, October/November/December, January/February/March, and April/May/June.) The Inpatient Care Copayment is waived if you are readmitted within 30 days of discharge, if both admissions are in the same Contract Year. Contact the Tufts Health Plan Member Services Department if you are billed so that we can adjust your claim.

The quarterly Inpatient Care Copayment includes only Inpatient Care Copayments at the Authorized Level of Benefits. It does not include Deductibles, Coinsurance, other Copayments, or payments you make for non-Covered Services.

**Authorized Deductible**  
A $500 individual Authorized Deductible and a $1,000 family Authorized Deductible apply each Contract Year. Your family Authorized Deductible is met once any combination of family Members reaches $1,000; no family Member will pay more than his or her individual Authorized Deductible per Contract Year.

The Authorized Deductible is the amount that you must first pay for Covered Services before the Navigator Plan will pay for certain Covered Services at the Authorized Level of Benefits. It accumulates separately from the Unauthorized Deductible under this Medical and Behavioral Health/Substance Use Disorder Plan. It also does not apply to prescription drugs or care from In-Network Behavioral Health Providers.

**Note:** The Authorized Deductible applies to: Day Surgery, Emergency room, Inpatient Hospital, and many Outpatient services, when they are received at the Authorized Level of Benefits. It also applies to all services and supplies categorized as “Other Health Services”, except for hearing aids, Personal Emergency Response Systems, scalp hair prostheses or wigs for cancer and leukemia patients, and chiropractic services (spinal manipulation). See the “Benefit Overview” in Part 1 for more information.

**Prescription Drug Deductible**  
A $100 individual Prescription Drug Deductible and a $200 family Prescription Drug Deductible apply each Contract Year. Your family Prescription Drug Deductible is met once any combination of family Members reaches $200; no family Member will pay more than his or her individual Prescription Drug Deductible per Contract Year. Your Prescription Drug Benefits are included in this Plan but administered by Express Scripts.

The Prescription Drug Deductible is the amount you must first pay for covered prescription drugs before the Navigator Plan will pay for any covered prescription drugs.

**Note:** This Prescription Drug Deductible does not apply to preventive drugs, orally-administered anti-cancer drugs, or generic buprenorphine-naloxone, naloxone, and naltrexone products. See the Prescription Drug Benefit on Pages 108-120 for more information.

**Coinsurance**  
There is no Coinsurance for most Covered Services provided by a Tufts HP Provider. Except as shown in Part 1 – Benefit Overview on Pages 14-29, the Member pays the applicable Deductible and/or Copayment for all Covered Services provided by a Tufts HP Provider. The Plan will cover the remaining charges for Covered Services.
Your Cost for Medical Services, continued

Authorized Level of Benefits, continued

Authorized Out-of-Pocket Maximum
A $5,000 individual Authorized Out-of-Pocket Maximum and a $10,000 family (two or more Members) Authorized Out-of-Pocket Maximum apply each Contract Year for Covered Services received at the Authorized Level of Benefits. The Family Out-of-Pocket Maximum includes all amounts any enrolled family Members pay toward their individual Authorized Out-of-Pocket Maximums, including the Authorized Deductible, Coinsurance, and Copayments.

Once the family Authorized Out-of-Pocket Maximum has been met, all enrolled family Members will thereafter have satisfied their individual Authorized Out-of-Pocket Maximums for the remainder of that Contract Year. Once you satisfy the Authorized Out-of-Pocket Maximum, all Covered Services you receive at the Authorized Level of Benefits are covered in full up to the Reasonable Charge for the rest of that Contract Year.

The Authorized Out-of-Pocket Maximum accumulates separately from the Unauthorized Out-of-Pocket Maximum. Your Copayments for prescription drugs and for In-Network behavioral health and substance use disorder services also count towards this Out-of-Pocket Maximum.

Note: You cannot use the following services and supplies to satisfy this Out-of-Pocket Maximum:

- Any service or supply that does not qualify as a Covered Service. This includes any services that require the approval of an Authorized Reviewer prior to treatment for which you do not obtain such approval.
- Any amount you pay for Covered Services received at the Unauthorized Level of Benefits.
Your Cost for Medical Services, continued

Unauthorized Level of Benefits

Covered Services are covered at the Unauthorized Level of Benefits when you receive them from a Tufts HP Provider without your PCP’s authorization, or from a Non-Tufts HP Provider. These Covered Services are subject to a Deductible and Coinsurance, and are covered at a lower level than Covered Services provided at the Authorized Level of Benefits.

Note: Each time you receive care at the Unauthorized Level of Benefits from a Non-Tufts HP Provider, you must submit a claim form to Tufts Health Plan. (You are not required to submit claim forms for care you receive from Tufts HP Providers.) You may be required to notify Tufts Health Plan and/or obtain prior authorization for certain Covered Services. If you do not notify Tufts Health Plan and/or obtain prior authorization for these certain Covered Services, you will incur additional costs. Please see “Inpatient Notification” on Pages 45-47 and the “Important Notes” on Page 52 for more information.

For more information, contact the Member Services Department at 800-870-9488.

Coinsurance

Except as shown in Part 1 – Benefit Overview on Pages 14-29, the Member pays 20% Coinsurance for all Covered Services provided by a Tufts HP Provider without the authorization of his or her Tufts HP PCP, or for all Covered Services provided by a Non-Tufts HP Provider. The Plan will cover the remaining charges for Covered Services, up to the Reasonable Charge. (The Member is responsible for any charges in excess of the Reasonable Charge, except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members.)

Unauthorized Deductible

A $500 individual Unauthorized Deductible and a $1,000 family Unauthorized Deductible apply each Contract Year. Your family Unauthorized Deductible is met once any combination of family Members reaches $1,000; no family Member will pay more than his or her individual Unauthorized Deductible per Contract Year.

The Unauthorized Deductible is the amount you must first pay for Covered Services before the Navigator Plan will pay for any Covered Services at the Unauthorized Level of Benefits. It applies to all Covered Services received at the Unauthorized Level of Benefits. Costs in excess of the Reasonable Charge do not count towards the Individual Deductible.

The Unauthorized Deductible accumulates separately from the Authorized Deductible under this Medical and Behavioral Health Plan.

Note: The Deductible does not apply to Outpatient Emergency care and Urgent Care you receive in a Hospital Emergency room or physician’s office; Personal Emergency Response Systems (PERS); hearing aids, scalp hair prostheses or wigs for cancer or leukemia patients; and the first pair of eyeglass lenses and/or contact lenses needed after cataract surgery. See the “Benefit Overview” in Part 1 for more information.
Your Cost for Medical Services, continued

Unauthorized Level of Benefits, continued

Unauthorized Out-of-Pocket Maximum
A $5,000 individual Unauthorized Out-of-Pocket Maximum and a $10,000 family (two or more Members) Unauthorized Out-of-Pocket Maximum apply each Contract Year for Covered Services received at the Unauthorized Level of Benefits. The Unauthorized Out-of-Pocket Maximum accumulates separately from the Authorized Out-of-Pocket Maximum. The Family Unauthorized Out-of-Pocket Maximum includes all amounts any enrolled family Members pay towards their individual Unauthorized Out-of-Pocket Maximum, including the Unauthorized Deductible and Coinsurance.

Once the family Unauthorized Out-of-Pocket Maximum has been met, all enrolled family Members will thereafter have satisfied their individual Unauthorized Out-of-Pocket Maximums for the remainder of that Contract Year. Once you satisfy the Unauthorized Out-of-Pocket Maximum, all Covered Services received at the Unauthorized Level of Benefits are covered in full up to the Reasonable Charge for the rest of that Contract Year. (You continue to pay for any costs in excess of the Reasonable Charge, except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members.)

The Unauthorized Out-of-Pocket Maximum accumulates separately from the Authorized Out-of-Pocket Maximum.

Note: You cannot use the following services and supplies to satisfy the Unauthorized Out-of-Pocket Maximum:

- Any service or supply that does not qualify as a Covered Service, including any services that require approval from an Authorized Reviewer prior to treatment and for which approval was not received.
- Charges that exceed the Reasonable Charge for services received at the Unauthorized Level of Benefits.
- Any amount paid for prescription drugs.
- Any amount paid as a Notification Penalty or any other reduction or denial of benefits due to failure to notify Tufts Health Plan as required under the Navigator Plan (see Page 34 for more information).
- Any Copayment or other amount paid for Covered Services received at the Authorized Level of Benefits.

Notification Penalty
You must pay the Notification Penalty listed below for failure to notify Tufts Health Plan of a hospitalization or Hospital transfer in accordance with Part 3.

- Authorized Level of Benefits:
  There is no Notification Penalty for a hospitalization at a Tufts HP Hospital or a Hospital transfer to a Tufts HP Hospital. Your Tufts HP Provider will notify Tufts Health Plan of the procedure for you.

- Unauthorized Level of Benefits:
  You must pay a $500 Notification Penalty for failure to notify Tufts Health Plan of a hospitalization or Hospital transfer when (1) the hospitalization or transfer is not authorized by your Tufts HP PCP, or (2) the hospitalization is at or the transfer is to a Hospital that is not a Tufts HP Hospital, in accordance with Part 3. For more information, please see “Inpatient Notification” in Part 3—How Your Health Plan Works (Pages 45-47).

Note: This Notification Penalty cannot be used to meet the Deductibles or Out-of-Pocket Maximums described earlier in this section.
Part 3 – How Your Health Plan Works

How the Plan Works

Eligibility for Benefits
When you need health care services, you may choose to obtain these services either from or authorized by your Tufts HP PCP (Authorized Level of Benefits) or from any health care Provider without your PCP’s authorization (Unauthorized Level of Benefits). Your choice will determine the level of benefits you receive for your health care services.

The Plan covers only the services and supplies described as Covered Services in Part 5. There are no pre-existing condition limitations under this Plan. You are eligible to use your benefits as of your Effective Date.

Behavioral health and substance use disorder services have different requirements. Please see “Inpatient Behavioral Health and Substance Use Disorder Services” in Part 3, and the “Behavioral Health and Substance Use Disorder Services” section in Part 5 for more information.

In accordance with federal law (45 CFR § 148.180), Tufts Health Plan does not:
- Adjust premiums based on genetic information;
- Request or require genetic testing; or
- Collect genetic information from individuals prior to, or in connection with enrollment in a Plan, or at any time for underwriting purposes.

Medically Necessary services and supplies
The Plan will pay for Covered Services and supplies when they are Medically Necessary, as determined by Tufts Health Plan. Covered Services must be provided or authorized by your Tufts HP PCP to be covered at the Authorized Level of Benefits. Covered Services obtained from any other health care Provider without your PCP’s authorization will be covered at the Unauthorized Level of Benefits.

Important: The Navigator Plan will not pay for services or supplies which are not Covered Services, even if they are provided by your Tufts HP PCP, a Tufts HP Provider, or any other Provider.

Authorized Level of Benefits

Outpatient Care
Each Member must choose a Primary Care Provider (PCP) in order to receive care at the Authorized Level of Benefits. The PCP is responsible for providing or authorizing all of your health care services at the Authorized Level of Benefits. Except for Emergency care, if you do not choose a PCP, or if you receive care from any Provider without the authorization of your PCP, this care will be covered at the Unauthorized Level of Benefits.

If your care is provided or authorized by your Tufts HP PCP, or if you seek care at a Limited Service Medical Clinic or Free-standing Urgent Care Center that participates with Tufts Health Plan, you are entitled to coverage for Covered Services at the Authorized Level of Benefits. For Behavioral Health services, you must obtain approval from a Tufts Health Plan Behavioral Health Authorized Reviewer.

When a Tufts HP Provider provides your care, you do not have to submit any claim forms. The claim forms are submitted to Tufts Health Plan by the Tufts HP Provider.

You will be required to pay a Copayment for certain Covered Services you receive at the Authorized Level of Benefits. For more information about your Copayments, please see “Benefit Overview” and “Plan and Benefit Information” earlier in this Member Handbook. In order to obtain coverage at the Authorized Level of Benefits, you must live in or near the Service Area so that you can access Tufts HP Providers. Otherwise, your coverage will be at the Unauthorized Level of Benefits.

Note: Italicized words are defined in Part 8.
Authorized Level of Benefits, Outpatient Care, continued

If your PCP cannot provide the services you need, he or she will refer you to another Tufts HP Provider. If the services you need are not available from any Tufts HP Providers, your PCP, after obtaining approval from an Authorized Reviewer, will refer you to a Provider not affiliated with Tufts HP. You will be covered at the Authorized Level of Benefits for these services. The Plan will pay up to the Reasonable Charge for these services. You will be responsible for any charges in excess of the Reasonable Charge (as well as any applicable Cost-Sharing Amount), except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members. You may receive a bill for these services. If you do receive a bill, please call Member Services or see “Bills from Providers” in Part 6 for more information on what to do if you receive a bill.

Your PCP is responsible for completing a referral form and sending it to the specialist prior to your visit for specialty care. In order to expedite matters, sometimes your PCP will give you the referral form to deliver to the specialist. Your PCP must authorize, in advance, any referral that a specialist may make to another Provider. A PCP may authorize a standing referral for specialty health care provided by a Tufts HP Provider.

Note: A referral to a specialist must be obtained from your PCP before you receive any Covered Services from that specialist. If you do not obtain a referral prior to receiving services, the services will be covered at the Unauthorized Level of Benefits.

Selecting a PCP
In order to receive coverage at the Authorized Level of Benefits, you must select a PCP. Tufts HP must receive notice of your selection. PCPs provide routine health care (including routine physical examinations), coordinate your care with other Tufts HP Providers and authorize referrals for other Covered Services. PCPs are doctors of internal medicine, family/general practice or pediatrics, physician assistants, or nurse practitioners.

At the time you enroll, you can select a PCP from among those listed in the Directory of Health Care Providers. Each family member may choose a different PCP to manage his or her care. You should choose a PCP who is at a location convenient to you. Once you have chosen a PCP who is part of the Tufts HP network, you must inform Tufts HP of your choice in order to be eligible for all Covered Services. If you have difficulty or need assistance in choosing a PCP, call the Tufts HP Member Services Department.

If you do not select a PCP at the time you fill out the Member application form, you can do so at any time by finding one in the Directory of Health Care Providers and reporting your choice to the Tufts HP Member Services Department.

You do not need to select a PCP in order to receive coverage at the Authorized Level of Benefits for Inpatient mental health and Inpatient substance use disorder services. You will receive coverage for these services as long as the services are provided by a Tufts HP Hospital. See “Inpatient Behavioral Health and Substance Use Disorder Services” below in this Part 3.

Notes:

- Under certain circumstances required by law, if your Provider is not in the Tufts HP network, you will be covered for a short period of time for services provided by that Provider. A Member Representative can give you more information. Please see “Continuity of Care” later in this chapter for more information.

- For additional information about a PCP or specialist, contact the Massachusetts Board of Registration in Medicine at 800-377-0550 or http://www.mass.gov/massmedboard. The Board of Registration provides information about physicians licensed to practice in Massachusetts.

Changing Your PCP
In order to change your PCP, select a new PCP from the Directory of Health Care Providers and report your selection to the Tufts HP Member Services Department. Your new PCP is not considered your PCP until you have reported your selection to the Tufts HP Member Services Department.

Canceling Appointments
The Plan will not pay for missed appointments which you did not cancel in advance (usually at least 24 hours). If the Tufts HP Provider’s office policy is to charge for missed appointments that were not canceled in advance, you will have to pay the charges.
Changes to Tufts HP Provider network

Tufts HP offers Members an extensive network of physicians, Hospitals, and other Providers throughout the Service Area. Although Tufts HP works to ensure the continued availability of Tufts HP Providers, our network of Providers may change during the year.

This can happen for many reasons, including a Provider’s retirement, the Provider’s moving out of the Service Area, or his or her failure to continue to meet Tufts HP’s credentialing standards. This can also happen if Tufts HP and the Provider are unable to reach agreement on a contract.

If you have any questions about the availability of a Provider, please call Member Services.

When Referrals are Not Required at the Authorized Level of Benefits

The following Covered Services do not require a referral from your Primary Care Provider. In order to obtain coverage at the Authorized Level of Benefits, you must obtain these services from a Tufts HP Provider except: (1) as listed in this chapter, (2) as described in Part 5 (Covered Services), (3) for Emergency care, or (4) for Urgent Care services provided outside the Service Area.

- Urgent Care within the Service Area, when received from your PCP in an Emergency room, or a Limited Service Medical Clinic or Freestanding Urgent Care Center that participates with Tufts Health Plan.

**IMPORTANT NOTE:** A referral is required for coverage at the Authorized Level of Benefits for services received at a Limited Service Medical Clinic or Urgent Care Center that is not affiliated with Tufts Health Plan. Additionally, services received in a Provider’s office or Hospital-based walk-in clinic require a Primary Care Provider referral for coverage at the Authorized Level of Benefits. This includes services provided by both Tufts HP Providers and Non-Tufts HP Providers.

- Telemedicine services, when receipted from the Tufts Health Plan designated telemedicine vendor.

- Mammograms at the following intervals:
  - One baseline at 35-39 years of age
  - One every year at age 40 and older
  - As otherwise Medically Necessary

- Care in a Limited Service Medical Clinic, if available

- Pregnancy terminations (Abortion)

- Routine eye exams

- Medical treatment provided by an optometrist

- Outpatient behavioral health/substance use disorder services

- Telehealth services

- Dental surgery, orthodontic treatment and management, or preventive and restorative dentistry, when provided for the treatment of cleft lip or cleft palate for Children under age 18

- Oral surgery

- Chiropractic services (spinal manipulation)

- The following specialty care provided by a Tufts HP Provider who is an obstetrician, gynecologist, certified nurse midwife or family practitioner:
  - Maternity care
  - Medically Necessary evaluations and related health care services for acute or Emergency gynecological conditions
  - Routine annual gynecological exam, including any Medically Necessary follow-up obstetric or gynecological care as a result of that exam

Inpatient Care

At the Authorized Level of Benefits, the Navigator Plan has three different Copayment Levels for Inpatient Hospital stays at Tufts HP Hospitals. Copayments vary based on which Hospital you choose. If you are admitted as an Inpatient, you or someone acting on your behalf must notify your PCP or Tufts HP of the admission within 48 hours in order for the services to be covered at the Authorized Level of Benefits. Part 9 provides a list of the Tufts HP Hospitals and their Copayment Tiers.
Authorized Level of Benefits, Outpatient Care, continued

In addition, there are other services that are not included under these Copayment Levels. These include Day Surgery; Inpatient and intermediate behavioral health and substance use disorder services; certain care for newborn Children; and rehabilitation, extended care, and skilled nursing services at a skilled nursing facility, rehabilitation Hospital, or chronic care facility. For information about your costs and limits for these services, please see “Benefit Overview” and Part 9 in this Member Handbook.

Note: Inpatient Hospital Copayments are based on their participation in the Centered Care program and their efficiency of performance.

Non-Tiered Services
Covered transplant services for Members at the Authorized Level of Benefits at Tufts Health Plan’s designated transplant network are not grouped in a Copayment Level. These services are subject to a $275 Copayment per admission. Any additional Inpatient admission to a Tufts HP Hospital for Covered Services related to the transplant procedure(s) is subject to the applicable Inpatient Hospital Copayment in the “Navigator Inpatient Hospital Copayment List.” Please see Part 9 – Navigator Plan Inpatient Hospital Copayment Levels, (Pages 102-107) of this Navigator Member Handbook for those Copayment amounts in effect as of July 1, 2021.

Inpatient Notification for services authorized by your PCP
As long as your Inpatient admission or procedure is authorized by your Tufts HP PCP, you are not responsible for notifying Tufts Health Plan about the admission or procedure. Your Tufts HP Provider will notify Tufts Health Plan about the admission or procedure for you. See “Inpatient Notification” on Pages 45-47 for more information.

Covered Services Not Available from a Tufts HP Provider
If Tufts Health Plan determines that a Covered Service is not available from a Tufts HP Provider, with Tufts Health Plan’s prior approval, you may go to a Non-Tufts HP Provider and receive Covered Services at the Authorized Level of Benefits up to the Reasonable Charge. You are responsible for any charges in excess of the Reasonable Charge, except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members.

Unauthorized Level of Benefits

Unauthorized Level of Benefits
If your care is not provided or authorized by your Tufts HP PCP, Covered Services will be covered at the Unauthorized Level of Benefits.

Note: Please see the “Urgent Care” section later in this chapter for coverage information regarding Urgent Care services with Non-Tufts HP Providers.

If you choose to obtain care at the Unauthorized Level of Benefits, (or if you have not chosen a PCP), you pay a Deductible and Coinsurance for certain Covered Services. The Member is responsible for any charges in excess of the Reasonable Charge, except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members. For more information about your Member costs for medical services, see “Plan and Benefit Information” at the front of this Member Handbook.

Please note that you must submit a claim form for each service that is not authorized or provided by your Tufts HP PCP. For information on filing claim forms, see Page 81.

Inpatient Notification by You
If you receive Inpatient services that were not authorized by your Tufts HP PCP, you must notify Tufts Health Plan of these services within 48 hours of seeking or receiving care. If you do not notify Tufts Health Plan, you will be subject to a Notification Penalty. See “Inpatient Notification” in Part 2 for more information.

Covered Services outside of the 50 United States
Emergency care services provided to you outside of the 50 United States qualify as Covered Services. In addition, Urgent Care services provided to you while traveling outside of the 50 United States also qualify as Covered Services. However, any other service, supply or medication provided to you outside of the 50 United States is excluded under this Plan.

Note: Services provided in U.S. territories are considered to be provided outside of the United States.
Continuity of Care

If you are an existing Member
If your Provider is involuntarily disenrolled from Tufts Health Plan for reasons other than quality or fraud, you may continue to see your Provider to obtain Covered Services at the Authorized Level of Benefits in the following circumstances:

- Pregnancy: If you are in your second or third trimester of pregnancy, you may continue to see your Provider through your first postpartum visit
- Terminal Illness: If you are terminally ill (having a life expectancy of 6 months or less), you may continue to see your Provider as long as necessary

If your PCP disenrolls, Tufts HP will provide you notice at least 30 days in advance. If the disenrollment is for reasons other than quality or fraud, you may continue to see your PCP for up to 30 days after the disenrollment.

To choose a new PCP, call Member Services at 800-870-9488 or visit http://www.tuftshealthplan.com/gic. The Member Representative will help you to select one from the Tufts Health Plan Directory of Health Care Providers. You can also visit the Tufts Health Plan website at http://www.tuftshealthplan.com to choose a PCP.

If you are enrolling as a new Member
If your Provider is not included in one of the Group Insurance Commission’s Health Plans at the time of your enrollment as a new Member, you may continue to see him or her if:

- Undergoing Treatment: If you are undergoing a course of treatment, you may continue to see your Provider for Covered Services for up to 30 days from your Effective Date and receive the Covered Services at the Authorized Level of Benefits.
- Pregnancy: If you are in your second or third trimester of pregnancy, you may continue to see your Provider to obtain Covered Services at the Authorized Level of Benefits through your first postpartum visit.
- Terminal Illness: If you are terminally ill, you may continue to see your Provider to obtain Covered Services at the Authorized Level of Benefits as long as necessary.

Conditions for coverage of continued treatment
As a condition for continued coverage of Covered Services at the Authorized Level of Benefits, Tufts Health Plan may require your Provider to agree to:

- Accept reimbursement from Tufts Health Plan at the rates applicable prior to notice of disenrollment as payment in full, and not to impose Member Cost-Sharing in an amount exceeding the Cost-Sharing that could have been imposed prior to the Provider’s disenrollment
- Adhere to the quality assurance standards of Tufts Health Plan and to provide Tufts HP with any necessary medical information
- Adhere to Tufts Health Plan’s policies and procedures, including those regarding referrals, prior authorization, and providing services pursuant to a treatment plan approved by Tufts HP
Inpatient Behavioral Health and Substance Use Disorder Services

Authorized Level of Benefits: If you require Inpatient or intermediate behavioral health or substance use disorder services and wish to receive coverage for these services at the Authorized Level of Benefits, you may go to any Tufts HP Hospital. There is no need to contact your PCP first. Simply call or go directly to any Tufts HP Hospital. Identify yourself as a Tufts Health Plan Member. You are not responsible for notifying Tufts Health Plan of your admission at a Tufts HP Hospital.

Unauthorized Level of Benefits: If you wish to receive Inpatient or intermediate behavioral health or substance use disorder services at a facility that is not a Tufts HP Hospital, your coverage will be at the Unauthorized Level of Benefits. This is the case even if your PCP authorizes your care at a Non-Tufts HP Hospital. Inpatient or intermediate behavioral health or substance use disorder services not provided by a Tufts HP Hospital will only be covered at the Unauthorized Level of Benefits. Coverage at the Unauthorized Level of Benefits means that you pay a Deductible and Coinsurance (as well as any charges in excess of the Reasonable Charge) and are responsible for notifying Tufts Health Plan of your admission. In order to receive care for Inpatient or intermediate behavioral health or substance use disorder services at the Unauthorized Level of Benefits, you must receive authorization from an Authorized Reviewer. Please call the Tufts Health Plan Behavioral Health Department at 1-800-870-9488 for more information on how to receive this authorization.

Emergency Admission to a non-Tufts HP Hospital
If you are admitted in an Emergency to a non-Tufts HP Hospital, you will be covered at the Authorized Level of Benefits as long as you notify us within 48 hours of the admission. Once it is determined that transfer to a Tufts HP Hospital is medically appropriate, you will be transferred to a Tufts HP Hospital. If you choose not to accept the transfer and to remain at the non-Tufts HP Hospital, then your coverage as of that time will revert to the Unauthorized Level of Benefits.

Emergency Care

To Receive Emergency Care
If you are experiencing an Emergency, you should seek care at the nearest Emergency facility. If needed, call 911 for Emergency medical assistance. If 911 services are not available in your area, call the local number for Emergency medical services.

Outpatient Emergency Care
If you receive Emergency services but are not admitted as an Inpatient, the services will be covered at the Authorized Level of Benefits. You will be required to pay a Copayment, then the Deductible for each Emergency room visit.

If you receive Emergency Covered Services from a Non-Tufts HP Provider, the Plan will pay up to the Reasonable Charge. You pay the applicable Copayment, then the Authorized Deductible. You also pay any charges in excess of the Reasonable Charge (except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts). Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members. You may receive a bill for these services. If you receive a bill, call Member Services or see “Bills from Providers” for more information on what to do if you receive a bill.

Note: You or someone acting for you must call your PCP or Tufts HP within 48 hours of receiving care. You are encouraged to contact your PCP so he or she can provide or arrange for any follow-up care that you may need.
Emergency Care, continued

Inpatient Emergency Care
If you receive Emergency services and are admitted as an Inpatient (in either a Tufts HP Hospital or a non-Tufts HP Hospital), you or someone acting for you must notify your Tufts HP PCP within 48 hours of seeking care in order to be covered at the Authorized Level of Benefits. (Notification from the attending physician satisfies this requirement.) Otherwise, coverage for these services will be provided at the Unauthorized Level of Benefits.

Also, if you are admitted as an Inpatient to a Hospital that is not a Tufts HP Hospital after receiving Emergency care, that admission will be subject to Inpatient Copayment Tier 1 (a $275 Copayment per admission). In addition, you or someone acting for you must notify your PCP of the admission within 48 hours after you are admitted for Inpatient Emergency care or you will be charged a $500 Notification Penalty. Inpatient Notification guidelines are described on Pages 45-47.

In addition, if you are admitted to a facility which is not a Tufts HP Hospital, and your PCP determines that transfer is medically appropriate, he/she may transfer you to a Tufts HP Hospital or another appropriate facility. If you choose to remain in the facility to which you were originally admitted after your PCP has determined that transfer is medically appropriate, coverage for your Inpatient stay will revert to the Unauthorized Level of Benefits.

Urgent Care
Definition of Urgent Care: See Part 8 (Terms and Definitions)
Follow these guidelines for receiving Urgent Care

</tbody>
</table>

If you are in the Service Area
You may seek Urgent Care: in a Provider’s office; in an Emergency room; in a Hospital-based Outpatient walk-in clinic; in a Limited Service Medical Clinic; or at a Free-standing Urgent Care Center.

Urgent Care services provided within the Service Area by a Tufts HP Provider are covered at the Authorized Level of Benefits.

Urgent Care services received within the Service Area are covered at the Unauthorized Level of Benefits if provided in a Non-Tufts HP Provider’s office, from a Non-Tufts HP Provider in a Hospital-based Outpatient walk-in clinic, or from a Limited Service Medical Clinic or Free-standing Urgent Care Center that is not affiliated with Tufts Health Plan.

If you are outside the Service Area
You may seek Urgent Care in a Provider’s office, a Limited Service Medical Clinic, a Free-standing Urgent Care Center, a Hospital-based Outpatient walk-in clinic, or the Emergency room.

Urgent Care services provided outside of the Service Area are covered at the In-Network Level of Benefits.
Financial Arrangements between Tufts Health Plan and Tufts HP Providers

Methods of payment to Tufts HP Providers

Tufts Health Plan’s goal in compensating Providers is to encourage preventive care and active management of illnesses. Tufts Health Plan strives to be sure that the financial reimbursement system we use encourages appropriate access to care and rewards Providers for taking the best care of our Members. Tufts Health Plan uses a variety of mutually agreed upon methods to compensate Tufts HP Providers.

The Directory of Health Care Providers indicates the method of payment for each Provider. Regardless of the method of payment, Tufts Health Plan expects all participating Providers to use sound medical judgment when providing care and when determining whether a referral for specialty care is appropriate. This approach encourages the provision of Medically Necessary care and reduces the number of unnecessary medical tests and procedures, which can be both harmful and costly to Members.

Tufts Health Plan reviews the quality of care provided to Members through its Quality of Health Care Program. You should feel free to ask your Provider specific questions about how he or she is paid.

Member Identification Card

The Plan gives each Member a Member Identification Card (Member ID Card). Your Member ID Card identifies your health care Plan and your individual Member Identification Number.

When you receive your Member ID Card, check it carefully. If any information is incorrect, call Member Services at 800-870-9488.

Please remember to carry your card with you at all times and bring it to your medical appointments. When you receive services, you must tell the office staff that you are a Navigator Member.

**Note:** If you do not identify yourself as a Member, and, as a result, your PCP and/or the Plan does not manage your care, then the Plan may not pay for the services provided. If this occurs, the Covered Services you receive from that Tufts HP Provider may be covered at the Unauthorized Level of Benefits.
Utilization Management
The purpose of the Tufts HP utilization management program is to evaluate whether health care services provided to Members are Medically Necessary and provided in the most appropriate and efficient manner.

Medical Necessity Guidelines are:
- based on current literature review;
- developed with input from practicing Providers in the Service Area;
- developed in accordance with the standards adopted by government agencies and national accreditation organizations;
- updated annually or more often as new treatments, applications, and technologies are adopted as generally accepted professional medical practice; and
- scientific evidence-based, if practicable.

Tufts Health Plan considers these guidelines as well as the Member's individual health care needs to evaluate on a case-by-case basis if a service or supply is Medically Necessary.

Under this program, Tufts Health Plan sometimes uses prospective, concurrent, and retrospective review of health care services.

<table>
<thead>
<tr>
<th>Type of Review</th>
<th>Timeframe for Determinations</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prospective (Pre-service)</td>
<td>Tufts Health Plan determines whether the proposed treatment is Medically Necessary</td>
</tr>
<tr>
<td></td>
<td>Within two (2) working days of receiving all necessary information, but no later than 15 days from receipt of the request</td>
</tr>
<tr>

</tr>
<tr>
<td></td>
<td>30 days</td>
</tr>
<tr>
<td>Urgent Care Review</td>
<td>72 hours</td>
</tr>
</tbody>
</table>

Utilization review helps Members in the following ways:
- Prospective and concurrent reviews let Members know if proposed health care services are Medically Necessary and covered under their plan. This allows Members to make informed decisions about their care.
- Utilization review can enhance the quality of care and convenience for the Member by evaluating if treatment is Medically Necessary and the most appropriate for the Member.
- By evaluating treatment cost effectiveness, Member Cost Sharing Amounts may be reduced.
- Helping to control overall plan costs plays an important part in making sure health care plans continue to be affordable.

If your request for coverage is denied, you have the right to file an appeal. See Part 6 for information on how to file an appeal.

Tufts HP makes coverage determinations. You and your Provider make all treatment decisions.

Note: Members can call Tufts Health Plan at 1-800-870-9488 to determine the status or outcome of utilization review decisions.
Care Management

Some Members with severe illnesses or injuries may warrant care management intervention under Tufts Health Plan’s case management program.

Severe illness and injuries may include, but are not limited to, the following:

- High-risk pregnancy and newborn Children
- Serious heart or lung disease
- Cancer
- Certain neurological diseases
- AIDS or other immune system diseases
- Severe traumatic injury

Under this program, Tufts Health Plan:

- Encourages the use of the most appropriate and cost-effective treatment
- Supports the Member’s treatment and progress

If a Member is identified by Tufts Health Plan as an appropriate candidate for care management or is referred to the program, Tufts HP may contact Members and their Providers to:

- Discuss a treatment plan
- Established prioritized goals
- Explore potential alternative services or supplies

Members and their Tufts HP Providers will be contacted if Tufts Health Plan identifies alternatives to the Member’s current treatment plan that qualify as Covered Services, are cost effective, and are appropriate for the Member.

Individual case management (ICM)

In certain circumstances, Tufts Health Plan may authorize an individual case management (“ICM”) plan for a Member with severe illnesses or injuries. The goal of the ICM plan is to identify and arrange for the most appropriate type, level, and setting of health care services and supplies for the Member.

Under the ICM plan, Tufts Health Plan may authorize coverage for alternative services and supplies that do not otherwise constitute Covered Services for that Member. This will occur only if Tufts Health Plan, at its sole discretion, determines that all of the following conditions are satisfied:

- The Member’s condition is expected to require medical treatment for an extended duration
- The alternative services and supplies are:
  - Medically Necessary
  - Provided directly to the Member with the condition
  - In place of more expensive treatment that is a Covered Service
- The Member and an Authorized Reviewer agree to the alternative treatment program
- The Member continues to show improvement in his or her condition, as determined periodically by an Authorized Reviewer

When Tufts Health Plan authorizes an ICM plan, the Covered Service that the ICM plan will replace will also be indicated. The benefit available for the ICM plan will be limited to the benefit that the Member otherwise would have received for the Covered Service.

Tufts Health Plan will periodically monitor the appropriateness of the alternative services and supplies provided to the Member. If, at any time, these services and supplies fail to satisfy any of the conditions described above, the Plan may modify or terminate coverage for the services or supplies provided under the ICM plan.

**Authorized Reviewer Approval**

Certain **Covered Services** require prior approval from an **Authorized Reviewer**. These services are identified by **(AR)** in the “Benefit Overview”.

If you receive these services from or authorized by your **Tufts HP PCP**, your **PCP** is responsible for obtaining approval from an **Authorized Reviewer**.

If your services are not provided or authorized by your **Tufts HP PCP**, you are responsible for obtaining prior approval from an **Authorized Reviewer**. If you fail to obtain prior approval, the Navigator **Plan** will not cover those services and supplies. In addition, if you receive services that **Tufts HP** determines are not **Covered Services**, you will be responsible for the cost of those services.

For more information about how to obtain this prior approval, please call **Member Services** at 800-870-9488.

If a request for coverage is denied, you have a right to appeal. Please see **Part 6 – How to File a Claim and the Member Satisfaction Process** (Pages 81-86) for information on how to file an appeal.

| Services that you receive in an **Emergency** do not require prior approval from an **Authorized Reviewer**. |

**Inpatient Notification (formerly known as Pre-registration)**

**Inpatient Notification**

**Inpatient Notification** is a process that makes **Tufts Health Plan** aware of all **Inpatient Hospital** admissions and transfers to another **Hospital**. We will evaluate the anticipated **Hospital** stay, and, in certain cases, will also:

- Evaluate your proposed medical care
- Verify whether that care is **Medically Necessary**
- Assess the need for a care management program after discharge
- Recommend an alternative treatment setting

**Important note about Inpatient Notification:**

The **Inpatient Notification** to **Tufts Health Plan** by your **Provider** does not guarantee that the **Plan** will cover the health care services you receive. Even if **Tufts Health Plan** is notified of an **Inpatient** admission or **Hospital** transfer, the **Plan** is not obligated to cover any services or supplies for any person who:

- Fails to meet eligibility rules
- Receives services or supplies that are not **Covered Services**
- Receives care that is not **Medically Necessary**, as determined by **Tufts Health Plan**

**When Covered Services are Authorized by your Tufts HP PCP**

When your **Tufts HP PCP** (or in the case of **Inpatient** behavioral health or Inpatient substance use disorders, a **Tufts HP Hospital**) is directing your care, he or she is responsible for notifying **Tufts Health Plan** of your **Inpatient** admission or transfer. In this case, you do not need to notify us of the admission or transfer.
Inpatient Notification, continued

When Covered Services are not Authorized by your Tufts HP PCP
When your care is not authorized by your Tufts HP PCP (or, when you receive care for Inpatient behavioral health or Inpatient substance use disorders at a non-Tufts HP Hospital), you, the Member, are responsible to notify Tufts Health Plan of any Inpatient admission or transfer.

Important: If you do not notify Tufts Health Plan, you will be required to pay a $500 Notification Penalty for the care you receive in addition to the Deductible and Coinsurance. Please carefully read the following description of the Inpatient Notification process that you must complete when your Tufts HP PCP is not directing your care. For more information about coverage for Inpatient behavioral health and substance use disorder services, see “Inpatient Behavioral Health and Substance Use Disorder Services” earlier in this chapter.

How to Notify Tufts Health Plan of a Hospital Admission or Transfer
You must call the Member Services Department at 800-870-9488 to report your Hospital admission or transfer.

You, or someone acting on your behalf, will need to provide the following information:
- The patient name, address, and phone numbers (work and home)
- The Member’s Identification number (from your Member ID)
- The admitting physician’s name, address, and phone number
- The admitting Hospital’s name, address, and phone number
- The Member’s diagnosis and proposed procedure
- The proposed admission and discharge dates

When to notify Tufts Health Plan
You must notify Tufts Health Plan of the following services within the following time limits:

For elective Hospital admissions or transfers - You must notify Tufts Health Plan at least seven (7) days prior to hospitalization or transfer. After you notify us, we will consult with your physician and then:
- Notify you or your physician of the determination of the admission, including the anticipated Hospital stay; or
- Recommend alternative treatment settings.

For urgent or emergent admissions – For an urgent admission, you must notify Tufts Health Plan as soon as possible, but no later than one business day after the admission. An urgent admission is one which requires prompt medical intervention but one in which there is a reasonable opportunity to notify Tufts Health Plan prior to, or at the time of, admission. Notification for an Emergency admission should be completed within one business day following the admission. For a definition of Emergency, see Appendix A.

For delivery of a newborn Child - Notification to Tufts Health Plan for delivery of your newborn Child should occur within 30 days of your due-date.

For Inpatient Hospital care for a newborn Child - You must immediately notify Tufts Health Plan of the Hospital stay of your newborn Child, if the newborn Child remains a Hospital Inpatient for more than 48 hours after birth (following a vaginal delivery) or 96 hours after birth (following a cesarean delivery), and his or her care is not provided or authorized by his or her Tufts HP PCP.

Note: If your newborn Child is a Hospital Inpatient for less than 48 hours after birth, you do not need to pre-register Inpatient Hospital care for that Child.
Inpatient Notification, continued

Notification Penalty
You must notify Tufts Health Plan of your Inpatient Hospital admission or a transfer for care that is not authorized by your Tufts HP PCP, as described above. If you fail to meet any of the Inpatient Notification requirements described in this Part 3, you must pay a $500 Notification Penalty. This Notification Penalty is in addition to any Deductible and Coinsurance that you are required to pay for that care.

After you notify Tufts Health Plan of a Hospital admission
After you call with the required information, your physician or the Hospital will be notified of the decision made by Tufts Health Plan.

Changes to Hospital admission information
Notification of your Hospital admission is valid only for the diagnosis, procedure, admission date, and medical facility specified at the time of the Notification. You must notify Tufts Health Plan about any delays, changes, or cancellations of your proposed Hospital admission.

A separate Notification to Tufts Health Plan must be obtained for:
- A new date for your Hospital admission
- Readmission or a new admission as a Hospital Inpatient
- Transfer to another facility

Important Note: You must notify Tufts Health Plan about these changes before your Hospital admission begins. If you fail to do this, you will be required to pay a $500 Notification Penalty for that admission.

Extending Inpatient Hospital Care
You or someone acting for you (for example, your physician) may contact Tufts Health Plan to request an extension of your Inpatient Hospital care beyond the originally determined stay. This is true whether or not your Tufts HP PCP authorized this care.

Tufts Health Plan will review your request to extend your Inpatient Hospital care. As a part of this review, your physician or Hospital may be asked to provide additional information about your medical condition. If Tufts Health Plan determines that an extension of your Inpatient Hospital care is Medically Necessary, additional Hospital days may be authorized for you.

Important Note: Tufts Health Plan may determine that your Inpatient Hospital care is no longer Medically Necessary. In this case, Tufts Health Plan will notify you that the Plan will not pay for any additional Hospital days. You will be responsible for paying all Hospital and physician charges, if you choose to remain as a Hospital Inpatient beyond the length of stay initially authorized by Tufts Health Plan.
Part 4 – Enrollment and Termination Provisions

Enrollment

When to enroll
As a Subscriber, you may enroll yourself and your eligible Dependents, if any, for this coverage. You must apply to the GIC for enrollment in the Plan. To obtain the appropriate forms, active employees should contact their GIC Coordinator, and retirees should contact the GIC.

You and your eligible Dependents, if any, may enroll for this coverage only:

- Within 10 days of your hire date as an eligible new employee
- During the Annual Enrollment Period
- Within 60 days of the date your Dependent is first eligible for this coverage

You must complete an enrollment form to enroll or add Dependents in a Family Plan. Additional documentation may be required, as follows:

- Newborns and Dependent Children (including step-Children) under age 26: copy of Hospital announcement letter (for a newborn) or the Child’s certified birth certificate
- Adopted Children: photocopy of proof of placement letter or adoption, court decree of adoption, or amended birth certificate
- Foster Children ages 19-26: photocopy of proof of placement letter or court order
- Spouses: copy of certified marriage certificate

Enrollment is subject to the provisions of Massachusetts General Laws, Chapter 32A, the GIC Rules and Regulations, and applicable federal law.

Special Enrollment Conditions
If you declined to enroll your Spouse or Dependents when first eligible, you and your eligible Dependents may be enrolled within 60 days of a qualifying status change event (“qualifying events”) or during the GIC’s Annual Enrollment Period. Qualifying events include the following:

- Your coverage under other health coverage ends involuntarily
- Your marriage or divorce
- The birth, adoption, or placement for adoption of your Dependent Child
- The employee or Dependent is eligible under a state Medicaid Plan or state Children’s health insurance program (CHIP), and the Medicaid or CHIP coverage is terminated
- The employee or Dependent becomes eligible for a premium assistance subsidy under a state Medicaid Plan or CHIP

To obtain GIC enrollment and change forms, active employees should contact the GIC Coordinator at their workplace, and retirees should contact the GIC. Enrollment and change forms are also available on the GIC’s website at https://mygiclink.force.com/GenerateDocusignPage or http://www.mass.gov/gic.

Additional Information about Newborn Children
The Plan will cover your newborn Child from birth under a Family Plan, provided the Subscriber enrolls the newborn Child within 60 days after birth.

If the Subscriber does not enroll the newborn Child within 31 days after birth, the Navigator Plan will only cover that newborn Child at birth for an initial 31-day period. During this period, the Navigator Plan will only cover Routine Nursery Care for up to 48 hours (in the case of a vaginal delivery) or up to 96 hours (in the case of a cesarean delivery).

To continue coverage for the newborn Child after this 31-day period, the Subscriber must apply to enroll the Child within 60 days after birth.

Note: Italicized words are defined in Part 8.
**Enrollment, continued**

**Handicapped Child**
Coverage may be available under a *Family Plan* for a *Handicapped Child* over the age of 26, provided that the *Child* was either mentally or physically *Handicapped* so as not to be capable of earning his or her own living before age 19. Contact the *GIC* at 617-727-2310 for an application to continue coverage for a *Handicapped Child*.

Coverage may also be available under age 26 for *Children* who become *handicapped* at age 19 or older. Contact the *GIC* for information.

**Effective Date**

**New employees**
Coverage begins on the first day of the month following 60 days or two (2) calendar months of employment, whichever comes first.

**Persons applying during an Annual Enrollment Period**
Coverage begins each year on July 1.

**Spouses and Dependents**
Coverage begins on the later of:
- The date your own coverage begins, or
- The date that the *GIC* has determined your *Spouse* or *Dependent* is eligible.

**Surviving Spouses**
Upon application, you will be notified by the *GIC* of the date your coverage begins.

**Residence in Service Area Requirement**
Every individual covered by a *Family Plan* must reside in the *Service Area* for at least 9 months of the year. Adult *Children* age 19-26 may reside outside of the *Service Area* but will be subject to the *Plan*’s coverage rules.

**Termination**

**Subscribers**
Your coverage ends on the earliest of:
- The end of the month in which you cease to be eligible for coverage
- The date of death
- The date the surviving *Spouse* (or covered former *Spouse*) remarries
- The end of the month covered by your last contribution toward the cost of coverage
- The date the *Plan* terminates
- The date a *Subscriber* becomes eligible for Medicare and retires (or is already retired). Contact the *GIC* for more information about the options to continue health care coverage in one of the *GIC*’s Medicare health *Plans*
- The date the *Subscriber* moves out of the *Service Area*. In order to remain enrolled in the Navigator *Plan*, the *Subscriber* must remain in the *Service Area* for 9 months in each calendar year

**Dependents**
A *Dependent*’s coverage ends on the earliest of:
- The date the *Subscriber*’s coverage under the *Plan* ends
- The end of the month covered by your last contribution toward the cost of coverage
- The date you become ineligible to have a *Spouse* or *Dependent* covered
- The end of the month in which the *Dependent* ceases to qualify as a *Dependent*
- The date the *Handicapped Child* marries
- The date the covered divorced *Spouse* remarries (or the date the *Subscriber* marries)
- The date of the *Spouse* or *Dependent*’s death
- The date the *Plan* terminates
- The date the *Spouse* of a retired *Subscriber* becomes eligible for Medicare. Contact the *GIC* for more information about the options to continue health care coverage in one of the *GIC*’s Medicare health *Plans*
Continuation of Coverage

Option to Continue Coverage for Dependents Age 26 and Over
Dependent Children age 26 and over are no longer eligible for coverage under this Plan. Dependents age 26 and over who are full-time students at accredited educational institutions may continue to be covered. However, you must pay 100% of the individual premium. The student must also submit an application to the GIC no later than 30 days after his or her 26th birthday. If this application is submitted late, your Dependent Child may apply during the GIC’s Annual Enrollment Period. Full-time students age 26 and over are not eligible for continued coverage if there has been a two-year break in their GIC coverage.

Continuing Coverage for Surviving Spouses and Dependent Children
In the event of the death of the Subscriber, the surviving Spouse and/or eligible Dependent Children may be able to continue coverage. For more information on eligibility for survivors and orphans, contact the GIC.

To continue coverage, you must submit an enrollment form to the GIC within 30 days of the covered employee or retiree’s death. You must also make the required contribution toward the cost of the coverage. Coverage will end on the earliest of:
- The end of the month in which the survivor dies
- The end of the month covered by your last contribution payment for coverage
- The date the coverage ends
- The date the Plan terminates
- For Dependents: the end of the month in which the Dependent would otherwise cease to qualify as a Dependent
- The date the surviving Spouse remarries

Option to Continue Coverage after a Change in Marital Status
Your former Spouse will not cease to qualify as a Dependent under the Plan solely because a judgment of divorce or separate support is granted. Massachusetts law presumes that he or she continues to qualify as a Dependent, unless the divorce judgment states otherwise.

If you get divorced, you must notify the GIC within 60 days and send the GIC a copy of the following sections of your divorce decree: Divorce Absolute Date, Signature Page, and Health Insurance Provisions. If you or your former Spouse remarries, you must also notify the GIC. If you fail to report a divorce or remarriage, Tufts Health Plan and the GIC have the right to seek recovery of health claims paid or premiums owed for your former Spouse.

Under M.G.L. Ch. 32A as amended and the GIC’s regulations, your former Spouse will no longer qualify as a Dependent after the earliest of these dates:
- The end of the period in which the judgment states he or she must remain eligible for coverage
- The end of the month covered by the last contribution toward the cost of coverage
- The date he or she remarries
- The date you remarry. If your former Spouse is covered as a Dependent on your remarriage date, and the divorce judgment gives him or her the right to continue coverage, coverage will be available at full premium cost (as determined by the GIC) under a divorced Spouse rider. Alternatively, your former Spouse may enroll in COBRA coverage

Family Members of Subscribers Enrolled in Medicare
When a retired Subscriber turns 65 years of age and becomes eligible to enroll in the Medicare Program (Parts A and B), the Subscriber’s family Members who are under age 65 may stay on the Plan provided that the Subscriber enrolls in one of the GIC’s Medicare Plans.

COBRA Coverage
The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) is a federal law under which certain former employees, retirees, Spouses, former Spouses and Dependent Children have the right to temporarily continue their existing group health coverage at group rates when group coverage otherwise would end due to certain life events, called “Qualifying Events”. If you elect COBRA coverage, you are entitled to the same coverage being provided under the GIC’s Plan to similarly situated employees or Dependents. The GIC administers COBRA coverage.

For more information about COBRA coverage, please see Group Insurance Commission Notices on Pages 121-138.
Continuation of Coverage, continued

Coverage under an Individual Contract
Under certain circumstances, a person whose Group Insurance Commission coverage is ending has the option to convert to an Individual Contract. Please note that conversion to non-group health coverage may offer fewer comprehensive benefits and higher Member Cost-Sharing than either COBRA coverage or Plans offered under the Health Insurance Marketplaces in many states.

If you live in Massachusetts
If your Group Insurance Commission coverage ends, you may be eligible to enroll in coverage under an Individual Contract offered either directly by Tufts Health Plan or through the Massachusetts Health Insurance Connector Authority (“the Connector”). For more information, call Member Services or contact the Connector by phone at 877- MA-ENROLL or on its website at http://www.mahealthconnector.org.

If you live outside Massachusetts
If your Group Insurance Commission coverage ends, you are not eligible to enroll in coverage under an Individual Contract offered either directly by Tufts Health Plan or through the Massachusetts Health Insurance Connector Authority. Please contact your state insurance department for information about coverage options that are available to you in your state.

For more information
Please call Tufts Health Plan Member Services at 800-870-9488.
Part 5 – Covered Services

Covered Services

Health care services and supplies are Covered Services only if they are:

- Listed as Covered Services in this Part 5
- Medically Necessary, as determined by Tufts Health Plan
- Consistent with applicable law
- Consistent with Tufts Health Plan’s Medical Necessity Guidelines in effect at the time the services or supplies are provided. This information is available to you at https://tuftshealthplan.com/member/employer-individual-or-family-plans/tools-resources/overview or by calling Member Services at 800-870-9488
- Provided to treat an injury, illness, or pregnancy, or are preventive care services
- Obtained within the 50 United States (U.S. territories are excluded), except for Emergency or Urgent Care services while traveling
- With respect to care at the Authorized Level of Benefits: provided by or with a referral from your PCP, except for:
  - in an Emergency;
  - Urgent Care services provided outside of the Service Area;
  - Urgent Care at a Limited Service Medical Clinic or Free-standing Urgent Care Center that participates with Tufts Health Plan; and approved by an Authorized Reviewer (if applicable)

Important Notes:

- Certain Covered Services at both the Authorized and Unauthorized Levels of Benefits require prior approval from an Authorized Reviewer. (See “Benefit Overview” for the services that require prior approval.)
  - If these services are from or authorized by your Tufts HP PCP, your PCP is responsible for obtaining approval from an Authorized Reviewer.
  - If your services are not provided or authorized by your Tufts HP PCP, you are responsible for obtaining prior approval from an Authorized Reviewer. If you fail to obtain prior approval, the Navigator Plan will not cover those services and supplies. For more information about obtaining this prior approval, please call Member Services at 800-870-9488, or, for behavioral health and substance use disorder services, the Tufts Health Plan Behavioral Health Department at 1-800-870-9488.
- All claims are subject to retrospective review from an Authorized Reviewer to ensure that they are for the Covered Services described in Part 5. The Plan will only pay claims that are for Covered Services.
- Inpatient Notification: You must notify Tufts Health Plan of any Inpatient services you receive at the Unauthorized Level of Benefits. Please see “Inpatient Notification” in Part 3 – How Your Health Plan Works (Page 45) for more information.
- At the Authorized Level of Benefits: Diagnostic Outpatient services rendered in conjunction with a routine physical examination (i.e., a preventive care visit) may be subject to Cost Sharing Amounts. For example, diagnostic testing and diagnostic laboratory tests provided during a preventive care visit are covered as described under “Diagnostic testing” and “Laboratory tests.”
- For certain diagnostic Outpatient services provided in conjunction with a preventive care visit, you may be charged an Office Visit Copayment.
- For certain Outpatient services, you may be billed both a facility fee and a separate physician fee for a single episode of care if the services are provided in a hospital setting or free-standing facility. If the Cost Sharing Amount for the Outpatient service includes a Deductible or Coinsurance charge, that charge will apply to both fees. If the Cost Sharing Amount is a Copayment charge, only a singular Copayment will apply unless otherwise specified in the “Benefit Overview.”
Your Costs for Covered Services
For information about your costs (i.e., Copayments, Coinsurance, and Deductibles) for the Covered Services listed below, see Part 1 – Benefit Overview on Pages 14-29. Information about the day, dollar, and visit limits under this Plan can be found in the “Benefit Overview” and in certain Covered Services listed below.

Alternatives to Opioids for Pain Management
Please note: The Plan covers services and medications for pain management that are alternatives to opioids. Services include, but are not limited to:

- Spinal manipulation
- Physical therapy
- Nutrition counseling

To find a Provider for these services, please see our website. Click on “Find a Doctor or Hospital” to start your search. You may also call Member Services for help in finding a Provider.

Please note that prior approval for these services may be required. Please see the “Benefit Overview” to determine if these services require prior approval.

Medications for pain management that are alternatives to opioids include, but are not limited to:

- Non-steroidal anti-inflammatory agents, such as ibuprofen
- Cyclooxygenase-2 (Cox-2) inhibitors, such as celecoxib

For information about medication alternatives to opioids, please call Member Services.

Note: Italicized words are defined in Part 8.
Covered Services, continued

Emergency Care
If you are experiencing an Emergency, you should seek care at the nearest Emergency facility. If needed, call 911 for Emergency medical assistance. If 911 services are not available in your area, call the local number for Emergency medical services.

No PCP referral is required for receiving Emergency care. However, you or someone acting for you should call your PCP or Tufts HP within 48 hours after receiving care so your PCP can provide or arrange for any follow-up care that you may need.

If you receive Emergency services but are not admitted as an Inpatient, the services will be covered up to the Reasonable Charge. You will be required to pay a Copayment, then the Deductible for each Emergency room visit. Emergency Covered Services from a non-Plan Provider are subject to the applicable Copayment and Authorized Deductible (up to the Reasonable Charge). If you receive a bill for these services from a non-Plan Provider, please contact Member Services at 800-870-9488.

Notes:
- The Emergency room Copayment is waived if you are admitted as an Inpatient, or if the Emergency room visit results in an immediate Day Surgery. It may apply if you register in an Emergency room but leave without receiving care. The Emergency Room Copayment applies to Observation services. Call Member Services at 800-870-9488 for more information, or to have your Emergency room Copayment waived if you are admitted as an Inpatient (whether you are admitted to the same or a different Hospital from which you received Emergency care).
- If you are admitted as an Inpatient after receiving Emergency care, you or someone acting for you must notify Tufts Health Plan within 48 hours of seeking care to be covered. (Notification from the attending physician satisfies this requirement.)
- If you are admitted to an Inpatient mental health facility after being seen at the Emergency Room, the Emergency Room Copayment will be waived. Members must call the Tufts Health Plan Member Services Department to request this waiver or to have the claim adjusted.
- If you receive Emergency Covered Services from a Non-Tufts HP Provider, the Plan will pay the Provider up to the Reasonable Charge. You will be responsible for any charges in excess of the Reasonable Charge, except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members. You also are responsible for any applicable Cost-Sharing Amount for these Medical services. You may receive a bill for these services. If you receive a bill, please call Member Services or see “Bills from Providers” for more information on what to do if you receive a bill.
Covered Services, continued

Outpatient care

Allergy testing (including antigens) and treatment, and allergy injections

**Note:** Allergy treatment provided to you at the Authorized Level of Benefits is subject to an Office Visit Copayment when received as part of an office visit. However, there may not be a Copayment if the sole purpose of your visit is to receive allergy treatment (for example, an allergy shot).

Autism spectrum disorders – diagnosis and treatment

Requires prior approval at both the Authorized and Unauthorized Levels of Benefits.

Autism spectrum disorders include any of the pervasive Developmental disorders, as defined by the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, and include autistic disorder, Asperger’s disorder, and pervasive Developmental disorders not otherwise specified.

Coverage is provided, in accordance with Massachusetts law, for the diagnosis and treatment of autism spectrum disorders.

**Covered Services** include:

- Habilitative or rehabilitative care: professional, counseling, and guidance services and treatment programs that are necessary to develop, maintain, and restore the functioning of the individual. These programs may include, but are not limited to, applied behavior analysis (ABA) supervised by a Board-Certified Behavior Analyst. For purposes of this benefit, ABA includes the design, implementation, and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior, including the use of direct Observation, measurement, and functional analysis of the relationship between environment and behavior. Services include those provided by a Paraprofessional or a Board-Certified Behavior Analyst. For more information about these programs, call the Tufts Health Plan Behavioral Health Department at 1-800-870-9488.

- Services provided by licensed or certified speech therapists, occupational therapists, physical therapists, or social workers (see Treatment of speech, hearing and language disorders on Page 62 and Rehabilitative and Habilitative physical and occupational therapy services on Page 60). Please note that benefit limits for physical and occupational therapy do not apply when these services are provided for the treatment of autism spectrum disorders.

- Prescription medications (coverage is administered by Express Scripts. Please see Prescription Drug Plan on Pages 108-120 for more information about this coverage).

- Psychiatric and psychological care (see Behavioral Health and Substance Use Disorder Services (Outpatient, Inpatient, and Intermediate) benefit on Page 70).

Cardiac rehabilitation

The Plan covers services for the Outpatient treatment of documented cardiovascular disease that: (1) Meet the standards promulgated by the Massachusetts Commissioner of Public Health; and (2) Are initiated within 26 weeks after diagnosis of cardiovascular disease.

The Plan covers only the following services:

- **Outpatient** convalescent phase of the rehabilitation program following Hospital discharge

- **Outpatient** phase of the program that addresses multiple risk reduction, adjustment to illness and therapeutic exercise

**Notes:**

- Once treatment has been initiated, the Member can receive covered cardiac rehabilitation services for up to 6 months from the date of the first visit.

- For Members with angina pectoris, only one course of cardiac rehabilitation services will qualify as Covered Services.

- The Plan does not cover the program phase that maintains rehabilitated cardiovascular health.
Covered Services, continued

Chemotherapy administration
Please see “Injectable, inhaled and infused medications” later in this Part 5 for more information about coverage for the medications used in chemotherapy.

Chiropractic services
Spinal manipulation, when provided by a chiropractor.

Limited to one spinal manipulation evaluation and a total of 20 visits per Member in a Contract Year (Authorized and Unauthorized Levels combined).

Note: Spinal manipulation services for Members age 12 and under are not covered.

Clinical trials studying potential treatment(s) for cancer or other life-threatening diseases or conditions
As required by applicable law, patient care services provided as part of a qualified clinical trial studying potential treatment(s) for cancer or other life-threatening diseases or conditions are covered to the same extent as those Outpatient services would be covered if the Member did not receive care in a qualified clinical trial.

Call Member Services at 800-870-9488 for more information about the criteria for a qualified clinical trial.

Colonoscopies
See “Diagnostic or preventive screening procedures” below.

Contraceptives
See “Family-planning Procedures, Services, and Contraceptives” below.

Coronary Artery Disease Program
A Coronary Artery Disease secondary prevention program assists Members with documented coronary artery disease in making necessary lifestyle changes to reduce your cardiac risk factors. This benefit is available, when Medically Necessary, at designated programs to Members who meet the clinical criteria established for this program. For more information about this program, call Member Services at 800-870-9488.

Diabetes self-management training and educational services
Outpatient self-management training and educational services, including medical nutrition therapy, used to diagnose or treat insulin-dependent diabetes, non-insulin dependent diabetes, or gestational diabetes.

Notes:
- Tufts Health Plan will only cover these services at the Authorized Level of Benefits when they are provided by a Tufts HP Provider who is a certified diabetes health care Provider.
- Medical nutritional therapy provided under this benefit is not subject to any visit limit described in the Nutritional counseling benefit on Page 59.

Diagnostic or preventive screening procedures
For example, colonoscopies, sigmoidoscopies, and proctosigmoidoscopies. May require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Level of Benefits.

Note: Please see Part 1 – Benefit Overview on Pages 14-29 for information about your Copayments for these procedures.

Diagnostic imaging
Including:
- General imaging (such as x-rays and ultrasounds)
- MRI/MRA, CT/CTA, and PET tests and nuclear cardiology (may require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Level of Benefits)

Note: Please call Member Services at 800-870-9488 with questions about specific imaging services.
Covered Services, continued

Diagnostic testing
Including, but not limited to, sleep studies (performed in the home or a sleep study facility) and diagnostic audiological testing (may require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits).

Note: Please call Member Services at 800-870-9488 with questions about specific tests.

Dialysis
Outpatient dialysis treatment, including hemodialysis and peritoneal dialysis, is covered. Home peritoneal dialysis is a Covered Service. Home hemodialysis is covered only when provided under the direction of a general or chronic disease Hospital or free-standing dialysis facility.

Early intervention services for a Dependent Child
Early intervention services include occupational, physical and speech therapy, Nursing Care and psychological counseling. These services must be provided by early intervention programs that meet the standards established by the Massachusetts Department of Public Health.

These services are available to Members from birth until their third birthday.

EKG testing

Family-planning procedures, services, and contraceptives
Covered Family-planning procedures include tubal ligation, sterilization, and pregnancy termination. Family-planning services include medical examinations, birth control counseling, and genetic counseling.

The following contraceptives are available, when provided by a physician and administered in the physician's office:
- Implantable contraceptives (e.g., Implanon® (etonorgestrel), levonorgestrel implants)
- IUDs
- Depo-Provera or its generic equivalent

Note: Certain contraceptives, such as oral contraceptives, over-the-counter female contraceptives, and diaphragms, are covered through Express Scripts. Information about your coverage with Express Scripts can be found under the Prescription Drug Benefit on Pages 108-120.

Human leukocyte antigen testing
Human leukocyte antigen testing or histocompatibility locus antigen testing for use in bone marrow transplantation when necessary to establish a Member's bone marrow transplant donor suitability.

Includes costs of testing for A, B or DR antigens; or any combination consistent with the rules and criteria established by the Massachusetts Department of Public Health. These services require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

Infertility services
May require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

Diagnosis of Infertility: Diagnostic procedures and tests are covered when provided in connection with an infertility evaluation.

Treatment of infertility: Infertility is defined as the condition of a Member who has been unable to conceive or produce conception, during a period of: (1) one year if the female is age 35 or younger, or (2) during a period of six months if the female is over the age of 35. Attempts at conception to satisfy the diagnosis of infertility may be done naturally or through artificial insemination.

For purposes of meeting the criteria for infertility, if a woman conceives but is unable to carry the pregnancy to live birth, the period of time she attempted to conceive prior to achieving that pregnancy will be included in the calculation of the one-year or six-month period, as applicable.

Note: With respect to non-Member donors of sperm or eggs, procurement or processing of donor sperm or eggs will be considered Covered Services to the extent such costs are not covered by the donor’s health care coverage, if any.
Covered Services, continued

Covered infertility services for **Members with a diagnosis of infertility**, which **may require prior approval from an Authorized Reviewer** (as noted by (AR) below) at both the Authorized and Unauthorized Levels of Benefits, include:

- Assisted Reproductive Technology (“ART”) procedures, including:
  - I.V.F. (in-vitro fertilization and/or embryo transfer) (AR)
  - D.O./I.V.F. (donor oocyte) (AR)
  - Donor embryo/F.E.T. (frozen embryo transfer) (AR)
  - Z.I.F.T. (zygote intra-fallopian transfer) (AR)
  - Assisted hatching (AR)
  - G.I.F.T. (gamete intra-fallopian transfer) (AR)
  - I.C.S.I. (intracytoplasmic sperm injection) (AR)
  - Cryopreservation of eggs (less than 90 days) (AR)
  - Cryopreservation of embryos/blastocysts (AR)
  - Cryopreservation of sperm

*Members* who meet the criteria for infertility who also have a documented medical contraindication to pregnancy, are using their own eggs, and are self-paying for a gestational carrier or surrogate, may be authorized for ovarian stimulation, egg retrieval and fertilization. Prior approval by an *Authorized Reviewer* is required at both the Authorized and Unauthorized Levels of Benefits. For further details on what services are available to a *Member* who meets the definition of infertility, please see the Medical Necessity Guidelines for infertility services available at [https://tuftshealthplan.com/member/employer-individual-or-family-plans/tools-resources/overview](https://tuftshealthplan.com/member/employer-individual-or-family-plans/tools-resources/overview).

With respect to non-*Member* donors of sperm or eggs, procurement or processing of donor sperm or eggs will be considered *Covered Services* to the extent such costs are not covered by the donor’s health care coverage, if any. Donor sperm is only covered when the partner has a diagnosis of male factor infertility.

- Other related treatments, including:
  - Artificial insemination (intrauterine or intracervical) (AR);
  - Procurement and processing of eggs or inseminated eggs or storage of inseminated eggs when associated with active infertility treatment (AR).

- Preimplantation Genetic Diagnosis (PGD) testing with I.V.F. (AR):
  PGD testing is covered when either of the partners is a known carrier for certain genetic disorders. In addition to the Infertility Services provided in connection with applicable law (as described above), PGD testing with I.V.F. may be covered for *Members who do not have a diagnosis of infertility* in certain circumstances when the fetus would be at risk for an inherited genetic disorder associated with severe disability and/or premature death. For more information, please call Member Services and see the Medical Necessity Guideline for “Preimplantation Genetic Diagnosis” on our website.

Oral and injectable drug therapies used in the treatment of infertility associated with the *Covered Services* below are covered only when the *Member* has been approved for associated infertility services. These services are provided through your Prescription Drug Benefit, which is administered by Express Scripts. Please see the Prescription Drug Benefit on Pages 108-120 for more information.

**Note:** Artificial insemination and the ART procedures described above will only be considered *Covered Services* for *Members* with infertility who meet the eligibility criteria of both Tufts HP (based on the *Member’s* medical history) and the Plan’s contracted Infertility Services Providers. Services at both the Authorized and Unauthorized Levels of Benefits must be approved in advance by an *Authorized Reviewer*.

**Laboratory tests**
Including, but not limited to, blood tests, urinalysis, throat cultures, glysolated hemoglobin (A1c) tests, genetic testing, and urinary protein/microalbumin and lipid profiles. Laboratory tests must be ordered by a licensed *Provider* and be performed at a licensed laboratory.
Covered Services, continued

Notes:

• Some lab tests (e.g., genetic testing) may require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

• Please note that certain laboratory tests associated with routine preventive care are covered in full when billed in accordance with our Preventive Services Payment Policy. An example of this is the colorectal cancer screening test Cologuard. If a laboratory test is not billed according to this policy, it will be subject to the Member Cost Sharing Amount for “Laboratory tests” specified in the “Benefit Overview.” For additional information on this policy, please see our website at https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services.

Mammograms
Covered at the following intervals:

• One baseline at 35-39 years of age
• One every year at age 40 and older
• As otherwise Medically Necessary

Maternity care
Covered Services include prenatal care, exams, and tests, and postpartum care provided in a physician’s office.

Note: You will be reimbursed for visits with a lactation consultant per pregnancy. Please contact the Tufts Health Plan Member Services Department for information on how to be reimbursed for these services. Maternity related tests (i.e., ultrasounds, diagnostic testing, and non-routine laboratory tests) are subject to the Deductible. However, in accordance with the ACA, routine laboratory tests associated with maternity care at the Authorized Level of Benefits are covered in full and not subject to the Deductible. Please call Member Services at 800-870-9488 for further information.

Nutritional counseling
Including nutritional counseling for an eating disorder, when given outside of an approved home health care plan, prescribed by a physician and performed by a registered dietician/nutritionist. Coverage is provided for one initial evaluation and a total of 3 treatment visits per Contract Year. Nutritional counseling visits are covered:

• When Medically Necessary, for the purpose of treating an illness. Please see “Nutritional Counseling” in the “Benefit Overview” (Part 1) for the applicable Cost-Sharing Amount; or

• As preventive services, including preventive obesity screening and counseling services, healthy diet counseling, and behavior change counseling. In accordance with the Affordable Care Act, preventive services that are currently recommended by the U.S. Preventive Services Task Force (USPSTF) are covered in full at the Authorized Level of Benefits.

Note: Weight loss programs and clinics are not covered. The visit limit does not apply to Outpatient nutritional counseling provided as part of:

o An approved home health care plan (see Home health care on Page 2)

o Treatment for an eating disorder

o Diabetes self-management training and educational services (see Page 6)

Office visits to diagnose and treat illness or injury

Note: This includes consultations, Medically Necessary evaluations and related health care services for acute or Emergency gynecological conditions, and visits to a Limited Service Medical Clinic.

Pap smears (cytology examinations)
One annual screening for women age 18 and older, or as otherwise Medically Necessary.
Covered Services, continued

Preventive health care – Adults (age 18 and over)
Preventive care services for Members age 18 and over include routine physical examinations, including appropriate immunizations and lab tests as recommended by the physician. They also include immunizations and lab tests, when not rendered as part of a routine physical exam.

Please visit [https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services](https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services) for more information about which services are considered preventive.

**Note:** Any Medically Necessary follow-up care resulting from a routine physical exam is subject to an Office Visit Copayment at the Authorized Level of Benefits, as described under Office visits to diagnose and treat illness or injury (Page 59).

Preventive health care – Children (under age 18)
Preventive care services for Children from the date of birth until age 18, include:
- Physical examination, including limited Developmental testing with interpretation and report
- History
- Measurements
- Sensory screening, including hearing exams and screenings
- Neuropsychiatric evaluation
- Developmental screening and assessment at the following intervals:
  - Birth until age 6 months: 6 visits
  - Age 6 months until age 18 months: 6 visits
  - Age 18 months until age 3: 6 visits
  - Age 3 until age 18: 1 visit per Contract Year
- Hereditary and metabolic screening at birth
- Appropriate immunizations and tuberculin tests
- Hematocrit, hemoglobin, or other appropriate blood tests
- Urinalysis as recommended by the physician
- Newborn auditory screening tests, as required by state law

Please visit [https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services](https://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services) for more information about which services are considered preventive.

**Note:** Any Medically Necessary follow-up care resulting from a routine physical exam is subject to an Office Visit Copayment at the Authorized Level of Benefits, as described under Office visits to diagnose and treat illness or injury (Page 59). Diagnostic tests or diagnostic laboratory tests ordered as part of a routine physical exam are subject to the Deductible.

Radiation therapy and x-ray therapy
Requires prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

Rehabilitative and Habilitative physical and occupational therapy services
May require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits. Rehabilitative and Habilitative physical and occupational therapy services, including cognitive rehabilitation or cognitive retraining, are covered for up to 30 visits per Contract Year for each type of therapy.

Rehabilitative services are covered only when provided to restore function lost or impaired as the result of an accidental injury or sickness. For rehabilitative therapy services to be covered, Tufts Health Plan must determine that the Member’s condition is subject to significant improvement as a direct result of these therapies.

Habilitative physical and occupational therapy services are covered only when provided to keep, learn, or improve skills and functioning for daily living never learned or acquired due to a disabling condition.
Covered Services, continued

**Notes:** Benefit limits do not apply when these services are provided for the treatment of autism spectrum disorders or for physical or occupational therapy provided in conjunction with a Provider's approved home health care plan, as described in the "Home Health Care" benefit later in this document.

Massage therapy may be covered as a treatment modality only when administered as part of a physical therapy visit that is provided by a licensed physical therapist; and in compliance with Tufts Health Plan’s Medical Necessity and Prior Authorization Guidelines (if applicable).

**Respiratory therapy or pulmonary rehabilitation services**

**Routine annual gynecological exams**
Includes any follow-up obstetric or gynecological date determined to be Medically Necessary as a result of that exam.

Please visit [http://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services](http://www.tuftshealthplan.com/documents/providers/payment-policies/preventive-services) for more information about which services are considered preventive.

**Note:** Any Medically Necessary follow-up care resulting from a routine annual gynecological exam is subject to an Office Visit Copayment at the Authorized Level of Benefits, as described under Office visits to diagnose and treat illness or injury on Page 59. Diagnostic tests or diagnostic laboratory tests ordered as part of a routine physical exam are subject to the Deductible.

**Smoking cessation counseling services**
These services may be provided through the QuitWorks program, or by physicians, nurse practitioners, physician assistants, nurse midwives, or Tobacco Cessation Counselors. This benefit includes individual, group, and telephonic smoking cessation counseling services that (1) are provided in accordance with current guidelines established by the United States Department of Health and Human Services; and (2) meet the requirements of the ACA.

**Note:** Coverage is also provided for prescription and over-the-counter smoking cessation agents. These services are administered through Express Scripts. For more information, see the Prescription Drug Benefit on Pages 108-120.

**Surgery in a physician’s office**
Requires prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

**Telehealth and telemedicine services**
For purposes of clarification, “telehealth services” are those rendered through our preferred vendor, Teladoc. “Telemedicine services” are services obtained from any Tufts Health Plan or Non-Tufts HP Provider.

The Plan covers Medically Necessary telehealth and telemedicine services for the purpose of diagnosis, consultation, or treatment in the same manner as an in-person consultation between you and your Provider. Telehealth and telemedicine services are provided through audio, video, or other electronic media communications and substitute for in-person consultation with Providers when determined to be medically appropriate. Telehealth and telemedicine services are available for both medical and behavioral health/substance use disorder services.

Telehealth services may be obtained through Tufts HP’s designated telehealth vendor, Teladoc. For additional information on Teladoc and how to access services from Teladoc Providers, please visit [https://www.tuftshealthplan.com/member/health-information-tools/digital-tools/telehealth](https://www.tuftshealthplan.com/member/health-information-tools/digital-tools/telehealth) or contact Member Services. No referrals are required when you receive telehealth services. Telemedicine services are available from both Tufts Health Plan and Non-Tufts HP Providers that offer these services. You will need to follow the same rules about referrals when you receive telemedicine services from Tufts HP Providers as you would for office visits with these Providers. Please see Part 3 for more information about referral requirements. Please see the “Benefit Overview” for information on applicable Cost-Sharing Amounts.
Coverage also applies to telemedicine services that are not considered telemedicine visits. This includes:

- Remote patient monitoring services to collect and interpret clinical data while the Member remains at a distant site. These services may occur in real-time or not; and
- Remote evaluation of transferred medical data recorded on an electronic device. The data must be used for the purpose of diagnostic and therapeutic assistance in the care of the Member.

Please see the “Benefit Overview” for the Member cost-share that applies to these additional telemedicine services.

**Treatment of speech, hearing and language disorders**

May require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

Services include speech therapy and short-term cognitive retraining or cognitive rehabilitation services, if provided to restore function lost or impaired as the result of an accidental injury or sickness. For these services to be covered, measurable improvement must be anticipated in a reasonable and predictable period of time for the particular diagnosis and phase of recovery. Please note that Cost-Sharing Amounts for the diagnosis of speech, hearing and language disorders vary depending upon the service provided (e.g., x-rays, diagnostic testing, office visits).

**Urgent Care**

Services may be provided to you in a Provider’s office, a Limited Service Medical Clinic, a Free-standing Urgent Care Center, a Hospital-based Outpatient walk-in clinic, or in an Emergency room. Please see Part 2 for information about referral requirements and the definition of Urgent Care in Appendix A.

**Follow these guidelines for receiving Urgent Care**

Covered Services, continued

If you are in the Service Area
You may seek Urgent Care: in a Provider’s office; in an Emergency room; in a Hospital-based Outpatient walk-in clinic; in a Limited Service Medical Clinic; or at a Free-standing Urgent Care Center.

Urgent Care services provided within the Service Area by a Tufts HP Provider are covered at the Authorized Level of Benefits.

Urgent Care services received within the Service Area are covered at the Unauthorized Level of Benefits if provided in a Non-Tufts HP Provider’s office, from a Non-Tufts HP Provider in a Hospital-based Outpatient walk-in clinic, or from a Limited Service Medical Clinic or Free-standing Urgent Care Center that is not affiliated with Tufts Health Plan.

If you are outside the Service Area
You may seek Urgent Care in a Provider's office, a Limited Service Medical Clinic, a Free-standing Urgent Care Center, a Hospital-based Outpatient walk-in clinic, or the Emergency room.

Urgent Care services provided outside of the Service Area are covered at the In-Network Level of Benefits.

Vision care services
Covered vision care services include:

- **Routine eye exams** (one each 24-month period). Exams must be received from a Provider in the EyeMed Vision Care network to be covered at the Authorized Level of Benefits. Please go to [http://www.tuftshealthplan.com](http://www.tuftshealthplan.com) or contact Member Services at 800-870-9488 for more information.

- **Eye examinations and necessary treatment of a medical condition.** Prior approval by an Authorized Reviewer is required at both the Authorized and Unauthorized Levels of Benefits.

Voluntary second or third surgical opinions
Covered Services, continued

**Oral health services**
The following services are covered in an *Inpatient or Day Surgery* setting. Prior approval by an *Authorized Reviewer* is required. Hospital / facility, *Provider*, and surgical charges are included in the coverage. Services requiring prior approval from an *Authorized Reviewer, such as the following*, are covered in accordance with *Tufts Health Plan’s Medical Necessity Guidelines*.

- Surgical treatment of skeletal jaw deformities
- Surgical repair related to Temporomandibular Joint Disorder (TMJ)
- Surgical removal of impacted or un-erupted teeth when embedded in bone
- Complex dental work related to anesthesia and hospitalization for non-discretionary dental procedures

In addition, surgical removal of impacted or un-erupted teeth when embedded in bone is covered in an office setting without prior approval by an *Authorized Reviewer*.

**Important Notes:**

- Please go to our website at [https://tuftshealthplan.com/member/employer-individual-or-family-plans/tools-resources/overview](https://tuftshealthplan.com/member/employer-individual-or-family-plans/tools-resources/overview) to view Medical Necessity Guidelines for these services in an *Inpatient* setting, entitled “Dental Procedures Requiring Hospitalization”. You may also call Member Services for additional information.
- Coverage does not apply to oral health services provided by a dentist. Members must receive these services from an oral surgeon.
- X-rays performed in association with oral health services are covered as described under “Diagnostic imaging.”

**Oral surgical procedures for non-dental medical treatment**
Oral surgical procedures for non-dental medical treatment (i.e., the reduction of a dislocated or fractured jaw or facial bone, surgical treatment of cleft lip or cleft palate for Children under the age of 18, and removal or excision of benign or malignant tumors) are covered to the same extent as are other covered surgical procedures.

**Day Surgery**
May require prior approval from an *Authorized Reviewer* at both the Authorized and Unauthorized Levels of Benefits.

Covered *Day Surgery* services include *Outpatient* surgery done under anesthesia in an operating room of a facility licensed to perform surgery, and associated physician and surgeon services. You must be expected to be discharged the same day and be shown on the facility’s census as an *Outpatient*.

**Note:** If you are admitted to a *Tufts HP Hospital* immediately following *Day Surgery*, the *Day Surgery Copayment* will be waived. You will instead be required to pay the applicable *Inpatient Copayment* for that *Hospital* admission. Please call Member Services at 800-870-9488 for more information.
**Covered Services, continued**

**Inpatient care**

**Note:** At the Authorized Level of Benefits, Members will only be responsible for one Inpatient Copayment if readmitted within 30 days of discharge. Please call Member Services to have the second Copayment waived.

**Acute Hospital services**

**Bone Marrow Transplants for Breast Cancer, Hematopoietic Stem Cell Transplants, and Human Solid Organ Transplants**

Requires prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

Bone marrow transplants for Members diagnosed with metastatic breast cancer who meet the criteria established by the Massachusetts Department of Public Health.

Covered Services also include hematopoietic stem cell transplants and human solid organ transplants. The Plan pays for charges incurred by the donor in donating the organ to the Member, but only to the extent that charges are not covered by any other health insurer. This includes evaluation and preparation of the donor, surgery, and recovery services when those services relate directly to donating the organ to the Member.

**Notes:**

- The Plan covers a Member's human leukocyte antigen (HLA) testing. See Page 57 in “Outpatient care” for more information.
- The Plan does not cover the following services related to bone marrow and human organ transplants:
  - Transportation costs for the donated stem cells or solid organ
  - Donor charges for Members who donate stem cells or solid organs to non-Members
  - Search costs for matching or for laboratory testing, either (1) to identify a donor for a recipient who is a Member, or (2) for a Member being considered as a potential stem cell or solid organ donor (whether or not the recipient is a Member).
Covered Services, continued

Inpatient care, continued

Gender reassignment (gender affirmation) surgery and related services
Coverage is provided for gender reassignment surgery and related pre- and post-operative services and prescription drugs. Prescription drugs for Members undergoing gender reassignment process are covered through Express Scripts. (See the Prescription Drug Plan section (Pages 108-120) for more information.)

Covered Services offered through Tufts HP include:

- **Inpatient** services, including female-to-male or male-to-female gender reassignment surgery and related surgical procedures.
- **Day Surgery** for surgical procedures related to the female-to-male or male-to-female gender reassignment surgery. These services are covered as described under “Day Surgery” earlier in this Part 5.
- **Outpatient** medical care (pre- and post-operative) related to gender reassignment surgery. These services are covered as described under Office visits to diagnose and treat illness or injury on Page 59 of Part 5.
- **Behavioral Health** services for Members undergoing the gender reassignment process are described under Behavioral Health and Substance Use Disorder Services (Outpatient, Inpatient, and Intermediate) on Page 70 of Part 5.
- Prescription medications required as part of the gender reassignment process. These medications are covered through Express Scripts and described under the Prescription Drug Plan section (Pages 108-120).

Note: Services at both the Authorized and Unauthorized Levels of Benefits must be authorized in advance by an Authorized Reviewer. Members must meet specific Medical Necessity Guidelines in order for these services to be covered. Gender reassignment surgery and related services only qualify as Covered Services when they are obtained within the 50 United States. Please call Member Services at 800-970-9488 for more information.

Maternity care
The following Covered Services are available to a mother and her newborn Child, regardless of whether or not there is an early discharge (less than 48 hours following a vaginal delivery or 96 hours following a caesarean delivery):

- **Hospital** and delivery services
- Newborn hearing screening test
- Well newborn Child care in Hospital
- **Inpatient care in Hospital** for mother and newborn Child for at least 48 hours following a vaginal delivery and 96 hours following a caesarean delivery
- One home visit by a registered nurse, physician, or certified nurse midwife, and additional home visits licensed health care Provider, when Medically Necessary
- Parent education, assistance, and training in breast and bottle feeding
- The performance of any necessary and appropriate clinical tests

**Covered Services, continued**

**Inpatient care, continued**

Patient care services provided as part of a qualified clinical trial studying potential treatment(s) for cancer or other life-threatening diseases or conditions

As required by applicable law, the Plan covers patient care services provided as part of a qualified clinical trial studying potential treatment(s) for cancer or other life-threatening diseases or conditions. Patient care services include items and services provided when you are enrolled in a qualified clinical trial consistent with your diagnosis and the study protocol.

Coverage is subject to all pertinent provisions of the Plan, including, but not limited to, use of Tufts HP Providers, utilization review, and Provider payment methods.

The following services are covered under this benefit:

1. All Medically Necessary services for treatment of your condition, consistent with the study protocol of the clinical trial, and for which coverage is otherwise available under the Plan.
2. The Allowed Cost, as determined by the Plan, of Investigational drugs or devices approved for use in the qualified clinical trial if they are not paid for by its manufacturer, distributor or Provider. This is true regardless of whether the Food and Drug Administration has approved the drug or device for use in treating your particular condition.

“Patient care services” do not include any of the following:

- Investigational drugs or devices that do not meet the criteria in (2) above.
- Non-health care services that a patient may be required to receive as a result of participation in the clinical trial.
- Costs associated with managing the research of the clinical trial.
- Costs that would not be covered for non-Investigational treatments.
- Any items, services or costs that are reimbursed or provided by the sponsor of the clinical trial.
- Services that are inconsistent with widely accepted and established national or regional standards of care.
- Services that are provided primarily to meet the needs of the trial, including, but not limited to, tests, measurements and other services that are typically covered but are being provided at a greater frequency, intensity or duration under the clinical trial.
- Services or costs that are not covered under the Plan.
Covered Services, continued

Inpatient care, continued

Reconstructive surgery and procedures
May require prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

- Services required to repair or restore a bodily function that is impaired as a result of a congenital defect (including treatment of cleft lip or cleft palate for Children under the age of 18), birth abnormality, traumatic injury, or covered surgical procedure (AR)
- The following services in connection with mastectomy:
  - Reconstruction of the breast affected by the mastectomy
  - Surgery and reconstruction of the other breast to produce a symmetrical appearance
  - Prostheses (covered as described under Medical Appliances and Equipment on Page 74) and treatment of physical complications of all stages of mastectomy
  - Removal of breast implants when there is documented rupture of a silicone implant, auto-immune disease or infection (AR)

Notes:
- Cosmetic surgery is not covered.
- No coverage is provided for the removal of the ruptured or intact saline breast implants or intact silicone breast implants except as specified above.
Covered Services, continued

Behavioral Health and Substance Use Disorder Services (Outpatient, Inpatient, and Intermediate)

Outpatient
Services to diagnose and treat Behavioral Health Disorders (including diagnosis, detoxification and treatment of substance use disorders), given by the following Providers:

- psychiatrists;
- licensed mental health counselors;
- licensed psychiatric nurses who are certified as clinical specialists in psychiatric and Behavioral Health nursing;
- psychologists;
- licensed independent social workers.

Note: Outpatient treatment of substance use disorders includes methadone maintenance or methadone treatment related to chemical dependency disorders. Psychopharmacological services and neuropsychological assessment services are covered as “Office visits to diagnose and treat illness or injury”, as described earlier in this chapter.

Important Notes:

- Prior approval by a Tufts Health Plan Behavioral Health Authorized Reviewer is required for psychological testing and neuropsychological assessment services at both the Authorized and Unauthorized Levels of Benefits. Please contact the Tufts Health Plan Behavioral Health Department at 1-800-870-9488 for more information on how to obtain this authorization.

- Coverage of Outpatient and intermediate behavioral health/substance use disorder services include those provided in a hospital setting, a Provider’s office, and in a Member’s home. These services must be provided by a professionally licensed behavioral health/substance use disorder Provider or a person under the supervision of a professionally licensed behavioral health/substance use disorder Provider.

Inpatient and intermediate

- Inpatient behavioral health and substance use disorder services for Behavioral Health Disorders in a facility that is licensed as a general Hospital, Behavioral Health Hospital, or substance use disorder facility, or Behavioral Health residential treatment facility.

- Intermediate behavioral health and substance use disorder services: Medically Necessary behavioral health and substance use disorder services that are more intensive than traditional Outpatient Behavioral Health and substance use disorder services, but less intensive than 24-hour hospitalization. Some examples of Covered intermediate behavioral health and substance use disorder services are:
  - level III community-based detoxification;
  - intensive Outpatient programs;
  - crisis stabilization;
  - partial Hospital programs.

Important Note: Inpatient and intermediate Behavioral Health services must be obtained at a Tufts Health Plan Hospital in order to be covered at the Authorized Level of Benefits. See “Inpatient Behavioral Health and Substance Use Disorder Services” in Part 3 for more information. To receive care at the Unauthorized Level of Benefits, you must receive authorization from an Authorized Reviewer. Please contact the Tufts Health Plan Behavioral Health Department at 1-800-870-9488 for more information on how to receive this authorization.
Covered Services, continued

Other Health Services

Ambulance services
May require prior approval from an Authorized Reviewer. The following ambulance services are Covered Services:

- Ground, sea, and air ambulance transportation for Emergency care
- Non-Emergency air ambulance services (e.g., Medflight) (AR)
- Non-Emergency, Medically Necessary ambulance transportation between covered facilities (AR)
- Non-Emergency ambulance transportation for Medically Necessary care when the Member’s medical condition prevents safe transportation by any other means (AR)

Note: Please note that the Plan does not cover transportation by chair car or wheelchair van. If you are treated by Emergency Medical Technicians (EMTs) or other ambulance staff but refuse to be transported to the Hospital or other medical facility, you may be responsible for the costs of this treatment.

Cleft lip or cleft palate treatment and services for Children under age 18
The following Covered Services must be prescribed by the treating physician or surgeon, who must certify that the services are Medically Necessary and are required because of the cleft lip or cleft palate:

- **Medical and facial surgery:** Covered as described under “Day Surgery”, “Acute Hospital services”, and “Reconstructive surgery and procedures” earlier in this chapter. This includes surgical management and follow-up care by plastic surgeons. (AR)
- **Oral surgery:** Covered as described under “Oral surgical procedures for non-dental medical treatment” in the “Oral Health Services” benefit earlier in this chapter. This includes surgical management and follow-up care by oral surgeons. (AR)
- **Dental surgery or orthodontic treatment and management.**
- **Preventive and restorative dentistry:** To ensure good health and adequate dental structures for orthodontic treatment or prosthetic management therapy.
- **Speech therapy and audiology services:** Covered as described under “Treatment of speech, hearing and language disorders” earlier in this chapter. (AR)
- **Nutrition services:** Covered as described under “Nutritional counseling” earlier in this chapter.

Extended Care
Requires prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits. The Plan covers the following Covered Services in an extended care facility (skilled nursing facility, rehabilitation Hospital, or chronic Hospital) for:

- Skilled nursing services (limit of 45 days per Member in a Contract Year)
- Chronic disease services
- Rehabilitative services
Covered Services, continued

Other Health Services, continued

Home health care
Requires prior approval from an Authorized Reviewer at both the Authorized and Unauthorized Levels of Benefits.

The Plan covers home health care services to homebound Members. To be considered homebound, you do not have to be bedridden. However, you must usually be unable to leave the home without a considerable and taxing effort. You may be considered homebound if your absences from the home are infrequent, for periods of relatively short duration, or to receive medical treatment. Please note that this homebound requirement does not apply to Covered Services for palliative care under this benefit.

The following services are Covered Services when provided by an accredited home health agency under a physician’s written order:

- Home visits by a Tufts HP physician;
- Skilled Nursing Care and physical therapy; and
- The following services, if determined to be a Medically Necessary component of skilled nursing or physical therapy:
  - Speech therapy;
  - Occupational therapy;
  - Medical/psychiatric social work;
  - Nutritional consultation;
  - Durable Medical Equipment (see Medical Appliances and Equipment on Page 74); and
  - The services of a part-time home health aide.

Notes:
- Home health services for physical and occupational therapies following an injury or illness are covered only if provided to restore lost or impaired function, as described under "Rehabilitative and Habilitative physical and occupational therapy services" on Page 60. However, those home health care services are not subject to the 30-visit limit.
- Sleep studies performed in the home are not covered under this “Home Health Care” benefit. Instead, these sleep studies are covered as described under Diagnostic testing on Page 57 of Part 5.

Hospice and End-of-Life care services
Requires prior approval from an Authorized Reviewer at the Authorized and Unauthorized Levels of Benefits.

Hospice provides multidisciplinary care designed to address the physical, social, emotional, and spiritual needs of persons likely to live 6 months of less. Hospice care has many benefits: better quality of life, better coping for you and your family, and longer survival time at home.

The Plan will cover the following hospice care services when a physician certifies (or re-certifies) that you have a medical prognosis of 6 months or less to live:

- Physician services
- Nursing Care provided by or supervised by a registered professional nurse
- Social work services
- Volunteer services
- Counseling services (including bereavement counseling services for the Member’s family or a Primary Care person for up to one year following the Member’s death)
- Concurrent palliative chemotherapy and radiation therapy, if palliative, are permitted

“Hospice care services” are a coordinated licensed program of services provided to Members with six months or less to live. Such services can be provided at home; on an Outpatient basis; and on a short-term Inpatient basis, to control pain and manage acute and severe clinical problems that cannot medically be managed at home.

If you have a medical prognosis of greater than six months to live, but you have symptoms like severe pain or difficulty breathing, the Plan covers palliative care services. Palliative care is focused on relieving pain or other symptoms of illness and improving the quality of life for patients and their families.
Covered Services, continued

Other Health Services, continued

Injectable, infused or inhaled medications
May require prior approval from an Authorized Reviewer.

The Plan covers injectable, infused or inhaled medications that are: (1) required for and are an essential part of an office visit to diagnose and treat illness or injury; or (2) administered at home by a home infusion Provider. Medications include, but are not limited to, total parenteral nutrition therapy, chemotherapy, and antibiotics.

Notes:
- Quantity limits may apply.
- The Plan has designated home infusion Providers for a select number of specialty pharmacy products and drug administration services, including, but not limited to, medications used to treat hemophilia, pulmonary arterial hypertension, immune deficiency, and enzyme replacement therapy. These Providers offer clinical drug therapy management, nursing support, and care coordination to Members with acute and chronic conditions. Please contact Member Services at 800-870-9488 or visit http://www.tuftshealthplan.com for more information.
- Coverage includes the components required to administer these medications, including, but not limited to, hypodermic needles and syringes, Durable Medical Equipment, supplies, pharmacy compounding, and delivery of drugs and supplies.
- Some injectable, infused, or inhaled medications may be covered under the pharmacy benefit administered by Express Scripts. These medications are not covered under the "Injectable, infused or inhaled medications" benefit. For more information, call Express Scripts at 855-283-7679 or visit http://www.express-scripts.com.
Covered Services, continued

Other Health Services, continued

Medical Appliances and Equipment

Durable Medical Equipment

*Durable Medical Equipment* includes devices or instruments of a durable nature that are:

- Reasonable and necessary to sustain a minimum threshold of independent daily living
- Made primarily to serve a medical purpose
- Not useful in the absence of illness or injury
- Able to withstand repeated use
- Intended to be used in the home

Please call Member Services at 800-870-9488 if you need *Durable Medical Equipment*. *Tufts Health Plan* will decide whether to purchase or rent the equipment for you. This equipment must be purchased or rented from a *Durable Medical Equipment Provider* that has an agreement with *Tufts Health Plan*.

To be eligible for coverage, the equipment must be the most appropriate available amount, supply, or level of service for the *Member*, considering potential benefits and harms to that individual.

Equipment that *Tufts Health Plan* determines to be non-medical in nature and used primarily for non-medical purposes (even though it may have some limited medical use) will not be considered *Durable Medical Equipment* and will not be covered under this benefit.

**Note:** You may be responsible for paying a *Deductible* or *Coinsurance* towards the cost of *Durable Medical Equipment* covered at the *Unauthorized Level of Benefits*. To determine whether your *Durable Medical Equipment* benefit is subject to *Member Cost-Sharing* at the *Unauthorized Level of Benefits*, please see the “Benefit Overview” section earlier in this *Member Handbook* or call Member Services at 800-870-9488.

Examples of covered items (list is not all-inclusive)

Please call Member Services at 800-870-9488 with questions about whether a particular piece of equipment is covered:

- *Prosthetic Devices* (such as artificial legs, arms, eyes, or breasts) (may require prior approval from an *Authorized Reviewer* at both the *Authorized and Unauthorized Levels of Benefits*)
  - Breast prostheses require prior authorization, except when provided in connection with a mastectomy
  - Coverage for breast prostheses and prosthetic arms and legs (in whole or in part) is provided for the most appropriate *Medically Necessary* model and includes coverage for the cost of repairs
- Purchase of a manual or electric (non-*Hospital* grade) breast pump, or the rental of a *Hospital* grade electric breast pump for pregnant or post-partum *Members* (when prescribed by a *Provider*) *(Note: Breast pumps are covered in full at the *Authorized Level of Benefits*)
- Gradient stockings (up to three pairs every 365 days)
- Devices that extract oxygen from the air (for example, stationary and portable oxygen concentrators)
- Orthotic devices (such as knee and back braces)
- Blood glucose monitors, including voice synthesizers for blood glucose monitors for use by the legally blind
- Insulin pumps
- Oral appliances for the treatment of sleep apnea
- Hospital beds, wheelchairs, power/electric wheelchairs, crutches, and walkers
Covered Services, continued

Other Health Services, continued

Medical Appliances and Equipment, continued

Below are examples of excluded items (list is not all-inclusive)
Please call Member Services for all questions regarding coverage of medical appliances and equipment:

- Articles of special clothing, except for gradient pressure support aids for lymphedema or venous disease and clothing necessary to wear a covered device (e.g., mastectomy bras and stump socks)
- Bath and toilet aids, including, but not limited to: tub seats/benches/stools, raised toilet seats, commodes, and rails
- Bed-related items, including, but not limited to, bed cradles, bed trays, bed pans, over-the-bed tables, and bed wedges
- Car/van modifications
- Certain wearable devices (e.g. smartwatches, bracelets, patches) used for physiological monitoring and fitness tracking (e.g. Fitbit, Biostrap, Embrace smartwatch, Smartmonitor smartwatch, Garmin Vivofit 4, Garmin Vivosmart 3, Samsung Galaxy Fit)
- Comfort or convenience devices, including, but not limited to, air conditioners, air purifiers, and dehumidifiers
- Dentures
- Exercise equipment
- Externally powered exoskeleton assistive devices and orthoses
- Fixtures to real property (e.g., ceiling lifts, elevators, ramps, stair climbers)
- Foot orthotics and arch supports, except for therapeutic/molded shoes and shoe inserts for a Member with severe diabetic foot disease
- Heat and cold therapy devices, including, but not limited to: hot packs, cold packs, and water pumps with or without compression wrap
- Heating pads
- Home blood pressure apparatus (manual) with cuff and stethoscope
- Hot tubs, Jacuzzis, shower chairs, swimming pools, or whirlpools
- Hot water bottles, paraffin bath units and cooling devices
- Mattresses, except for mattresses used in conjunction with a Hospital bed and ordered by a physician. Commercially available standard mattresses not used primarily to treat an illness or injury (e.g., Tempur-Pedic® or Posturepedic® mattresses), even if used in conjunction with a Hospital bed, are not covered.
- Saunas
- Self-monitoring devices, except for certain devices that Tufts Health Plan determines would provide a Member with the ability to detect or prevent the onset of a sudden life-threatening condition
- Thermal therapy devices
- Wheelchair trays

Other Covered Medical Appliances and Equipment

- The first pair of eyeglass lenses (frames are not covered) or contact lenses following cataract surgery
- Contact lenses, including the fitting of the lenses, when required to treat keratoconus
- Hearing aids, including the fitting of the hearing aid, are covered when prescribed by a physician and obtained from a hearing aid supplier
  - Children 21 and under: the Plan provides full coverage for hearing aid evaluations, the fitting and adjusting of hearing aids, and supplies (including ear molds) for one hearing aid per ear per prescription change. Limit of $2,000 per ear every 24 months
  - Members 22 and over: the Plan covers the first $500 in full and 80% of the next $1,500, up to a limit of $1,700 per Member every 24 months for both ears (combined). The Member is responsible for paying 20% of charges from $500-$2,000 (plus any balance)

When there is a pathological change in the Member’s hearing or the hearing aid is lost, benefits for a replacement hearing aid are also covered subject to the benefit limit.

**Note:** Over-the-counter replacement hearing aid batteries are not covered.
Covered Services, continued

Other Health Services, continued

**Personal Emergency Response Systems (PERS)**

Covered Services are provided only for installation and rental charges for a Hospital-based Personal Emergency Response System when:

- The system is used as an alternative to reduce or divert Inpatient admissions.
- The Member is homebound and medically at risk, as determined by Tufts Health Plan.
- The Member is alone for at least four (4) hours each day, five (5) days a week, and is functionally impaired.

Covered Services do not include the purchase of a Personal Emergency Response System.

**Note:** Covered PERS benefits are limited to a total of $50 per Member for installation charges and $40 per Member each month for rental of the system. The Navigator Plan pays 80% of the charges up to these maximum allowed installation and rental charges. You are responsible for paying the remaining 20% of those charges, as well as any additional fees or charges for the system, except when the Covered Service is obtained from a non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these non-Tufts HP Providers in Massachusetts from balance billing GIC Members.

**Private duty nursing**

Inpatient private duty nursing services qualify as Covered Services when:

- The Member is a Hospital Inpatient for the treatment of a medical condition,
- The health care facility’s regular nursing staff could not perform the services, due to the frequency and complexity of the skilled Nursing Care,
- The services are Medically Necessary, as determined by Tufts Health Plan.

Private duty nursing services provided in the Member’s home qualify as Covered Services when:

- The administration of treatment and the evaluation of the patient's response to the treatment require the skills of a registered nurse, due to the frequency and complexity of the skilled Nursing Care.
- The services are Medically Necessary, as determined by Tufts Health Plan.
- The services are approved by an Authorized Reviewer.

**Note:** Covered private duty nursing services (whether as an Inpatient, at home, or both) are limited to a total of $8,000 per Member in a Contract Year (Authorized and Unauthorized Levels combined).

**Scalp hair prostheses or wigs**

Covered Services include scalp hair prostheses or wigs worn for hair loss due to (1) alopecia areata, alopecia totalis, or permanent loss of scalp hair due to injury; or (2) the treatment of any form of cancer or leukemia.

**Special formulas**

This benefit includes special medical formulas, nonprescription enteral formulas, and low protein foods, when prescribed by a physician to treat the below conditions:

- **Special Medical Formulas (may require prior approval from an Authorized Reviewer)**
  - Phenylketonuria
  - Tyrosinemia
  - Homocystinuria
  - Maple syrup urine disease
  - Propionic acidemia
  - Methylmalonic acidemia

- **Nonprescription enteral formulas (may require prior approval from an Authorized Reviewer)**
  - Malabsorption caused by Crohn’s disease
  - Ulcerative colitis
  - Gastroesophageal reflux or gastrointestinal motility
  - Chronic intestinal pseudo-obstruction
  - Inherited diseases of amino acids and organic acids
  - Medically Necessary formulas, including infant formula for milk or soy protein intolerance; formula for premature infants; and supplemental formulas for growth failure

- **Low Protein Foods**, when given to treat inherited diseases of amino acids and organic acids
Exclusions from Benefits

The Plan does not cover a service, supply, or medication that is:

- Not Medically Necessary, as determined by Tufts Health Plan
- Not a Covered Service
- Not essential to treat an injury, illness, or pregnancy, except for preventive care services
- Able to be safely and effectively provided to you via a (a) less intensive level of service, supply, setting, or medication or (b) more cost-effective alternative
- Primarily for personal comfort or convenience
- Obtained outside of the 50 United States. The only exceptions to this rule are for Emergency care services or Urgent Care services while traveling
- Custodial Care
- Related to non-Covered Services
- Charges for missed appointments that you do not cancel in advance, if the Provider’s office policy is to charge for such appointments
- A drug, device, medical treatment or procedure (collectively “treatment”) that is Experimental or Investigative, or for any related treatments

**Note:** This exclusion does not apply to the following services, as per Massachusetts law: long-term antibiotic treatment of chronic Lyme disease when administered as described under “Injectable, infused or inhaled medications” earlier in this Part 5 (for drugs administered under the separate “Prescription Drug Benefit”, contact Express Scripts); bone marrow transplants for breast cancer or patient care services provided pursuant to a qualified clinical trial
- Drugs, medicines, materials or supplies for use outside the Hospital or any other facility
- Medications and other products that can be purchased without a prescription
- Laboratory tests ordered by a Member (online or through the mail), even if performed at a licensed laboratory
- Provided by an immediate family member (by blood or marriage), even if the relative is a Tufts HP Provider and the services are authorized by your own PCP. If you are a Tufts HP Provider, you cannot provide or authorize services for yourself, be your own PCP, or be the PCP of a member of your immediate family (by blood or marriage)
- Required by a third party (i.e., employer, insurance company, school or court) and not otherwise Medically Necessary
- Services for which you are not legally obligated to pay or services for which no charge would be made if you had no health Plan
- Care for conditions for which benefits are available under Workers’ Compensation or other government programs other than Medicaid
- Care for conditions that state or local law requires to be treated in a public facility
- Any additional fee a Provider may charge as a condition of access or any amenities that access fee is represented to cover. Refer to the Directory of Health Care Providers to determine if your Provider charges such a fee
- Charges incurred when the Member, for his or her convenience, chooses to remain an Inpatient beyond the discharge hour
- Charges or claims incurred as a result, in whole or in part, of fraud or misrepresentation (e.g., claims for services not actually rendered and/or able to be validated)
- Facility charges or related services for a non-Covered Service
- Dental care and treatment, except as provided under Oral health services on Page 64. Exclusions include, but are not limited to, preventive dental care; periodontal treatment; orthodontics; dental supplies; dentures; restorative services including, but not limited to, crowns, fillings, root canals, and bondings; alteration of teeth; care related to deciduous (baby) teeth; splints and oral appliances (except for sleep apnea), including those for TMJ disorders
Exclusions from Benefits, continued

**Note:** This exclusion does not apply to the treatment of cleft lip or cleft palate for *Members* under 18, as described under “Cleft lip or cleft palate treatment and services for Children” earlier in this chapter.

- Surgical removal or extraction of teeth, except as provided under *Oral health services* on Page 64
- *Cosmetic* (i.e., meant to change or improve appearance) surgery, procedures, supplies, medications or appliances, except as provided under *Reconstructive surgery and procedures* on Page 69; Rhinoplasty, except as provided under *Reconstructive surgery and procedures* on Page 69; liposuction; the removal of tattoos; brachioplasty. **Note:** Breast reconstruction following a *Medically Necessary* mastectomy is covered, as described in *Reconstructive surgery and procedures* on Page 69
- Treatment of spider veins; removal or destruction of skin tags; treatment of vitiligo
- Hair removal (e.g., electrolysis, laser hair removal), except when *Medically Necessary* to treat an underlying skin condition or in relation to transgender genital surgery (with prior approval by an *Authorized Reviewer*)
- Costs associated with home births or services provided by a doula
- Circumcisions performed in any setting other than a *Hospital, Day Surgery* facility, or a physician’s office
- Infertility services, infertility medications, and associated reproductive technologies (such as IVF, GIFT and ZIFT) for *Members* who do not meet the definition of Infertility as described in the “Infertility services” benefit on Page 57. Exclusions include, but are not limited to:
  - Experimental infertility procedures
  - The costs of surrogacy, including: (1) all costs (including, but not limited to, costs for drugs necessary to achieve implantation, embryo transfer, and cryo-preservation of embryos) incurred by a fertile woman to achieve a pregnancy as a surrogate or gestational carrier for an infertile *Member*; (2) use of donor egg and a gestational carrier; and (3) costs for maternity care if the surrogate is not a *Member*
    **Note:** A surrogate is a person who carries and delivers a *Child* for another either through artificial insemination or surgical implantation of an embryo. A gestational carrier is a surrogate with no biological connection to the embryo/Child
  - Reversal of voluntary sterilization
  - Long-term (longer than 90 days) sperm or embryo cryopreservation not associated with active infertility treatment
    **Note:** *Tufts HP* may authorize short-term (less than 90 days) cryopreservation of sperm, oocytes, or embryos for certain medical conditions that may impact a *Member’s* future fertility. *(Prior approval from an *Authorized Reviewer* is required)*
  - Donor recruitment fee for donor egg or donor sperm
  - Donor sperm and associated laboratory services in the absence of diagnosed male factor infertility in the partner
  - Costs associated with donor recruitment and compensation
  - Infertility services that are necessary for conception as a result of voluntary sterilization or after an unsuccessful reversal of a voluntary sterilization
  - Drugs for anonymous or designated egg donors that are directly related to a stimulated Assisted Reproductive Technology (ART) cycle, unless the ART service has been approved by an *Authorized Reviewer* and the *Member* is the sole recipient of the donor’s eggs
- Reversal of gender reassignment (gender affirmation) surgery
- Reversal of voluntary sterilization
- Over-the-counter contraceptive agents
- The purchase of an electric, *Hospital*-grade breast pump; donor breast milk
- Human organ transplants, except as described on Page 65. Expenses for transportation and lodging in connection with human organ transplants are not covered
Exclusions from Benefits, continued

• Services provided to a non-Member, except as described earlier in Part 5 – Covered Services for the following:
  o Organ donor charges under Bone Marrow Transplants for Breast Cancer, Hematopoietic Stem Cell Transplants, and Human Solid Organ Transplants (see Page 65);
  o Bereavement counseling services under Hospice and End-of-Life care services (see Page 72);
  o Procurement and processing of donor sperm or eggs under “Infertility services” (to the extent such costs are not covered by the donor’s health coverage, if any)

• Acupuncture
• Psychoanalysis
• Inpatient and Outpatient weight-loss programs and clinics, except as described earlier in this chapter
• Biofeedback, except for the treatment of urinary incontinence; neuromuscular stimulators and related supplies; chiropractic services, except as described in “Chiropractic services” on Page 56; chiropractic services (spinal manipulation) for Members age 12 and under; any type of thermal therapy device
• Hypnotherapy; relaxation therapies; massage therapies, except as described earlier in this chapter; services by a personal trainer; exercise classes; cognitive rehabilitation programs or cognitive retraining programs, except as described earlier in this chapter. Also excluded are diagnostic services related to any of these procedures or programs
• All Non-Conventional Medicine services, provided independently or together with conventional medicine, and all related testing, laboratory testing, services, supplies, procedures, and supplements associated with this type of medicine
• The Plan does not cover the cost of services (including tuition-based programs) that offer educational, vocational, recreational or personal development activities, including, but not limited to: therapeutic schools, camps, wilderness or ranch programs, sports or performance enhancement programs, spas/resorts, leadership or behavioral coaching, or Outward Bound. The Plan will provide coverage for Medically Necessary Outpatient or intermediate Behavioral Health services provided by licensed Behavioral Health Providers while the Member is in a tuition-based program, subject to Plan rules, including any network requirements or Cost-Sharing
• Blood, blood donor fees, blood storage fees, blood substitutes, blood banking, cord blood banking, and blood products

  Note: This exclusion does not apply to the following blood services and products:
  o Blood processing
  o Blood administration
  o Monoclonal and recombinant Factor products for Factor VIII deficiency (classic hemophilia), Factor IX deficiency (Christmas factor deficiency), and von Willebrand disease (prior approval from an Authorized Reviewer is required)
  o Intravenous immunoglobulin for treatment of severe immune disorders, certain neurological conditions, infectious conditions, and bleeding disorders (prior approval from an Authorized Reviewer is required)
• Devices and procedures intended to reduce snoring including, but not limited to, laser-assisted uvulopalatoplasty, somnoplasty, and snore guards
• Multi-purpose general electronic devices, including, but not limited to, laptop computers, desktop computers, personal assistive devices (PADs), tablets, and smartphones. All accessories for multi-purpose general electronic devices, including USB devices and direct connect devices (e.g., speakers, microphones, cables, cameras, batteries, etc). Internet and modem connection/access including, but not limited to, Wi-Fi®, Bluetooth®, Ethernet and all related accessories
• Examinations, evaluations or services for educational purposes, including physical therapy, speech therapy, and occupational therapy, except as provided earlier in Part 5. Vocational rehabilitation services and vocational retraining. Also, services to treat learning disabilities, behavioral problems, and services to treat speech, hearing and language disorders in a school-based setting
• Eyeglasses, lenses or frames; or refractive eye surgery (including radial keratotomy) for conditions which can be corrected by means other than surgery. Except as described in Medical Appliances and Equipment on Page 74, the Navigator Plan will not pay for eyeglasses, contact lenses or contact lens fittings
• Hearing aids or hearing aid fittings, except as described under Medical Appliances and Equipment on Page 74
Exclusions from Benefits, continued

- Routine foot care, such as: trimming of corns and calluses; treatment of flat feet or partial dislocations in the feet; orthopedic shoes and related items that are not part of a brace; foot orthotics or fittings; or casting and other services related to foot orthotics or other support devices for the feet
  
  **Note:** This exclusion does not apply to routine foot care for *Members* diagnosed with diabetes. It also does not apply to therapeutic/molded shoes and shoe inserts for a *Member* with severe diabetic foot disease when (1) the need for therapeutic shoes and inserts has been certified by the *Member’s* treating doctor, and (2) the shoes and inserts are prescribed by a *Provider* who is a podiatrist or other qualified doctor; and are furnished by a *Provider* who is a podiatrist, orthotist, prosthetist, or pedorthist
- Transportation, including, but not limited to, transportation by chair car, wheelchair van, or taxi, except as described in "Ambulance services" on Page 71
- Lodging related to receiving any medical service, including lodging related to obtaining gender reassignment (gender affirmation) surgery or related services
- Service or therapy animals and related supplies
Part 6 – How to File a Claim and the Member Satisfaction Process

How to File a Claim

Tufts HP Providers
When you obtain care from a Tufts HP Provider, you do not have to submit claim forms. The Tufts HP Provider will submit claim forms for you. Tufts HP will make payment directly to the Tufts HP Provider.

Non-Tufts HP Providers
As described below, when you obtain care from a Non-Tufts HP Provider, it may be necessary to file a claim form. Claim forms are available from Tufts HP (see “To Obtain Claim Forms” below).

Hospital Admission or Day Surgery
When you receive care from a Hospital that is a Non-Tufts HP Hospital, have the Hospital complete a claim form. The Hospital should submit the claim form directly to Tufts HP. If you are responsible for any portion of the Hospital bill, Tufts HP will send you an explanation of benefits statement. The explanation of benefits will tell you how much you owe the Non-Tufts HP Hospital.

Outpatient Medical Expenses
When you receive medical care from a Non-Tufts HP Provider, you are responsible for completing claim forms. (Check with the Non-Tufts HP Provider to determine if he or she will submit the claim form directly to Tufts HP for you or whether you will be required to submit the claim form directly to Tufts HP yourself.)

If you sign the appropriate section on the claim form, Tufts HP will make payment directly to the Non-Tufts HP Provider. If you are responsible for any portion of the bill, Tufts HP will send you an explanation of benefits statement. The explanation of benefits will tell you how much you owe to the Non-Tufts HP Provider.

If you do not sign the appropriate section on the claim form, Tufts HP will make the appropriate payment directly to you. If you have not already done so, you will be responsible for paying the Non-Tufts HP Provider for the services rendered. If you are responsible for paying any portion of the bill above what the Plan pays, an explanation of benefits statement will be sent to you. The explanation of benefits statement will tell you how much you owe to the Non-Tufts HP Provider.

To Obtain Claim Forms
Claim forms are available by calling the Tufts HP Member Services Department at 800-462-0224.

Where to Send Medical Claim Forms
Send completed claim forms to:
Tufts Health Plan
POS Claims
P.O. Box 9171
Watertown, MA 02472-9171

Separate claim forms should be submitted for each family member. If you have any questions about filing forms, call Member Services at 800-870-9488.

Note: Italicized words are defined in Part 8.
**Member Appeals Process**

*Tufts Health Plan* ("*Tufts HP*") has a *Member* Satisfaction Process to address your concerns promptly. This process addresses:

- Internal Inquiry;
- *Member* Grievance Process; and
- Appeals:
  - Internal *Member* Appeals, and
  - Expedited Appeals.

All Grievances and Appeals should be sent to *Tufts HP* at the following address:

**Tufts Health Plan**  
**Navigator Plan**  
**Attn:** Appeals and Grievances Department  
705 Mt. Auburn Street  
P.O. Box 9193  
Watertown, MA 02472-9193  
**Fax:** 617-972-9509

All calls should be directed to the *Member* Services Department at **800-870-9488**. Alternatively, you may submit your grievance or appeal at the address listed above.

**Internal Inquiry**

Call the *Member* Services Department at 800-870-9488 to discuss concerns you may have regarding your health care. Every effort will be made to resolve your concerns. If your concerns cannot be explained or resolved, or if you tell a *Member* Representative that you are not satisfied with the response you have received from *Tufts HP*, we will notify you of any options you may have, including the right to have your inquiry processed as a grievance or appeal. If you choose to file a grievance or appeal, you will receive written acknowledgement and written resolution in accordance with the timelines outlined below.

**Grievances**

A grievance is a formal complaint about actions taken by *Tufts HP* or a *Tufts HP* Provider. There are two types of grievances: administrative grievances and clinical grievances. The two types of grievances are described below.

It is important that you contact *Tufts HP* as soon as possible to explain your concern. Grievances may be filed either verbally or in writing. If you choose to file a grievance verbally, please call a *Tufts HP* Member Representative, who will document your concern and forward it to an Appeals and Grievances Specialist in the Appeals and Grievances Department. To accurately reflect your concerns, you may want to put your grievance in writing and send it to the address provided at the beginning of this section. Your explanation should include:

- Your name and address;
- Your *Member* ID number;
- A detailed description of your concern (including relevant dates, any applicable medical information, and *Provider* names); and
- Any supporting documentation.

**Note:** The *Member* Grievance Process does not apply to requests for a review of a denial of coverage. If you are seeking such a review, please see the “Internal Member Appeals” section below.

**Administrative Grievance**

An administrative grievance is a complaint about a *Tufts HP* employee, department, policy, or procedure, or about a billing issue.
Member Appeals Process, continued

Administrative Grievance Timeline
- If you file your grievance in writing, Tufts HP will notify you by mail, within five (5) business days after receiving your letter, that your letter has been received and provide you with the name, address, and telephone number of the Appeals and Grievances Specialist coordinating the review of your grievance.
- If you file your grievance verbally, we will send you a written confirmation within forty-eight (48) hours. We will also include the name, address, and telephone number of the person coordinating the review.
- Tufts HP will review your grievance and will send you a letter regarding the outcome within thirty (30) calendar days of receipt.
- The time limits in this process may be waived or extended upon mutual written agreement between you or your authorized representative and Tufts HP.

Clinical Grievances
A clinical grievance is a complaint about the quality of care or services that you have received from a Tufts HP Provider. If you have concerns about your medical care, you should discuss them directly with your Provider. If you are not satisfied with your Provider’s response or do not wish to address your concerns directly with your Provider, you may contact Member Services to file a clinical grievance.

If you file your grievance in writing, we will notify you by mail, within five (5) business days after receiving your letter, that your letter has been received and provide you with the name, address, and telephone number of the Appeals and Grievances Specialist coordinating the review of your grievance. If you file your grievance verbally, we will send you written confirmation of our understanding of your concerns within 48 hours. We will also include the name, address, and telephone number of the person coordinating the review.

Tufts HP will review your grievance and will notify you in writing regarding the outcome, as allowed by law, within 30 calendar days of receipt. The review period may be extended up to an additional 30 days if additional time is needed to complete the review of your concern. You will be notified in writing if the review timeframe is extended.

Internal Member Appeals
Requests for coverage that was denied as specifically excluded in this Navigator Member Handbook (or subsequent updates) or for coverage that was denied based on Medical Necessity determinations are reviewed as appeals through Tufts Health Plan’s Internal Appeals Process. You may file a request yourself or you may designate someone to act on your behalf in writing. You have 180 days from the date you were notified of the denial of benefit coverage or claim payment to file your appeal.

You can submit a verbal appeal of a benefit coverage decision to the Member Services Department, who will forward it to the Appeals and Grievances Department. You can also submit a written appeal to the address listed above under “Grievances”. Tufts HP encourages you to submit your appeal in writing to accurately reflect your concerns. Your letter should include:
- Your complete name and address
- Your ID number
- A detailed description of your request (including relevant dates, any applicable medical information, and Provider names)
- Copies of any supporting documentation

You may also submit your appeal in person at the address listed at the beginning of this chapter.

(continued on next page)
Member Appeals Process, Internal Member Appeals, continued

(ii) Within forty-eight (48) hours following Tufts Health Plan’s receipt of your verbal or written appeal, a Tufts Health Plan Appeals and Grievances Specialist will send you an acknowledgment letter, and a request for authorization for the release of your medical and treatment information related to your appeal. Once you have signed and returned the authorization for the release of medical and treatment information to Tufts Health Plan, an Appeals and Grievances Specialist will document the date of receipt and coordinate the investigation of your appeal. In the event that you do not sign and return the authorization for the release of medical and treatment information to Tufts Health Plan within 30 calendar days of the day you requested a review of your case, Tufts HP may, in its discretion, issue a resolution of the appeal without reviewing some or all of your medical records.

(iii) The Tufts Health Plan Benefits Committee will review appeals concerning specific benefits, exclusions and payment disputes, and will make determinations. The Tufts Health Plan Appeals Committee will make utilization management (Medical Necessity) decisions. If your appeal involves an adverse determination (Medical Necessity determination), it will be reviewed by a medical director and/or a practitioner in the same or in a similar specialty that typically manages the medical condition, performs the procedure, or provides the treatment that is under review. The medical director and/or practitioner will not have previously reviewed your case.

(iv) The Appeals and Grievances Specialist will notify you in writing of the Committee’s decision within no more than 30 calendar days of the receipt of your appeal. The time limits may be waived or extended beyond the time allowed by law upon mutual verbal or written agreement between you or your authorized representative and Tufts HP. A copy of the decision will be sent to your physician, unless you request otherwise. A determination of claim denial will set forth:

- Tufts Health Plan’s understanding of the request;
- The reason(s) for the denial;
- The specific contract provisions on which the denial is based; and
- The clinical rationale for the denial, if the appeal involves a Medical Necessity determination.

Tufts Health Plan maintains records of each inquiry made by a Member or by that Member’s designated representative.

Expeditied (Fast) Appeals

Tufts HP recognizes that there are urgent circumstances that require a quicker turnaround than the thirty (30) calendar days allotted for the standard Appeals Process. Tufts HP will expedite an appeal when your health may be in serious jeopardy or, in the opinion of your treating Provider (the practitioner responsible for the treatment or proposed treatment), you may experience pain that cannot be adequately controlled while you wait for a decision on your appeal.

If your request meets the guidelines for an expedited (fast) appeal, it will be reviewed by a Medical Affairs Department Physician, Psychological Testing Reviewer, and/or practitioner in the same (or in a similar) specialty that typically manages the medical condition, performs the procedure or provides the treatment that is under review. This Medical Affairs Department Physician, Psychological Testing Reviewer, and/or practitioner will not have previously reviewed your case.

Your review will generally be conducted within two (2) business days, but not later than 72 hours (whichever is less) after Tufts HP’s receipt of the request. If your appeal meets the guidelines for an expedited appeal, you may also file a request for a simultaneous external review as described below.
Member Satisfaction Process, continued

External Review
For appeals involving Medical Necessity determinations (adverse determinations) and benefit reviews where medical judgement was used, you or your authorized representative have the right to request an independent, external review of our Appeals decision (appeals for payment disputes and coverage of services specifically excluded in your Member Handbook are not eligible for external review).

Note: Payment disputes are not eligible for external review, except when the appeal is filed to determine if surprise billing protections are applicable.

Should you choose to request an external review, send your request within four months of your receipt of written notice of the denial of your appeal to:

Tufts Health Plan
Appeals & Grievances Department
705 Mt. Auburn Street
Watertown, MA 02472-9193
(fax) 617-972-9509

In some cases, Members may have the right to an expedited (fast) external review. An expedited external review may be appropriate in urgent situations. An urgent situation is one in which your health may be in serious jeopardy, or, in the opinion of your physician, you may experience pain that cannot be adequately controlled while you wait for a decision on your appeal. Additionally, if Tufts Health Plan has not met all of our major procedural requirements (as listed above under internal appeals) for matters subject to external review, you can immediately file an external appeal.

If you request an external review, an independent organization will review the decision and provide you with a written determination. If this organization decides to overturn the appeal decision, the service or supply will be covered under the Plan.

If You Have Questions or Need Help Submitting a Grievance or Appeal, please call the Member Services Department at 800-870-9488 for assistance.
Bills from Providers

Occasionally, you may receive a bill from a Non-Tufts HP Plan Provider for Covered Services. Before paying the bill, contact the Tufts HP Member Services Department.

**When you get care in Massachusetts:**

- Medical Providers in Massachusetts are not allowed to balance bill you for charges over the allowed amount (Massachusetts General Law, Chapter 32A: Section 20). If a Massachusetts medical Provider balance bills you, call the Member Services Department at 800-870-9488 for help.

- Behavioral health providers in Massachusetts who are not in the Tufts Health Plan network may balance bill you. Since the Plan does not cover balance bills, payment is your responsibility. If you need help finding a Tufts HP Provider, call the Member Services Department at 800-870-9488.

**If you get care outside of Massachusetts:**

- Outside of Massachusetts, Non-Tufts HP Providers may balance bill you for the difference between the Plan’s allowed amount and the Provider’s charges. This rule applies to both medical and behavioral health services. Since the Plan does not cover balance bills, payment is your responsibility.

If you do pay a bill from a Non-Tufts HP Provider, you must send the following information to the Member Reimbursement Medical Claims Department:

- A completed, signed Member Reimbursement Medical Claim Form, which can be obtained from the Tufts HP website or by contacting the Tufts HP Member Services Department
- The documents listed on the Member Reimbursement Medical Claim Form

The address for the Member Reimbursement Medical Claims Department is listed on the Member Reimbursement Medical Claims Form.

**Note:** You must contact Tufts HP regarding your bill(s) or send your bill(s) to Tufts HP within 24 months from the date of service. If you do not submit them in this timeframe, the bill cannot be considered for payment. Most completed reimbursement requests are processed within 30 days. Incomplete requests and requests for services rendered outside of the United States may take longer. Reimbursements will be sent to the Subscriber at the address Tufts HP has on file.

**Important Note:**

Certain services you receive from Non-Tufts HP Providers at a Tufts HP facility may be reimbursable. Some examples of these types of Providers include Emergency room specialists and radiologists, pathologists, and anesthesiologists who work in Tufts HP Hospitals.

If you receive Covered Services from a Non-Tufts HP Provider outside of the Service Area, in most instances, we will directly reimburse the Non-Tufts HP Provider.

The Plan reserves the right to be reimbursed by the Member for payments made due to Tufts HP’s error.

**Limitation on Actions**

You cannot file a lawsuit against either Navigator or Tufts Health Plan for any claim under this health care program more than two (2) years after the Navigator Plan denies the claim, unless you do it within two (2) years from the time the cause of action arose. For example, if you want to file a lawsuit because you were denied coverage under the Navigator Plan, you must first complete our Member Satisfaction Process and then file your lawsuit within two years of first being sent a notice of the denial. Going through our Member Satisfaction Process does not extend the time limit for filing a lawsuit beyond two years after the date you were first denied coverage.
Subrogation and Right of Recovery
The provisions of this section apply to all current and former Plan participants and also to the parents, guardians, or other representatives of a Dependent Child who incurs claims and is or has been covered by the Plan. This Plan’s right to recover (whether by subrogation or reimbursement) shall apply to the personal representative or administrator of your estate, your decedents, your heirs, your descendants, your beneficiaries, minors, and incompetent or disabled persons. These provisions will apply to all claims arising from your illness or injury, including, but not limited to, wrongful death, survival, or survivorship claims brought on your, your estate’s, or your heirs’ behalf, regardless of whether medical expenses were or could be claimed. “You” and “Your” includes anyone on whose behalf the Plan pays benefits. No adult Subscriber hereunder may assign any rights that it may have to recover medical expenses from any person or entity responsible for causing your injury, illness, or condition or any other person or entity to any minor Child or Children of said adult Subscriber without the prior express written consent of the Plan.

The Plan’s right of subrogation or reimbursement, as set forth below, extend to all insurance coverage available to you due to an injury, illness, or condition for which the Plan has paid medical claims (including, but not limited to, any disability award or settlement, premises or homeowners’ medical payments coverage, premises or homeowners’ insurance coverage, liability coverage, uninsured motorist coverage, under-insured motorist coverage, personal umbrella coverage, workers compensation coverage, automobile medical payments coverage, no fault automobile coverage or any first party insurance coverage).

Your health Plan is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the health Plan’s subrogation and reimbursement interests are fully satisfied.

Subrogation
The right of subrogation means the Plan is entitled to pursue any claims that you may have in order to recover the benefits paid by the Plan. Immediately upon paying or providing any benefit under the Plan, the Plan shall be subrogated to (stand in the place of) all of your rights of recovery with respect to any claim or potential claim against any party, due to an injury, illness or condition to the full extent of benefits provided or to be provided by the Plan. The Plan may assert a claim or file suit in your name and take appropriate action to assert its subrogation claim, with or without your consent. The Plan is not required to pay you part of any recovery it may obtain, even if it files suit in your name.

Reimbursement
If you receive any payment as a result of an injury, illness or condition, you agree to reimburse the Plan first from such payment for all amounts the Plan has paid and will pay as a result of that injury, illness or condition, up to and including the full amount of your recovery. Benefit payments made under the Plan are conditioned upon your agreement to reimburse the Plan in full from any recovery you receive for your injury, illness, or condition.

Constructive Trust
By accepting benefits (whether the payment of such benefits is made to you or made on your behalf to any Provider), you agree that if you receive any payment as a result of an injury, illness or condition, you will serve as a constructive trustee over those funds. Failure to hold such funds in trust will be deemed a breach of your fiduciary duty to the Plan. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the Plan’s subrogation and reimbursement interests are fully satisfied.

Lien Rights
Further, the Plan will automatically have a lien to the extent of benefits paid by the Plan for the treatment of illness, injury or condition upon any recovery whether by settlement, judgment or otherwise, related to treatment for any illness, injury, or condition for which the Plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the Plan, including, but not limited to, your representative or agent, and/or any other source that possessed or will possess funds representing the amount of benefits paid by the Plan.
Subrogation and Right of Recovery, continued

Subrogation Agent

*Tufts Health Plan* administers subrogation recoveries for the *Plan* and may contract with a third party to administer subrogation recoveries for the *Plan*. In such case, that subcontractor will act as *Tufts Health Plan’s* agent.

Assignment

In order to secure the *Plan’s* recovery rights, you agree to assign to the *Plan* any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of the *Plan’s* subrogation and reimbursement claims. This assignment allows the *Plan* to pursue any claim you may have, whether or not you choose to pursue the claim.

First-Priority Claim

By accepting benefits from the *Plan*, you acknowledge that the *Plan’s* recovery rights are a first priority claim and are to be repaid to the *Plan* before you receive any recovery for your damages. The *Plan* shall be entitled to full reimbursement on a first-dollar basis from any payments, even if such payment to the *Plan* will result in a recovery which is insufficient to make you whole or to compensate you in part or in whole for the damages sustained. The *Plan* is not required to participate in or pay your court costs or attorney fees to any attorney you hire to pursue your damage claim.

Applicability to All Settlements and Judgments

The terms of this entire subrogation and right of recovery provision shall apply and the *Plan* is entitled to full recovery regardless of whether any liability for payment is admitted and regardless of whether the settlement or judgment identifies the medical payments the *Plan* provided or purports to allocate any portion of such settlement or judgment to payments of expenses other than medical expenses. The *Plan* is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering, non-economic damages and/or general damages only. The *Plan’s* claim will not be reduced due to your own negligence.

Cooperation

You agree to cooperate fully with the *Plan’s* efforts to recover benefits paid. It is your duty to notify the *Plan* within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of your intention to pursue or investigate a claim to recover damages or obtain compensation due to your injury, illness, or condition. You and your agents agree to provide the *Plan* or its representatives notices of any recovery you or your agents obtain prior to receipt of such recovery funds or within 5 days if no notice was given prior to receipt. Further, you and your agents agree to provide notice prior to any disbursement of settlement or any other recovery funds obtained. You and your agents shall provide all information requested by the *Plan, Tufts Health Plan* or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the *Plan* may reasonably request and all documents related to or filed in personal injury litigation. Failure to provide this information, failure to assist the *Plan* in pursuit of its subrogation rights or failure to reimburse the *Plan* from any settlement or recovery you receive may result in the denial of any future benefit payments or claim until the *Plan* is reimbursed in full, termination of your health benefits, or the institution of court proceedings against you.

You shall do nothing to prejudice the *Plan’s* subrogation or recovery interest or prejudice the *Plan’s* ability to enforce the terms of this *Plan* provision. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the *Plan* or disbursement of any settlement proceeds or other recovery prior to fully satisfying the *Plan’s* subrogation and reimbursement interest.

You acknowledge that the *Plan* has the right to conduct an investigation regarding the injury, illness, or condition to identify potential sources of recovery. The *Plan* reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

You acknowledge that the *Plan* has notified you that it has the right pursuant to the Health Insurance Portability and Accountability Act (“HIPAA”), 42 U.S.C. Section 1301 et seq, to share your personal health information in exercising its subrogation and reimbursement rights.

-88-
Subrogation and Right of Recovery, continued

Interpretation
In the event that any claim is made that any part of this subrogation and right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the Claims Administrator for the Plan shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

Jurisdiction
By accepting benefits from the Plan, you agree that any court proceeding with respect to this provision may be brought in any court of competent jurisdiction as the Plan may elect. By accepting such benefits, you hereby submit to each such jurisdiction, waiving whatever rights may correspond by reason of your present or future domicile. By accepting such benefits, you also agree to pay all attorneys’ fees the Plan incurs in successful attempts to recover amounts the Plan is entitled to under this section.

Workers’ Compensation
Employers provide Workers’ Compensation insurance for their employees to protect them in case of work-related illness or injury.

If you have a work-related illness or injury, you and your employer must ensure that all medical claims related to the illness or injury are billed to your employer’s Workers’ Compensation insurer. The Plan will not provide coverage for any injury or illness for which it determines that the Member is entitled to benefits pursuant to any Workers’ Compensation statute or equivalent employer liability, or indemnification law (whether or not the employer has obtained Workers’ Compensation coverage as required by law).

If the Plan pays for the costs of health care services or medications for any work-related illness or injury, the Plan has the right to recover those costs from you, the person, or company legally obligated to pay for such services, or from the Provider. If your Provider bills services or medications to the Plan for any work-related illness or injury, please contact the Tufts Health Plan Liability and Recovery Department at 1-888-880-8699, x. 21098.

Future Benefits
Benefits for otherwise covered services may be excluded when you have received a recovery from another source relating to an illness or injury for which benefits would normally be provided. However, the amount of any Covered Services excluded under this section will not exceed the amount of your recovery.

Coordination of Benefits

Benefits under other Plans
You may have benefits under other Plans for Hospital, medical, dental or other health care expenses.

The Navigator Plan has a coordination of benefits program (COB) that prevents duplication of payment for the same health care services. We will coordinate benefits payable for Covered Services with benefits payable by other Plans, consistent with Massachusetts law, 211 CMR 38.00 et seq. and Tufts Health Plan Coordination of Benefits (COB) processing guidelines.

Primary and secondary plans
The Plan will coordinate benefits by determining:

- which Plan (Navigator or your other Plan(s)) has to pay first; and
- which Plan (Navigator or your other Plan(s)) has to pay second.

These determinations will be made using the first applicable rule set forth in 211 CMR 38.05 and benefits will be paid or provided pursuant to the rules set forth in 211 CMR 28.04 and 211 CMR 38.06. These regulations are available on the Massachusetts state website, www.mass.gov/code-of-massachusetts-regulations-cmr.

Right to receive and release necessary information
When you complete your Membership application, you must include information on your Membership application about other health coverage you have. After you enroll, you must notify Tufts Health Plan of new coverage, termination of other coverage, or if you are enrolled in any high Deductible health Plan with a health savings account (HSA). Tufts Health Plan may ask for and give out information needed to coordinate benefits.

You agree to provide information about other coverage and cooperate with Tufts HP’s COB program.

Right to recover overpayment
The Plan may recover, from you or any other person or entity, any payments made that are greater than payments it should have made under the COB program. The Plan will recover only over-payments actually made.

For more information
For more information about COB, call the Liability and Recovery Department at 888-880-8699, x. 21098.

Use and Disclosure of Medical Information
For information about how Tufts Health Plan uses and discloses your medical information, please contact the Member Services Department. Information is also available on the Tufts Health Plan website at http://www.tuftshealthplan.com.

For information about how the GIC uses and discloses your medical information, please contact the GIC.
Additional Plan Provisions

Tufts Health Plan and Providers
Tufts Health Plan arranges for health care services. Tufts Health Plan does not provide health care services. Tufts Health Plan has agreements with Providers practicing in their private offices throughout the Service Area. These Providers are independent. They are not Navigator’s or Tufts Health Plan’s employees, agents or representatives. Providers are not authorized to change this Member Handbook, or assume or create any obligation for either Navigator or Tufts Health Plan.

Neither Navigator nor Tufts Health Plan is liable for the conduct of any Provider, including acts, omissions, representations, or any other behavior.

Acceptance of the terms of the Agreement
By enrolling in Navigator, Subscribers agree, on behalf of themselves and their enrolled Dependents, to all the terms and conditions of the Agreement between the GIC and Tufts Health Plan, including this Member Handbook.

Payments for coverage
Navigator is a self-funded Plan. This means that the GIC is responsible for funding Covered Services for Members in accordance with the terms of the Plan.

Changes to this Member Handbook
The GIC may change this Member Handbook. Changes do not require any Member’s consent. The Plan is responsible for notifying you of changes. Changes will apply to all benefits for services received on or after the Effective Date.

Notice
Notice to Members: When Tufts Health Plan sends a notice to you, it will be sent to your last address on file with the Group Insurance Commission. For this reason, it is important for Members to keep their address current with the GIC.

Notice to Tufts Health Plan: Members should address all correspondence to:

Tufts Health Plan
Navigator Plan
705 Mt. Auburn Street
P.O. Box 9173
Watertown, MA 02472-9173

No Third Party Rights
The Plan grants rights to Members. It is not deemed to create rights in any third parties.

When this Member Handbook is Issued and Effective
This Member Handbook is issued and effective July 1, 2021 and supersedes all previous Member Handbooks.

Circumstances beyond Tufts HP’s reasonable control
Tufts Health Plan is not responsible for a failure or delay to arrange for the provision of services due to circumstances beyond the reasonable control of Tufts HP. Such circumstances include, but are not limited to: major disaster, epidemic, war, riot, and civil insurrection. In such circumstances, Tufts HP will make a good faith effort to arrange for the provision of services.
Part 8 – Terms and Definitions

This section defines the terms used in this Member Handbook.

Adoptive Child
A Child is an Adoptive Child as of the date s/he:
- Is legally Adopted by the Subscriber; or
- Is placed for adoption with the Subscriber. This means that the Subscriber has assumed a legal obligation for the total or partial support of a Child in anticipation of adoption. If the legal obligation ceases, the Child is no longer considered placed for adoption.

Allowed Cost or Allowed Amount
Allowed Cost or Allowed Amount is the maximum amount on which payment is based for covered health care services. This may be called “eligible expense”, “payment allowance”, or “negotiated rate”.

Annual Enrollment Period
Annual Enrollment Period is the period each year when the Group Insurance Commission allows eligible persons to apply for and change coverage under Navigator and any other health Plans the GIC offers.

Authorized Level of Benefits
The Authorized Level of Benefits is the level of benefits that a Member receives when care is provided or authorized by his or her PCP (or, with respect to Inpatient behavioral health or Inpatient substance use disorder care, when care is provided by a Tufts Health Plan Hospital). See Part 3 for more information.

Authorized Reviewer
Authorized Reviewers review and approve certain services and supplies to Members. Authorized Reviewers are either Tufts Health Plan’s Chief Medical Officer (or equivalent) or someone he or she names to perform this function.

Behavioral Health Disorders
Psychiatric illnesses or diseases listed as mental disorders in the latest edition, at the time treatment is provided, of the American Psychiatric Association’s Diagnostic and Statistical Manual: Mental Disorders.

Board-Certified Behavior Analyst (BCBA)
A Board-Certified Behavior Analyst (BCBA) meets the qualifications of the Behavior Analyst Certification Board (BACB) by achieving a master’s degree, training, experience and other requirements. A BCBA professional conducts behavioral assessments, designs and supervises behavior analytic interventions, and develops and implements assessment and interventions for Members with diagnoses of autism spectrum disorders. BCBAs may supervise the work of Board-Certified Assistant Behavior Analysts and other Paraprofessionals who implement behavior analytic interventions.

Child (Children)
The Subscriber’s or Spouse’s Child by birth, step-Child, or Adoptive Child, or any other Child for whom the Subscriber or Spouse has legal guardianship until the end of the month following their 26th birthday.

Coinsurance
The percentage of costs you must pay for certain Covered Services.
- For services provided by a Non-Tufts HP Provider, your share is a percentage of the Reasonable Charge for those services. You are responsible for costs in excess of the Reasonable Charge, except when the Covered Service is obtained from a Non-Tufts HP Provider of Medical services in Massachusetts. Massachusetts law prohibits these Non-Tufts HP Providers in Massachusetts from balance billing GIC Members.
- For services provided by a Tufts HP Provider, your share is the lesser of:
  o A percentage of the applicable Tufts Health Plan fee schedule amount for those services; or
  o A percentage of the Tufts HP Provider’s actual charges for those services.
Terms and Definitions, continued

**Contract Year**
The 12-month period in which benefit limits and *Deductibles* are calculated. The *Contract Year* (sometimes referred to as a *Plan Year*) runs from July 1st through June 30th and is designated by the *Group Insurance Commission*.

**Copayment**
Fees you pay for certain *Covered Services* provided or authorized by your *Tufts HP PCP*. *Copayments* are paid to the *Provider* when you receive care unless the *Provider* arranges otherwise. *Copayments* are not applied towards any *Deductible* or *Coinsurance*.

**Copayment Tier 1 PCP**
A Massachusetts *Primary Care Provider*, whose *Provider* group (a) participates in the *GIC’s* Centered Care Program, and (b) provides the most efficient care.

**Copayment Tier 2 PCP**
A Massachusetts *Primary Care Provider*, whose *Provider* group (a) participates in the *GIC’s* Centered Care Program, and (b) provides less efficient care.

**Copayment Tier 3 PCP**
A Massachusetts *Primary Care Provider*, whose *Provider* group does not participate in the *GIC’s* Centered Care Program.

**Copayment Tier 1 Specialist**
A Massachusetts *Tufts HP Provider* that is an adult or pediatric specialist and whose *Provider* group (a) participates in the *GIC’s* Centered Care Program, and (b) provides the most efficient care.

**Copayment Tier 2 Specialist**
A Massachusetts *Tufts HP Provider* that is an adult or pediatric specialist, and whose *Provider* group (a) participates in the *GIC’s* Centered Care Program, and (b) provides less efficient care.

**Copayment Tier 3 Specialist**
A Massachusetts *Tufts HP Provider* that is an adult or pediatric specialist and whose *Provider* group does not participate in the *GIC’s* Centered Care Program.

**Cosmetic Services**
*Cosmetic Services* are services performed solely for the purposes of improving appearance, when appearance is not the result of accidental injury, congenital anomaly or a previous surgical procedure or disease.

**Cost-Sharing Amount**
*Cost-Sharing Amount* is the cost you pay for certain *Covered Services*. This amount may consist of *Deductibles*, *Copayments*, and/or *Coinsurance*.

**Covered Services**
The services and supplies for which the *Plan* will pay. They must be:
- Described in *Part 5 – Covered Services* of this *Member Handbook* (see Pages 52-80)
- *Medically Necessary*, as determined by *Tufts Health Plan*
- In some cases, approved by an *Authorized Reviewer*

These services include *Medically Necessary* coverage of pediatric specialty care, including *Behavioral Health* care, by *Providers* with recognized expertise in specialty pediatrics.

**Note:** Covered Services include any surcharges on the *Plan* such as the Massachusetts Health Safety Net Trust Fund or New York Health Care Reform Act surcharges, or later billed charges under *Provider* network agreements, such as supplemental *Provider* payments or access fee arrangements.
Terms and Definitions, continued

Custodial Care
- Care provided primarily to assist in the activities of daily living, such as bathing, dressing, eating, and maintaining personal hygiene and safety
- Care provided primarily for maintaining the Member’s or anyone else’s safety, when no other aspects of treatment require an acute Hospital level of care
- Services that could be provided by people without professional skills or training
- Routine maintenance of colostomies, ileostomies, and urinary catheters
- Adult and pediatric day care

Note: Custodial Care is not covered by the Plan.

Day Surgery
Any surgical procedure(s) provided to a Member at a facility licensed by the state to perform surgery, and with an expected departure the same day. For Hospital census purposes, the Member is an Outpatient, and not an Inpatient.

Deductible
The Deductible is the amount incurred by the Member for Covered Services before any payments are made under this Member Handbook. Copayments do not count towards any Deductible, nor do costs in excess of the Reasonable Charge for services received at the Unauthorized Level of Benefits. See “Benefit Overview” at the front of this Member Handbook for more information.

Note: The amount credited towards the Member’s Deductible is based on the Tufts HP Provider negotiated rate at the time the services are rendered and does not reflect any later adjustments, payments, or rebates that are not calculated on an individual claim basis.

Dependent
A Dependent is the Subscriber’s Spouse, former Spouse, Child, step-Child, eligible foster Child, or Handicapped Child.

Developmental
The term Developmental refers to a delay in the expected achievement of age-appropriate fine motor, gross motor, social, or language milestones that is not caused by an underlying medical illness or condition.

Directory of Health Care Providers
The Directory of Health Care Providers is a separate booklet which lists:
- Tufts HP Provider physicians and their affiliated Tufts HP Hospital
- Hospitals in the Tufts Health Plan network (Tufts HP Hospitals)
- Certain other Tufts HP Providers

Note: This booklet is updated from time to time to show changes in Providers affiliated with Tufts Health Plan. For information about the Providers listed in the Directory of Health Care Providers, please call Member Services or check the website at http://www.tuftshealthplan.com/gic.

Durable Medical Equipment
Devices or instruments of a durable nature that are:
- Medically Necessary
- Prescribed by a physician
- Reasonable and necessary to sustain a minimum threshold of independent daily living
- Made primarily to serve a medical purpose
- Not useful in the absence of illness or injury
- Able to withstand repeated use
- Used in the home
Terms and Definitions, continued

Effective Date
The Effective Date, according to Tufts Health Plan’s records, is the date when you become a Member and are first eligible for Covered Services.

Emergency
An illness or medical condition, whether physical, behavioral, related to behavioral health or substance use disorder, or mental, characterized by symptoms of sufficient severity that the absence of prompt medical attention could reasonably be expected by a prudent layperson, who possesses an average knowledge of health and medicine, to result in:

- Serious jeopardy to the physical and/or Behavioral Health of a Member, another person, or a pregnant Member’s unborn Child;
- Serious impairment to bodily functions;
- Serious dysfunction of any bodily organ or part; or
- With respect to a pregnant woman who is having contractions, inadequate time to safely transfer to another Hospital before delivery, or a threat to the safety of the Member or her unborn Child if they were transferred to another Hospital before delivery.

Some examples of illnesses or medical conditions requiring Emergency care are severe pain, a broken leg, loss of consciousness, vomiting blood, chest pain, difficulty breathing, or any medical condition that is quickly worsening.

Experimental or Investigative
A service, supply, treatment, procedure, device, or medication (collectively “treatment”) is considered Experimental or Investigative and therefore, not Medically Necessary, if any of the following apply:

- The drug or device cannot be lawfully marketed without the approval of the U.S. Food and Drug Administration and approval for marketing has not been given at the time the drug or device is furnished or to be furnished;
- The treatment, or the "informed consent" form used for the treatment, was reviewed and approved by the treating facility's institutional review board or other body serving a similar function, or federal law requires such review or approval;
- Reliable scientific evidence shows that the treatment is the subject of ongoing Phase I or Phase II clinical trials; is the research, Experimental, study or Investigative arm of ongoing Phase III clinical trials; or is otherwise under study to determine its safety, efficacy, toxicity, maximum tolerated dose, or its efficacy as compared with a standard means of treatment or diagnosis;
- Evaluation by an independent health technology assessment organization has determined that the treatment is not proven safe;
- Even if approved for lawful marketing by the U.S. Food and Drug Administration, reliable scientific evidence does not support that the treatment is effective in improving health outcomes or that appropriate patient selection has been determined;
- The peer-reviewed published literature regarding the treatment is predominantly non-randomized, historically controlled, case controlled, or cohort studies, or there are few or no well-designed randomized, controlled trials;
- There is no scientific or clinical evidence that the treatment is at least as beneficial as any established evidence-based alternatives.

This definition is fully explained in the corresponding Medical Necessity Guidelines.

Facility Fee
A Facility Fee is a fee that clinics or Hospitals may charge to cover the costs of maintaining those facilities.

Family Plan
A Family Plan is coverage for a Subscriber and his or her Dependents.
Terms and Definitions, continued

Free-standing Urgent Care Center
A medical facility (that provides treatment for Urgent Care services (see definition of Urgent Care). A Free-standing Urgent Care Center primarily treats patients who have an injury or illness that requires immediate care but is not serious enough to warrant a visit to an Emergency room. A Free-standing Urgent Care Center offers an alternative to certain Emergency room visits for a Member who is not able to visit his or her Primary Care Provider or health care Provider in the time frame that is felt to be warranted by their condition or symptoms. A Free-standing Urgent Care Center does not provide Emergency care, and is not appropriate for people who have life-threatening conditions. Members experiencing these conditions should go to an Emergency room. Free-standing Urgent Care Centers are not part of a Hospital or Hospital system and are not Limited Service Medical Clinics. To find an Urgent Care Center in our network, please visit our website at http://www.tuftshealthplan.com, and click on "Find a Doctor" or call Member Services.

Group Insurance Commission (GIC)
The Massachusetts state agency that provides health insurance for state and Participating Municipality employees, retirees, and their Dependents.

Habilitation
Health care services provided in accordance with the federal Affordable Care Act (ACA) in order for a person to attain, maintain or prevent deterioration of a life skill or function never learned or acquired due to a disabling condition. These services may include physical and occupational therapy, and speech-language pathology services in various Inpatient and Outpatient settings.

Handicapped Child
The Subscriber’s Child who:
- Became permanently, physically or mentally disabled before age 19
- Is incapable of supporting himself or herself due to disability
- Was covered under the Subscriber’s Family Plan immediately before reaching age 26 and who receives approval from the GIC to continue coverage under the Family Plan

Individual Contract
An Individual Contract is an agreement between Tufts Health Plan and the Subscriber under which Tufts HP agrees to provide individual coverage, and the Subscriber agrees to pay a premium to Tufts HP.

Individual Plan
An Individual Plan is coverage for a Subscriber only (no Dependents).

Inpatient
A patient who is admitted to a Hospital or other facility licensed to provide continuous care, and classified as an Inpatient for all or a part of a day by that facility.

Inpatient Copayment Tier 1
The Copayment you are responsible for paying for an Inpatient admission in a Tufts HP Hospital whose Provider group (a) participates in the GIC’s Centered Care Program and (b) provides the most efficient care.

Inpatient Copayment Tier 2
The Copayment you are responsible for paying for an Inpatient admission in a Tufts HP Hospital whose Provider group (a) participates in the GIC’s Centered Care Program and (b) provides less efficient care.

Inpatient Copayment Tier 3
The Copayment you are responsible for paying for an Inpatient admission in a Tufts HP Hospital whose Provider group does not participate in the GIC’s Centered Care Program.

Inpatient Notification (formerly “Pre-registration”)
Tufts Health Plan’s process of validating all information required for all Inpatient admissions and transfers. Inpatient Notification is not a guarantee of payment. Please see Part 3 – How Your Health Plan Works on Page 35 for more information.
Limited Service Medical Clinic
A walk-in medical clinic licensed to provide limited services, generally based in a retail store. Care is provided by a nurse practitioner. A Limited Service Medical Clinic offers an alternative to certain Emergency room visits for a patient who needs less Urgent Care or is not able to visit his or her Primary Care Provider due to scheduling or other challenges. The services at a Limited Service Medical Clinic are only available to patients 24 months or older.

A Limited Service Medical Clinic does not provide Emergency or wound care, or treatment for injuries. It is not appropriate for people who need x-rays or stitches or who have life-threatening conditions. Members experiencing these conditions should go to an Emergency room.

Medically Necessary
A service or supply that is consistent with generally accepted principles of professional medical practice, as determined by whether it is:

- The most appropriate available supply or level of service for the Member in question considering potential benefits and harms to that individual
- Known to be effective, based on scientific evidence, professional standards and expert opinion, in improving health outcomes
- Based on scientific evidence, for services and interventions not in widespread use

In determining coverage for Medically Necessary services, Tufts HP uses Medical Necessity coverage Guidelines which are: based on current literature review; developed with input from practicing Providers in the Tufts HP Service Area and in accordance with the standards adopted by government agencies and national accreditation organizations; updated annually or more often as new treatments, applications and technologies are adopted as generally accepted professional medical practice; and scientific evidence-based, if practicable.

Our Medical Necessity Guidelines are available on the website at: https://tuftshealthplan.com/member/employer-individual-or-family-plans/tools-resources/overview.

If you prefer, call Member Services at 800-870-9488.
Terms and Definitions, continued

Medical Supplies and Equipment
Items prescribed by a physician and which are Medically Necessary to treat disease and injury.

Member
A Member is a person enrolled in the Navigator Plan. Also referred to as "you."

Member Handbook
The Member Handbook is this document, including any future amendments, which describe the Navigator Plan.

Non-Conventional Medicine
A group of diverse medical and health care systems, practices, and products that are not presently considered to be part of conventional medicine and are generally not based on scientific evidence. Since these services are not based on scientific evidence, they do not meet the Tufts Health Plan definition of Medical Necessity and are not covered. Providers of these non-Covered Services may be contracting or non-contracting traditional medical Providers. These services may be offered in conjunction with a traditional office visit. Providers of Non-Conventional Medicine services often request payment up front because health insurance typically does not cover these services.

Common terminology used to refer to these types of services include, but are not limited to, “alternative medicine”, “complementary medicine”, “integrative medicine”, “functional health medicine”, and may be described as treating “the whole person”, “the entire individual”, or “the inner self”, and may refer to re-balancing hormones or finding underlying causes that lead to bodily dysfunction. Examples of Non-Conventional Medicine and related services include, but are not limited to:

- holistic, naturopathic, energy medicine (e.g., Reiki, Ayurvedic, magnetic fields);
- manipulative and body-based practices (e.g., reflexology, yoga, exercise therapy, tai-chi);
- mind-body medicine (e.g., hypnotherapy, meditation, stress management);
- whole medicine systems (e.g., naturopathy, homeopathy);
- biologically-based practices (e.g., herbal medicine, dietary supplements, probiotics); and
- other related practices when provided in connection with Non-Conventional Medicine services (e.g., animal therapy, art therapy, dance therapy, sleep therapy, light therapy, energy-balancing, breathing exercises).

Non-Tufts HP Provider
A Provider who does not have an agreement with Tufts HP to provide Covered Services to Members.
Terms and Definitions, continued

Notification Penalty (formerly known as “Preregistration Penalty”)
The amount a Member will be required to pay if he or she does not follow the Inpatient Notification guidelines described in Part 3. The Notification Penalty does not count toward Coinsurance, Deductibles, or the Out-of-Pocket Maximum. The Notification Penalty is shown in “Benefit Overview” at the front of this Member Handbook.

Observation
The use of Hospital services to treat and/or evaluate a condition that should result in either a discharge within forty-eight (48) hours or a verified diagnosis and concurrent treatment plan. At times, an Observation stay may be followed by an Inpatient admission to treat a diagnosis revealed during the period of Observation.

Outpatient
A patient who receives care other than on an Inpatient basis. This includes services provided in:

- A physician’s office
- A Day Surgery or ambulatory care unit
- An Emergency room or Outpatient clinic

Note: You are also an Outpatient when you are in a facility for Observation.

Out-of-Pocket Maximum
The Out-of-Pocket Maximum is the maximum amount of money paid by a Member during a Contract Year for Covered Services.

An Out-of-Pocket Maximum consists of the Deductible, Coinsurance, and Copayments at the Authorized Level of Benefits, and consists of the Deductible and Coinsurance at the Unauthorized Level of Benefits. It does not include any Notification Penalties, costs for health care services that are not Covered Services, costs in excess of the Reasonable Charge, or services or supplies listed in the “Note” for the Authorized Out-of-Pocket Maximum provisions on Pages 32.

Paraprofessional
As it pertains to the treatment of autism and autism spectrum disorders, a Paraprofessional is an individual who performs applied behavior analysis (ABA) services under the supervision of a Board-Certified Behavior Analyst (BCBA).

Participating Municipality
A city, town or district of the Commonwealth of Massachusetts that participates in the health coverage offered by the Group Insurance Commission.

Plan
Navigator by Tufts Health Plan™, the Group Insurance Commission’s self-funded Plan administered by Tufts Health Plan, which provides you with the benefits described in this Member Handbook.

Primary Care Provider (also referred to as PCP or Tufts HP PCP)
The Tufts HP physician, physician assistant, or nurse practitioner who has an agreement with Tufts HP to provide Primary Care and to authorize, when appropriate, the provision of other Covered Services to Members (except for Inpatient behavioral health and Inpatient substance use disorder services). Members choose PCPs from among those listed in the Directory of Health Care Providers, subject to the PCP’s availability.

Prosthetic Devices
Medically Necessary items (i.e., breast prostheses and artificial limbs) prescribed by a physician that replace all or part of a bodily organ or limb.
Terms and Definitions, continued

Provider
A Provider is a health care professional or facility licensed in accordance with applicable law including, but not limited to, Hospitals, Limited Service Medical Clinics (if available), Free-standing Urgent Care Centers (if available), physicians, doctors of osteopathy, physician assistants, certified nurse midwives, certified registered nurse anesthetists, nurse practitioners, optometrists, podiatrists, psychiatrists, psychologists, licensed mental health counselors, licensed independent clinical social workers, licensed marriage and family therapists, licensed psychiatric nurses who are certified as clinical specialists in psychiatric and mental health nursing; Licensed Alcohol and Drug Counselor I; licensed speech-language pathologists, and licensed audiologists.

The Navigator Plan will only cover services of a Provider, if those services are listed in Part 5 – Covered Services on Pages 52-80 of this Member Handbook, and within the scope of the Provider’s license.

Reasonable Charge
For care received at the Authorized Level of Benefits from a Tufts HP Provider, the Reasonable Charge is based upon Tufts HP’s contracted rate with the Tufts HP Provider (applicable Authorized Deductible and Coinsurance or Copayment will apply).

For care received from a Non-Tufts HP Provider, the Reasonable Charge is the lesser of the:

- Amount charged by the Non-Tufts HP Provider; or
- Amount that Tufts Health Plan determines to be reasonable, based upon nationally accepted means and amounts of claims payment. Nationally accepted means and amounts of claims payment include, but are not limited to: Medicare fee schedules and Allowed Amounts, CMS medical coding policies, AMA CPT coding guidelines, nationally recognized academy and society coding and clinical guidelines.

With respect to out-of-network Emergency care, Reasonable Charge is the highest of: (1) the median amount negotiated with Tufts HP Providers for the Emergency service; (2) the amount for the Emergency service calculated using the same method we generally use to determine payments for out-of-network services (such as the usual, customary and reasonable (UCR) amount; or (3) the amount that would be paid under Medicare for the Emergency service.

Routine Nursery Care
Routine care given to a well newborn Child immediately following birth until discharge from the Hospital.

Service Area
The Service Area is the geographical area approved by the Massachusetts Commissioner of Insurance within which Tufts Health Plan has developed a network of Providers to give Members adequate access to Covered Services.

Spouse
The Subscriber’s legal Spouse, according to the law of the state in which you reside.

Subscriber
The person who:

- Is an employee, a non-Medicare eligible retired employee, or non-Medicare eligible surviving Spouse of an employee or retiree of the Commonwealth of Massachusetts or a Participating Municipality
- Enrolls in Navigator and signs the Membership application form on behalf of himself or herself and any Dependents
- In whose name the premium contribution is paid

Tobacco Cessation Counselor
Providers who are not physicians but who have completed at least eight (8) hours of instruction in tobacco cessation from an accredited institute of higher learning. Tobacco Cessation Counselors must work under the supervision of a physician.
Terms and Definitions, continued

Tufts Health Plan or Tufts HP
Total Health Plans, Inc., a Massachusetts Corporation d/b/a Tufts Health Plan. Tufts Health Plan enters into arrangements with groups or payers underwriting health benefit Plans to make available a network of Providers and to provide certain administrative services to the health benefit Plans including, but not limited to, processing claims for benefits and performing preregistration. Tufts HP does not insure the Navigator Plan.

Tufts HP Hospital
A Hospital that has an agreement with Tufts Health Plan to provide certain Covered Services to Members. Tufts HP Hospitals are independent. They are not owned by Tufts Health Plan. Tufts HP Hospitals are not agents or representatives of Tufts Health Plan, and their staffs are not Tufts Health Plan’s employees.

Tufts HP Provider
A Provider with whom Tufts Health Plan has an agreement to provide Covered Services to Members. Tufts HP Providers are not employees, agents or representatives of Tufts Health Plan.

Unauthorized Level of Benefits
The Unauthorized Level of Benefits is the level of benefits that a Member receives when care is not provided or authorized by his or her Tufts HP PCP. See “Benefit Overview” at the front of this Member Handbook and Part 3 earlier in this Member Handbook for more information.

Urgent Care
Care provided when your health is not in serious danger, but you need immediate medical attention for an unforeseen illness or injury. Examples of illnesses or injuries in which Urgent Care might be needed are a broken or dislocated toe, a cut that needs stitches but is not actively bleeding, sudden extreme anxiety, or symptoms of a urinary tract infection.

Note: Care provided after the Urgent condition has been treated and stabilized and the Member is safe for transport is not considered Urgent Care.
Part 9 – Navigator Plan Inpatient Hospital Copayment Levels

Under the Navigator Plan, Copayments for Inpatient Hospital stays at Tufts HP Hospitals are grouped into three Inpatient Hospital Copayment Tiers, which are based upon whether the Hospital’s Provider group participates in the GIC’s Centered Care Program, and the efficiency of care it provides (Please call Member Services for more information about Hospital groupings).

- Tufts HP Hospitals whose Provider group (a) participates in the GIC’s Centered Care Program and (b) provides the most efficient care are in Inpatient Copayment Tier 1. Inpatient services at a Tufts HP Hospital included in Inpatient Copayment Tier 1 are subject to a $275 Copayment per admission.*

- Tufts HP Hospitals that participate in the GIC’s Centered Care Program and are determined to provide less efficient care are grouped in Inpatient Copayment Tier 2. Inpatient services at a Tufts HP Hospital included in Inpatient Copayment Tier 2 are subject to a $500 Copayment per admission.*

- Tufts HP Hospitals that do not participate in the GIC’s Centered Care Program are grouped in Inpatient Copayment Tier 3. Inpatient services at a Tufts HP Hospital included in Inpatient Copayment Tier 3 are subject to a $1500 Copayment per admission*.

*Subject to the Inpatient Care Copayment Limit listed in the Inpatient Care Copayment Limit provision on Page 31 of this Navigator Member Handbook.

Important Note: Copayments for admissions to Tufts HP Hospitals that do not participate in the Centered Care Program, but to whom Centered Care Providers refer, are based on the Tier of the referring Provider.

There are other services for which the Inpatient Hospital Copayment Tiers do not apply at the Authorized Level of Benefits. These include:

- Services for newborn Children who stay in the Hospital beyond the mother’s discharge are subject to the Authorized Deductible, then covered in full.

- Covered transplant services for Members are subject to a $275 Copayment per admission* when performed at a facility in Tufts Health Plan’s designated transplant network. Any additional Inpatient admission to a Tufts HP Hospital for Covered Services related to the transplant procedure(s) is subject to the applicable Inpatient Hospital Copayment. Please see Pages 102-107 of Part 9 – Navigator Plan Inpatient Hospital Copayment Levels amounts in effect as of July 1, 2021.

- Covered Inpatient behavioral health and substance use disorder services are subject to a $200 Copayment* when provided at any Tufts HP Hospital.

- Copayments are waived for readmissions within 30 days of discharge in the same Contract Year. If you are billed an Inpatient Copayment for a readmission within 30 days of discharge within the same Contract Year, please call Member Services to have your claim adjusted.

*Subject to the Inpatient Care Copayment Limit listed in the Inpatient Care Copayment Limit provision on Page 31 of this Navigator Member Handbook.

The Navigator Inpatient Hospital Copayment List, which appears in the following table, lists Hospitals and their applicable Copayments.

Prescription Drug Plan

Administered by

For questions about any of the information in the Prescription Drug Plan section of this Handbook, please contact Express Scripts at 855-283-7679.
GIC’s Pharmacy Benefit

GIC’s prescription drug benefits are administered through Express Scripts.

For questions about any of the information in this section, please contact Express Scripts at 855-283-7679.

Express Scripts is the pharmacy benefit manager for your prescription drug benefit plan. The Express Scripts pharmacy network includes major chain pharmacies nationwide, many independent pharmacies, a mail order pharmacy, and a specialty drug pharmacy.

If you have any questions about your prescription drug benefits, contact Express Scripts Member Services toll free at 855-283-7679.

About Your Plan
Prescription medications are covered by the plan only if they have been approved by the U.S. Food and Drug Administration (FDA). In addition, with the exception of the over-the-counter versions of preventive drugs, medications are covered only if a prescription is required for their dispensing. Diabetes supplies and insulin are also covered by the plan.

The plan categorizes medications into seven major categories:

Generic Drugs
Generic versions of brand medications contain the same active ingredients as their brand counterparts, thus offering the same clinical value. The FDA requires generic drugs to be just as strong, pure, and stable as brand-name drugs. They must also be of the same quality and manufactured to the same rigorous standards. These requirements help to assure that generic drugs are as safe and effective as brand-name drugs.

Maintenance Drug
A maintenance drug is a medication taken on a regular basis for chronic conditions such as asthma, diabetes, high blood pressure or high cholesterol.

Non-Preferred Brand-Name Drug
A non-preferred drug is a medication that usually has an alternative, therapeutically equivalent drug available on the formulary.

Preferred Brand-Name Drug
A preferred brand-name drug, also known as a formulary drug, is a medication that has been reviewed and approved by a group of physicians and pharmacists, and has been selected by Express Scripts for formulary inclusion based on its proven clinical and cost effectiveness.

Preventive Drugs
Preventive drugs consist primarily of drugs recommended for coverage by the U.S. Preventive Services Task Force, and as specified by the federal Patient Protection and Affordable Care Act.

See “Preventive Drugs” listed below for more information.

Specialty Drugs
Specialty drugs are usually injectable and non-injectable biotech or biological drugs with one or more of several key characteristics, including:

- Potential for frequent dosing adjustments and intensive clinical monitoring
- Need for intensive patient training and compliance for effective treatment
- Limited or exclusive product distribution
- Specialized product handling and/or administration requirements

Over-the-Counter (OTC) Drugs
Over-the-counter drugs are medications that do not require a prescription. Your plan does not provide benefits for OTC drugs, with the exception of preventive drugs (all of which are covered only if dispensed with a written prescription).

Copayments and Deductible
One of the ways your plan maintains coverage of quality, cost-effective medications is a multi-tier copayment pharmacy benefit: Tier 1 (generic drugs), Tier 2 (preferred brand-name drugs), Tier 3 (non-preferred brand-name drugs), or drugs which require no copayments. The following shows your deductible and copayment based on the type of prescription you fill and where you get it filled.
Deductible for Prescription Drugs
Deductible (fiscal year July 1 through June 30)

- For individual coverage: $100 for one person
- For family coverage: $200 for the entire family

No more than $100 per person will be applied to the family deductible. Multiple family members can satisfy the family deductible.

Copayments for Prescription Drugs
Participating Retail pharmacy up to 30-day supply and Mail Order or CVS Pharmacy up to a 90-day supply:

**Tier 1 – Generic Drugs**
- 30-day supply: $10
- 90-day supply: $25

**Tier 2 – Preferred Brand-Name Drugs**
- 30-day supply: $30
- 90-day supply: $75

**Tier 3 – Non-Preferred Brand-Name Drugs**
- 30-day supply: $65
- 90-day supply: $165

**Other**

$0 member cost (deductible does not apply)

- Orally-administered anti-cancer drugs
- Generic drugs to treat opioid use disorder (generic buprenorphine-naloxone, naloxone, and naltrexone products)
- Preventive drugs: Refer to the “Preventive Drugs” section below for detailed information

Specialty Drugs: Specialty drugs must be filled only through Accredo, a specialty pharmacy.

**Specialty Drugs: Tier 1**
- $10 per 30-day supply

**Specialty Drugs: Tier 2**
- $30 per 30-day supply

**Specialty Drugs: Tier 3**
- $65 per 30-day supply

Orally-administered anti-cancer specialty drugs
$0 per 30-day supply

*Specialty medications may be dispensed up to a 30-day supply; some exceptions may apply.*

Copayments for ADHD Medications
May be filled through mail order or any network pharmacy. Limited to a 60-day supply per state statute:

- **Tier 1**: 60-day supply: $20
- **Tier 2**: 60-day supply: $60
- **Tier 3**: 60-day supply: $130

**Out-of-Pocket Limit**
This plan has an out-of-pocket limit that is combined with your medical and behavioral health out-of-pocket limit. Deductibles and copayments you pay for prescription drugs during the year count toward this limit. Once you reach the limit, your prescription drugs are covered at 100%. Payments for a brand drug when there is an exact generic equivalent and for drugs not covered by the plan do not count toward the out-of-pocket limit.

<table>

</tr>
<tr>
<td>Family</td>
<td>$10,000</td>
</tr>
</tbody>
</table>

**How to Use the Plan**
After you first enroll in the plan, Express Scripts will send you a welcome packet and Express Scripts Prescription Card(s). Your Prescription Card(s) will be mailed to you with ID cards for you and your dependents (if any) along with a mail order form.

Show your new Prescription Card to your pharmacy so they can correctly process your prescription drug benefits.

Register at express-scripts.com. As a registered user, you can check drug costs, order mail order refills, and review your prescription drug history. You can access this site 24 hours a day.
Filling Your Prescription
You may fill your prescriptions for non-specialty drugs at any participating retail pharmacy, or through mail order from the Express Scripts Pharmacy™.

Prescriptions for specialty drugs must be filled as described in the “Accredo, an Express Scripts Specialty Pharmacy” subsection.

To obtain benefits at a retail pharmacy, you must fill your prescription at a participating pharmacy using your Express Scripts Prescription Card, with the exception of the limited circumstances detailed in the “Claim Forms” subsection.

Filling Your Prescriptions at a Participating Retail Pharmacy
The retail pharmacy is your most convenient option when you are filling a prescription for a short-term prescription that you need immediately (for example, antibiotics for strep throat or painkillers for an injury). Simply present your Express Scripts Prescription Card to your pharmacist, along with your written prescription, and pay the required copayment.

Prescriptions filled at a non-participating retail pharmacy are not covered.

You can locate the nearest participating retail pharmacy anytime online after registering at express-scripts.com or by calling toll free at 855-283-7679.

If you do not have your Prescription Card the pharmacist can also verify eligibility by contacting the Express Scripts Pharmacy Help Desk at 800-922-1557; TDD: 800-922-1557.

Maintenance Medications – Up to 30 Days
After you fill two 30-day supplies of a maintenance medication at a retail pharmacy, you will receive a letter from Express Scripts explaining how you may convert your prescription to a 90-day supply to be filled either through mail order or at a CVS Pharmacy.

You will receive coverage for additional fills of that medication only if you convert your prescription to a 90-day supply to be filled either through mail order or at a CVS Pharmacy, or if you inform Express Scripts that you instead prefer to continue to receive 30-day supplies at a participating retail pharmacy. Exceptions for this policy do apply to ADHD medications. Per state statute, prescriptions are limited to a 60-day supply.

Express Scripts will assist you in transitioning your maintenance prescription to either mail order or a CVS Pharmacy location.

Maintenance Medications – Up to 90 Days
Filling 90-day Prescriptions Through the Express Scripts Pharmacy or CVS Pharmacy
You have the choice and convenience of filling maintenance prescriptions for up to a 90-day supply at the mail order copayment, either through the Express Scripts Pharmacy or at a CVS Pharmacy.

The Express Scripts Pharmacy is a convenient option for prescription drugs that you take on a regular basis for conditions such as asthma, diabetes, high blood pressure and high cholesterol. Your prescriptions are filled and conveniently sent to you in a plain, weather-resistant pouch for privacy and protection. They are delivered directly to your home or to another location that you prefer.

CVS Pharmacy is another option for getting your 90-day maintenance medications for the same copayment amount as mail order. Prescriptions can be filled at a CVS Pharmacy location across the country.

Convenient for You
You get up to a 90-day supply of your maintenance medications – which means fewer refills and fewer visits to your pharmacy, as well as lower copayments. Once you begin using mail order, you can order refills online or by phone, or you can use your local CVS Pharmacy.
Using Mail Order from the Express Scripts Pharmacy

To begin using mail order for your prescriptions, just follow these three simple steps:

1. Ask your physician to write a prescription for up to a 90-day supply of your maintenance medication plus refills for up to one year, if appropriate. (Remember also to ask for a second prescription for an initial 30-day supply and take it to your local participating retail pharmacy.)

2. Complete a mail order form (contained in your Welcome Kit or found online after registering at express-scripts.com). Or call Express Scripts Member Services toll free at 855-283-7679 to request the form.

3. Put your prescription and completed order form into the return envelope (provided with the order form) and mail it to the Express Scripts Pharmacy.

Please allow 7-10 business days for delivery from the time your order is mailed. A pharmacist is available 24 hours a day to answer your questions about your medication.

If the Express Scripts Pharmacy is unable to fill a prescription because of a shortage of the medication, you will be notified of the delay in filling the prescription. You may then fill the prescription at a retail pharmacy, but the retail pharmacy copayment will apply.

Accredo, an Express Scripts Specialty Pharmacy

Accredo is a full-service specialty pharmacy that provides personalized care to each patient and serves a wide range of patient populations, including those with hemophilia, hepatitis, cancer, multiple sclerosis and rheumatoid arthritis.

You will be required to fill your specialty medications at Accredo. This means that your prescriptions can be sent to your home or your doctor’s office.

Specialty medications may be filled only at a maximum of a 30-day supply; some exceptions may apply. Many specialty medications are subject to a clinical review by Express Scripts to ensure the medications are being prescribed appropriately.

Accredo offers a complete range of services and specialty drugs. Your specialty drugs are quickly delivered to any approved location, at no additional charge. We ship to all 50 states using one of our preferred expedited carriers. We can also ship to a variety of alternate addresses, including physician’s offices or to another family member’s address. We do not ship to P.O. Boxes.

You have toll-free access to expert clinical staff who are available to answer all of your specialty drug questions. Accredo will provide you with ongoing refill reminders before you run out of your medications.

To begin receiving your specialty drugs through Accredo, call toll free at 855-667-8678.

Accredo Pharmacy Services

- **Patient Counseling** – Convenient access to pharmacists and nurses who are specialty medication experts
- **Patient Education** – Educational materials
- **Convenient Delivery** – Coordinated delivery to your home, your doctor’s office, or other approved location
- **Refill Reminders** – Ongoing refill reminders from Accredo
- **Language Assistance** – Language-interpreting services are provided for non-English-speaking patients

Claim Forms

Retail purchases out of the country, or purchases at a participating retail pharmacy without the use of your Express Scripts Prescription Card, are covered as follows:

**Claims Reimbursement**

**Type of Claim**

- Claims for purchases at a participating (in-network) pharmacy without an Express Scripts Prescription Card.
Claims incurred within 30 days of the member’s eligibility effective date will be covered at full cost, less the applicable copayment.

-or-

Claims incurred more than 30 days after the member’s eligibility effective date will be reimbursed at a discounted cost, less the applicable copayment.

Claim forms are available to registered users on express-scripts.com or by calling 855-283-7679.

Other Plan Provisions

Preventive Drugs
Coverage will be provided for the following drugs:¹

Aspirin
Generic OTC aspirin ≤ 325mg when prescribed for adults less than 70 years of age for the prevention of heart attack or stroke and to help prevent illness and death from preeclampsia for females who are at high risk for the condition.

Bowel preparation medications
Generic (Rx and OTC) products for adults ages 50 to 75 years old. Limited to 2 prescriptions at $0 copay each year.

Contraceptives
Generic and brand versions of contraceptive drugs and devices, and OTC contraceptive products, when prescribed for women less than 50 years old. Per state statute, some oral contraceptives can be dispensed up to a 3-month supply for the first fill and up to a 12-month supply for subsequent fills.

Folic acid supplements
Generic OTC and Rx versions (0.4mg – 0.8mg strengths only) when prescribed for women under the age of 51.

HIV Pre-Exposure Prophylaxis (PrEP)
Generic only (Brand Truvada covered only until generic becomes available). No age restriction. No copayment.

Immunization vaccines
Generic or brand versions prescribed for children or adults.

Oral fluoride supplements
Generic and brand supplements prescribed for children 6 months through five years of age for the prevention of dental caries.

Breast cancer
Generic prescriptions for raloxifene or tamoxifen are covered for the primary prevention of breast cancer for females who are at increased risk, age 35 years and older.

Tobacco cessation
All FDA-approved smoking cessation products prescribed for adults, age 18 and older.

Statins
Generic-only, single-entity, low-to-moderate dose statin agents for adults 40 to 75 years old.

Call Express Scripts at 855-283-7679 for additional coverage information on specific preventive drugs.

Brand-Name Drugs with Exact Generic Equivalents
The plan encourages the use of generic drugs. There are many brand-name drugs, such as Lipitor®, Ambien® and Fosamax®, for which exact generic equivalents are available. If you fill a prescription for a brand-name medication for which there is an exact generic equivalent, the standard brand copayment will not apply. Instead, you will be responsible for the full difference in price between the brand-name drug and the generic drug, plus the generic copayment. This amount does not count towards the out-of-pocket limit. Exceptions to this provision may apply to certain brand-name preventive drugs. Contact Express Scripts for additional information.

¹ This list is subject to change during the year. Call Express Scripts toll free at 855-283-7679 to check if your drugs are included in the program.
Prescription Drugs with Over-the-Counter (OTC) Equivalents

Some prescription drugs have over-the-counter (OTC) equivalent products available. These OTC products have strengths, active chemical ingredients, routes of administration and dosage forms identical to the prescription drug products.

Your plan does not provide benefits for prescription drugs with OTC equivalents. This provision is not applicable to preventive drugs.

Some prescription drugs also have OTC product alternatives available. These OTC products, though not identical, are very similar to the prescription drugs.

Prior Authorization

Some drugs in your plan require prior authorization. Prior authorization ensures that you are receiving the appropriate drug for the treatment of a specific condition, in quantities approved by the FDA. For select drugs, prior authorization also includes a medical necessity review that ensures the use of less expensive first-line formulary prescription drugs before the plan will pay for more expensive prescription drugs. First-line formulary prescription drugs are safe and effective medications used for the treatment of medical conditions or diseases.

If a drug that you take requires prior authorization, your physician will need to contact Express Scripts to see if the prescription meets the plan's conditions for coverage. If you are prescribed a drug that requires prior authorization, your physician should call Express Scripts at 800-417-1764.

Current Examples of Drugs Requiring Prior Authorization for Specific Conditions

Topical Acne products

Tazorac® 0.05% and 0.1% cream, gel; Fabior 0.1% foam; (Retin-A®, Retin-A® Micro®, Avita®; Tretin·X™; Atralin™ gel: other generic topical tretinoin products) and Clindamycin Phosphate 1.2% and Tretinoin 0.025% gel (Ziana®; Veltin™)

Testosterone – Topical

Androderm, AndroGel, Axiron, Fortesta, Natesto, Striant, Testim, Vogelxo

Testosterone - Injectable

Aveed®, Depo® - Testosterone [testosterone cypionate injection, generics], Delatestryl®, Xyosted® [testosterone enanthate injection, generics], Testopel® [testosterone pellet]

Glaucoma: Ophthalmic Prostaglandin

Lumigan, Xalatan [Generics], Travatan, Travatan Z, Zioptan

Compounded - Select medications

A compounded medication is one that is made by combining, mixing or altering ingredients, in response to a prescription, to create a customized medication that is not otherwise commercially available.

Diabetes GLP-1 agonists

Adlyx, Byetta®, Bydureon®/BCISE, Ozempic, Rybelsus, Tanzeum Trulicity®, Victoza®, Incretin Mimetics

Rosacea

Mirvaso®, Rhofade™ cream

Nutritional Supplements

Nonprescription enteral formulas for home use for which a physician has issued a written order and which are medically necessary for the treatment of malabsorption caused by Crohn’s disease, ulcerative colitis, gastroesophageal reflux, gastrointestinal motility, chronic intestinal pseudo-obstruction, and inherited diseases of amino acids and organic acids.

Pain

Fentanyl Transmucosal Drugs (Abstral®, Actiq®, Fentora®, Lazanda®, Subsys®) Lidoderm®, Ztilido

Weight Management

Adipex (phentermine), Bontril (phendimetrazine), Contrave (bupropion; naltrexone), Didrex [benzphetamine], Sanorex (mazindol), Suprenza [phentermine], Tenuate (diethylpropion), Xenical (orlistat), Belviq, Qsymia, Saxenda

2 This list is not all-inclusive and is subject to change during the year. Call Express Scripts toll free at 855-283-7679 to check if your drugs are included in the program.
Dry Eyes  
Cequa, Restasis®, Xildra®

Current Examples of Top Drug Classes that May require Prior Authorization for Medical Necessity

Dermatological Agents  
Diabetic Supplies  
Epinephrine Auto-Injector Systems  
Erectile Dysfunction Oral Agents  
Erythropoiesis - Stimulating Agents Glaucoma  
Growth Hormones  
Hepatitis C Agents  
Insulins  
Nasal Steroids  
Ophthalmic Agents  
Opioid Analgesics  
Osteoarthritis - Hyaluronic Acid Derivatives  
Osteoporosis Therapy  
Proton Pump Inhibitors

Select drugs within these classes require prior authorization for medical necessity to ensure formulary alternative(s) within the class have been tried. If you are a registered user on express-scripts.com, refer to the National Preferred Formulary or call Express Scripts toll free at 855-283-7679 for additional information.

Quantity Dispensing Limits
To promote member safety and appropriate and cost-effective use of medications, your prescription plan includes a drug quantity management program. This means that for certain prescription drugs, there are limits on the quantity of the drug that you may receive at one time.

Quantity per dispensing limits are based on the following:

- FDA-approved product labeling
- Common usage for episodic or intermittent treatment
- Nationally accepted clinical practice guidelines
- Peer-reviewed medical literature
- As otherwise determined by the plan

Examples of drugs with quantity limits currently include Cialis®, Imitrex®, and lidocaine ointment.

Drug Utilization Review Program
Each prescription drug purchased through this plan is subject to utilization review. This process evaluates the prescribed drug to determine if any of the following conditions exist:

- Adverse drug-to-drug interaction with another drug purchased through the plan;
- Duplicate prescriptions;
- Inappropriate dosage and quantity; or
- Too-early refill of a prescription.

If any of the above conditions exist, medical necessity must be determined before the prescription drug can be filled.

Exclusions
Benefits exclude:

- Dental preparations (e.g., topical fluoride, Arestin®), with the exception of oral fluoride
- Over-the-counter drugs, vitamins or minerals (with the exception of diabetic supplies and preventive drugs)
- Homeopathic drugs
- Prescription products for cosmetic purposes such as photo-aged skin products and skin depigmentation products
- Medications in unit dose packaging
- Impotence medications for members under the age of 18
- Injectable allergens
- Hair growth agents
- Special medical formulas and medical food products, except as required by state law
- Compounded medications-some exclusions apply-examples include: bulk powders, bulk chemicals, and proprietary bases used in compounded medications
- Drugs administered intrathecally, by or under the direction of health care professionals and recommended to be administered under sedation

This list is subject to change during the year. Call Express Scripts toll free at 855-283-7679 to check if your drugs are included in the program.

-115-
Definitions

Brand-Name Drug – The brand name is the trade name under which the product is advertised and sold, and during a period of patent protection it can only be produced by one manufacturer. Once a patent expires, other companies may manufacture a generic equivalent, providing they follow stringent FDA regulations for safety.

Compounded Medication – A compounded medication is one that is made by combining, mixing or altering ingredients, in response to a prescription, to create a customized medication that is not otherwise commercially available. At least one of the ingredients must be a medication that can only be dispensed with a written prescription.

Copayment – A copayment is the amount that members pay for covered prescriptions. If the plan’s contracted cost for a medication is less than the applicable copayment, the member pays only the lesser amount.

Deductible – A deductible is the dollar amount you must pay during a plan year before the copayments for covered prescriptions apply.

Diabetes Supplies – Diabetic supplies include needles, syringes, test strips, lancets and blood glucose monitors.

FDA – The U.S. Food and Drug Administration.

Formulary – A formulary is a list of recommended prescription medications that is created, reviewed and continually updated by a team of physicians and pharmacists. The Express Scripts National Preferred Formulary contains a wide range of generic and preferred brand-name products that have been approved by the FDA. The formulary applies to medications that are dispensed in either the retail pharmacy or mail-order settings. The formulary is developed and maintained by Express Scripts. Formulary designations may change as new clinical information becomes available.

Generic Drugs – Generic versions of brand medications contain the same active ingredients as their brand counterparts, thus offering the same clinical value. The FDA requires generic drugs to be just as strong, pure and stable as brand-name drugs. They must also be of the same quality and manufactured to the same rigorous standards. These requirements assure that generic drugs are as safe and effective as brand-name drugs.

Maintenance Drug – A maintenance drug is a medication taken on a regular basis for conditions such as asthma, diabetes, high blood pressure or high cholesterol.

Non-Preferred Drug – A non-preferred drug is a medication that has been reviewed by Express Scripts, which determined that an alternative drug that is clinically equivalent and more cost-effective may be available.

Out-of-Pocket Limit – The out-of-pocket limit is the most you could pay in copayments during the year for prescription drugs that are covered by Express Scripts. Once you reach this limit, you will have no more copayments for covered drugs. Payments for a brand drug when there is an exact generic equivalent and for drugs not covered by the plan do not count toward the out-of-pocket limit.

Over-the-Counter (OTC) Drugs – Over-the-counter drugs are medications that do not require a prescription. Your plan does not provide benefits for OTC drugs, with the exception of preventive drugs (all of which are covered only if dispensed with a written prescription).

Participating Pharmacy – A participating pharmacy is a pharmacy in the Express Scripts nationwide network. All major pharmacy chains and most independently owned pharmacies participate.

Preferred Brand-Name Drug – A preferred brand-name drug, also known as a formulary drug, is a medication that has been reviewed and approved by a group of physicians and pharmacists, and has been selected by Express Scripts for formulary inclusion based on its proven clinical and cost effectiveness.
**Prescription Drug** – A prescription drug means any and all drugs which, under federal law, are required, prior to being dispensed or delivered, to be labeled with the statement “Caution: Federal Law prohibits dispensing without prescription," or a drug which is required by any applicable federal or state law or regulation to be dispensed pursuant only to a prescription drug order.

**Preventive Drugs** – Preventive drugs consist primarily of drugs recommended for coverage by the U.S. Preventive Services Task Force, and as specified by the federal Patient Protection and Affordable Care Act.

**Prior Authorization** – Prior authorization means determination that a drug is appropriate for treatment of a specific condition. It may also mean determination of medical necessity. It is required before prescriptions for certain drugs will be paid for by the plan.

**Special Medical Formulas or Food Products** – Special medical formulas or food products means nonprescription enteral formulas for home use for which a physician has issued a written order and which are medically necessary for the treatment of malabsorption caused by Crohn’s disease, ulcerative colitis, gastroesophageal reflux, gastrointestinal motility, chronic intestinal pseudo-obstruction, and inherited diseases of amino acids and organic acids. These products require prior authorization to determine medical necessity.

To access the benefit for special medical formulas or food products, call the Group Insurance Commission at 617-727-2310.

**Specialty Drugs** – Specialty drugs are usually injectable and non-injectable biotech or biological drugs with one or more of several key characteristics, including:

- Requirement for frequent dosing adjustments and intensive clinical monitoring
- Need for intensive patient training and compliance for effective treatment
- Limited or exclusive product distribution
- Specialized product handling and/or administration requirements

**Member Appeals**

Express Scripts has processes to address:

- Inquiries concerning your drug coverage
- Appeals:
  - Internal Member Appeals
  - Expedited Appeals
  - External Review Appeals

All appeals should be sent to Express Scripts at the following address:

Complete the form and fax it to 877.328.9660 or mail to:
Express Scripts
Attn: Benefit Coverage Review Department
P.O. Box 66587
St Louis, MO 63166-6587

All calls should be directed to Express Scripts Member Services at 855-283-7679.

To request an initial administrative coverage review, the member or his or her representative must submit the request in writing using a Benefit Coverage Request Form, which can be obtained by calling the Member Services phone number on the back of the prescription card.

**Internal Inquiry**

Call Express Scripts Member Services to discuss concerns you may have regarding your prescription drug coverage. Every effort will be made to resolve your concerns. If your concerns cannot be resolved or if you tell a Member Services representative you are not satisfied with the response you have received, Member Services will notify you of any options you may have, including the right to have your inquiry processed as an appeal. Member Services will also provide you with the steps you and your doctor must follow to submit an appeal.

**Internal Member Appeals**

Requests for coverage that were denied as specifically excluded in this member handbook or for coverage that was denied based on medical
necessity determinations are reviewed as appeals through the Express Scripts Internal Appeals Process. You may file an appeal request yourself or you may designate someone to act on your behalf in writing. You have 180 days from the date you were notified of the denial of benefit coverage or prescription drug claim payment to file your appeal. To request an initial administrative coverage review, the member or his or her representative must submit the request in writing using a Benefit Coverage Request Form, which can be obtained by calling the Customer Service phone number on the back of the prescription card.

1. You must submit a written appeal to the address listed above. Your letter should include:
   - Your complete name and address;
   - Your Express Scripts ID number;
   - Your date of birth;
   - A detailed description of your concern, including the drug name(s) being requested; and
   - Copies of any supporting documentation, records or other information relating to the request for appeal.

2. The Express Scripts Appeals Department will review appeals concerning specific prescription drug benefit provisions, plan rules, and exclusions and make determinations. If you are not satisfied with an Appeals Department denial related to a plan rule or exclusion (i.e., non-medical necessity appeal), you may have the right to request an independent External Review of the decision (refer to “External Review Appeals” for details on this process).

   For denials related to a medical necessity determination, you have the right to an additional review by Express Scripts. Express Scripts will request this review from an independent practitioner in the same or in a similar specialty that typically manages the medical condition for which the prescription drug has been prescribed. If the second review is an adverse determination, you have the right to request an External Review of this decision (refer to “External Review Appeals” for details on this process).

3. For an appeal on a prescription drug that has not been dispensed, an Appeals Analyst will notify you in writing of the decision within no more than fifteen calendar days of the receipt of an appeal. For an appeal on a prescription drug already dispensed, an Appeals Analyst will notify you in writing of the decision within no more than thirty calendar days of the receipt of an appeal.

   A copy of the decision letter will be sent to you and your physician. A determination of denial will set forth:
   - Express Scripts understanding of the request;
   - The reason(s) for the denial;
   - Reference to the contract provisions on which the denial is based; and
   - A clinical rationale for the denial, if the appeal involves a medical necessity determination.

Express Scripts maintains records of each inquiry made by a member or by that member’s designated representative.

Express Scripts recognizes that there are circumstances that require a quicker turnaround than allotted for the standard Appeals Process. Express Scripts will expedite an appeal when a delay in treatment would seriously jeopardize your life and health or jeopardize your ability to regain maximum function. If your request does not meet the guidelines for an expedited appeal, Express Scripts will explain your right to use the standard appeals process.

If your request meets the guidelines for an expedited appeal, it will be reviewed by a practitioner in the same or in a similar specialty that typically manages the medical condition for which the prescription drug has been prescribed. Express Scripts will notify you of its decision by telephone no later than 72 hours after Express Scripts’ receipt of the request.

If the patient or provider believes the patient’s situation is urgent, the provider must request the expedited review by phone at 800-753-2851.

**External Review Appeals**

In most cases, if you do not agree with the Appeals decision, you or your authorized representative have the right to request an independent, external review of the decision.
Should you choose to do so, send your request within four months of your receipt of the written notice of the denial of your appeal to:

To submit an external review, the request must be mailed or faxed to MCMC, LLC, an independent third-party utilization management company, at:

MCMC LLC
Attn: Express Scripts Appeal Program
300 Crown Colony Drive, Suite 203
Quincy, MA 02169-0929
617-375-7700, ext. 28253
617-375-7683

In some cases, members may have the right to an expedited external review. An expedited external review may be appropriate in urgent situations. Generally, an urgent situation is one in which your health may be in serious jeopardy, or, in the opinion of your physician, you may experience pain that cannot be adequately controlled while you wait for a decision on your appeal. The request must be received within 4 months of the date of the final internal adverse benefit determination (If the date that is 4 months from that date is a Saturday, Sunday or holiday, the deadline will be the next business day. For urgent external appeals urgent external review, the IRO will review the claim within 72 hours from receipt of the request and will send the claimant written notice of its decision.

If you request an external review, an independent organization will review the decision and provide you with a written determination. If this organization decides to overturn the Appeals decision, the service or supply will be covered under the plan.

If you have questions or need help submitting an appeal, please call Customer Care for assistance at 855-283-7679.

Health and Prescription Information
GIC authorizes health and prescription information about members be used by Express Scripts to administer benefits. As part of the administration, Express Scripts may report health and prescription information to the administrator or sponsor of the benefit plan. Express Scripts also uses that information and prescription data gathered from claims nationwide for reporting and analysis without identifying individual members.
Group Insurance Commission Notices
GROUP HEALTH CONTINUATION COVERAGE UNDER COBRA

GENERAL NOTICE

This notice explains your COBRA rights and what you need to do to protect your right to receive it. You will receive a COBRA notice and application if the Group Insurance Commission (GIC) is informed that your current GIC coverage is ending due either to (1) end of employment; (2) reduction in hours of employment; (3) death of employee/retiree; (4) divorce or legal separation; or (5) loss of dependent child status. This COBRA notice contains important information about your right to temporarily continue your health care coverage in the Group Insurance Commission’s (GIC’s) health plan through a federal law known as COBRA. If you elect to continue your coverage, COBRA continuation coverage will begin on the first day of the month immediately after your current GIC coverage ends.

You must complete the GIC COBRA Election Form and return it to the GIC by no later than 60 days after your group coverage ends by sending it by mail to the Public Information Unit at the GIC at P.O. Box 556, Randolph, MA 02368 or by hand delivery to the GIC, 19 Staniford Street, 4th floor, Boston, MA 02114. If you do not submit a completed election form by this deadline, you will lose your right to elect COBRA coverage.

WHAT IS COBRA CONTINUATION COVERAGE? The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) is a federal law under which certain former employees, retirees, spouses, former spouses, and dependent children have the right to temporarily continue their existing group health coverage at group rates when group coverage otherwise would end due to certain life events, called ‘Qualifying Events.’ If you elect COBRA continuation coverage, you are entitled to the same coverage being provided under the GIC’s plan to similarly situated employees or dependents. The GIC administers COBRA continuation coverage.

WHO IS ELIGIBLE FOR COBRA CONTINUATION COVERAGE? Each individual entitled to COBRA (known as a “Qualified Beneficiary”) has an independent right to elect the coverage, regardless of whether or not other eligible family members elect it. Qualified Beneficiaries may elect to continue their group coverage that otherwise would end due to the following life events:

If you are an employee of the Commonwealth of Massachusetts or municipality covered by the GIC’s health benefits program, you have the right to choose COBRA coverage if

- You lose your group health coverage because your hours of employment are reduced; or
- Your employment ends for reasons other than gross misconduct.

FY22-GIC
If you are the spouse of an employee covered by the GIC’s health benefits program, you have the right to choose COBRA continuation coverage for yourself if you lose GIC health coverage for any of the following reasons (known as “qualifying events”):

- Your spouse dies;
- Your spouse’s employment with the Commonwealth or participating municipality ends for any reason other than gross misconduct or his/her hours of employment are reduced; or
- You and your spouse legally separate or divorce.

If you have dependent children who are covered by the GIC’s health benefits program, each child has the right to elect COBRA continuation coverage if he or she loses GIC health coverage for any of the following reasons (known as “qualifying events”):

- The employee-parent dies;
- The employee-parent’s employment is terminated (for reasons other than gross misconduct) or the parent’s hours or employment are reduced;
- The parents legally separate or divorce; or
- The dependent ceases to be a dependent child under GIC eligibility rules.

HOW LONG DOES COBRA CONTINUATION COVERAGE LAST? By law, COBRA continuation coverage must begin on the day immediately after your group health coverage otherwise would end. If your group coverage ends due to employment termination or reduction in employment hours, COBRA continuation coverage may last for up to 18 months. If it ends due to any other qualifying events listed above, you may maintain COBRA continuation coverage for up to 36 months.

If you have COBRA continuation coverage due to employment termination or reduction in hours, your family members’ COBRA continuation coverage may be extended beyond the initial 18-month period up to a total of 36 months (as measured from the initial qualifying event) if a second qualifying event – the insured’s death or divorce -- occurs during the 18 months of COBRA continuation coverage. You must notify the GIC in writing within 60 days of the second qualifying event and before the 18-month COBRA period ends in order to extend the coverage. Your COBRA continuation coverage may be extended to a total of 29 months (as measured from the initial qualifying event) if any qualified beneficiary in your family receiving COBRA continuation coverage is disabled during the first 60 days of your 18-month COBRA continuation coverage. You must provide the GIC with a copy of the Social Security Administration’s disability determination within 60 days after you receive it and before your initial 18-month COBRA period ends in order to extend the coverage. For more information on extending the length of COBRA continuation coverage, visit https://www.dol.gov/sites/dolgov/files/EBSA/about-ebsa/our-activities/resource-center/publications/an-employees-guide-to-health-benefits-under-cobra.pdf.

COBRA continuation coverage will end before the maximum coverage period ends if any of the following occurs:

- The COBRA cost is not paid in full when due (see section on paying for COBRA);
- You or another qualified beneficiary become covered under another group health plan that does not impose any pre-existing condition exclusion for the qualified beneficiary’s pre-existing covered condition covered by COBRA benefits;
- You are no longer disabled as determined by the Social Security Administration (if your COBRA continuation coverage was extended to 29 months due to disability);
- The Commonwealth of Massachusetts or your municipal employer no longer provides group health coverage to any of its employees; or
- Any reason for which the GIC terminates a non-COBRA enrollee’s coverage (such as fraud).

The GIC will notify you in writing if your COBRA continuation coverage is to be terminated before the maximum coverage period ends. The GIC reserves the right to terminate your COBRA continuation coverage retroactively if you are subsequently found to have been ineligible for coverage.
HOW AND WHEN DO I ELECT COBRA CONTINUATION COVERAGE? Qualified beneficiaries must elect COBRA continuation coverage within 60 days of the date that their group coverage otherwise would end or within 60 days of receiving a COBRA notice, whichever is later. A qualified beneficiary may change a prior rejection of COBRA election any time until that date. If you do not elect COBRA continuation coverage within the 60–day election period, you will lose all rights to COBRA continuation coverage.

In considering whether to elect COBRA continuation coverage you should take into account that you have special enrollment rights under federal law, including the right to request special enrollment in another group health plan for which you are otherwise eligible (such as a spouse’s plan) within 30 days after your GIC coverage ends due to a qualifying event.

You will also have the same special enrollment right at the end of COBRA continuation coverage if you get continuation coverage for the maximum time available to you.

HOW MUCH DOES COBRA CONTINUATION COVERAGE COST? Under COBRA, you must pay 102% of the applicable cost of your COBRA coverage. If your COBRA continuation coverage is extended to 29 months due to disability, your cost will increase to 150% of the applicable full cost rate for the additional 11 months of coverage. COBRA costs will change periodically; current COBRA rates are included with this notice.

HOW AND WHEN DO I PAY FOR COBRA CONTINUATION COVERAGE? If you elect COBRA continuation coverage, you must make your first payment for COBRA continuation coverage within 45 days after the date you elect it. If you do not make your first payment for COBRA continuation coverage within the 45–day period, you will lose all COBRA continuation coverage rights under the plan.

Your first payment must cover the cost of COBRA continuation coverage from the time your coverage would have ended up to the time you make the first payment. Services cannot be covered until the GIC receives and processes this first payment, and you are responsible for making sure that the amount of your first payment is enough to cover this entire period. After you make your first payment, you will be required to pay for COBRA continuation coverage for each subsequent month of coverage. These periodic payments are due usually around the 15th of each month. The GIC will send monthly bills, specifying the due date for payment and the address to which payment is to be sent for COBRA continuation coverage, but you are responsible for paying for the coverage even if you do not receive a monthly statement. Payments should be sent to the GIC’s address on the bill.

After the first payment, you will have a 30–day grace period beyond the due date on each monthly bill in which to make your monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. If you fail to make a periodic payment before the end of the grace period for that payment, you will lose all rights to COBRA coverage.

CAN I ELECT OTHER HEALTH COVERAGE BESIDES COBRA? Yes. You have the right to enroll, within 31 days after coverage ends, in an individual health insurance ‘conversion’ policy with your current health plan without providing proof of insurability. Alternately, if you are a Massachusetts resident, you may purchase health insurance through the Commonwealth’s Health Connector Authority, or for employees in other states, through a Health Insurance Marketplace where available. The GIC has no involvement in conversion programs, and only very limited involvement in Health Connector programs. You pay the premium to the plan sponsor for the coverage. The benefits provided under such a policy might not be identical to those provided through COBRA. You may exercise this right in lieu of electing COBRA continuation coverage, or you may exercise this right after you have received the maximum COBRA coverage available to you.

Additionally, you or other qualified beneficiaries may qualify for MassHealth (Medicaid), Medicare, or the Children’s Health Insurance Program (CHIP) or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at http://www.healthcare.gov.
IMPORTANT INFORMATION REGARDING MEDICARE AND COBRA

In general, if you don’t enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of:

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don’t enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA continuation coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA continuation coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

For more information visit https://www.medicare.gov/medicare-and-you.

YOUR COBRA CONTINUATION COVERAGE RESPONSIBILITIES

- You must inform the GIC of any address changes to preserve your COBRA rights;
- You must elect COBRA within 60 days from the date you receive a COBRA notice or would lose group coverage due to one of the qualifying events described above. If you do not elect COBRA continuation coverage within the 60-day limit, your group health benefits coverage will end and you will lose all rights to COBRA continuation coverage.
- You must make the first payment for COBRA continuation coverage within 45 days after you elect COBRA. If you do not make your first payment for the entire COBRA cost due within that 45-day period, you will lose all COBRA continuation coverage rights.
- You must pay the subsequent monthly cost for COBRA continuation coverage in full by the end of the 30-day grace period after the due date on the bill. If you do not make payment in full by the end of the 30-day grace period after the due date on the bill, your COBRA continuation coverage will end.
- You must inform the GIC within 60 days of the later of either (1) the date of any of the following, or (2) the date on which coverage would be lost because of any of the following events:
  - The employee’s job terminates or his/her hours are reduced;
  - The insured dies;
  - The insured becomes legally separated or divorced;
  - The insured or insured’s former spouse remarries;
  - A covered child ceases to be a dependent under GIC eligibility rules;
  - The Social Security Administration determines that the employee or a covered family member is disabled; or
  - The Social Security Administration determines that the employee or a covered family member is no longer disabled.

If you do not inform the GIC of these events within the time period specified above, you will lose all rights to COBRA continuation coverage. To notify the GIC of any of the above events within the 60 days for providing notice, send a letter to the Public Information Unit at Group Insurance Commission, P. O. Box 556, Randolph, MA 02368.

If you have questions about COBRA continuation coverage, contact the GIC’s Public Information Unit at 617-727-2310, or write to the Unit at P.O. Box 556, Randolph, MA 02368. You may also contact the U.S. Department of Labor’s Employee Benefits Security Administration’s website at www.dol.gov/ebsa or call their toll free number at 866-444-3272. For more information about health insurance options available through a Health Insurance Marketplace, visit www.healthcare.gov or, in Massachusetts visit, www.mahealthconnector.org.
Important Notice from the Group Insurance Commission (GIC) About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the Plan and your options under Medicare’s prescription drug coverage. This information can help you decide whether or not to join a non-GIC Medicare Drug Plan. If you are considering joining a non-GIC Plan, you should compare your current coverage – particularly which drugs are covered, and at what cost – with that of the Plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage can be found at the end of this notice.

FOR MOST PEOPLE, THE DRUG COVERAGE THAT YOU CURRENTLY HAVE THROUGH YOUR GIC HEALTH PLAN IS A BETTER VALUE THAN THE NON-GIC MEDICARE PART D DRUG PLANS.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available to everyone with Medicare in 2006. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan that offers prescription drug coverage. All Medicare Drug Plans provide at least a standard level of coverage set by Medicare. Some Plans may also offer more coverage for a higher monthly premium.

2. The GIC has determined that the prescription drug coverage offered by your Plan is, on average for all participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare Part D drug Plan.

When Can You Join A Medicare Part D Drug Plan?
You can join a non-GIC Medicare Drug Plan when you first become eligible for Medicare and each subsequent year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period to join a non-GIC Medicare Drug Plan.

What Happens To Your Current Coverage If You Decide To Join A Non-GIC Medicare Drug Plan?

- If you enroll in another Medicare Prescription Drug Plan or a Medicare Advantage Plan with or without prescription drug coverage, you will be disenrolled from the GIC-sponsored CVS Caremark Plan. If you are disenrolled from CVS Caremark, you will lose your GIC medical, prescription drug, and Behavioral Health coverage.
- If you are the insured and decide to join a non-GIC Medicare Drug Plan, both you and your covered Spouse/Dependents will lose your GIC medical, prescription drug, and Behavioral Health coverage.
- If you have limited income and assets, the Social Security Administration offers help paying for Medicare prescription drug coverage. Help is available online at www.socialsecurity.gov or by phone at 1-800-772-1213 (TTY 1-800-325-0778).

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with a GIC Plan and don’t join a Medicare Drug Plan within 63 continuous Days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare Drug Plan later.

If you go 63 continuous Days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.
For More Information About This Notice Or Your Current Prescription Drug Coverage…
Contact the GIC at (617) 727-2310, extension 1. Note: You will receive this notice each year and if this coverage through the Group Insurance Commission changes. You may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…
More detailed information about Medicare Plans that offer prescription drug coverage is in the “Medicare & You” Handbook. You’ll get a copy of the Handbook in the mail every year from Medicare. You may also be contacted directly by Medicare Drug Plans.

For more information about Medicare prescription drug coverage:
- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” Handbook for the telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227); TTY users should call 1-877-486-2048.

If you have limited income and assets, extra help paying for Medicare prescription drug coverage is available. For information about the Extra Help program, visit Social Security online at www.socialsecurity.gov or call 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare Drug Plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Updated: November 2015
Notice of Group Insurance Commission Privacy Practices

Effective September 3, 2013

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED, AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

By law, the GIC must protect the privacy of your personal health information. The GIC retains this type of information because you receive health benefits from the Group Insurance Commission. Under federal law, your health information (known as “protected health information” or “PHI”) includes what health Plan you are enrolled in and the type of health Plan coverage you have. This notice explains your rights and our legal duties and privacy practices.

The GIC will abide by the terms of this notice. Should our information practices materially change, the GIC reserves the right to change the terms of this notice, and must abide by the terms of the notice currently in effect. Any new notice provisions will affect all protected health information we already maintain, as well as protected health information that we may receive in the future. We will mail revised notices to the address you have supplied, and will post the updated notice on our website at http://www.mass.gov/gic.

Required and Permitted Uses and Disclosures

We use and disclose protected health information (“PHI”) in a number of ways to carry out our responsibilities. The following describes the types of uses and disclosures of PHI that federal law requires or permits the GIC to make without your authorization:

Payment Activities: The GIC may use and share PHI for Plan payment activities, such as paying administrative fees for health care, paying health care claims, and determining eligibility for health benefits.

Health Care Operations: The GIC may use and share PHI to operate its programs that include evaluating the quality of health care services you receive, arranging for legal and auditing services (including fraud and abuse detection); and performing analyses to reduce health care costs and improve Plan performance.

To Provide You Information on Health-Related Programs or Products: Such information may include alternative medical treatments or programs or about health-related products and services, subject to limits imposed by law as of September 23, 2013.

Other Permitted Uses and Disclosures:
The GIC may use and share PHI as follows:

• to resolve complaints or inquiries made by you or on your behalf (such as appeals);
• to enable business associates that perform functions on our behalf or provide services if the information is necessary for such functions or services. Our business associates are required, under contract with us, to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract. Our business associates are also directly subject to federal privacy laws;
• for data breach notification purposes. We may use your contact information to provide legally-required notices of unauthorized acquisition, access or disclosure of your health information;
• to verify agency and Plan performance (such as audits);
• to communicate with you about your GIC-sponsored benefits (such as your annual benefits statement);
• for judicial and administrative proceedings (such as in response to a court order);
• for research studies that meet all privacy requirements; and
• to tell you about new or changed benefits and services or health care choices.
Required Disclosures: The GIC must use and share your PHI when requested by you or someone who has the legal right to make such a request on your behalf (your Personal representative), when requested by the United States Department of Health and Human Services to make sure your privacy is being protected, and when otherwise required by law.

Organizations That Assist Us: In connection with payment and health care operations, we may share your PHI with our third party “Business Associates” that perform activities on our behalf, for example, our Indemnity Plan administrator. When these services are contracted, we may disclose your health information to our business associates so that they can perform the job we have asked of them. These business associates will be contractually bound to safeguard the privacy of your PHI and also have direct responsibility to protect your PHI imposed by federal law.

Except as described above, the GIC will not use or disclose your PHI without your written authorization. You may give us written authorization to use or disclose your PHI to anyone for any purpose. You may revoke your authorization so long as you do so in writing; however, the GIC will not be able to get back your health information we have already used or shared based on your permission.

Your rights

You have the right to:

- Ask to see and get a copy of your PHI that the GIC maintains. You must ask for this in writing. Under certain circumstances, we may deny your request. If the GIC did not create the information you seek, we will refer you to the source (e.g., your health Plan Administrator). The GIC may charge you to cover certain costs, such as copying and postage.
- Ask the GIC to amend your PHI if you believe that it is wrong or incomplete and the GIC agrees. You must ask for this by in writing, along with a reason for your request. If the GIC denies your request to amend your PHI, you may file a written statement of disagreement to be included with your information for any future disclosures.
- Get a listing of those with whom the GIC shares your PHI. You must ask for this in writing. The list will not include health information that was: (1) collected prior to April 14, 2003; (2) given to you or your personal representative; (3) disclosed with your specific permission; (4) disclosed to pay for your health care treatment, payment or operations; or (5) part of a limited data set for research.
- Ask the GIC to restrict certain uses and disclosures of your PHI to carry out payment and health care operations; and disclosures to family members or friends. You must ask for this in writing. Please note that the GIC will consider the request, but we are not required to agree to it and in certain cases, federal law does not permit a restriction.
- Ask the GIC to communicate with you using reasonable alternative means or at an alternative address, if contacting you at the address we have on file for you could endanger you. You must tell us in writing that you are in danger, and where to send communications.
- Receive notification of any breach of your unsecured PHI.
- Receive a separate paper copy of this notice upon request. (An electronic version of this notice is on our website at http://www.mass.gov/gic.)

If you believe that your privacy rights may have been violated, you have the right to file a complaint with the GIC or the federal government. GIC complaints should be directed to: GIC Privacy Officer, P.O. Box 556, Randolph, MA 02368. Filing a complaint or exercising your rights will not affect your GIC benefits. To file a complaint with the federal government, you may contact the United States Secretary of Health and Human Services. To exercise any of the individual rights described in this notice, or if you need help understanding this notice, please call (617) 727-2310, extension 1 or TTY for the deaf and hard of hearing at (617) 227-8583.
The Uniformed Services Employment and Reemployment Rights Act (USERRA)

The Uniformed Services Employment and Reemployment Rights Act (USERRA) protects the rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. The GIC has more generous guidelines for benefit coverage that apply to persons subject to USERRA, as set forth below:

If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents while in the military.

Service members who elect to continue their GIC health coverage are required to pay the employee’s share for such coverage.

Even if you don’t elect to continue coverage during your military service, you have the right to be reinstated to GIC health coverage when you are reemployed, generally without any waiting periods or exclusions except for service-connected illnesses or injuries.

The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its website at https://www.dol.gov/agencies/vets. An interactive online USERRA Advisor can be viewed at https://www.dol.gov/agencies/vets/programs/userra. If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation. You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA. The rights listed here may vary depending on the circumstances.

For more information about your GIC coverage, please contact the Group Insurance Commission at (617) 727-2310, ext. 1.
Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2021. Contact your State for more information on eligibility –

Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 1/31/2023)
PATIENT PROTECTION DISCLOSURE

This Plan generally requires the designation of a Primary Care Provider. You have the right to designate any Primary Care Provider who participates in our network and who is available to accept you and/or your family members. For information on how to select a Primary Care Provider, and for a list of the participating Primary Care Providers, contact Member Services or see our web at http://www.tuftshealthplan.com/gic.

For Children, you may designate a pediatrician as the Primary Care Provider.

You do not need prior authorization from Tufts Health Plan or from any other person (including a Primary Care Provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specializes in obstetrics or gynecology, contact Member Services or see our website at http://www.tuftshealthplan.com/gic.
AFFORDABLE CARE ACT

YOU ARE RECEIVING THIS NOTICE AS REQUIRED BY THE NEW NATIONAL HEALTH REFORM LAW (ALSO KNOWN AS THE AFFORDABLE CARE ACT OR ACA)

On January 1, 2014, the Affordable Care Act (ACA) will be implemented in Massachusetts and across the nation. The ACA will bring many benefits to Massachusetts and its residents, helping us expand coverage to more Massachusetts residents, making it more affordable for small businesses to offer their employees healthcare, and providing additional tools to help families, individuals and businesses find affordable coverage. This notice is meant to help you understand health insurance Marketplaces, which are required by the ACA to make it easier for consumers to compare health insurance Plans and enroll in coverage. In Massachusetts, the state Marketplace is known as the Massachusetts Health Connector. While you may or may not qualify for health insurance through the Health Connector, it may still be helpful for you to read and understand the information included here.

Overview: When key parts of the national health reform law take effect in January 2014, there will be an easy way for many individuals and small businesses in Massachusetts to buy health insurance: the Massachusetts Health Connector. This notice provides some basic information about the Health Connector, and how coverage available through the Health Connector relates to any coverage that may be offered by your employer. You can find out more by visiting: MAhealthconnector.org, or for non-Massachusetts residents, Healthcare.gov or (1-800-318-2596; TTY: 1- 855-889-4325).

What is the Massachusetts Health Connector? The Health Connector is our state’s health insurance Marketplace. It is designed to help individuals, families, and small businesses find health insurance that meets their needs and fits their budget. The Health Connector offers "one-stop shopping" to easily find and compare private health insurance options from the state’s leading health and dental insurance companies. Some individuals and families may also qualify for a new kind of tax credit that lowers their monthly premium right away, as well as Cost-Sharing reductions that can lower Out-of-Pocket expenses. This new tax credit is enabled by §26B of the Internal Revenue Service (IRS) Code.

Open enrollment for individuals and families to buy health insurance coverage through the Health Connector begins Oct. 1, 2013, for coverage starting as early as Jan. 1, 2014. (And in future years, open enrollment will begin every Oct. 15.) You can find out more by visiting http://www.MAhealthconnector.org or calling 1-877-MA ENROLL (1-877-623-6765).

Can I qualify for federal and state assistance that reduces my health insurance premiums and Out-of-Pocket expenses through the Health Connector?

Depending on your income, you may qualify for federal and/or state tax credits and other subsidies that reduce your premiums and lower your Out-of-Pocket expenses if you shop through the Health Connector. You can find out more about the income criteria for qualifying for these subsidies by visiting http://www.MAhealthconnector.org or calling 1-877-MA ENROLL (1-877-623-6765).

Does access to employer-based health coverage affect my eligibility for subsidized health insurance through the Health Connector?
An offer of health coverage from the Commonwealth of Massachusetts, as the employer, could affect your eligibility for these credits and subsidies through the Health Connector. If your income meets the eligibility criteria, you will qualify for credits and subsidies through the Health Connector if:

- The Commonwealth of Massachusetts does not offer coverage to you, or
- The Commonwealth of Massachusetts offers you coverage, but:
  o The coverage the Commonwealth of Massachusetts provides you (not including other family members) would require you to spend more than 9.5 percent of your household income for the year; or
  o The coverage the Commonwealth of Massachusetts provides does not meet the "minimum value" standard set by the new national health reform law (which says that the Plan offered has to cover at least 60 percent of total Allowed Costs).
If you purchase a health Plan through the Health Connector instead of accepting health coverage offered by the Commonwealth of Massachusetts please note that you will lose the employer contribution (if any) for your health insurance. Also, please note that the amount that you and your employer contribute to your employer-sponsored health insurance is often excluded from federal and state income taxes. Health Connector premiums have different tax treatment.

As part of considering whether the ACA and Marketplaces will affect you as an employee it is important to understand what the Commonwealth of Massachusetts offers you.

- The Commonwealth offers benefited employees health coverage through the Group Insurance Commission. To be eligible for GIC health insurance, a state employee must work a minimum of 18 ¾ hours in a 37.5 hour work week or 20 hours in a 40 hour work week. The employee must contribute to a participating GIC retirement system, such as the State Board of Retirement, a municipal retirement board, the Teachers Retirement Board, the Optional Retirement Pension System for Higher Education, a Housing, Redevelopment Retirement Plan, or another Massachusetts public sector retirement system (OBRA is not such a public retirement system for this purpose. Visit www.mass.gov/gic or see your GIC Coordinator for more information.

- Temporary employees, contractors, less-than-half time part time workers, and most seasonal employees are not eligible for GIC health insurance benefits. These employees may shop for health insurance through the Health Connector and may be eligible for advanced premium federal tax credits and/or state subsidies if their gross family income is at or below 400% Federal Poverty Level (which is approximately $46,000 for an individual and $94,000 for a family of four). Visit www.MAhealthconnector.org or call 1-877-MA-ENROLL for more information.

If there is any confusion around your employment status and what you are eligible for, please email healthmarketplacenotice@massmail.state.ma.us or contact your HR department or GIC Coordinator.
ANTI-DISCRIMINATION NOTICE

*Tufts Health Plan* complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. *Tufts Health Plan* does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

**Tufts Health Plan:**
- Provides free aids and services to people with disabilities to communicate effectively with us, such as written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages

If you need these services, contact *Tufts Health Plan* at 800.462.0224.

If you believe that *Tufts Health Plan* has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with:

**Tufts Health Plan**
**Attention:** Civil Rights Coordinator Legal Dept.
705 Mount Auburn St. Watertown, MA 02472
Phone: 888.880.8699 ext. 48000, [TTY number — 800.439.2370 or 711]
Fax: 617.972.9048
Email: OCRCOordinator@tufts-health.com

You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, the *Tufts Health Plan* Civil Rights Coordinator is available to help you.
